

law enforcement officers engage in conduct inconsistent with equal treatment, justice, and the Constitution of the United States;

Whereas since the death of George Floyd, peaceful protests by thousands of citizens exercising their First Amendment rights across the Nation have taken place;

Whereas unfortunately in a number of cities, many individuals have used this time of meaningful, peaceful protest and mourning to riot, loot businesses, and burn police cars and churches;

Whereas radical organizations like Antifa have sadly used the death of George Floyd to organize and sow violence in our communities and should be held accountable;

Whereas radical protesters defaced the Department of Veterans Affairs headquarters and the World War II Memorial, dishonoring the brave men and women who have served in the Armed Services;

Whereas radical protesters defaced the Lincoln Memorial, the place where the March on Washington began, that momentous occasion in the history of civil rights;

Whereas radical protesters burned St. John's Church, a church that supported the bold civil rights moment of the March on Washington;

Whereas these actions taken by radical protesters do not honor the legacy of George Floyd nor further a rational cause, and those acting as violent anarchists and the members of Antifa are taking advantage of the pain of people and the pain of the peaceful protesters;

Whereas protests are a normal and healthy part of democracy, while acts of violence, looting, and arson should not be tolerated;

Whereas in multiple cities, police and other law enforcement personnel have been intentionally attacked, injured, and killed, and many voices are radically calling to defend the police;

Whereas the vast majority of police officers do their job bravely and righteously and are committed to ensuring that racism plays no part in law enforcement and that everyone receives equal protection under the law; and

Whereas the United States has a moral and constitutional obligation to protect the life, liberty, and property of all individuals, including from abuse from those we entrust to defend public safety and from domestic terrorists and violent, anti-democratic activists: Now, therefore, be it

*Resolved*, That it is the sense of the Senate that it is the policy of the United States—

(1) to commemorate the life of George Floyd through official recognition and remembrance;

(2) that the First Amendment guarantees every individual citizen the right to peacefully assemble and protest;

(3) to urge an immediate end to the violence leading to the damage of lives and businesses across United States so that the Nation can come together in healing, dialogue, reconciliation, and prayer;

(4) to urge leaders at every level of government to examine and enhance the training of law enforcement to ensure equal treatment and protection under the law; and

(5) to urge States and local governments to provide the funding and support necessary for law enforcement and first responders to protect the life, liberty, and property of every individual in the United States regardless of their race, color, or nationality.
