HEALTH AND ECONOMIC RECOVERY OMNIBUS EMERGENCY SOLUTIONS ACT

SPEECH OF

HON. KWEISI MFUME

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, May 15, 2020

Mr. MFUME. Mr. Speaker, we have had a lot of talk on this floor today about this bill with people pointing fingers and saying: It doesn't do this or it doesn't do that.

However, if we were to examine the intent of this bill we can see one thing with crystal clarity.

What it does do is to provide real support for American heroes: our physicians, our nurses, our cops, our teachers, our firemen, and our first responders.

But there are many other heroes moving our country forward during these perilous times.

Our grocery store clerks, bus drivers, mental health counselors, food bank employees, farmers and the list would certainly include leaders at every level of State and local governments.

And this is not just a Democratic effort.

This is an effort that is supported by Republicans as well, and somebody needs to say that.

Republican Governors, Republican mayors, Republican County officials, and there will be some Republican Members on that side of the aisle who vote for this bill because it is the right thing to do.

It provides needed testing, and it provides the resources those on the front lines in this war against our common enemy—the Coronavirus pandemic—who need to survive and to thrive once again.

It is a critical way for us to do more than to simply offer words.

It allows us to offer hope to these true American heroes.

EXPRESSING GRATITUDE TO MARK PETTITT FOR HIS SERVICE TO AMERICA

HON. MO BROOKS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 22, 2020

Mr. BROOKS of Alabama. Madam Speaker, after ably and honorably serving as my chief of staff for more than 9 years, Mark Pettitt will

retire in June. Mark has provided exceptional leadership, and I've greatly benefited from having him as my chief advisor. I will miss his sound and candid guidance.

When asked how he came to be my chief of staff, Mark will often reply, "I complained about politics too many times to an old friend." That is only partly true. Really, it was Mark's deeply ingrained sense of patriotism that led him to Capitol Hill.

Mark's tenure as chief of staff caps an already exemplary career as a successful private sector engineer. For Mark, there are few more patriotic acts than simply working hard and contributing each day to America's economic and industrial prowess.

Mark worked hard throughout his career. He earned both his masters and undergraduate degrees in engineering from Brigham Young University. He served as an R&D Engineer and Project Manager at Wylie Laboratories in Huntsville, Alabama from 1978–1989. While at Wylie, Mark earned his Professional Engineer license. He went on to work as an Executive Consultant and Product Manager for Intergraph Corporation from 1989–2010. As an aside, Mark is a 10th degree Jiu Jitsu black belt.

Given his private sector background, Mark offers a unique perspective on federal policy issues. Always one to put America first, Mark has been particularly active in addressing America's trade imbalances and has long advocated for trade policies that benefit American workers.

As Mark's career concludes, I cannot thank him enough for the value he provided me, the Tennessee Valley, and America. I wish Mark joy and contentment as he embarks on this next phase of life. He is looking forward to enjoying well-deserved time with his wife, Diane, five children—John, Jared, Ben, Nichole, and Joseph—and 12 grandchildren! Mark has earned every bit of that family time.

America is a stronger, more prosperous nation thanks to Mark's exemplary career.

ALDEN BURCH NARANJO, JR.
TRIBUTE**HON. SCOTT R. TIPTON**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, May 22, 2020

Mr. TIPTON. Madam Speaker, I rise today to honor Alden Burch Naranjo, Jr. of Ignacio, Colorado, a leader within the Southern Ute Tribe who recently passed away.

Alden attended Ute Vocational School and later graduated from St. Catherine's Indian School in Santa Fe, New Mexico. After pursuing his education, Alden enlisted in the U.S. Army during the Vietnam War and served his country honorably. His service to others continued following the Vietnam War, when he transitioned into a career with the Southern Ute Tribe which spanned 40 years.

Alden served as the Native American Graves Protection and Repatriation Act (NAGPRA) Coordinator, working to ensure federal laws protect Native American lineal descendants with respect to the treatment, repatriation, and disposition of Native American human remains and culturally important objects were implemented. He also served as a police officer, staffer for the Division of Wild-

life, probation officer, and historian. He was also a member of Keepers of the Treasures—which predated NAGPRA—and a spiritual leader for tribal members. This role sent him around the world to educate people on Native American rights, spirituality, and culture.

Alden also held the role of President of the Native American Church of the Southern Ute Indian Reservation and the United States Chapters. In what free time he had, he was a traditional Sun dancer and took great pride in his Native American heritage. He will be sorely missed by his large extended family, the entire Southern Ute Tribe, and State of Colorado.

Madam Speaker, Alden's death is a loss for not only the Southern Ute Tribe but for the entire State of Colorado, and all of us who value the rich culture and historical heritage he worked so passionately throughout his life to share. Alden's legacy will be remembered and live on for generations to come.
