

NOTICE OF INTENT TO OBJECT TO PROCEEDING

I, Senator CHUCK GRASSLEY, intend to object to proceeding to the nomination of Christopher C. Miller, of Virginia, to be Director of the National Counterterrorism Center, Office of the Director of National Intelligence dated June 4, 2020.

Mr. GRASSLEY. Mr. President, I intend to object to any unanimous consent request relating to the nomination of Christopher C. Miller, of Virginia, to be Director of the National Counterterrorism Center, Office of the Director of National Intelligence (PN1741).

On April 8, 2020, I sent a bipartisan letter to the President cosigned by seven of my colleagues regarding the removal of Intelligence Community Inspector General (IC IG) Michael Atkinson. That letter reminded the President of his requirement under the Inspector General Reform Act to provide clear reasons for such removal. After a delay, the White House promised me a response to my letter that fulfilled the statutory requirement by providing substantive reasons for the removal. On the evening of May 26, 2020, I received a response from the White House, but it contained no explanation for the removal of the IC IG.

Though the Constitution gives the president the authority to manage executive branch personnel, Congress has made it clear that should the president find reason to fire an inspector general, there ought to be a good reason for it. The White House's response failed to address this requirement, which Congress clearly stated in statute and accompanying reports. I don't dispute the President's authority under the Constitution, but without sufficient explanation, the American people will be left speculating whether political or self-interests are to blame. That's not good for the presidency or government accountability.

Further, the White House's response states that the President was acting in a manner that comported with the precedent that began under the Obama administration. The letter states that the President's letter mirrors the one sent by President Obama when he removed IG Walpin. What that letter fails to mention is that President Obama, at the demand of myself and other members of this Chamber, eventually did send several letters explaining in much greater detail the reasons for the removal of Mr. Walpin. They were inadequate responses that continually changed and eventually resulted in a bicameral investigation into the matter, but reasons were provided.

I have attached copies of these letters and the aforementioned report for the RECORD. I intend to maintain this hold until the notice requirement in the Inspector General Act of 1978, 5 U.S.C. app. § 3(b) is met and the reasons for the IC IGs removal are provided.
