ENSURING DEMAND FOR U.S. ENERGY

(Mr. KELLER asked and was given permission to address the House for 1 minute.)

Mr. KELLER. Madam Speaker, with Saudi Arabia and Russia going through absurd measures to drive the United States out of the energy market, this is a prime opportunity to ensure we have demand for American energy made right here at home.

That is why I am saddened to see Pennsylvania's Governor publicly oppose legislation that will incentivize the potential creation of two new petrochemical facilities in Pennsylvania.

The United States, generally, and Pennsylvania, in particular, have benefited from homegrown energy production. The natural gas industry in Pennsylvania has invested in local communities, improved educational opportunities, lowered energy costs, and boosted our national security through energy independence.

But we cannot allow foreign countries, especially those who do not share our values, to drive us out of the energy market.

By supporting an energy and fertilizer manufacturing tax credit, and bringing jobs, investment, and local demand for local gas, Pennsylvania could invest in our country's future and our national security by ensuring a local market for local energy resources.

diverted; and we are not going to be defeated. We are going to keep pressing on to pass H.R. 1 for the people and restore the voices of the American people.

REMEMBERING DOROTHY MAE BURNS

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember the life of Ms. Dorothy Burns, who passed away on Sunday, February 16, at the age of 84.

Throughout her life, Ms. Burns was a trailblazing woman who was heavily involved in Georgia government, advocating for candidates she thought were best for our State.

Within the State, she served as the very first vice chair of the Georgia Republican Party. Ms. Burns held leadership roles on countless successful campaigns, including Georgia Senators JOHNNY ISAKSON, Mack Mattingly, and Paul Coverdell and Presidents Ronald Reagan and George H.W. Bush. Additionally, she served numerous times as a delegate to national political conventions and as a Presidential elector.

But her dedication did not stop with politics. In Gainesville, Georgia, Ms. Burns taught the speech and hearing impaired how to read braille. She founded the K-12 school, Lakeview Academy, which continues to thrive today.

Ms. Burns is leaving our State much better than she found it and will be deeply missed. Her family and friends are in my thoughts and prayers during this most difficult time.

HONORING THE WEST ORANGE HIGH SCHOOL CHEERLEADERS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Madam Speaker, I want to congratulate, again, some exceptional young people from my district, the cheerleaders from West Orange High School. Known as the Mountaineers, they fought their way to the 2020 Universal Cheerleading Association's National Cheerleading Championships in Orlando, Florida. They survived a tough regional in Pennsylvania to get there.

In Orlando, they faced the best high school cheerleading squads in the country. During their first UCA competition, they won their semifinal for the large varsity non-tumbling division and earned a trip to the finals.

Before they left, I said to them I hoped that they would bring the trophy home to West Orange, and that is exactly what they did. The Mountaineers earned a trophy for finishing eighth out of 32 squads, and I am extremely proud of them. They may not have

RECOGNIZING 10TH ANNIVERSARY OF AFFORDABLE CARE ACT

(Ms. ESCOBAR asked and was given permission to address the House for 1 minute.)

Ms. ESCOBAR. Madam Speaker, this month marks the 10-year anniversary of the Affordable Care Act, which expanded healthcare coverage to millions of Americans, including those with pre-existing conditions.

However, the ACA has also been attacked and undermined over the last decade, with the latest attempt originating from my home State of Texas. Texas, which has refused to expand Medicaid even though the State has the highest uninsured rate in the Nation, and the Trump administration argue that the entire law should be dismantled.

With the Supreme Court announcing they will hear the case this fall, over 44,000 El Pasoans are again living with the threat of having their healthcare coverage taken away from them. If the Supreme Court does invalidate the ACA, nearly 20 million Americans will lose their coverage.

At a time when we are confronting a public health emergency because of the coronavirus, a pandemic, we should be looking for ways to bolster healthcare coverage and protect community clinics and healthcare providers, not tear it away from El Pasoans and other communities around the Nation that need it the most.

RESTORING THE VOICES OF THE AMERICAN PEOPLE

(Mr. SARBANES asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SARBANES. Madam Speaker, 1 year ago, almost to the day, this House of Representatives passed H.R. 1, the For the People Act, a transformative anticorruption and clean elections bill that would give people their voice back in their own democracy.

It would fix gerrymandering; it would fix voting; it would fix ethics; it would protect the ballot box; it would push back against foreign interference and foreign disinformation coming into our campaigns; and it would lift up the voices of average Americans in competing with big money and lobbyists here in Washington.

It would change the status quo so every American would feel that their voice counts here, that their opinion matters, and that that is how we make policy.

Unfortunately, MITCH MCCONNELL, the majority leader in the United States Senate, has refused to bring H.R. 1 to the floor of the United States Senate. One whole year of folding his arms at the gates of our democracy and saying to the American people: You shall not pass.

Madam Speaker, we are not going to be deterred; we are not going to be
