REMEMBERING PETER M. PINO

Mr. HEINRICH. Madam President, it is an honor to recognize the enormously impactful life of Governor Peter M. Pino. The Pueblo of Zia, and New Mexico as a whole, have lost one of our greatest leaders.

Peter M. Pino devoted his entire life to serving the people of the Pueblo of Zia. For more than four decades, he served the Pueblo of Zia as Governor, War Chief, Tribal council member, Tribal administrator, and treasurer. He was also a traditional spiritual leader and held a lifetime appointment as one of the Pueblo's Keeper of Songs. As a traditional artist, Governor Pino employed techniques passed down to him by his Puebloan ancestors to craft works in rock, tan deer hides, and make moccasins, bows, arrows, digging sticks, rabbit sticks, and bone tools.

He also played an instrumental role in the Pueblo's ongoing effort to repatriate and protect a treasured part of Zia's heritage and cultural property, its sacred sun symbol. Almost a century after the State of New Mexico appropriated this sacred symbol on its flag, Pino helped lead the Pueblo's actions to seek compensation, public education and engagement, and permission for commercial uses. Thanks to this work, Eastern New Mexico University changed the name of its women's athletic teams, and multiple companies have voluntarily sought permission and advice from the Pueblo on how they will depict the symbol and contributed proceeds from sales to a scholarship fund for Zia youth.

Governor Pino also used his deep historical and archaeological knowledge to serve on boards and committees that advised the Crow Canyon Archaeological Center, Mesa Verde National Park, and the Native American Rights Fund. Governor Pino also served as vice chair of the New Mexico Office of Indian Affairs and was the first Native American to serve on the New Mexico Game and Fish Commission.

On a personal note, Governor Pino was one of my first mentors in public service in New Mexico and dear friend. He shared traditional knowledge and perspectives with me that helped form the foundation of my respect for Tribal governments, religions, and culture. I am heartbroken that I did not spend more time learning directly from Governor Pino because his generosity knew no bounds. I was, however, fortunate enough to attend a number of feast

days at the Pueblo of Zia and left the Pino home with a tighter belt and great appreciation for the delicious and healthy traditional food that Peter and his wife Stella embraced.

When I began advocating for land conservation in New Mexico, Governor Pino showed me how important sacred sites and cultural landscapes are to the Tribal nations in our State. He was also an example of statesmanship to whom I will always look. In fact, I was able to travel to Washington, DC, with Governor Pino when I was just a city councilor. Observing how he interacted with my State's congressional delegation was a very formative experience.

Watching him work to protect the Ojito Wilderness and reclaim lands from the Bureau of Land Management that contained cultural sites also taught me how critical it is for Tribes to have a meaningful seat at the table in conservation and land management decisions.

My thoughts are with Governor Pino's family and the Pueblo of Zia during this time of mourning. His legacy will never be forgotten.

ADDITIONAL STATEMENTS

RECOGNIZING IDEAL ALUMINUM PRODUCTS, LLC

● Mr. RUBIO. Madam President, as chairman of the Senate Committee on Small Business and Entrepreneurship, each week I recognize a small business that exemplifies the American entrepreneurial spirit at the heart of our country. It is my privilege to recognize a small business that is known for excellence in its industry, outstanding craftsmanship, and creating dignified work in their community. This week, it is my pleasure to recognize Ideal Aluminum Products, LLC of St. Augustine, FL, as the Senate Small Business of the Week.

In 2010, Michael Siegel and Doug Brady purchased Ideal Aluminum Products. Based in DeLand, FL, this fence, gate, and railing manufacturing company had recently gone out of business. Doug, an alumnus of the University of South Florida, had also worked with Michael at Ideal Gas, LLC. Together, the two planned to turn this new company around.

Over the next decade, Michael and Doug grew Ideal Aluminum into an industry leader. A favorable business environment and proximity to I-95 spurred Ideal Aluminum's relocation to St. Augustine in 2015. Their success as a local manufacturer and commitment to job creation was honored by then-Governor Rick Scott, who issued a monthly job report at their facility in 2016.

Ideal Aluminum has been an ardent supporter of community development. In 2011, Ideal Aluminum manufactured, donated, and installed railings for ABC's "Extreme Makeover: Home Edition." They were recognized in 2015 by

GrowFL, which spotlights businesses that create quality jobs, enrich their communities, and broaden new industries throughout Florida. Ideal Aluminum was nominated for the Florida Sterling Manufacturing Business Award in 2017 for business excellence in Florida's manufacturing community. Michael and Doug were finalists for the Ernst & Young Entrepreneur of the Year award in 2017 and 2018. Ideal Aluminum has also been featured in the St. Augustine Record and industry publications.

Like many other small businesses, Ideal Aluminum stepped up to help their community during the coronavirus pandemic. When Michael and Doug heard about the shortage of blood donations, they organized a blood drive at Ideal Aluminum and collected donations for Feeding Northeast Florida. The company matched every dollar collected, resulting in a \$3,000 donation to feed the hungry in the St. Augustine area.

When the U.S. Small Business Administration—SBA—launched the Paycheck Protection Program—PPP—Michael and Doug applied immediately. The PPP provides forgivable loans to impacted small businesses and non-profits who maintain their payroll during the COVID-19 pandemic. In late April, Ideal Aluminum received a PPP loan and an Economic Injury Disaster Loan from the SBA. As a result, they were able to keep all of their employees paid.

Ideal Aluminum Products exemplifies how crucial small businesses are in creating jobs and building the local community. I commend their efforts to create jobs in the critical manufacturing sector.

Congratulations to Michael, Doug, and the entire team at Ideal Aluminum. I look forward to watching your continued growth and success.●
