

While Patrick could have done anything with his life, he decided to move back home to Miami and work to ensure that our city became the best version of itself, a more equitable, more just, more accessible place for all Floridians. He recently cofounded the Miami Freedom Project to achieve just that.

I know that Patrick has found his freedom and his peace. We will honor his legacy by working to ensure that our city is a more just and freer place.

Patrick, you touched the lives of so many people from so many walks of life. You made us better. You challenged us. You believed in us. We promise to honor your legacy.

May you rest in peace, Patrick.

REMEMBERING CINDY WADE TANNER

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to remember and honor the life of Mrs. Cindy Wade Tanner.

From Waycross in Georgia's First Congressional District, she was loved and cherished by many.

Mrs. Tanner was a gifted teacher and a pillar in her community. She taught at Bacon County High School and later moved to Ware County High School.

After teaching high school students, Mrs. Tanner worked at Waycross-Ware Technical School and retired in 2017 as vice president for institutional advancement. While there, she planned and coordinated the first community-wide social fundraiser, the Gala.

In 1998, Mrs. Tanner was awarded the Rick Perkins Award of Excellence, which is to honor technical college instructors who make significant contributions to technical education through innovation and leadership in their fields.

She dedicated most of her time to teach and lead others, as she was also a beloved Sunday school teacher at her church.

Mrs. Tanner's selfless legacy will always be remembered.

Her family and friends will be in my thoughts and prayers during this most difficult time.

CONGRATULATING THE ROSELLE PARK PANTHERS YOUTH CHEER- LEADERS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to congratulate the Roselle Park Panthers youth cheerleaders. They earned a national championship and a bronze medal at the 2019 American Youth Cheer, AYC, national championships.

The AYC championships are divided into more than 20 divisions, from small to elite teams. The Roselle Park Panthers won awards in two different divisions. First, a squad of cheerleaders aged 10 to 15 years old won the division 14 small level 3 national championship. Then a team of 7- to 10-year-olds earned a bronze medal for a third-place finish in the division 10 small level 2 competition.

This is the second time in 3 years that Roselle Park has won a cheerleading national championship and the third time in the squad's history.

Along the way, the Panthers were crowned Jersey Shore Champions, Regional Champions, and Regional Grand Champions. I am extremely proud of these young people and their accomplishments, and I look forward to hearing what they will do next.

They are truly winners, and I am proud of Roselle Park, a great part of my district.

NATIONAL ASSOCIATION FOR MUSIC EDUCATION

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize and congratulate Scott Sheehan, a music teacher in Hollidaysburg, Pennsylvania. Scott was recently elected to serve as president of the National Association for Music Education, or NAFME.

NAFME is a membership organization of more than 60,000 individuals who advocate for music education at the local, State, and national levels. They provide resources for teachers, parents, and administration who also champion music education.

Scott understands the value music adds to a child's education and a child's life. He said: "I foresee a future where every child can achieve their creative musical potential and share their voice and place in society through their artistic contributions."

Scott taught all three of my sons music, and I know he will do a great job in his new role at NAFME. The timing of this announcement is particularly appropriate as March is National Music in Our Schools Month.

I would like to thank Scott for his commitment to music education over the years in teaching and wish him all the best of luck.

CORONAVIRUS RELIEF

(Mrs. TORRES of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. TORRES of California. Mr. Speaker, I am glad that President Trump is meeting with his team to figure out how to save corporate America from the economic fallout of the

coronavirus outbreak. After the worst economic collapse in over a decade, I would expect nothing less. But a corporate bailout doesn't help the everyday workers I represent.

What about the independent contractors working two or three jobs just to get by? Or the warehouse workers who are laid off because China is exporting fewer goods to the Port of LA or Long Beach? Or the Uber drivers who lose business when a convention is canceled or are forced to self-quarantine?

These workers don't have workplace benefits such as paid sick leave. The option to self-quarantine isn't an option at all when you have to work and live every day paycheck to paycheck.

Mr. President, these are the stories of real Americans who are bearing the brunt of this crisis, and they deserve relief, too. They deserve your attention, too. I urge you to work with Democrats in the House to pass a real plan to help all Americans.

The SPEAKER pro tempore. Members are reminded to address their remarks to the Chair.

GREAT FEBRUARY JOBS REPORT

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, in the February jobs report, job numbers remain strong. Jeff Cox with CNBC wrote an article titled: "Job Growth Smashes Expectations for February As Unemployment Falls Back to 3.5 Percent." This title reflects the 273,000 jobs created in February, smashing the expectation of 175,000 additions.

The article also said: "The Labor Department reported . . . that the U.S. economy added 273,000 new jobs during the month, while the unemployment rate was 3.5 percent, matching its lowest level in more than 50 years."

I am grateful that for African Americans, Hispanics, and Asian Americans there is record low unemployment with record opportunities to achieve jobs. President Trump is continuing his record of promises made, promises kept. This is clear with the release of the February report of 273,000 more jobs.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

PAID SICK LEAVE

(Mr. LEVIN of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LEVIN of California. Mr. Speaker, as we confront the coronavirus epidemic, one thing is clear: Everyone should follow the CDC's recommendations to stay healthy and safe. That means staying home if you are feeling sick.

If we want people to follow that important guidance, though, we must
