#### REMEMBERING DAVID MARTIN

● Mrs. HYDE-SMITH. Mr. President, it is with a heavy heart that I honor the life of Mississippi native, William David Martin. A paramedic with American Medical Response, David served his community during the coronavirus pandemic until he passed away due to complications of COVID-19 on April 22, 2020. His dedication to his patients and community represents the best of Mississippi, and I send my deepest sympathies to his family and friends.

Mr. Martin was born in 1967 in McComb, MS, to Joyce F. Martin and the late Billy B. Martin. Mr. Martin was a national registered paramedic with American Medical Response of Southwest Mississippi and worked as a paramedic in Natchez and Gulfport. Throughout his career, Mr. Martin served on the frontlines of Mississippi healthcare, helping care for patients during emergencies and times of great need. When COVID-19 began to spread in the United States, Mr. Martin answered the call and continued to serve and protect his community from this dangerous new virus. Mr. Martin will be known as a hero not only in Mississippi but throughout our Nation. As a symbol of his dedication to his team of paramedics, his coworkers from AMR Southwest Mississippi served as the pallbearers at his funeral.

Mississippi and our Nation have been well-served by the diligence, sacrifice and love provided on a daily basis by paramedics like David Martin. His big heart and dedication to his community will be greatly missed. I offer my condolences and prayers for Mr. Martin's children, his fiancé; and members of his family. I also pray that God will protect his coworkers at AMR and all paramedics in Mississippi, who are still working tirelessly to protect our loved ones throughout this pandemic. They, like so many of our healthcare workers on the frontlines, deserve our support and appreciation during this time.●
