HONORING FOLUSO FAKOREDE, MD

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 4, 2020*

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor Dr. Foluso Fakorede.

Dr. Fakorede grew up in Nigeria and immigrated to America as a young man. He received his medical degree from UMDNJ-Robert Wood Johnson Medical School in Camden, New Jersey where he also completed his internship and residency in internal medicine at New York Presbyterian Weill Cornell Hospital. He returned to New Jersey to complete his fellowship in cardiology, interventional cardiology, and endovascular intervention at Cooper University Hospital—Camden, New Jersey.

Dr. Fakorede was honored with the distinction of Chief Cardiology Fellow. He specializes in preventative cardiovascular management, woman's heart health and catheter-based procedural focus in coronary atherosclerosis disease (CAD) and peripheral atherosclerosis disease (PAD). He has advanced technical skills in limb salvage (preventing amputations) and utilizes advanced minimally invasive techniques in treating patients with peripheral arterial disease. He is also a key opinion leader in the treatment algorithm of peripheral arterial disease using various access techniques, atherectomy, balloons and stents.

In 2015, Dr. Fakorede started Cardiovascular Solutions of Central Mississippi with a mission to educate and provide access quality health care for Mississippians living in rural areas. He has become a national voice in the fight on the impact of health disparity in underserved communities.

Dr. Fakorede has offered tremendous service to those suffering from diabetes and has worked diligently towards preventing the need for amputation.

In Bolivar County, MS, Dr. Fakorede has seen more than 10,000 cardiovascular patients from around the Delta. Since 2015, he has performed nearly 500 angiograms annually. Between 2014 and 2017, Bolivar Medical Center recorded that major amputations had fallen by 75 percent.

Madam Speaker, I ask my colleagues to join me in recognizing Dr. Foluso Fakorede for his dedication in being a remarkable doctor and servicing the Mississippi Delta.

HONORING RAY LEE WOOD

**HON. H. MORGAN GRIFFITH**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 4, 2020*

Mr. GRIFFITH. Madam Speaker, I rise in honor of Ray Lee Wood of Stuart, Virginia. Mr. Wood passed away on May 6, 2020, at the age of 92. As one of the founding members of Wood Brothers Racing, Mr. Wood helped launch a storied team and competed in some of its signature victories.

Ray Lee Wood was born in Patrick County on December 14, 1927. He served in the Army after World War II. In the early 1950s, he joined his brothers Glenn, Clay, Delano and Leonard in forming the team that still bears their name. They famously worked on their cars in the shade of a beech tree on the family's property, using its limbs to help pull engines with a chain hoist. Ray Lee was responsible for maintaining the Fords the team raced and changing the front tires, not driving, although Leonard recalled a day in 1958 when Ray Lee hit 142 miles per hour on the measured mile at Daytona Beach.

During Mr. Wood's time with the team, it won at the 1963 Daytona 500, the 1965 Indianapolis 500, and the 1965 American 500 at North Carolina Speedway. At Daytona and Indianapolis, he made the call after checking the tires to continue driving rather than changing them, contributing to the victories.

At the 1965 Indianapolis 500, Mr. Wood also decided that the season would be his last. After the season ended at Rockingham with the victory at the American 500, he went home to Stuart. While still following the sport and supporting his brothers who continued racing, he never attended another NASCAR race. Instead, he filled his life with his church, Pentecostal Holiness, and his garden, where he grew flowers, tended to his honeybees, and kept goldfish.

I offer my condolences to Ray Lee Wood's loved ones on their loss.

REMEMBERING MADELYNE

“MADDI” MISCHELOFF

**HON. ERIC SWALWELL**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 4, 2020*

Mr. SWALWELL of California. Madam Speaker, I rise to recognize the life of Madelyne “Maddi” Mischeloff, on the occasion of her passing after a two year long battle with cancer on Saturday, April 11, 2020.

Maddi was a native of Neptune, New Jersey and a student of biology and medical technology at American University in Washington, DC. She met her husband, Mike, while both were spending spring break in California. They remained in touch and were married in 1971. Thereafter they moved to Nebraska where their three children were born before settling in the Bay Area.

Maddi was a serial volunteer and could frequently be found working at community events

after she and her family settled in my hometown of Dublin in 1978; however, it was when unimaginable tragedy struck the family that Maddi's spirit of service galvanized around a cause. Ilene, Maddi and Mike's 13 year-old daughter, went missing on a walk home from middle school on January 30, 1989.

From that moment forward, Maddi garnered the strength to turn her grief into action, motivation, and inspiration for others. She participated in fund raisers, did television appearances, and organized on behalf of her daughter and other families navigating the same trauma and trying to bring missing children home.

While Ilene's disappearance remains unsolved, Maddi's efforts to keep her daughter's spirit alive in our community continued with an annual candlelit walk along the route that Ilene walked home from school each day.

Her efforts to better her community did not go unnoticed. After years of faithful service to her community, she was appointed to fill a vacant seat on the board of the Dublin San Ramon Services District to which she later won election, served on a multitude of committees, and served as president of the board.

Maddi and her family have resided in the heart of our community since they arrived. We are grateful for her unwavering spirit of hope that continues to inspire. She is survived by her husband, sons Brian and Robert, two granddaughters, Maddie and Lauren, and her brother, Stephan Abramson.

TRIBUTE TO THE WORK OF DAVID WAKSBERG

**HON. ANNA G. ESHOO**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 4, 2020*

Ms. ESHOO. Madam Speaker, David Waksberg became CEO of the Bureau of Jewish Education in 2007, and retires on

June 30, 2020, from his leadership of what is now Jewish LearningWorks. During his well-earned retirement he will spend more time with his wife and three adult children, and he plans to write and participate in political and environmental activism.

David Waksberg's leadership of Jewish LearningWorks can only be called extraordinary. He is hailed by many as a great negotiator, intentional listener and a collaborator who respects and honors the opinions of others. During his tenure he helped renew synagogue schools and brought in new ideas for teaching. He expanded family learning programs, created greater opportunities for children with special needs, and initiated policy changes at synagogues and day schools which were all designed to make everyone welcome.

David formerly served as the Executive Director of the Bay Area Council for Soviet Jews where he created programs that connected Bay Area Jews with those in the Soviet Union. He developed excellent relationships with the Bay Area Congressional Delegation and was a strong advocate for refuseniks and for the Soviet Jews who came to the Bay Area after the collapse of the USSR. Between his two positions with Jewish agencies, David worked at a high-tech company, but his heart was always with service to the Jewish community.
