

graduating the Air Force Academy in 1994 speak to his proficiency and exemplary performance as an Officer.

His personal decorations and career advancement paled in comparison, however, to the pride he exhibited when speaking about the Airman he was fortunate enough to lead. He met with spouses and families throughout the 21st Space Wing—ensuring their voices and concerns were heard. He took time to mentor Airmen under his charge; he listened to squadron commanders, group commanders and first sergeants in order to fully understand the needs and concerns of the Airmen. Regardless of rank, he met and followed up with every individual seeking his expertise.

He embodied the aspects of servant leadership. He made it a point to learn the job of everyone under his command so that, when the time came, he could advocate on their behalf. This included standing shoulder to shoulder with Airmen of the 21st Civil Engineer Squadron filling potholes, shadowing security forces throughout his area of operations, suiting up with EOD to participate in a bomb simulation; meeting with the space operators from the 10th Space Warning Squadron and the many Air Force civilians that made the mission possible. He took time to speak with, listen to, and thank everyone from the commissary bagger staff to the public affairs team that allowed his Airmen to focus on their task at hand. Colonel Falzarano believed that the entire 21st Space Wing family had a role to play, and if he could invest in the lives of those under his charge, the Airmen would have exponential success in their mission. He was a Commander that understood the impact his physical presence had on the units he led and made the well-being of his Airmen a priority.

Through his character, competence, and leadership, he made a difference in the lives of everyone with whom he came in contact. Colonel Falzarano's positive impact throughout the enlisted, commissioned, and civilian ranks will have a ripple effect on Air Force leadership for generations to come. It was a privilege to have met Colonel Falzarano and it is an honor to recognize his incredible life.

VIRTUAL GREATER LEXINGTON
CHAMBER

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 27, 2020

Mr. WILSON of South Carolina. Madam Speaker, the always thoughtful Daisy Wilson Harman on May 21st in the Lexington County Chronicle highlighted the Greater Lexington Chamber of Commerce being innovative as it promotes its community and citizens during the Wuhan virus pandemic.

There has been so many changes in our lifestyle since the pandemic hit in mid-March. Last Tuesday our Greater Lexington Chamber of Commerce held its first monthly without members or breakfast, but by virtual means. Sponsored by Burr Foreman McNair, their message was “how pandemic has affected minds of your potential customers, their thoughts on travel, eating out, and overall concerns and more.” The basic overall thought is we have experienced change in every part of our life, and we are living in unprecedented times.

Even though concerned about the unknown, it is encouraging that consumers seem to be embracing the new normal. They are confident about getting back to work and life with safe practices.

Chernoff Newman gave all important insights and data on this new lifestyle in which we are living.

It appears much travel will be within our state or country rather than abroad. This places change in our tourism industry. It was very informative program.

AZERBAIJAN'S 102ND REPUBLIC
DAY

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 27, 2020

Mr. HASTINGS. Madam Speaker, May 28, 2020 marks Azerbaijan's 102nd Republic Day, the day on which the country became the first Muslim-majority secular democratic state. Since regaining its independence following the collapse of the Soviet Union, Azerbaijan has proven itself a partner of the United States particularly in its commitment to regional stability and security cooperation.

As someone who has traveled to Israel nineteen times and championed the cause of the U.S.-Israeli friendship since first coming to the House, I applaud Azerbaijan's commitment to ensuring that the Azeri and Israeli people remain good friends. Indeed, home to a thriving Jewish community of around 30,000, Azerbaijan is one of the few countries with a predominantly Muslim population that is a staunch supporter of Israel.

Azerbaijan is also committed to regional security and stability. With its dedication to countering terrorism and nuclear proliferation, its support for U.S. troops in Afghanistan, and its contributions to UN and NATO peacekeeping missions, Azerbaijan continues to contribute to the stabilization of the region.

Madam Speaker, although friends will have difficult conversations at times, those discussions are based in honesty and respect. Today, I urge my colleagues to join me in congratulating the people of Azerbaijan on their Republic Day.

IN SPECIAL RECOGNITION OF
FINDLAY BEING NAMED THE
TOP MICROPOLITAN COMMUNITY

HON. ROBERT E. LATTA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 27, 2020

Mr. LATTA. Madam Speaker, I rise to recognize Findlay, Ohio for being recognized as the Top Micropolitan Community in the United States for the sixth year in a row. The issuing magazine, Site Selection, announced the 2020 award by describing Findlay as “being propelled into superstar status.”

In order to be considered a micropolitan city, the area must have a population ranging from 10,000 to 50,000. Over 550 of these cities were evaluated on business growth and economic sustainability. Findlay was able to secure this award for the sixth year in a row because of their focus on residential develop-

ments in 2019 that met Site Selection's criteria.

Fostering a cooperative environment between businesses and local government has allowed for continued economic growth in Findlay. Over the past six years, 1,000 new jobs have been created in Findlay alone. This success would not be possible without the partnership and cooperation between the Findlay government, the Findlay-Hancock County Economic Development office, the Hancock County Commissioners, and the entire Findlay community.

Madam Speaker, Findlay has routinely served as an example of what a strong community and a commitment to its prosperity can do by implementing their renowned “Findlay Formula.” This formula continues to pay dividends and serves as an example to cities across the country.

I congratulate Findlay for another year as the Nation's top-ranked Micropolitan Community.

INTRODUCTION OF THE FARM TO
FRIDGE ACT OF 2020

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 27, 2020

Ms. MENG. Madam Speaker, I rise today to announce the introduction of my bill—The Farm to Fridge Act of 2020.

As a result of the COVID-19 pandemic, restaurants across the country have been forced to close—and as a result, many farmers have been unable to sell their food. This has dramatically disrupted incomes and supply
