

GrowFL, which spotlights businesses that create quality jobs, enrich their communities, and broaden new industries throughout Florida. Ideal Aluminum was nominated for the Florida Sterling Manufacturing Business Award in 2017 for business excellence in Florida's manufacturing community. Michael and Doug were finalists for the Ernst & Young Entrepreneur of the Year award in 2017 and 2018. Ideal Aluminum has also been featured in the St. Augustine Record and industry publications.

Like many other small businesses, Ideal Aluminum stepped up to help their community during the coronavirus pandemic. When Michael and Doug heard about the shortage of blood donations, they organized a blood drive at Ideal Aluminum and collected donations for Feeding Northeast Florida. The company matched every dollar collected, resulting in a \$3,000 donation to feed the hungry in the St. Augustine area.

When the U.S. Small Business Administration—SBA—launched the Paycheck Protection Program—PPP—Michael and Doug applied immediately. The PPP provides forgivable loans to impacted small businesses and non-profits who maintain their payroll during the COVID-19 pandemic. In late April, Ideal Aluminum received a PPP loan and an Economic Injury Disaster Loan from the SBA. As a result, they were able to keep all of their employees paid.

Ideal Aluminum Products exemplifies how crucial small businesses are in creating jobs and building the local community. I commend their efforts to create jobs in the critical manufacturing sector.

Congratulations to Michael, Doug, and the entire team at Ideal Aluminum. I look forward to watching your continued growth and success.●
