

TAHOMA HIGH SCHOOL STATE  
CIVICS CHAMPIONS**HON. KIM SCHRIER**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 21, 2020*

Ms. SCHRIER. Madam Speaker, congratulations to the hardworking students of Tahoma High School from Maple Valley, Washington, for being selected for the 11th consecutive time to represent Washington state in the annual "We the People: The Citizens and the Constitution" competition organized by the Center for Civic Education.

These dedicated students have spent the past year studying the history and principles of the Constitution and the Bill of Rights. They have gained a better understanding of our nation's founding values, representative democracy, and how the lawmaking process functions.

The annual in-person "We the People" final competition typically takes place in Washington, D.C., in late April. Understandably, due to the ongoing COVID-19 pandemic, the event was cancelled this year. Regardless, I am tremendously proud of these students' diligent work over the past year. Civic education is vital to a well-rounded high school education. In this time of crisis, it is more important than ever that young people are well-informed so they can engage constructively with public policy. I hope that these talented students feel empowered to vote, participate in politics, and be leading voices for positive change in our state and country. I am excited to hear about how they carry the principles and values of civic education into their future endeavors and become the next generation of leaders.

I am especially grateful to Gretchen Wulff for her dedication to civic education. In addition to teaching government at Tahoma High School, Gretchen has coached Civic Education for 12 years. Most recently, in 2016, she was honored as one of Washington's distinguished Civic Educators.

Teachers like Gretchen are especially vital in this uncertain time, and the 8th District is extremely appreciative for her dedication to educating students in Maple Valley.

Finally, I would like to individually recognize each student, whose tremendous commitment and enthusiasm to learning our Constitution, I deeply admire. Congratulations to: Riley Barlett, Dane Bowman-Weston, Katerina Bruhl, Matthew Bruneel, Neena Chana, Claire Cunningham, Grace Denison, Shelby Ellis, Djanaya Esiong, Issabella Huser.

Sarah Kropelnicki, Preston Lievano, Jaden Mason, Aidan Mercado, Emma Nickel, Gage Nickel, Calvin O'Connell, Luke Oriolt, Daniela Perezchica-Trancoso, Claire Riordan, Elizabeth St. John, Jasmine Tran, Janey Yee.

Congratulations again to Gretchen and these bright students from Tahoma High School for their dedication to civic education. We in Washington's 8th District couldn't be more proud of them, and we wish them the best of luck.

**INTRODUCTION OF THE ROBUST INTERNATIONAL RESPONSE TO PANDEMIC ACT**

**HON. JESÚS G. "CHUY" GARCÍA**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 21, 2020*

Mr. GARCÍA of Illinois. Madam Speaker, I rise today to introduce the Systemic Risk Mitigation Act with my colleagues, Representative JAN SCHAKOWSKY of Illinois and Representative MARK TAKANO of California.

As COVID-19 devastates nearly every country in the world, it is more important than ever to affirm that the United States will support developing countries in getting the help they need from International Financial Institutions (IFIs) like the World Bank and International Monetary Fund (IMF). This bill accomplishes that by: Instructing U.S. representatives to the IFIs to support a suspension of debt payments to those institutions during the COVID-19 pandemic; Instructing U.S. representatives to the IFIs to oppose programs that undermine countries' ability to respond to COVID-19, such as those that encourage cuts to public health spending; Instructing the U.S. representative to the IMF to support issuing 3 trillion "Special Drawing Rights."

The issuance of "Special Drawing Rights" will help countries avoid depleting their reserves during the turbulent economic times ahead; 3 trillion SDR's will help all of us—and especially emerging markets and developing economies—avoid financial catastrophe.

I urge this body to advance this legislation.

The Aviation Museum is located at Lexington, Kentucky's Blue Grass Airport. The Aviation Museum helps the general public understand and become enthusiastic about aviation, thus building support for the aviation industry. This industry contributes billions of dollars and thousands of jobs to Kentucky's economy. Kentucky exported \$14.6 billion in aerospace parts in 2019.

The Aviation Museum provides over 25,000 square feet of exhibit space. Exhibits showcase the science of flight and the history of aviation in Kentucky. Attracting visitors from all 50 states and indeed from around the world, the Aviation Museum contributes to the tourism economy of Kentucky.
