Ms. ESHOO. Madam Speaker, I rise today to honor the life of an extraordinary American, Robert L. Dehn, affectionately known to all as Bob.

Bob was born on November 6, 1941, and passed away on January 23, 2020, after a brief illness. He was the son of Leslie and Lorna Dehn of Albany, California, growing up in Albany and Berkeley. He graduated from UC Berkeley with a degree in chemistry.

After graduation, Bob began his career at SRI International, formerly Stanford Research Institute. His first position at SRI was as a pharmaceutical chemist, and later, after earning an MBA from Santa Clara University, he moved to marketing and business development. He continued in these roles in the Life Sciences Division until his retirement in 2007.

Bob Dehn spent his entire career at SRI and it was there that he met his wife of 52 years, Fran McGroary. He is survived by Fran and their daughter, Elizabeth and son Peter, and their grandsons Oliver, Byron and Zac, and his sister Marlene.

Both have given generously of their time and considerable talents in service to others. Bob served on the Menlo Park Library Commission for 11 years, and helped engineer the passage of a bond measure that provided funding for renovating the main library in 1992. He volunteered extensively at Church of the Nativity and its Nativity School. Bob was a man of

deep faith and he gave his time to St. Anthony's Padua Dining Room, serving as volunteer coordinator, cook's assistant and fundraising director.

Madam Speaker, I ask the entire House of Representatives to join me in honoring the extraordinary life of Bob Dehn and in extending our condolences to his wife and his entire family. We are a better community and a stronger country because of all that Bob did for so many.
