#### HAPPY BIRTHDAY, BELLA

(Mr. OLSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OLSON. Mr. Speaker, 2020 was a big year for a young lady who lives six houses from me. Her name is Isabella Johnson, Bella, to friends.

Bella had a special birthday in April. She was going to be 10 years old, but her plans for her 10th birthday changed dramatically when her school closed because of the COVID-19 pandemic crisis.

Now, her birthday may have only been with a few friends at her home—Bella is okay with that—but her mom, Juli; dad, Andy; family; and friends would not let that suffice. They would not let COVID-19 mar Bella's special day.

So around 5 o'clock on April 20, they started lining up on the street outside of my house. Then the signs came out, the horns started honking, and a parade of 30 cars crawled by Bella's house.

Bella was full of joy, as you can see. Happy, happy, happy 10th birthday, Bella. We all love you.

#### HONORING LESLIE LAMAR WILKES, JR., MD

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to remember and honor the life of Dr. Leslie Lamar Wilkes, Jr., who went to be with the Lord on April 4.

Les and I attended church together at Wesley Monumental United Methodist Church in Savannah, Georgia, and he was always a devoted member who took every opportunity he could to serve for over 40 years.

He was born and raised in Georgia and eventually received his MD degree from the Medical College of Georgia in 1965, before becoming a surgeon for the U.S. Navy.

Dr. Wilkes was an amazing person with a true passion for the medical field, being one of the first surgeons in Georgia to perform arthroscopic knee surgery and, all in all, performed about 15,000 operations.

He received numerous accolades throughout his life, including the Savannah's Best Doctor Award numerous times, and the Georgia Medical Society awarded him the Health Care Hero Award in 2010 as well as the Lifetime Achievement Award in 2012. He was active in various medical organizations as well as community service organizations, like the Savannah Rotary Club.

Dr. Wilkes embodied what it means to be a steadfast and humble servant.

He used every area of his life to help others, including his patients, community, fellow church members, friends, family, and his country.

His family, friends, and all those impacted by him will be in my thoughts and prayers during this most difficult time.

#### RECOGNIZING COLONEL BRIAN LAIDLAW

(Mr. DUNN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DUNN. Mr. Speaker, I rise today to recognize an exceptional Air Force leader for his outstanding service. Colonel Brian Laidlaw is the commander of the 325th Fighter Wing at Tyndall Air Force Base.

In 2018, as Hurricane Michael descended on us, Colonel Laidlaw accomplished the evacuation of Tyndall Air Force Base in just 22 hours. His decisive leadership saved over 11,000 airmen, their families, and over \$21 billion in Air Force assets.

After the storm, Colonel Laidlaw personally forged the "base of the future" vision for rebuilding Tyndall to the President of the United States. For his outstanding leadership, the Air Force Association awarded him the Waterman Award for the single most significant contribution to the Air Force during the past year.

Colonel Laidlaw reflects the highest standards of leadership and conduct and is a credit to the United States military. I wish him and his family the best of luck as they proceed to their next assignment.
