SAVE YOUR TOOTH MONTH

### HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 11, 2020*

Mr. KRISHNAMOORTHY. Madam Speaker, I rise today to celebrate the month of May 2020 as Save Your Tooth Month, and beginning on May 3, 2020, the 13th annual observance of Root Canal Awareness week, as we recognize our nation's highly skilled endodontists and their work to preserve their patients' natural teeth.

There was a time when state-of-the-art dental care meant having a painful tooth pulled by a barber, blacksmith or wig maker. Modern dentistry ushered in the use of anesthesia, radiography, sterile technique, and increasingly sophisticated methods to address pain caused by an infected or broken tooth. But despite incredible advances in restorative dentistry, peer-reviewed studies continue to demonstrate that the best solution to preserve a patient's quality of life still lies in saving the natural tooth whenever possible.

Modern endodontic treatment is devoted to preserving our natural teeth when decay, trauma, a failed crown or repeated procedures to treat dental caries lead to inflammation or an infection of a tooth's root pulp. Using the latest techniques and skills acquired after completing years of advanced training, skilled endodontists can often save a painful tooth and spare their patients the discomfort and expense of additional treatment required to fill the gap caused by an extraction.

Like their colleagues who specialize in general dentistry, through organizations including

the American Association of Endodontists and the American Board of Endodontics, our nation's endodontists devote thousands of hours to professional development, funding research on advancing the standard of care, fundraising to support clinics that provide free dental care to the underserved, and educating the general population about the importance of practicing good oral hygiene and preserving one's natural teeth.

Madam Speaker, on behalf of the thousands of patients who have had their teeth and their smiles preserved by our nation's skilled endodontic practitioners, I salute the skills, years of training, and dedication of our nation's endodontists, and the more than 350 endodontists practicing in my home state of Illinois.

HONORING THE 70TH WEDDING ANNIVERSARY OF LEROY AND OVIA MARIE MCGINNIS

### HON. JASON SMITH

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 11, 2020*

Mr. SMITH of Missouri. Madam Speaker, I rise today to congratulate my dear friends, Leroy and Ovia Marie McGinnis, on their 70th wedding anniversary. Married on March 10, 1950, the couple has experienced a lifetime of ups and downs, successes and failures, and many wonderful memories. Together, they raised six children, Pat (spouse Bob) Bell, Jack (spouse Edna) McGinnis, the late Kim (spouse Diana) McGinnis, Don (spouse Tina) McGinnis, Renee (spouse Ed) Bowen, and Michele McGinnis. They have also been blessed with 18 grandchildren and 34 great-grandchildren. I can only imagine the excitement and exuberance at their family get-togethers.

The couple both grew up in Gainesville, Missouri, and were reunited after Leroy's discharge from the Navy. He was on his way to

San Diego when he decided to stop and visit his sister, who was Ovia Marie's best friend at the time. It only took three short months for the couple to realize they had "together forever" in mind, and eloped. They recall the memory fondly and laugh at their lack of grandeur; Ovia wore jeans down the aisle and didn't tell her parents about the wedding until she missed her curfew that night.

Over the years, Leroy and Ovia became well-respected community and business leaders in their town of Cuba, Missouri. Mr. McGinnis founded and still serves as CEO of McGinnis Wood Products, which he started in 1968. They make hand-crafted wine and bourbon barrels that are sold to some of the country's top-selling distilleries, as well as companies in Japan, Spain, and Scotland. After five generations of family involvement, I think it's safe to say this is a remarkable family-owned company that will serve as a legacy for the McGinnis family for generations to come.

I am so honored for the opportunity to wish the McGinnis's a happy anniversary and many joyous returns of the occasion.

HONORING THE LIFE OF R. ALEXANDRA 'SANDY' LARSON OF NORTH BRUNSWICK

HON. BONNIE WATSON COLEMAN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 11, 2020

Mrs. WATSON COLEMAN. Madam Speaker, I rise today to honor the life and contributions of R. Alexandra Larson, better known as Sandy, who spent her life advocating for social justice, fighting for those who might otherwise be voiceless and placed justice higher than any other objective.

Sandy dedicated her career to the taxing but incredible work of fighting for civil rights and supporting children and families. Unlike many, she walked the walk, living her values daily. As an attorney with the Middlesex Coun-

ty Office of the Public Defender, she developed projects to document and address disproportionate rates of arrest and incarceration for people of color—working to correct a disparity that plagues our society even now. As Director for the Governor's Committee on Children's Services Planning, Sandy was responsible for reports that to this day are the basis for broad advocacy efforts for children across my state, and she is credited with helping to develop the New Jersey Youth Services Commission—established to fix the way courts handle at-risk youth.

Sandy's efforts to affect positive change were not limited to her professional endeavors. In her free time, she shared her three degrees—a BA in Journalism from Douglass College, an M.S.W. from Rutgers School of Social Work and a J.D. from Rutgers School of Law—Newark—and her years of expertise with community organizations that included the Metuchen-Edison NAACP and the Latino Leadership Alliance of New Jersey. She served on the Board of Trustees of the New Jersey Training School for Boys, the Children's Trust Fund of New Jersey, the Coalition for Hispanic Rights in Criminal Justice, the Middlesex County Local Advisory Council for Alcohol and Drug Abuse, and the ASAP program.

What her friends and family, including her daughter Francesca Dulce Larson, her mother Francesca Nadalini, granddaughter Serafina Giovanna, and her siblings Michela, Marthe, Robb, Gus, Giovanna, George, Jayne Amelia, and Jonathan, will no doubt miss the most is her spirit. Sandy was fearless and fierce. She was about building a brighter future for everyone and connecting the dots that would improve the world just a little with every action she took. She was a light in every room, the link that connected so many friends, and a source of love in a world that could use more of it. I am so grateful for everything she accomplished and devoted herself to with her time here, and I send my heartfelt prayers to all those who join me in mourning her loss.

I also request that you urge the Speaker to name members of this Committee to any conference committee which is named to consider such provisions.

In the event a House-Senate conference on this or similar legislation is convened, the Judiciary Committee reserves the right to request an appropriate number of conferees to address any concerns with these or similar provisions that may arise in conference.

Please place this letter into the Congressional Record during consideration of the
