

MOTION TO RECOMMIT

Mr. RIGGLEMAN. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. RIGGLEMAN. Mr. Speaker, I am opposed to the bill in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Riggleman moves to recommit the bill H.R. 6800 to the Committee on Ways and Means with instructions to report the same back to the House forthwith with the following amendment:

In subtitle A of title I of division B, strike section 20102.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Virginia (Mr. RIGGLEMAN) is recognized for 5 minutes in support of his motion.

Mr. RIGGLEMAN. Mr. Speaker, I offer this motion to recommit because Americans across this country are watching the steps we take in Congress.

Millions of Americans need our help and, unfortunately, millions more will lose their jobs if we consider partisan wish list legislation that has no chance of becoming law.

Our Nation continues to battle the COVID-19 pandemic, and the strength and ingenuity of the American spirit has shone forth. We in this Chamber came together to pass the CARES Act, a bipartisan aid package in March of this year.

In times of crisis, Americans should come together, but that togetherness has waned and the bipartisanship has vanished. Masked in darkness and socially distanced from any review or debate, this bill is filled to the brim with progressive agenda items.

Hidden amongst these poison pills is a provision that would change the ID requirement for the CARES Act rebate checks from Social Security number to taxpayer identification number. This switch will allow illegal immigrants and noncitizens to get checks they aren't eligible for.

I didn't think that a global pandemic meant it was time to stop helping American citizens who are desperate for assistance. Now, more than ever, we need to make sure these rebate checks go to Americans who need it.

This motion to recommit shouldn't be controversial. Unauthorized immigrants are not eligible for most Federal benefits, including SNAP, TANF, and most housing assistance programs. They weren't even eligible to receive this money in the first CARES Act.

The reason they are being included now is because this provision is the latest in a grab bag of liberal priorities that Democrats are trying to sneak through in this bill. But not on my watch. That is why I am proud to offer this motion to recommit.

It is time we show Americans that we will stand up and do our jobs in Congress, be the responsible leaders Americans elected us to be, not partisan

headline grabbers or those who think messaging bills are more important than sensible legislation for all Americans.

The authors of the bill do not intend for this to become law, make a mockery of our responsibility to govern.

Enough of the messaging bills. Let's stop playing politics and start working on solutions that will help the American people.

Mr. Speaker, I urge all of my colleagues to join me, and I yield back the balance of my time.

Mrs. LOWEY. Mr. Speaker, I rise to oppose the motion to recommit.

The SPEAKER pro tempore. The gentleman from New York is recognized for 5 minutes.

Mrs. LOWEY. Mr. Speaker, as of this morning, nearly 86,000 people in the United States have died from this virus. More than 1.4 million people have been infected, and those are just the cases we know about because of the frontline workers who are risking their lives to test as many people as possible.

Unemployment is at its highest level since the Great Depression. Tens of millions of families are struggling to put food on the table and pay the rent.

If you don't understand the suffering, you haven't been paying attention. Just turn on the TV—or better yet, listen to your constituents. They are demanding two things: facts and action.

No matter what the President tweets, the facts of this pandemic are clear. And no matter whether Senator MCCONNELL sees urgency or not, the time for action is now.

The American people have unprecedented needs, and the Federal Government must step up to the plate, provide the necessary assistance to meet those needs. However, the Republicans are yet again standing in the way of helping people. They are in the same denial that led to the Trump administration's bungling of this virus.

Against the weight of economic expertise, they are saying we need to slow down on spending money. Against the clear desperation of families, they are saying we need to wait and see what happens.

Well, we know what is going to happen. We have seen what is going to happen. We have seen what has happened. There will be more cases tomorrow, more deaths this weekend, more economic hardship next week.

But instead of worrying about these concerns, the only thing Republicans can offer is regurgitated talking points about immigration.

Right now, the American people are focused on their own survival and that of their families.

I want to make it very clear: COVID-19 does not discriminate or differentiate on immigration status. Our country doesn't have time for Republicans to relitigate the culture wars.

Regardless of background or country of origin, we need action today. People are suffering. Every day there are more

cases. We need action now without further delay. I strongly oppose the motion to recommit.

Mr. Speaker, I urge my colleagues to vote "no," and I yield back the balance of my time.
