

improving lives and a desire to give back to the community, for recently having been named the U.S. Senate Small Business of the Week.

The Fallon Food Hub's mission is to educate the northern Nevada community about the benefits of eating seasonally in order to create a thriving and expanding local food scene, resulting in increased opportunities for producers and local businesses. Fallon Food Hub believes that through educational opportunities for the community about health and wellness, members of the community can gain a greater sense of cooperation and appreciation for the area producers, local farmers, and specialty food producers that serve the Silver State. Through increasing awareness of and appreciation of local farming and proper nutrition, people can learn a healthier lifestyle while also supporting local producers.

The Fallon Food Hub conducts frequent surveys to get a sense of what the community is interested in learning, hosts monthly classes on the benefits of eating seasonal produce, and keeps the community informed through a monthly newspaper. The Fallon Food Hub provides an outlet for local farmers, ranchers, and value-added producers to sell their goods.

I would also like to recognize the work that Fallon Food Hub does to advocate on behalf of local farmers. Through ongoing education for members and surrounding communities about farmers and the origins of local food, Fallon Food Hub is encouraging our community to connect with one another on a new level. They are an example of an outstanding business with deep love for our community and one of the many reasons why they were a clear choice for this recognition.

Small businesses truly are the driving force for development and growth not just in Nevada, but across our entire Nation. Small businesses like Fallon Food Hub not only help our economy succeed, they also give back by uplifting our communities, inspiring others to open businesses of their own, improving people's health and well-being, and changing lives for the better.

Again, I would like to recognize Fallon Food Hub and all the employees there for their contribution to Nevada and our Nation and congratulate them for being named the Senate Small Business and Entrepreneurship Committee's Small Business of the Week. As a member of the committee, it was my honor to nominate this proud Nevada business for recognition and my continued privilege to represent them and all of Nevada's small businesses in the U.S. Senate.●
