TRIBUTE TO CORALYN ANDRESTAYLOR—28TH CONGRESSIONAL DISTRICT WOMAN OF THE YEAR

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 2020

Mr. SCHIFF. Madam Speaker, I rise today in honor of Women's History Month. Each year, we pay special tribute to the contributions and sacrifices made by our nation's women. It is an honor to pay homage to outstanding women who are making a difference in my Congressional District. I would like to recognize a remarkable woman, Coralyn AndresTaylor of the Silver Lake neighborhood of Los Angeles, California.

Coralyn AndresTaylor has more than thirty years of public health education program development, implementation and management. Her lifelong passion for public health began with her undergraduate degree in Dietetics from the University of California, Davis and then moving on to earn a Master's in Public Health from the University of California, Berkeley. Upon receiving her master's degree, Coralyn was admitted to the prestigious Assembly Fellowship Program at the California State Capitol where her interests and education in policy, finance, and health converged during her work with the Assembly Ways and Means Health Subcommittee.

Ms. AndresTaylor, MPH, RDN, CLE, CHES is currently the Department Administrator for PIH Health Good Samaritan Hospital's Community Health Education Department and Lactation Resource Center. Her department oversees nutrition, cardiovascular health, stroke, perinatal health, breastfeeding, and diabetes. Since chronic diseases such as diabetes are both common and costly, Coralyn has a long-standing interest in prevention and educates individual patients and their family members in creating lifelong healthy habits. As a master's-prepared Registered Dietician Nutritionist, Certified Health Education Specialist, Cardiopulmonary Resuscitation Instructor and Certified Lactation Educator, she has applied her knowledge and skills for the benefit of diverse ethnic and disadvantaged communities throughout Los Angeles County. She continued to serve her community when she was appointed a Los Angeles City Health Commissioner in 2016.

With a passion for making a difference in her community, Ms. AndresTaylor volunteers with LINC Housing to help the formerly homeless, and people in need of affordable housing move to a stable living environment. Coralyn

is well-regarded in her faith-based community frequently serving as Lector at Sunday morning services, and volunteers as a Eucharistic minister at Our Mother of Good Counsel Church in Los Feliz. She also participates in and plans the Women's Cornerstone retreats and Faith Sharing groups for her church.

Coralyn and her husband, Peter have lived in Silver Lake for the past thirty-one years where they raised their two wonderful daughters, Andrea and Allyson. At home, Coralyn is the chief infection control and safety officer who frequently reminds her family and friends to wash hands, use sunscreen and wear bike helmets.

I ask all Members to join me in honoring this exceptional, well-respected woman of California's 28th Congressional District, Coralyn AndresTaylor.

DISABLED VETERANS EDUCATION RELIEF ACT

HON. GREGORIO KILILI CAMACHO SABLAN

OF THE NORTHERN MARIANA ISLANDS
IN THE HOUSE OF REPRESENTATIVES

Thursday, March 12, 2020

Mr. SABLAN. Madam Speaker, today, I introduce the Disabled Veterans Education Relief Act, which would reinstate VA education assistance for disabled veterans in vocational rehabilitation and employment (VR&E) training in the event their school closes or courses are disapproved. Section 109 of the Forever GI Bill law extended these protections to students using GI Bill benefits but did not include students using education benefits under the VR&E program. By extending these protections to the over 100,000 veterans who participate in the VR&E program every year, our nation will ensure that all veterans can access relief when their studies are disrupted by school closures or disapproved courses through no fault of their own.

The bill requires the VA to protect VR&E students on the same basis as their counter-

parts using GI Bill benefits as mandated by section 109 of the Forever GI Bill law. These protections include the restoration of benefits for those affected by school closures or the course was disapproved as a result of a modified policy, regulation, or law. In addition, my legislation authorizes the VA to continue paying subsistence allowances to VR&E students through the end of the academic term during which such closure or disapproval occurred. VA will also be required to notify affected students of imminent and actual school closures and inform them how the closure will affect their VR&E benefits.

The Act has the support of the Disabled American Veterans, American Legion, Paralyzed Veterans of America, Veterans of Foreign Wars, Student Veterans of America, AMVETS, Association of the U.S. Navy, Military Officers Association of America, National Military Family Association, and the Enlisted Association of the National Guard of the United States.

The gentleman from Illinois, Mr. BOST, is an original cosponsor of the bill.

I urge my colleagues to support this bipartisan legislation.
