PERSONAL EXPLANATION

Mr. POSEY. Mr. Speaker, on May 27, 2020, two American Astronauts were scheduled to make history as our nation returns to human space flight. Due to the historic nature of this event in my District at Kennedy Space Center, I missed two votes. Had I been present, I would have voted "yea" on rollcall No. 110 and "nay" on rollcall No. 111.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on additional motions to suspend the rules on which the yeas and nays are ordered.

The House will resume proceedings on postponed questions at a later time.

LAW ENFORCEMENT SUICIDE DATA COLLECTION ACT

Mr. NADLER. Madam Speaker, I move to suspend the rules and pass the bill (S. 2746) to require the Director of the Federal Bureau of Investigation to provide information on suicide rates in law enforcement, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

S. 2746

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Law Enforcement Suicide Data Collection Act".

SEC. 2. INFORMATION ON SUICIDE IN LAW ENFORCEMENT.

(a) ESTABLISHMENT.—Not later than 1 year after the date of enactment of this Act, the Attorney General, acting through the Director of the Federal Bureau of Investigation, shall establish, for the purpose of preventing future law enforcement suicides and promoting understanding of suicide in law enforcement, the Law Enforcement Officers Suicide Data Collection Program, under which law enforcement agencies may submit to the Director information on suicides and attempted suicides within such law enforcement agencies, including information on—

(1) the circumstances and events that occurred before each suicide or attempted suicide;

(2) the general location of each suicide or attempted suicide;

(3) the demographic information of each law enforcement officer who commits or attempts suicide;

(4) the occupational category, including criminal investigator, corrections officer, line of duty officer, 911 dispatch operator, of each law enforcement officer who commits or attempts suicide; and

(5) the method used in each suicide or attempted suicide.

(b) POLICIES.—The Federal Bureau of Investigation shall work with the Confidentiality and Data Access Committee of the Federal Committee on Statistical Methodology to develop publication policies to manage the risk of identity disclosure based upon the best practices identified by other Federal statistical programs.

(c) REPORT.—Not later than 2 years after the date of enactment of this Act, and annually thereafter, the Attorney General, acting through the Director of the Federal Bureau of Investigation, shall submit to Congress

and publish on the website of the Federal Bureau of Investigation a report containing the information submitted to the Director pursuant to subsection (a).

(d) CONFIDENTIALITY.—The report described under subsection (c) may not include any personally identifiable information of a law enforcement officer who commits or attempts suicide.

(e) DEFINITIONS.—In this section—

(1) the term "law enforcement agency" means a Federal, State, Tribal, or local agency engaged in the prevention, detection, or investigation, prosecution, or adjudication of any violation of the criminal laws of the United States, a State, Tribal, or a political subdivision of a State;

(2) the term "law enforcement officer" means any current or former officer (including a correctional officer), agent, or employee of the United States, a State, Indian Tribe, or a political subdivision of a State authorized by law to engage in or supervise the prevention, detection, investigation, or prosecution of any violation of the criminal laws of the United States, a State, Indian Tribe, or a political subdivision of a State; and

(3) the term "State" means each of the several States, the District of Columbia, and any commonwealth, territory, or possession of the United States.

The SPEAKER pro tempore (Ms. TITUS). Pursuant to the rule, the gentleman from New York (Mr. NADLER) and the gentleman from Pennsylvania (Mr. RESCENTIALER) each will control 20 minutes.

The Chair recognizes the gentleman from New York.

GENERAL LEAVE

Mr. NADLER. Madam Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mr. NADLER. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise in strong support of S. 2746, the Law Enforcement Suicide Data Collection Act, which requires the FBI to establish a data collection program that gathers data on law enforcement and former law enforcement suicides at the local, State, and Federal levels.

We consider this bill today in response to a growing epidemic of law enforcement suicides in America. Tragically, more than 227 U.S. law enforcement officers took their own lives last year, an increase of more than 50 deaths from the year before.

While law enforcement officers are tasked with the responsibility of protecting our communities and responding to often dangerous emergency situations, the number who have died as a result of suicide has, in recent years, exceeded the numbers of officers lost in the line of duty.

My community has been particularly affected by this issue. Last year, the New York Police Department lost nine officers in a deeply troubling string of

suicides. With long, late hours, regular traumatic experiences, life-threatening situations, and work in constant proximity to firearms, law enforcement officers are at an increased risk for mental illness such as post-traumatic stress disorder, depression, and anxiety.

A number of reports over past decades indicate that that law enforcement officers have an increased risk of suicide when compared to the general public. While suicide is currently the leading cause of death for law enforcement officers, the nearly 18,000 law enforcement agencies in this country lack a unified reporting mechanism for collecting data on these tragedies.

□ 2015

Without the proper information and statistics, law enforcement agencies and local, State, and Federal leaders are hindered in their ability to educate, prevent, and respond to this epidemic of suicides.

This bill directs the FBI to establish the Law Enforcement Officers Suicide Data Collection Program to prevent future suicides and to promote the understanding of suicide in law enforcement by collecting information from Federal, State, and local law enforcement agencies.

Data allowed to be collected pursuant to this bill includes details relating to both suicides and attempted suicides, including the circumstances and location of each event, as well as demographic information of each law enforcement officer and the method used in each incident.

It is imperative that the law enforcement community, mental health professionals, Congress, and the American people better understand the extent of, and the reasons for, this crisis.

The bill, therefore, also requires public reporting of the FBI's findings so that Congress and others can best support State and local agencies that are grappling with the day-to-day consequences of officer suicide.

Madam Speaker, I am grateful for the bipartisan effort to address this important issue. In the House, our colleague, Representative MIKE QUIGLEY, authored H.R. 3735, the companion to this Senate-passed bill. I commend him, and I commend the bill's Senate sponsor, Senator CATHERINE CORTEZ MASTO, for their tireless work on behalf of law enforcement officers and their loved ones.

Madam Speaker, I support this bill. I urge my colleagues to do the same, and I reserve the balance of my time.

Mr. RESCENTIALER. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise in support of S. 2746, the Law Enforcement Suicide Data Collection Act.

Last year, Congress passed and the President signed into law the STOIC Act, a bill that I introduced with my good friend, Congresswoman MAD-ELEINE DEAN. That bill improves mental health treatment for our Nation's law enforcement officers.
