RECOGNIZING THE SERVICE OF  
NYPD DETECTIVE JOSEPH GUIDICE

**HON. LEE M. ZELDIN**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 28, 2020*

Mr. ZELDIN. Madam Speaker, I rise today to honor Detective Joseph Guidice and his culmination of 25 years of distinguished service in the New York City Police Department. Detective Guidice went above and beyond as a detective, officer, and teacher to assist and advance our law enforcement's aptitude and ability in investigating auto crime.

In 1995, Detective Guidice started his career as a patrol officer in the NYPD's 109th and 30th Precincts. After five years of service, his exceptional skill and drive propelled him to the rank of investigator in the Auto Crime Division and, eventually, detective in 2002.

While continuing to serve as a citywide investigator in conjunction with local, state and federal agencies, in 2005, Detective Guidice began teaching the NYPD's four-day intensive Fundamentals of Auto Theft Investigation course. Over his 15 years of instruction, he has trained upwards of 17,000 special investigation unit professionals from across the globe, inspiring the next generation of law enforcement.

For his professional excellence and accomplishment, Detective Guidice has been praised

by the NYPD with their commendation for meritorious and excellent police duty on three separate occasions and was given its prestigious 20-year perfect attendance award in 2018.

On behalf of my constituents, the State of New York and our nation, I want to deeply thank Detective Guidice for being a standard-bearer of honorable service in the New York City Police Department. I wish him all the best in his well-deserved retirement.

WITCH HUNT IN ISRAEL

**HON. JOE WILSON**

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 28, 2020*

Mr. WILSON of South Carolina. Madam Speaker, just mere days after being sworn into office for a fifth term as Prime Minister, Benjamin Netanyahu stood in an Israeli court to stand trial in what amounts to nothing more than a political witch hunt. Formally charged with bribery, fraud, and breach of trust, Prime Minister has denied all wrongdoing from the very outset and has called for an open, televised trial so that the entire world can stand witness to the circus the Israeli left has put together with the sole intention of humiliating Israel's longest serving premier in the hopes that he will step down.

One of the charges in the criminal case against Prime Minister Netanyahu, known as "case 4000," alleges unsubstantiated charges. The distinguished lawyer and Harvard professor Alan Dershowitz perhaps described it best when he said, "Netanyahu's trial poses great danger to democracy and the rule of law. This is the first time in the history of any modern country that a man is being prosecuted for trying to gain positive media coverage."

As we watch this farce play out, we should also remember that a criminal trial of a sitting head of state is a situation that could only take place in the Middle East's sole democracy. At the same time, the partisan nature of the charges and the trial cheapen the value of Israel's democratic and legalistic spirit. Knesset Speaker Yariv Levin commented that "the day of the opening of Prime Minister Benjamin Netanyahu's trial will be remembered as one of the low points of the Israeli legal system." Levin went on to say, "The charges against the prime minister are unprecedented in Western democracies. Their realm, if at all, should have been the ethical and noncriminal sphere, and it's no wonder why the world's top jurists have been harshly criticizing it."

Indeed, the sham trial against Netanyahu comes at especially ironic times as the Prime Minister won the highest number of votes of any party since the establishment of the Israel state. This mandate from the Israeli electorate was a personal expression of confidence in the Prime Minister as well as a clear sign that the Israeli public has lost all trust in a judicial system rigged along party lines to force the hand of a popular leader and push him out of the political system.

Knesset Speaker Levin concluded his comments on the matter by saying, "I, like millions of Israeli citizens, stand with the prime minister today. With the truth. With justice." May the truth come to light and may justice prevail.

The similarity with America is obvious that political enemies of Prime Minister Benjamin Netanyahu are abusing the legal system just as the false efforts to impeach President Donald Trump were a witch hunt. Forces who lose on issues at the ballot box seek to subvert the votes of citizens.

RECOGNIZING REV. DR. DALE A.  
MEYER

**HON. JOHN SHIMKUS**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 28, 2020*

Mr. SHIMKUS. Madam Speaker, I rise today to recognize the contributions of the Rev. Dr. Dale A. Meyer upon the occasion of his retirement as President of Concordia Seminary in St. Louis.

In May 2005, Dr. Meyer became the 10th President of Concordia Seminary. Over fifteen years later, on June 30, 2020, Dr. Meyer will start a new season in life, retiring and turning over the reins of this beloved institution to new leadership.

His contribution to the Seminary was immense. During his tenure, Concordia's long-term debt was eliminated, its endowment quadrupled, and it earned top marks from its most recent accreditation by the Higher Learning Commission and the Association of Theological Schools.

From the start of his tenure to the end, Dr. Meyer worked alongside his wife Diane, the faculty and key staff to cultivate a culture that was service oriented and external facing. This meant instituting activities designed to instill a spirit of community volunteerism into first year students. This meant adding park benches on campus and expanding holiday displays each year so visitors knew they are welcome at this place. It meant working with his wife, Diane, and Gayle Zollmann-Kiel, Coordinator of Campus Grounds, to create community gardens for people to enjoy all summer and fall, thereby feeding the community both spiritually and figuratively. And it meant, during the current pandemic, having the bell tower on campus play music to lift the spirits of all those around.

No wonder the Seminary received several civic awards—including being named among the 100 Top Workplaces St. Louis in 2015.

Dr. Meyer's retirement marks a season of change for the Seminary. However, it also marks the closing of a chapter of a long career of service for him personally. While Dr. Meyer's first job was helping his parents, Arthur and Norma Meyer, deliver milk for the Dixie Dairy on the south side of Chicago, he was called to serve on a full and winding professional path. This path was so full of wonder that he would often marvel at the "milk man moments" that unfolded—remarking, "What I am doing here—God has blessed me so."

Dr. Meyer completed his bachelor's degree in 1969 at Concordia Senior College in Fort Wayne, Indiana. After earning a Master of Divinity from Concordia Seminary in 1973, he earned a Master's degree a year later, and a doctorate in 1986 in classical languages from Washington University in St. Louis. He also is the recipient of an honorary Doctor of Divinity in 1993 from Concordia Theological Seminary in Fort Wayne, Indiana.

Dr. Meyer first joined the faculty at Concordia Seminary as a guest instructor in

1979, going on to serve as head pastor of St. Salvator Lutheran Church in Venedy, Illinois, St. Peter Lutheran Church in New Memphis, Illinois, and at Holy Cross Lutheran Church in Collinsville, Illinois. These church communities are so beloved by the Meyers that they continue to worship at all three parishes to this day.

It was also at Holy Cross Lutheran that I, and my wife Karen, came to know Dr. Meyer and his family. Our lives have been intertwined, to say the least: Diane sold us our first home; I taught the oldest of two daughters, Elizabeth, civics at Metro East Lutheran High School and ran the first of many 5k races to come with his youngest daughter, Katie; my own children played music in their daughter's wedding; my wife Karen served as the head organist at Holy Cross with Dale; and so on.

Dr. Meyer moved on from Holy Cross in 1989 after being selected to serve as Speaker on The Lutheran Hour radio program at Lutheran Hour Ministries. The Lutheran Hour is the world's oldest continually broadcast Gospel radio program, first airing in 1930. Dr. Meyer also hosted the national television show *On Main Street* for Lutheran Hour Ministries. In 2001, *On Main Street* episodes received two prestigious Emmy awards from the National Academy of Television Arts & Sciences St. Louis/Mid-America Chapter. During this time, he took part in some of his favorite "milk man moments," including opening both the U.S. Senate and the U.S. House of Representatives in prayer.

In addition to his published writings, Dr. Meyer served in numerous leadership capacities—such as third vice-president of the Lutheran Church—Missouri Synod; a charter board member of the Association of Lutheran Older Adults; an Honorary Director of God's Word to the Nations Bible Society; and as a Board of Trustee of the American Bible Society.

Dr. Meyer finally returned home to Concordia Seminary in St. Louis in 2001, serving as the Gregg H. Benidt Memorial Chair in Homiletics and Literature. He became interim president in 2004, and the 10th president of the institution in 2005. For the next fifteen years, he could be seen working on the campus grounds, attending Bach at the Sem, and strolling with Ferdie, the oversized-in-body-and-heart golden retriever that became a quasi-mascot on campus and, sadly, recently passed away.

Dr. Meyer likes to tell students that: "It is great time to be the church." As the world suffers greatly from the pandemic, we are grateful for his efforts to raise public servants to serve all who are hurting, and to share the Gospel loud and clear for all to hear.

As Dr. Meyer begins this beautiful journey of retirement, he will enjoy more time with his two grown daughters, Elizabeth (Lizzie) Pittman and Katie (Catharine) Bailey, their spouses, Darren and Charles, and the five grandsons that he refers to as *Cinco de Meyer*: Christian, Connor and Nicholas Pittman, and Andrew and Jacob Bailey.

Madam Speaker, I want to personally thank Dr. Meyer and his wife Diane for their ministry.

LIVESTOCK PRODUCER ASSISTANCE FOR COVID-19 DAMAGES ACT

### HON. JIM HAGEDORN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 28, 2020

Mr. HAGEDORN. Madam Speaker, I rise today because America's livestock industry is in crisis.

Across southern Minnesota and in many areas of our nation, pork producers are especially in trouble. Packing plant closures and disruptions and other reverberations associated with COVID-19 and the pause in our economy have depressed futures markets and made it impossible to process hogs. Many of our producers are being forced to destroy animals and not even use the meat for our food supply.

To mitigate production losses incurred by our pork producers, this week I introduced the "Livestock Producer Assistance for COVID-19 Damages Act." My legislation is designed to augment the United States Department of Agriculture's existing Emergency Assistance for Livestock, Honey Bees, and Farm Raised Catfish program to cover income losses for farmers and producers who have been unable to market livestock due to packing plant closures or reduced operations beginning on April 19, 2020.

Due to the ongoing pandemic, our livestock farmers in southern Minnesota and throughout the nation have been pushed to the brink of insolvency. This represents a direct threat to our nation's food supply and the vibrancy of the economy and our rural communities.

During this pause in our economy, restaurants have been largely shut down, which has caused reduced demand and dramatically lower futures markets for pork, beef and other cuts of meat. On top of that, we have had packing plant disruptions and closures that have created an environment where market ready hogs cannot even be processed and distributed into the food chain.

Because the pork industry uses an in-time delivery system, hogs cannot be stored or pastured like other traditional crops and animals. Until meat packing plants return fully online, many pork producers are left with no place to market their hogs, leaving euthanasia, rendering or composting as some of the only options for handling potentially millions of pigs.

The outlook is especially challenging for independent farmers who own and raise their own livestock. In the past few months, hog prices plunged 26 percent, further compounding challenges for livestock producers to develop additional options for selling their hogs.

In Minnesota, our farmers make huge contributions to the state's economy. According to a study by the University of Minnesota, current disruptions in the pork supply chain, coupled with the current 15 percent unemployment rate, could result in an estimated loss of \$660 million in economic activity in our state.

The researchers also concluded that a 15 percent drop in hog production would lead to an estimated loss of 2,100 jobs.

Because pork and livestock producers are suffering huge losses, financial and otherwise, and through no fault of their own, I urge my colleagues on both sides of the aisle to join

me in supporting this bill. We must stand with our family farmers, and in so doing defend the interests of our economy, rural communities and America's food supply.

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 28, 2020

Mr. RYAN. Madam Speaker, I rise today to recognize Anthony D. Giampetro, who will celebrate his 100th birthday on June 9, 2020.

RECOGNIZING NAILING IT FOR AMERICA IN HONOR OF ASIAN PACIFIC AMERICAN HERITAGE MONTH

### HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 28, 2020

Mr. CORREA. Madam Speaker, I rise today in honor of Asian Pacific American Heritage Month to recognize Nailing It For America and their mission, "Operation: Nailing It for Health Care Workers," to support the shortage of personal protective equipment (PPE) by coordinating and distributing to frontline workers. The Nailing It Team has donated hundreds of thousands of PPE to various hospitals and healthcare clinics from the beginning of California's stay at home order.

Through collaborative efforts, the Nailing It team, consisting of leaders from Advance Beauty College, Whale Spa, Studio 18 Nail Bar, with other nail salon owners and others, rallied the community to donate their PPE supplies. In the first ten days of combining their efforts, their team collected 120,000 face masks and more than 300,000 gloves that were delivered to healthcare workers in 40 hospitals and medical clinics. Additionally, the Nailing It team's efforts has encouraged more than 15 restaurant owners to join their initiative to deliver freshly prepared, packaged meals to healthcare workers.
