

REMEMBERING DR. THOMAS L. MORIN

• Mr. YOUNG. Madam President, on February 25, Indiana lost a great Hoosier when Dr. Thomas L. Morin passed away at the age of 76. Today, I rise to pay tribute to Tom's remarkable legacy as a husband, father, and professor and to recognize his educational service to our State.

In 1965, Tom earned his bachelor's degree at Rutgers University, followed by a master's degree from the University of New Mexico in 1967. While on a full NASA scholarship, Tom subsequently earned a second master's degree and a PhD in Operations Research from Case Western Reserve.

For nearly 45 years, Tom served as a professor of industrial engineering at Purdue University in West Lafayette, IN. While at Purdue, he won the admiration and respect of his students and colleagues alike. As a professor and researcher, Tom changed the way young Hoosiers think, pushing students to pursue an analytical and practical approach to solving the world's wide-ranging issues. A lifelong educator and Fulbright scholar, Tom was a gifted mentor to his students and a valued member of the scholarly community. Tom is one of those remarkable people that made Purdue University what it is today: the national destination for pioneering research and education in engineering, research to which Tom was a key contributor.

To his family, Tom was a man of remarkable character and passion. He was utterly devoted to his children, grandchildren, and the love of his life, Susan, whom he met in 1962 and with whom he remained inseparable for 58 years. As avid travelers, Tom and Susan toured the world together, from Las Vegas, to the Sahara and the Greek Isles. Beyond his own family, Tom served as a role model and a leader in his community. On behalf of the Hoosier State, I recognize how fortunate we are that Tom dedicated his life, passion, and knowledge to Indiana.

While West Lafayette has lost a pillar of its community with Tom's passing, I believe that his work will serve as a legacy for future generations. I ask my colleagues to join me in extending our sympathies to Tom's wife, Susan; two children, Michael and Marisa; and four grandchildren, Andrew, Gaby, Charlie, and Kennedy, as they remember the great life of Dr. Thomas L. Morin.●

PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-188. A resolution adopted by the Senate of the State of New Jersey respectfully urging the United States Congress to propose an amendment to the United States Constitution to prohibit the use of slavery or indentured servitude for individuals convicted of a crime; to the Committee on the Judiciary.

SENATE RESOLUTION NO. 16

Whereas, The Thirteenth Amendment to the United States Constitution was adopted in 1865, and is commonly understood to have abolished slavery and indentured servitude in the United States; and

Whereas, The Thirteenth Amendment reads: "Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction"; and

Whereas, The Thirteenth Amendment did not completely abolish slavery and indentured servitude, but rather allowed both slavery and indentured servitude to remain legal as punishments for individuals convicted of a crime; and

Whereas, Twenty-Five percent of the worlds incarcerated population, roughly 2.3 million people, currently reside in the United States; and

Whereas, Nearly 20 percent of federal prisoners and seven percent of state prisoners are held in private correctional facilities; and

Whereas, The private correctional facility industry is a \$4.8 billion industry; and

Whereas, In order to make a profit, private correctional facilities often rely on low cost labor provided by prison workers; and

Whereas, According to the Seventh Circuit Appeals Court, prison workers are not entitled to receive the minimum wage under the "Fair Labor Standards Act," and the average working inmate's wage is 93 cents per hour; and

Whereas, Incarcerated workers in states such as South Carolina and Texas are not paid for the work that they are forced to perform; and

Whereas, According to the Solidarity Research Center, the California prison system made a \$58 million profit from the work of prison inmates, where 4,000 California prison workers earn \$2 per day; and

Whereas, Most of the work performed by incarcerated individuals does not develop skills that are translatable to the labor market outside of prison; and

Whereas, Therefore, it is appropriate for Congress to adopt an amendment to the United States Constitution to prohibit the use of slavery and indentured servitude for incarcerated individuals: Now, therefore,
