HONORING DON GREER

HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 24, 2020

Mr. GRIFFITH. Madam Speaker, I offer these remarks in honor of Donald Edward Greer of Blacksburg, Virginia, who passed away on May 28, 2020 at the age of 96. Mr. Greer was a career military pilot and a pioneer in satellite technology.

Mr. Greer was the second of Nellie and Fred Greer's seven children and was born in 1924 in Rock Island, Washington. While studying at the University of the Pacific, he met his wife Loretta Walker. They were married in the college chapel and enjoyed 64 years of marriage together until her death in 2013. He also played football during his time at the university, participating in the Raisin Bowl and playing alongside future NFL quarterback Eddie LaBaron.

As a military pilot, Mr. Greer served his country in two wars and held important responsibilities. In World War II, he flew B-29s from the Mariana Islands. In the Korean War, he completed 33 missions and more than 300 flying hours with his brother Herb in the same crew, the only set of family members that were flying combat missions together. He later flew the latest aircraft for the Strategic Air Command, piloted Air Force One for President Lyndon B. Johnson, and served as the congressional liaison for Secretary of the Air Force Eugene M. Zuckert. He retired from the Air Force as a lieutenant colonel.

In 1964, Mr. Greer became Vice President of Executive Services at Communications Satellite Corporation. In the heated days of the Space Race with the Soviet Union, he and the corporation's president, Dr. Joseph Charyk, devoted their energy to the development of geosynchronous satellites. They traveled the world and built support for the endeavor. Satellite communications would become a building block of the modern world.

Apart from his work responsibilities, Mr. Greer enjoyed hunting and fishing. He was a skilled golfer who played in many tournaments alongside Dr. Charyk. In his later years, he retired to Blacksburg and became a fan of Vir-

ginia Tech, the alma mater of his daughter Heather and four of his grandchildren.

He is survived by his daughters Heather and Rhonda and their husbands Wally and Mike, six grandchildren, three great-grandchildren, and his younger siblings Harry and Dallas. I offer my condolences to them upon the close of Don Greer's remarkable life.
