

measure on the House floor. Thank you for the cooperative spirit in which you have worked regarding this matter and others between our committees.

Sincerely,

JERROLD NADLER,
Chairman.

HOUSE OF REPRESENTATIVES,
COMMITTEE ON HOUSE ADMINISTRATION,
Washington, DC, March 5, 2020.

Hon. JERROLD NADLER,
*Chairman, Committee on the Judiciary,
House of Representatives, Washington, DC.*

DEAR CHAIRMAN NADLER: Thank you for your letter regarding H. Res. 756, the Moving Our Democracy and Congressional Operations Towards Modernization Resolution. This House resolution was referred primarily to the Committee on House Administration with additional referrals to the Committee on Transportation and Infrastructure and the Committee on the Judiciary.

I recognize that this resolution contains provisions that fall within the jurisdiction of the Committee on the Judiciary. I appreciate your Committee's willingness to be discharged from further consideration of H. Res. 756 and that this discharge is not a waiver of future jurisdictional claims by the Committee on the Judiciary over this subject matter and will not prejudice your Committee with respect to the appointment of conferees if this were to be necessary.

I would be pleased to include your letter and this response in the Congressional Record during floor consideration of H. Res. 756.

Sincerely,

ZOE LOFGREN,
Chairperson.

TRIBUTE TO DR. ANI HALABI—
28TH CONGRESSIONAL DISTRICT
WOMAN OF THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 11, 2020

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Dr. Ani Halabi of Tujunga, California.

Ani Halabi is a devoted wife and mother and has been a successful optometrist for fifteen years. Born in Tehran, Iran, Ani was first introduced to optometry while working in her family's business marketing and designing an eyeglass frame line. She attended Glendale Community College and California State University, Northridge where she received a bachelor's degree in biology, all while working in a private optometry practice. Dr. Halabi continued her education at the Southern California College of Optometry, where she received her Doctorate of Optometry. She specializes in primary eye care, which includes diagnosis and treatment of ocular diseases, prescribing contact lenses and glasses, and working with local eye surgeons.

Dr. Halabi is an active volunteer and member of several local non-profit organizations. She is a 10-year member of the Armenian American Medical Society, where she has helped coordinate the vision clinic at the Glen-

dale Health Festival, which serves more than 1,500 disadvantaged patients annually. She is also a 10-year member of the Glendale Northwest Lions Club, where she is a co-chair of the sight conservation committee, and under her leadership, the club has provided free eyeglasses to people in need and has offered eye screenings that have restored and improved vision to more than 3,000 individuals. In addition, as a Glendale Healthy Kids organization volunteer, Ani has provided free eye care services for underprivileged families and children. She has also volunteered at vision screenings at several schools, including St. Mary's Richard Tufenkian Preschool & Kindergarten, Glendale High School and Herbert Hoover High School, educating parents about routine eyecare and providing early detection of vision problems.

Dr. Halabi has made it her mission to help aspiring optometrists by mentoring students and offering internships at her practice. She regularly sits on the panel of Glendale Community College's Professional Alumni and has volunteered at college events to guide students who have an interest in the field of optometry. Ani's successes have been recognized by "Women in Optometry" magazine, who featured her on their cover.

Dr. Halabi and her husband, Steve Khroyan live in Tujunga and have two children, Nara and Sareen.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Dr. Ani Halabi.

INTRODUCTION OF THE CARGO
FLIGHT DECK SECURITY ACT

HON. JESÚS G. "CHUY" GARCÍA

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 11, 2020

Mr. GARCÍA of Illinois. Madam Speaker, I rise today to introduce the bipartisan Cargo Flight Deck Security Act along with my colleague, Brian Fitzpatrick.

The safety and security of our pilots, our skies, and the flying public are at stake.

Today, many cargo planes have no cockpit barrier and without the safety of hardened flight deck doors, the aircraft's interior is open, and the flight deck is completely exposed. This leaves pilots without a means to adequately separate the flight crew from personnel riding in the bulkhead or potential cargo-hold stowaways.

Ultimately this is about parity and safety. Cargo pilots have been fighting for hardened cockpit doors for 18 years, and this bill will solve that long overdue security concern.

After 9/11, regulatory changes put in motion requirements to require hardened cockpit doors for all aircraft to separate the flight deck from the cargo/passenger bay. Unfortunately, after 2003, the TSA made changes to its requirements and erected a wholesale carve-out for cargo airplanes, effectively creating disparate requirements for passenger and cargo airline safety.

The Cargo Flight Deck Security Act ensures all pilots are protected by hardened cockpit doors and takes steps to keep our skies and flying public safe.

I urge this body to pass advance this legislation.

ECKO GONZALEZ

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 11, 2020

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Ecko Gonzalez for receiving the Arvada Wheat Ridge Service Ambassadors for Youth award.

Ecko Gonzalez is a student at North Arvada Middle School and received this award because his determination and hard work have allowed him to overcome adversities.

The dedication demonstrated by Ecko Gonzalez is exemplary of the type of achievement that can be attained with hard work and perseverance. It is essential students at all levels strive to make the most of their education and develop a work ethic which will guide them for the rest of their lives.

I extend my deepest congratulations to Ecko Gonzalez for winning the Arvada Wheat Ridge Service Ambassador for Youth award. I have no doubt he will exhibit the same dedication and character in all of his future accomplishments.

HONORING MARTY LYNCH, PH.D.

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 11, 2020

Ms. LEE of California. Madam Speaker, I rise today to honor Marty Lynch, Ph.D., as he retires as the Chief Executive Officer (CEO) to CEO Emeritus of LifeLong Medical Care. Dr. Lynch's service in the healthcare industry spans over 60 years, including service as a non-profit administrator for more than 30 years. Dr. Lynch is involved in national, state, and local public policy and research activities related to health access for the uninsured, long-term care models, chronic care, and financing care for disabled populations. In addition, Dr. Lynch is a lecturer at the University of California Berkeley in the School of Social Welfare.

Dr. Lynch received his Ph.D. in Social and Behavioral Sciences from the University of California, San Francisco, and an MPA from the Kennedy School of Government at Harvard. Dr. Lynch began his journey with LifeLong Medical Care in 1982 when the organization was known as The Over Sixty Clinic. After becoming the CEO in 1984, Dr. Lynch expanded The Over Sixty Clinic into what is now LifeLong Medical Care.

Dr. Lynch co-founded the Elderly Sub-Committee of the National Association, recently served on California's State task force to examine policy changes necessary for the integration of primary care and mental health services and helped to develop a California plan for Alzheimer's disease. One thing Dr. Lynch's work does, is that it underscores the humanity in caregiving, as we all are connected to someone directly or indirectly who is aging.

Through Dr. Lynch's vision and leadership, LifeLong Medical has had a profound impact on the lives of seniors in our communities and now extends that care to people of all age demographics. LifeLong is a 25-site Federally Qualified Health Center that also provides
