

technologies and updated standards are urgently needed for characterizing the multi-layered plastic packaging materials used today. Most consumers are not even aware that many of these materials are not easily recycled by most local materials recovery facilities, which just exacerbates the challenges for the facilities, even as consumers are trying to do their part.

This bill alone will not solve the plastic waste crisis in this country, but it is an essential and important step. Supporting this bill is an investment in our recycling industry and a demonstration of our recommitment to American manufacturing jobs and the ingenuity so very much needed at this time in our nation's history. I urge my colleagues to support this bipartisan bill and see it signed into law.

HONORING NANCY ROSSMAN, A  
CHAMPION FOR THE MINNESOTA  
RECOVERY COMMUNITY

**HON. TOM EMMER**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mr. EMMER. Madam Speaker, I rise today to honor the career of Nancy Rossman of the Central Minnesota Mental Health Center (CMMHC). For over sixteen years, Nancy has served as the Program Director for the center's Detox Program and designated Registered Nurse for their Crisis Program.

Nancy joined CMMHC in 1972 after completing her nursing degree at the College of St. Benedict in St. Joseph. Since then, Nancy has dedicated what can only be described as a lifetime of service to CMMHC and the Detox Program, acting as a community-based case manager to patients in need.

Nancy's career spans the Detox Program's whole lifetime, and indeed, Nancy is the program's "unofficial historian." Her work has not only impacted countless patients, but also given them the greatest possible gift—a second chance at life.

I congratulate Nancy on her retirement. I have no doubt her commitment to CMMHC will be touching patients for years to come. I thank her and hope she enjoys her well-earned retirement.

IN HONOR OF ANTHONY PHILIP  
ANDREOTTI OF CANTON, MASSA-  
CHUSETTS

**HON. STEPHEN F. LYNCH**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mr. LYNCH. Madam Speaker, I rise today in honor of Anthony (Tony) Philip Andreotti, in recognition of his outstanding contributions to his hometown of Canton, Massachusetts, and to commend him for over 50 years of dedicated service to his community and our country.

The son of Angelina and Carmine Andreotti, immigrants from Naples, Italy, Tony was born on May 22, 1933, on Staten Island in New York. The family moved to Canton in 1935 where Tony attended St. John's Elementary School and graduated from Canton High

School in 1951. In 1953, Tony was drafted into the United States Army, serving in both Korea and Japan before he was honorably discharged in 1955. Upon completion of his military service, Tony attended Burdett College in Boston and earned an associate degree in accounting in 1957. Subsequently, he worked at Norfolk County Trust until 1960 and Crosby Valve from 1960 until 1983. In 1981, Tony was elected to the Board of Selectmen in Canton and also served as Town Treasurer. In addition to his elective service, Tony served on the Board of Directors at Norwood Hospital, serving as Chairman from 1996 until 1998.

Madam Speaker, Tony has made his biggest impact by advocating for veterans. He was appointed Veterans' Agent in Canton in 1999, a position he held for over 20 years. His relentless pursuit of benefits for veterans is legendary and his accomplishments are many. Tony created the Veterans' Memorial Park at Canton Corner Cemetery, consolidating veterans' monuments dispersed throughout Canton into one location. Tony also organized a Legion Walk of Honor in Canton, complete with bricks engraved with the names of the 77 Canton residents who died while serving our country during the Civil War, WWI, WWII, the Korean War, the Vietnam War, and the Iraq War. Tony also founded the Fallen Heroes Street Sign Program, a local initiative honoring the same 77 residents who made the ultimate sacrifice. Furthermore, Tony established a Funeral Honor Guard which presides at veterans' funerals throughout Massachusetts, and worked tirelessly to ensure that Canton residents who left high school early to serve in the armed forces, received their diplomas upon returning. Quite simply, Tony is perhaps the most effective and most dedicated Veterans' Agent in the Commonwealth of Massachusetts, if not the entire United States of America.

Tony has had the good fortune to have been married to Patricia for 35 years. They are the proud parents of two sons, David and James. On October 26, 2019, the Town of Canton dedicated the roadway in front of Veterans' Memorial Park to Tony, naming it Andreotti Way. Generations to come will know of Tony's contributions to the Town of Canton.

Madam Speaker, it is my distinct honor to join with Tony Andreotti's family, friends and contemporaries to thank him for his remarkable service to his town of Canton and to the United States of America.

Without a doubt, Lambrix understands what it means to be an active and loyal community member. He devotes himself to causes he believes in and has made a difference in all the lives he has touched. Lambrix has received numerous honors and accolades for his outstanding work including the Fire Chief Life Saving Award, the Perfect Attendance Award, and the Meritorious Service Award, among a host of others. Most recently, Lambrix was bestowed the John D. Dingell Medal of Freedom Memorial Commendation in 2019 for his dedicated career in public service and commitment to Dearborn.

IN RECOGNITION OF MAYOR MIKE  
WALSH'S 24 YEARS OF SERVICE

**HON. MIKE GALLAGHER**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2020*

Mr. GALLAGHER. Madam Speaker, I rise today to honor the career of Mayor Mike Walsh of De Pere, Wisconsin.

Mr. Walsh has served his community faithfully as mayor since 1996, after 14 years on the city's Park Board. A De Pere native, Mike Walsh brought valuable experience and a community-based approach with him to the mayor's office that helped him better serve the people of his hometown.

Over the course of Mike Walsh's 24-year tenure as mayor, he revitalized De Pere's infrastructure and recreational sites, drawing on his experience from the city's Park Board. One of Mr. Walsh's most notable accomplishments was the creation of the scenic De Pere Riverwalk, which led to new housing developments and increased use of the Fox River Trail. Mr. Walsh also facilitated the development of both the city's east and west sides and championed the reconstruction of the historic Claude Allouez Memorial Bridge.

As the City of De Pere's economy grew under Mayor Walsh's leadership, so did the number of people eager to move to the area. He oversaw the city's population growth from 16,000 in 1990, to 25,000 by the time he left office this April.

Mayor Walsh's devoted leadership to the City of De Pere will be remembered by a grateful community. In his retirement, he is looking forward to spending more time with his grandchildren.
