

Schmidt, U.S. Army, Retired, of Anchorage, for his years of dedicated service to the United States of America.

SGM Schmidt's military career spanned 22 years, over three decades, and three wars. What is even more remarkable than his years of dedicated military service, is how it began. In 1942, at the age of 14, SGM Schmidt lied about his age, joined the Army, and was sent off to training. He would go on to jump into Sicily with the 82nd Airborne Division during the war at just 15 years old. Subsequently, he was wounded and discharged once his true age was discovered after his mother wrote a letter to President Franklin Roosevelt regarding her underage son fighting in the war. Undeterred, SGM Schmidt would once again lie about his age and join the Navy. However, after several months in the Navy, they would also find his age and remove him from service.

Thankfully, his determination to serve did not stop at the end of World War II. In 1946, at the age of 18, he would rejoin the Army and eventually fight in the Battle of the Chosin Reservoir in the Korean War. He would later go on to be accepted into, and serve in, Special Forces. As a member of the 7th Special Forces Group, SGM Schmidt would fight in Vietnam and Laos during the Vietnam War. Eventually, he became the Sergeant Major for all 7th Group's A Teams in Vietnam before moving to the 5th Special Forces Group. In 1965 SGM Schmidt would return to Fort Bragg and retire after 22 years of honorable service.

However, retirement clearly did not sit well with the Sergeant Major. He returned to Vietnam, for a few years as a member of Air America, a passenger and cargo airline that was secretly owned and operated by the Central Intelligence Agency. SGM Schmidt is one of very few soldiers who has two stars on his Combat Infantryman Badge; he was also the recipient of the Silver Star with one Oak Leaf Cluster, Bronze Star Medal with two Oak Leaf Clusters, and the Purple Heart Medal with one Oak Leaf Cluster.

It is my honor to recognize the selfless service and sacrifice of SGM Schmidt on behalf of a grateful Nation.

REMEMBERING THE LIFE OF
LEWIS FARMER REEVES, JR.

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 11, 2020

Mr. COLLINS of Georgia. Madam Speaker, I rise today to honor the remarkable life of Lewis Farmer Reeves, Jr., of Clayton, Georgia, who went to be with the Lord just last month. For 82 years, Lewis stood as a pillar of the community.

After graduating from Rabun County High School and attending the Georgia Institute of Technology, Lewis committed his life's work to his family's business, Reeves Hardware. During his 55 years serving as President, he expanded the company to additional locations in Dillard and Clayton, creating countless jobs across our community in northeast Georgia. Now, three generations of the Reeves family have followed in his legacy of carrying on the family business.

Beyond his family business, Lewis further dedicated himself to his community by serving in a number of capacities. He served on the Rabun County School Board of Education from 1966 to 1984 and continued to give back to the next generation through his involvement with Future Farmers of America and Livestock Shows teams. A lifelong member of the Clayton First United Methodist Church, founding member of the Walnut Flat's Hunting Club, and an active member of the Clayton Volunteer Fire Department, there is hardly a facet of community life where Lewis has not left a positive impact.

The loss of Lewis Reeves is a loss that will be felt by our entire community. I can tell you firsthand that his spirit of service is apparent each time I visit one of his stores, and his legacy will continue to live on through his family business. On behalf of the people of Northeast Georgia, I join his family in mourning the loss of a life well lived, and I thank Lewis for leaving this world better than he found it. May he rest in peace.

Thursday, June 11, 2020

Mr. CARSON of Indiana. Madam Speaker, today I rise to honor and recognize our friend,

Mark Anthony "Tony" Duncan who passed away on Saturday, June 6, 2020.

Tony was a lifelong public servant, engaged civic leader, and activist. He dedicated himself to service for decades, first as Center Township Deputy Trustee to my grandmother, the late Congresswoman Julia Carson, when she served as Township Trustee. He later served when he was elected as the Center Township Constable in Marion County, a position he held until his passing, where he was legendary for serving justice with compassion.

As a lifelong Democrat, Tony advocated for the Democratic Party, holding all accountable for their actions and changing the electorate of Marion County, Indiana. He served as the Treasurer for the Marion County Democratic Party and worked tirelessly to elect local Democratic candidates. His passion and knowledge of our community will not soon be forgotten.

On a personal note, Tony served as my lifelong mentor, confidant, and friend. Beginning at a young age, Tony took me under his wings, imparting political wisdom. He was part of my family, and always there if you needed him.

Today, I ask my colleagues to join me in honoring Tony Duncan, a dear friend, fellow Democrat, and public servant who will be dearly missed by me, as well as his family, friends, and community.

CELEBRATING THE 100TH
BIRTHDAY OF WILMA WILSON

HON. DAN BISHOP

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 11, 2020

Mr. BISHOP of North Carolina. Madam Speaker, I rise today to honor Mrs. Wilma H. Wilson of Charlotte, North Carolina on her 100th birthday.

Mrs. Wilson is a long time native of Charlotte, and currently resides in the South Park neighborhood. She and her husband spent their lives spreading God's word as devoted Christians. And—as all who know her can attest—she embodies what she believes and sets an example for us all.

Mrs. Wilson and her husband, Grady, were close friends of evangelist Billy Graham early in his life. The two quickly became involved in the Billy Graham Evangelistic Association (BGEA), and Grady became a top associate from its founding to his death in the late 1980s. Mrs. Wilson had extensive involvement in the BGEA television and radio broadcasting department, where she was integral in making Billy Graham's famous Crusades accessible to thousands.

Wilma's work stretched the reach of the message of Christ and helped spread the news of God's love to many for the first time. Mrs. Wilson is the last surviving member of the founding generation of the Billy Graham Evangelistic Association. Her commitment to spreading God's word has impacted millions of people in the United States and made our world a better place.

It is an honor to wish Wilma Wilson a very happy 100th birthday.
