

Rigsby. Her grandchildren are: Erin (Devin) Hawkins, Esq. of New Orleans, Louisiana; Morgan D. Rigsby and Markesa B. Rigsby of Nashville, Tennessee; and Reginald D. Rigsby II of Madison, Mississippi.

Madam Speaker, I ask my colleagues to join me in recognizing Mrs. Esther Martin Rigsby.

REMEMBERING ROBERT TORRAS  
SR.

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 12, 2020*

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor the life of Mr. Robert Torras Sr. of St. Simons.

Mr. Torras was a remarkable businessman, philanthropist, and visionary who was always thinking of ways to solve problems.

Through his work running the family-owned operations including the Brunswick Landing Marina, Kut-Kwick Corporation, and Torco Incorporated; developing the West Point Plantation on Saint Simons Island; and running multiple other commercial real estate holdings in both the Atlanta metro area and Glynn County, he left an indelible mark on the state of Georgia.

When Mr. Torras purchased the land now occupied by Brunswick Landing Marina, it resulted in the development of the largest salt-water marina in Georgia.

After studying the waterways, marine life, and shipping routes, his work helped spur legislative changes regarding marinas to pave the way for other commercial ventures which benefited many.

I am grateful for Mr. Torras' many years of hard work and for his wisdom, determination, and energy.

My thoughts and prayers are with all who worked with him, knew him, and loved him.

THANKING "THE THREE  
MASKETEERS" FOR THEIR HARD  
WORK KEEPING OUR COMMU-  
NITIES SAFE

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 12, 2020*

Mr. OLSON. Madam Speaker, I rise today to recognize three young heroes from Pearland that are doing their part to stop the spread of COVID-19.

When Amar Sehgal, Karthik Bhagavatula and Praneel Bhagavatula heard that hospitals could possibly face shortages of face masks and other personal protective equipment, the three decided to act. Although COVID-19 had cancelled this year's Texas Science and Engineering Fair, this trio of heroes found a way for their work to help protect their community.

Known as "The Three Masketeers," Amar, Karthik and Praneel have been using 3-D printing to create N95 facemasks to give to people at higher risk of contracting the coronavirus. These masks take only three hours to print, are cost-effective, and the Three Masketeers aren't charging a dime for them.

When we face great challenges like COVID-19, the people of TX-22 come together and lift each other up; Amar, Karthik and Praneel are living proof.

On behalf of the Twenty-Second Congressional District of Texas, I thank "The Three Masketeers" for their hard work protecting our community from coronavirus. They have provided critical aid to people in need during these unprecedented times.

RECOGNIZING LOHGAN DENNEHY  
OF BUTTE

HON. GREG GIANFORTE

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 12, 2020*

Mr. GIANFORTE. Madam Speaker, I rise today to honor Lohgan Dennehy of Butte for her work providing handcrafted personal protective masks to health care, school district, and community workers as Montana combats the COVID-19 outbreak.

At 10 years old, Lohgan knows what she wants to be when she grows up—a fashion designer. To encourage her dream, Lohgan's parents bought her a sewing kit, and her mother taught her how to sew. She's become a natural.

Her parents say she has a heart of gold, that she's one of the most kindhearted human beings you've ever met. She enjoys making a difference. It was no surprise when Lohgan wanted to help when she heard there was a shortage of masks in Butte.

Lohgan watched YouTube videos on the proper way to make a mask with her sewing machine and materials. She admits it was difficult at first, but eventually she mastered the process and can make one in just 20 minutes. Lohgan sends her special masks to doctors and nurses at both St. James Healthcare in Butte and the Community Hospital of Anaconda, Butte's public transportation drivers, school district employees delivering meals to kids, soldiers at the local military enlistment offices, and anyone who has a pre-existing condition. Montanans throughout our state embraced Lohgan in her efforts, donating money and supplies to keep her going.

So far, she's made 120 masks and has another 50 requests to make more. It's a lot of work for Lohgan, who's completing her fourth grade assignments from home, but she's committed to doing her part to keep people safe and healthy.

Madam Speaker, for using her talents to help her fellow Montanans amid a public health crisis, I recognize Lohgan Dennehy for her spirit of Montana.

KERRY GLENN

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 12, 2020*

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Kerry Glenn, who after 30 years in the Adams 12 School District, is retiring. Kerry's dedication to STEM education in the Adams 12 School District and in the City of Northglenn has made a significant impact on students which will last for years to come.

In 1984, Kerry graduated from Northglenn High School and received his bachelor's degree in Applied Mathematics and Aerospace Engineering from the University of Colorado, Boulder in 1989. In 1990, he started teaching math at his alma mater, Northglenn High School. He continued to advance his own learning, and in 2003, he earned a MA in Curriculum and Instruction from the University of Colorado, Denver. From 2003 to 2012, Kerry was the instructional leader of the math department at Northglenn High School. In addition to teaching all levels of mathematics, Kerry also taught Project Lead the Way (PLTW) Engineering classes from 2010 to 2012. These positions reflect his talent for bringing people together and fostering and strengthening collaboration in education—all with a smile on his face.

In addition to his teaching career, Kerry has provided countless hours and resources to his community by serving on local and state boards and commissions including District STEM Coordination, CTE DAG team, City of Northglenn Business Recognition, City of Northglenn Branding, Adams County Business Pitch Committee, Adams County Education Consortium, Adams County Manufacturers Youth Pipeline, Colorado P TECH, as well as Board President of Anythink Libraries. He also cofounded STEMinspired. In 2012 as STEM Coordinator, Kerry used the K-8 Adams 12 STEM Model to design and implement the curriculum in grades 9 through 12. In 2016, Kerry became the District P TECH/STEM Coordinator.

Through both the STEM and the P TECH programs in Adams 12, Kerry has created hundreds of industry partners that work side by side with students, helping to improve outcomes for students and the surrounding community. I congratulate Kerry on a lifetime of service and wish him all the best in retirement.

IN RECOGNITION OF KENNETH  
LEVENO, MD

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 12, 2020*

Mr. BURGESS. Madam Speaker, I rise today to recognize the exemplary work and life of service of Kenneth Leveno, MD with Parkland Hospital in Dallas, Texas. Dr. Leveno was instrumental in developing a number of the innovative programs that are an integral component of Parkland's Women and Infant's Specialty Health division for decades.

He earned his undergraduate degree at Notre Dame University and his medical degree from Creighton University School of Medicine. Dr. Leveno joined the Parkland medical staff in the 1970s and passionately sought to provide the best obstetrical care for patients entrusted to Parkland's care. His clinical studies demonstrated that access to prenatal care could mitigate health disparities among patients who face high levels of socio-economic hardship. He collaborated with medical, nursing and administrative leaders to create a highly organized, evidence-based system of care that led to excellent clinical outcomes and became known as the "Parkland Way."

Dr. Leveno was a pioneer in the deployment of advanced practice providers to expand
