PROCEEDINGS AND DEBATES OF THE 116th CONGRESS, SECOND SESSION

Vol. 166

WASHINGTON, THURSDAY, JUNE 11, 2020

No. 108

House of Representatives

The House met at 9 a.m. and was called to order by the Speaker pro tempore (Mr. BROWN of Maryland).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
June 11, 2020.

I hereby appoint the Honorable ANTHONY G. BROWN to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer: Loving God, thank You for giving us another day.

Numbers of infections and hospitalizations are again spiking in various sectors of our Nation as we continue to consider social concerns about peace and justice in our communities.

As it is a time of high feeling and reaction, we ask Your blessing of peace, patience, and good discernment in the days and weeks to come.

Opinions and positions of interested parties are heightened. Calm our passions, that those responsible for molding a future in the wake of such monumental shifts in our sense of what is normal or usual are taking place.

We thank You that we, as Americans, have faced such challenges in the past. Help us to have faith in You, and confidence in our constitutional way of proceeding, that we have good cause to have hope in what is to come.

Bless us all this day, and every day, and may all that we do be for Your greater honor and glory.

Amen.

THE JOURNAL

The SPEAKER pro tempore. Pursuant to section 4(a) of House Resolution 967, the Journal of the last day's proceedings is approved.

PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from North Carolina (Mr. BISHOP) come forward and lead the House in the Pledge of Allegiance.

Mr. BISHOP of North Carolina led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

APPOINTMENT OF INDIVIDUALS TO INDEPENDENT MEXICO LABOR EXPERT BOARD

PUBLICATION OF BUDGETARY MATERIAL

STATUS REPORT ON CURRENT LEVELS OF ON-BUDGET SPENDING AND REVENUES FOR FY 2020

HOUSE OF REPRESENTATIVES,
COMMITTEE ON THE BUDGET,
Washington, DC, June 11, 2020.

DEAR MADAM SPEAKER: To facilitate application of sections 302 and 311 of the Congressional Budget Act of 1974, I am transmitting an updated status report on the current levels of on-budget spending and revenues for fiscal year 2020. This status report is current through June 5, 2020. The term "current

level" refers to the amounts of spending and revenues estimated for each fiscal year based on laws enacted or awaiting the President's signature.

Table 1 compares the current levels of total budget authority, outlays, and revenues to the overall limits filed in the Congressional Record on May 3, 2019, as adjusted, for fiscal year 2020. These comparisons are needed to implement section 311(a) of the Congressional Budget Act of 1974, which establishes a rule enforceable with a point of order against measures that would breach the budget resolution's aggregate levels.

Table 2 compares the current status of discretionary appropriations for fiscal year 2020 with the section 302(b) suballocations of discretionary budget authority and outlays among Appropriations subcommittees. The comparison is needed to enforce section 302(f) of the Congressional Budget Act of 1974 because the point of order under that section equally applies to measures that would breach the applicable section 302(b) sub-allocation. The table also provides supplementary information on spending authorized in excess of the base discretionary spending limits under section 251(b) of the Balanced Budget and Emergency Deficit Control Act of 1985.

Table 3 compares the current levels of budget authority and outlays for legislative action completed by each authorizing committee with the limits filed in the Congressional Record on May 3, 2019, for fiscal year 2020. These comparisons are needed to enforce the point of order under section 302(f) of the Congressional Budget Act of 1974, which prohibits the consideration of measures that would breach the section 302(a) allocation of new budget authority for the committee that reported the measure. It is also needed to implement section 311(c), which provides an exception for committees

that comply with their allocations from the point of order under section 311(a).

Table 4 displays the current level of advance appropriations in fiscal year 2020 appropriations bills. This table is needed to enforce a rule against appropriations bills containing advance appropriations that: (i) are not identified in the statement of the Chairman published in the Congressional Record on May 3, 2019 or (ii) would cause the aggregate amount of such appropriations to exceed the level specified in section 2 of H. Res. 293.

In addition, a letter from the Congressional Budget Office is attached that summarizes and compares the budget impact of legislation enacted after May 3, 2019 against the budget aggregate in force.

If you have any questions, please contact Jennifer Wheelock or Raquel Spencer.

Sincerely,

JOHN YARMUTH,
Chairman.

^a Sections 1001-1004 of the 21st Century Cures Act (P.L. 114-255) require that certain funding provided for 2017 through 2026 to the Department of Health and Human Services—in particular the Food and Drug Administration and the National Institutes of Health—be excluded from estimates for the purposes of the Balanced Budget and Emergency Deficit Control Act of 1985 (Deficit Control Act) and the Congressional Budget and Impoundment Control Act of 1974 (Congressional Budget Act). Therefore, the amounts shown in this report do not include \$567 million in budget authority and \$798 million in estimated outlays.

^b For purposes of enforcing section 311 of the Congressional Budget Act in the House, H. Res. 293, which established budget enforcement procedures in the House of Representatives for 2020, does not include budget authority, outlays, or revenues for off-budget amounts. As a result, amounts in this current level report do not include those items.

^c In the House of Representatives, and pursuant to section 314(d) of the Congressional Budget Act of 1974, amounts designated as an emergency requirement shall not count for purposes of title III and title IV of the Congressional Budget Act of 1974, and are excluded from current level totals. In addition, emergency funding that was not designated pursuant to the Deficit Control Act does not count for certain budgetary enforcement purposes. Those amounts, which are not included in the current level totals, are as follows:

^d Section 124 of the Continuing Appropriations Act, 2020 (division A of P.L. 116-59), appropriated funding for the Ukraine Security Assistance Initiative (within the jurisdiction of the Subcommittee on Defense) and designated those amounts as funding for overseas contingency operations. That provision took effect upon enactment on September 27, 2019.

PUBLICATION OF BUDGETARY MATERIAL

STATUS REPORT ON CURRENT LEVELS OF ON-BUDGET SPENDING AND REVENUES FOR FY 2021
HOUSE OF REPRESENTATIVES,
COMMITTEE ON THE BUDGET,
Washington, DC, June 11, 2020.

DEAR MADAM SPEAKER: To facilitate application of sections 302 and 311 of the Congressional Budget Act of 1974, I am transmitting an updated status report on the current levels of on-budget spending and revenues for fiscal year 2021. This status report is current through June 5, 2020. The term “current

level” refers to the amounts of spending and revenues estimated for each fiscal year based on laws enacted or awaiting the President’s signature.

Table 1 compares the current levels of total budget authority, outlays, and revenues to the overall limits filed in the Congressional Record on May 1, 2020 for fiscal year 2021 and for the 10-year period of fiscal years 2021 through 2030. These comparisons are needed to implement section 311(a) of the Congressional Budget Act of 1974, which establishes a rule enforceable with a point of order against measures that would breach the budget resolution’s aggregate levels. The

table does not show budget authority and outlays for fiscal years 2022 through 2030 because annual appropriations will not be considered for those years until future sessions of Congress.

Table 2 shows the current status of discretionary appropriations for fiscal year 2021, which will be compared with the section 302(b) suballocations of discretionary budget authority and outlays among Appropriations subcommittees. The comparison is needed to enforce section 302(f) of the Congressional Budget Act of 1974 because the point of order

under that section equally applies to measures that would breach the applicable section 302(b) suballocation.

Table 3 compares the current levels of budget authority and outlays for legislative action completed by each authorizing committee with the limits filed in the Congressional Record on May 1, 2020, for fiscal year 2021, and for the 10-year period of fiscal years 2021 through 2030. These comparisons are needed to enforce the point of order under section 302(f) of the Congressional Budget Act of 1974, which prohibits the consideration of measures that would breach the section 302(a) allocation of new budget authority for the committee that reported the measure. It is also needed to implement section 311(c), which provides an exception for committees that comply with their allocations from the point of order under section 311(a).

In addition, a letter from the Congressional Budget Office is attached that summarizes the budget impact of legislation enacted since May 1, 2020.

In you have any questions, please contact Jennifer Wheelock or Raquel Spencer.

Sincerely,

JOHN YARMUTH,
Chairman.
