

(2) Dalip Singh Saund, the first Asian-American Congressman;

(3) Patsy T. Mink, the first woman of color and Asian-American woman to be elected to Congress;

(4) Hiram L. Fong, the first Asian-American Senator;

(5) Daniel K. Akaka, the first Senator of Native Hawaiian ancestry;

(6) Norman Y. Mineta, the first Asian-American member of a Presidential cabinet; and

(7) Elaine L. Chao, the first Asian-American woman member of a Presidential cabinet;

Whereas, in 2020, the Congressional Asian Pacific American Caucus, a bicameral caucus of Members of Congress advocating on behalf of Asian Americans and Pacific Islanders, is composed of 76 Members, including 19 Members of Asian or Pacific Islander descent;

Whereas, in 2020, Asian Americans and Pacific Islanders are serving in State and Territorial legislatures across the United States in record numbers, including in—

(1) the States of Alaska, Arizona, California, Connecticut, Georgia, Hawaii, Idaho, Illinois, Indiana, Kansas, Kentucky, Maine, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nevada, New Hampshire, New Jersey, New York, North Carolina, Ohio, Oklahoma, Pennsylvania, Tennessee, Texas, Utah, Virginia, Washington, and Wyoming; and

(2) the Territories of American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands;

Whereas, in 2020, Asian Americans and Pacific Islanders honorably serve throughout the Federal judiciary;

Whereas, since January 2020, the increased use of anti-Asian terminology and rhetoric related to the 2019 novel coronavirus (COVID-19) has perpetuated an anti-Asian stigma and has resulted in a dramatic increase in reports of hate crimes and incidents against individuals of Asian descent;

Whereas there remains much to be done to ensure that Asian Americans and Pacific Islanders have access to resources and a voice in the Government of the United States and continue to advance in the political landscape of the United States; and

Whereas celebrating Asian/Pacific American Heritage Month provides the people of the United States with an opportunity to recognize the achievements, contributions, and history of, and to understand the challenges faced by, Asian Americans and Pacific Islanders: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the significance of Asian/Pacific American Heritage Month as an important time to celebrate the significant contributions of Asian Americans and Pacific Islanders to the history of the United States; and

(2) recognizes that Asian-American and Pacific Islander communities enhance the rich diversity of and strengthen the United States.

SENATE RESOLUTION 590—SUPPORTING THE DESIGNATION OF MAY 15, 2020, AS “NATIONAL SENIOR FRAUD AWARENESS DAY” TO RAISE AWARENESS ABOUT THE INCREASING NUMBER OF FRAUDULENT SCHEMES TARGETING SENIORS IN THE UNITED STATES, TO ENCOURAGE THE IMPLEMENTATION OF POLICIES TO PREVENT THOSE SCHEMES, AND TO IMPROVE PROTECTIONS FROM THOSE SCHEMES FOR SENIORS

Ms. COLLINS (for herself, Ms. SINEMA, Ms. MCSALLY, Mr. RUBIO, Mr. HAWLEY, Mr. CASEY, Mr. JONES, Ms. WARREN, Mr. GRASSLEY, Mr. SCOTT of South Carolina, Mr. BRAUN, and Ms. ROSEN) submitted the following resolution; which was considered and agreed to:

S. RES. 590

Whereas millions of older adults in the United States (referred to in this preamble as “seniors”) are targeted by scams each year, including Social Security impersonation scams and Internal Revenue Service impersonation scams, sweepstakes scams, romance scams, computer tech support scams, grandparent scams, debt scams, home improvement scams, fraudulent investment schemes, and identity theft;

Whereas other types of fraud perpetrated against seniors include health care fraud, health insurance fraud, counterfeit prescription drug fraud, funeral and cemetery fraud, “anti-aging” product fraud, telemarketing fraud, and internet fraud;

Whereas, in 2020, scammers are exploiting the ongoing coronavirus crisis to prey on seniors through a variety of scams, including economic impact payment scams, test kit scams, contact tracing scams, and work-from-home scams;

Whereas the Government Accountability Office has estimated that seniors lose a staggering \$2,900,000,000 each year to an ever-growing array of financial exploitation schemes and scams;

Whereas, since 2013, the fraud hotline of the Special Committee on Aging of the Senate has received more than 9,500 complaints reporting possible scams from individuals in all 50 States, the District of Columbia, and the Commonwealth of Puerto Rico;

Whereas the ease with which criminals contact seniors through the internet and telephone increases as more creative schemes emerge;

Whereas, according to the Consumer Sentinel Network Data Book 2019 released by the Federal Trade Commission, people age 60 or older reported losing approximately \$445,000,000 to fraud in 2019, with a median loss for victims age 80 or older of \$1,600, more than triple the median amount lost by victims between the ages of 50 and 59;

Whereas senior fraud is underreported by victims due to shame, stigma, and lack of information about where to report fraud; and

Whereas May 15, 2020, is an appropriate day to establish as “National Senior Fraud Awareness Day”: Now, therefore, be it

Resolved, That the Senate—

(1) supports the designation of May 15, 2020, as “National Senior Fraud Awareness Day”; and

(2) recognizes National Senior Fraud Awareness Day as an opportunity to raise awareness about the barrage of scams that individuals age 65 or older in the United States (referred to in this resolution as “seniors”) face in person, by mail, on the phone, and online;

(3) recognizes that law enforcement, consumer protection groups, area agencies on aging, and financial institutions all play vital roles in—

(A) preventing the proliferation of scams targeting seniors in the United States; and
(B) educating seniors about those scams;

(4) encourages—

(A) the implementation of policies to prevent scams targeting seniors; and
(B) the improvement of efforts to protect seniors from those scams; and

(5) honors the commitment and dedication of the individuals and organizations that work tirelessly to fight against scams targeting seniors.

SENATE RESOLUTION 591—PROMOTING MINORITY HEALTH AWARENESS AND SUPPORTING THE GOALS AND IDEALS OF NATIONAL MINORITY HEALTH MONTH IN APRIL 2020, WHICH INCLUDE BRINGING ATTENTION TO THE HEALTH DISPARITIES FACED BY MINORITY POPULATIONS OF THE UNITED STATES SUCH AS AMERICAN INDIANS, ALASKA NATIVES, ASIAN AMERICANS, AFRICAN AMERICANS, HISPANICS, AND NATIVE HAWAIIANS OR OTHER PACIFIC ISLANDERS

Mr. CARDIN (for himself, Mr. SCOTT of South Carolina, Mr. BOOKER, Mr. RUBIO, Mr. MENENDEZ, Mr. BOOZMAN, Ms. HARRIS, Mrs. CAPITO, Ms. CORTEZ MASTO, Mr. SULLIVAN, Ms. HIRONO, Mr. CRAMER, Mr. WYDEN, Mr. VAN HOLLEN, Mr. BROWN, Mr. MARKEY, Mr. LANKFORD, and Mr. BRAUN) submitted the following resolution; which was considered and agreed to:

S. RES. 591

Whereas the origin of National Minority Health Month is National Negro Health Week, established in 1915 by Dr. Booker T. Washington;

Whereas the theme for National Minority Health Month in 2020 is “Active and Healthy”;

Whereas the Department of Health and Human Services has set goals and strategies to enhance and protect the health and well-being of the people of the United States;

Whereas a study by the Joint Center for Political and Economic Studies, entitled “The Economic Burden of Health Inequalities in the United States”, concludes that, between 2003 and 2006, the combined cost of health inequalities and premature death in the United States was \$1,240,000,000,000;

Whereas African American women were as likely to have been diagnosed with breast cancer as non-Hispanic White women, but African American women were about 40 percent more likely to die from breast cancer than non-Hispanic White women between 2012 and 2016;

Whereas African American women lose their lives to cervical cancer at more than twice the rate of non-Hispanic White women;

Whereas African American men are 60 percent more likely to die from a stroke than non-Hispanic White men;

Whereas Hispanics have higher rates of end-stage renal disease caused by diabetes, and are 40 percent more likely to die of diabetes, than non-Hispanic Whites;

Whereas the HIV diagnosis rate among Hispanic men is more than 3 times the HIV diagnosis rate among non-Hispanic White men;

Whereas the HIV diagnosis rate among Hispanic women is 4 times the HIV diagnosis rate among non-Hispanic White women;

Whereas, in 2018, although African Americans represented only 13 percent of the population of the United States, African Americans accounted for 42 percent of new HIV diagnoses;

Whereas, in 2018, African American youth accounted for an estimated 51 percent, and Hispanic youth accounted for an estimated 27 percent, of all new HIV diagnoses among youth in the United States;

Whereas, in 2016, Native Hawaiians and Pacific Islanders were 1.6 times more likely to be diagnosed with HIV than non-Hispanic Whites;

Whereas, in 2018, Native Hawaiians and Pacific Islanders were 2.5 times more likely to be diagnosed with diabetes than non-Hispanic Whites;

Whereas Native Hawaiians and Pacific Islanders are 30 percent more likely to be diagnosed with cancer than non-Hispanic Whites;

Whereas, although the prevalence of obesity is high among all population groups in the United States, 48 percent of American Indian and Alaska Natives, 51 percent of Native Hawaiian and Pacific Islanders, 48 percent of African Americans, 45 percent of Hispanics, 37 percent of non-Hispanic Whites, and 12 percent of Asian Americans more than 18 years old were obese (not including overweight);

Whereas, in 2015, Asian Americans were 1.7 times more likely than non-Hispanic Whites to contract Hepatitis A;

Whereas, among all ethnic groups in 2015, Asian Americans and Pacific Islanders had the highest incidence of Hepatitis A;

Whereas Asian Americans accounted for 30 percent of chronic Hepatitis B cases, and non-Hispanic Whites accounted for 13.5 percent of chronic Hepatitis B cases;

Whereas of the children diagnosed with perinatal HIV in 2017, 64 percent were African American, 14 percent were Hispanic, and 12 percent were non-Hispanic White;

Whereas the Department of Health and Human Services has identified heart disease, stroke, cancer, and diabetes as 4 of the 10 leading causes of death among American Indians and Alaska Natives;

Whereas American Indians and Alaska Natives die from diabetes, alcoholism, unintentional injuries, homicide, and suicide at higher rates than other people in the United States;

Whereas American Indians and Alaska Natives have a life expectancy that is 5.5 years shorter than the life expectancy of the overall population of the United States;

Whereas African American women die from childbirth or pregnancy-related causes at a rate that is 2 to 3 times higher than the rate for non-Hispanic White women;

Whereas African American infants are 3.8 times more likely to die due to complications related to low birth weight than non-Hispanic White infants;

Whereas American Indian and Alaska Native infants are twice as likely as non-Hispanic White infants to die from sudden infant death syndrome;

Whereas American Indian and Alaska Natives have an infant mortality rate approximately twice as high as that of non-Hispanic Whites;

Whereas American Indian and Alaska Native infants are 2.7 times more likely to die from accidental deaths before their first birthday than non-Hispanic White infants;

Whereas sickle cell disease affects approximately 100,000 people in the United States, occurring in approximately 1 out of every 365 African American births and 1 out of every 16,300 Hispanic births;

Whereas 10.9 percent of Native Hawaiian and Pacific Islanders, 6.3 percent of Asian Americans, 8.8 percent of Hispanics, 8.7 percent of African Americans, and 14 percent of American Indians and Alaska Natives received mental health treatment or counseling in the past year, compared to 18.6 percent of non-Hispanic Whites;

Whereas preliminary evidence suggests that certain groups, such as African Americans, Hispanics, and American Indians and Alaska Natives are more likely than non-Hispanic Whites to develop severe COVID-19-related illnesses and life-threatening symptoms;

Whereas significant differences in social determinants of health can lead to poor health outcomes and declines in life expectancy; and

Whereas community-based health care initiatives, such as prevention-focused programs, present a unique opportunity to use innovative approaches to improve public health and health care practices across the United States and to reduce disparities among racial and ethnic minority populations: Now, therefore, be it

Resolved, That the Senate supports the goals and ideals of National Minority Health Month in April 2020, which include bringing attention to the health disparities faced by minority populations in the United States, such as American Indians, Alaska Natives, Asian Americans, African Americans, Hispanics, and Native Hawaiians or other Pacific Islanders.

SENATE RESOLUTION 592—EXPRESSING SUPPORT FOR THE DESIGNATION OF JUNE 5, 2020, AS “NATIONAL GUN VIOLENCE AWARENESS DAY” AND JUNE 2020 AS “NATIONAL GUN VIOLENCE AWARENESS MONTH”

Mr. DURBIN (for himself, Ms. DUCKWORTH, Mrs. FEINSTEIN, Mr. MARKEY, Mr. VAN HOLLEN, Mr. BLUMENTHAL, Ms. HARRIS, Ms. CANTWELL, Mr. MURPHY, Mr. MENENDEZ, Mr. REED, Mr. COONS, Mrs. MURRAY, Mr. KAINE, Ms. KLOBUCHAR, Mr. CASEY, Mr. BOOKER, Ms. HIRONO, and Mr. MERKLEY) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 592

Whereas, each year in the United States, more than—

- (1) 37,500 individuals are killed and 73,300 individuals are wounded by gunfire;
- (2) 13,300 individuals are killed in homicides involving firearms;
- (3) 22,900 individuals die by suicide using a firearm; and
- (4) 470 individuals are killed in unintentional shootings;

Whereas, since 1968, more individuals have died from guns in the United States than have died on the battlefields of all the wars in the history of the United States;

Whereas, by 1 count, in 2019 in the United States, there were 417 mass shooting incidents in which not fewer than 4 people were killed or wounded by gunfire;

Whereas, in 2019 in the United States, there were at least 130 incidents of gunfire on school grounds, resulting in 33 deaths and 77 injuries;

Whereas, every year in the United States, approximately 3,000 children and teens are killed by gun violence and 13,000 children and teens are shot and wounded;

Whereas approximately 7,600 people in the United States under the age of 25 die because

of gun violence annually, including Hadiya Pendleton, who, in 2013, was killed at 15 years of age in Chicago, Illinois, while standing in a park;

Whereas the deadly toll of daily gun violence has continued even during the COVID-19 pandemic;

Whereas, on June 5, 2020, to recognize the 23rd birthday of Hadiya Pendleton (born June 2, 1997), people across the United States will recognize National Gun Violence Awareness Day and wear orange in tribute to—

(1) Hadiya Pendleton and other victims of gun violence; and

(2) the loved ones of those victims; and

Whereas June 2020 is an appropriate month to designate as “National Gun Violence Awareness Month”: Now, therefore, be it

Resolved, That the Senate—

(1) supports—

(A) the designation of June 2020 as “National Gun Violence Awareness Month” and the goals and ideals of that month; and

(B) the designation of June 5, 2020, as “National Gun Violence Awareness Day”, in remembrance of the victims of gun violence; and

(2) calls on the people of the United States to—

(A) promote greater awareness of gun violence and gun safety;

(B) wear orange, the color that hunters wear to show that they are not targets, on June 5, 2020;

(C) concentrate heightened attention on gun violence during the summer months, when gun violence typically increases; and

(D) bring community members and leaders together to discuss ways to make communities safer.

SENATE RESOLUTION 593—TO RECOGNIZE THE 50TH ANNIVERSARY OF EARTH DAY AND THE LEADERSHIP OF ITS FOUNDER, SENATOR GAYLORD NELSON

Ms. BALDWIN (for herself, Mr. WHITEHOUSE, Ms. SMITH, Mr. MERKLEY, Mr. BOOKER, Mr. BROWN, Ms. STABENOW, Mr. CARDIN, Mr. VAN HOLLEN, Mrs. GILLIBRAND, Mr. UDALL, Ms. ROSEN, Mrs. FEINSTEIN, Mr. CARPER, Mr. COONS, Mr. DURBIN, and Ms. HARRIS) submitted the following resolution; which was referred to the Committee on Environment and Public Works:

S. RES. 593

Whereas Earth Day is observed annually around the world to demonstrate support for preserving, protecting, and defending the environment, the planet, and the inhabitants of the planet;

Whereas Senator Gaylord Nelson, a native of Clear Lake, Wisconsin—

(1) established Earth Day as an event and movement led by young people;

(2) is recognized as one of the leading environmentalists of the 20th century; and

(3) received the Presidential Medal of Freedom for his public leadership;

Whereas the Earth Day movement established by Senator Gaylord Nelson helped launch an era of international environmental awareness and activism;

Whereas ongoing environmental degradation and accelerating climate change threaten the well-being and livelihoods of the individuals of the United States and individuals around the world;

Whereas pollution, environmental degradation, and the climate crisis are generational justice issues that disproportionately impact young individuals and future generations, who will have to live with—
