OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, May 15, 2020

Mr. NORCROSS. Madam Speaker, I rise today to honor and commend the life and legacy of the late Camden, New Jersey resident the Honorable Martha F. Wilson.

Born on March 2, 1953 in New Church, Virginia, the Honorable Martha Wilson's family relocated to Camden, New Jersey where she graduated from Camden High School in 1970. Mrs. Wilson attended Camden County College and Rutgers University-Camden and following graduation she married the Honorable Gilbert "Whip" Wilson, Sheriff of Camden County, New Jersey.

The Honorable Martha Wilson was the first African American to work for the Campbell Soup Company where she served as a Medical Secretary in the Medical Department. Shortly thereafter she worked as an Accountant Receivables Clerk at the RCA Corporation located in Cherry Hill, New Jersey.

Among her many accomplishments include receiving the Camden County Federation of Democratic Women as a Camden County Women of Honor award and the Gloucester County NAACP 'Power Couple' distinction with her beloved husband Sheriff Wilson. Martha also honorably dedicated her life to serving her community in many roles such as President of the Camden City Board of Education, Representing Parent to the New Jersey School Board Association and also represented students in New Jersey, New York, Puerto Rico and the Virgin Islands as Executive Board Member of the National Coalition of Elementary and Secondary Education Association; National School Board Association; and Equality and Advocacy Institutes.

The residents of Camden, New Jersey greatly adored and appreciated the dedication and humble service of Mrs. Wilson. Her passing is a great loss to Camden and our entire community, as well as a deeply personal loss

for those who were privileged to call her a friend and mentor.

Madam Speaker, I ask you to join me in honoring the late Martha Wilson, of Camden, New Jersey, a dedicated public servant who fought tirelessly for children, parents, her community and for the constituents of Camden, New Jersey.

IN RECOGNITION OF OUR NATION'S
LAW ENFORCEMENT

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, May 15, 2020

Mr. KEATING. Madam Speaker, I rise today in recognition of our nation's law enforcement.

This year, May 10th marks the start of national police week. This is a time to honor the men and women that serve in local, state and federal law enforcement across our country. National Police Week is an occasion to celebrate the heroes among us and also to reflect on those that have paid the ultimate sacrifice and fallen in the line of duty.

I wish to pay a special tribute to the fallen officers whose names will be added to the National Law Enforcement Memorial this year from my home state of Massachusetts. Thomas F. Dylan, James B. DeShazo, and Harold J. Collins have made their final commitment to their community and will be justly honored at the National Law Enforcement Memorial in our nation's capital.

Typically, tens of thousands of law enforcement officers head to Washington, D.C. to partake in the events of National Police Week. This year, however, the service of these brave men and women has been made more evident than ever. Instead of celebrating with their families and friends, they continue to serve on the front lines during the Covid-19 pandemic.

Madam Speaker, I am proud to honor the incredible service of our nation's law enforcement. I ask that my colleagues join me in recognizing their sacrifice and service to our country.

HONORING PINE BLUFF SCHOOLS
FOR THEIR COMMITMENT TO
LEARNING IN THE TIME OF
COVID-19

HON. BRUCE WESTERMAN

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Friday, May 15, 2020

Mr. WESTERMAN. Madam Speaker, I rise today to honor the work of the Pine Bluff School District in Arkansas' Fourth Congressional District. In the face of COVID-19, these educators are going the extra mile to bring internet access to students working from home in rural areas.

This school district took quick action to deploy their school buses to those rural areas from 8 a.m. to 3 p.m. each weekday, providing their students the opportunity to conduct their assignments from home. This actively combated the struggle that young people of low-income households may face without having access to their school's network. It also aided those students who may face rural connectivity issues.

In a rural district like Arkansas' Fourth, action like this is necessary to ensure our students can succeed even out of the classroom. Thanks to the quick thinking and hard work of educators at Pine Bluff School District, students of South Arkansas are provided the opportunity to learn and to stay connected in the time of the COVID-19 crisis.

I take this time to thank these servant-leaders for their example and for their commitment to the education of our communities' most vulnerable citizens. Because of these heroes, the future of our country is brighter, even in the face of trying times.

SYDNEY POWELL: AMERICAN
LEGAL HERO

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 15, 2020

Mr. WILSON of South Carolina. Madam Speaker, Americans are grateful for the persistence, competence, and professionalism of Sydney Powell Esq., attorney for General Michael Flynn. As more information emerges about the outrageous General Flynn case, it is increasingly obvious that Flynn, a decorated general and former director of the Defense Intelligence Agency, was the victim of rogue FBI entrapment on entirely illegal and unconstitutional grounds. Confirming the worst of the Deep State.

Sydney Powell deserves highest accolades for fighting for General Flynn in the face of a deliberate criminal conspiracy by rogue leadership at the FBI to incriminate both General Flynn and the Trump Administration under the fake pretense of "Russian collusion." The entire investigation began and continues to be a partisan witch hunt which must be uncovered for the sake of the American Republic. If this can happen to someone like General Flynn, indeed it can happen to any law-abiding citizen of this country. In persistently fighting against this madness, Sydney Powell and the rest of General Flynn's capable legal team also fight for the rights of all Americans to defend themselves against illegal conspiracies of the highest degree by a Deep State.

As a proud attorney myself and being the grateful father of S.C. Attorney General Alan Wilson, I am especially shocked at the rogue FBI and Department of Justice abuses of the profession.

From the outset, there was absolutely no criminal predicate before the election for investigation into General Flynn. Previously undisclosed FBI documents from 2016 make the intentions of federal investigators crystal clear. One note from these documents written by the former head of FBI counterintelligence reads, "What is our goal? Truth and admission or to get him to lie, so we can prosecute him or get him fired?" These documents also reveal discussions regarding how the Justice Department could get Flynn to admit to breaking the Logan Act, even though this law has never been used to convict an American citizen and questions abound as to its legality since its enactment in 1799.

But when General Flynn was blackmailed into pleading guilty, none of these documents were made available to him or his legal team. And while federal investigators did not believe
