

domestic and overseas infrastructure requirements and posture of U.S. forces; and requires a report on bulk fuel management strategies in the Indo-Pacific to meet current and future requirements.

In partnership with the Government Accountability Office, the bill leverages their expertise to assist the subcommittee with continued oversight on topics that include F-35 operations and sustainment, Air Force use of contract air support services, and aviation and ship maintenance. The previous reports and analytical work produced by GAO helped inform the Readiness mark and I'd like to take this opportunity to thank the members of the GAO's Defense Capabilities and Management team for their support of this subcommittee's oversight work.

Next, the health and safety of our military and civilian personnel remain a priority for this subcommittee. Following a review of a number of fatal ground vehicle training mishaps, the subcommittee is concerned that the Department's approach to collecting, reporting, and analyzing vehicle mishap data may be insufficient and hampers the ability to share lessons learned or put in place mitigations to prevent future mishaps. To that end, the bill includes a reporting requirement that will help clarify responsibilities for collecting and analyzing mishap data, how data is being used to identify mishap trends, and actions the Department is taking to standardize data collection.

In addition to concerns with ground vehicle mishaps, the committee has identified critical failures and safety issues in the munitions enterprise. To start addressing these concerns, the bill requires a report on munitions safety waivers and mishaps, an assessment of the resilience of the munitions enterprise, and clarifies the role and authority of the Chairman of the Defense Explosives Safety Board.

The bill also supports the civilian workforce of the Department of Defense by addressing a pay disparity affecting the Department's wage-grade civilian workforce and including non-title 5 employees who were left out of last year's Paid Parental Leave provision.

This year's NDAA also begins a unified, whole-of-government approach that leverages the best attributes of the government and commercial fleets to increase resiliency in our maritime logistics. The bill includes several provisions, that together, establish a National Maritime Logistics Fleet approach by strengthening U.S.-flagged vessel requirements for the transportation of military cargo and fuels, creating a Tanker Security Program to address the shortfall in U.S.-flagged, U.S.-crewed tankers, and requiring the Navy to initiate an affordable, domestic built sealift ship. Strengthening our maritime logistics will also enhance our military's capabilities by improving the over-arching defense industrial base that supports each branch of our armed services.

Additionally, this year's NDAA supports the missions at Travis and Beale Air Force Bases in my district. The funds authorized in this bill will support the new KC-46 mission at Travis Air Force Base and enable Beale Air Force Base to continue to support intelligence, surveillance, and reconnaissance (ISR) and multi-domain operations.

I'm also pleased this NDAA includes a 3 percent pay raise for our troops and includes language from two of my bills, H.R. 2617, the Occupational and Environmental Transparency Health Act, to require the DOD and VA to

retroactively update records based on information contained in the Burn Pit Registry, since many veterans' health records do not account for their exposures, and H.R. 4710, the Pharmaceutical Independence Long-Term Readiness Reform Act, to require the DOD to identify the vulnerabilities faced by our country's dependence on Chinese pharmaceuticals and the steps needed to secure the supply chain.

This bill helps advance our military's near-term readiness goals and drives the Department to plan for and take action against long-term threats, and with that, I urge my colleagues to support the FY21 NDAA.

CELEBRATING MARGARET AND
SYLVESTER WALORSKI ON
THEIR 65TH WEDDING ANNIVERSARY

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 22, 2020

Mrs. WALORSKI. Madam Speaker, I rise today to recognize Margaret and Sylvester "Syl" Walorski of Englewood, Colorado, on their 65th wedding anniversary.

Margaret and Syl met at a U.S.O. dance in the summer of 1951 just before Syl left for the Korean War. Placing their love in God's hands, Margaret and Syl sent each other countless letters during Syl's deployment and could not wait to be reunited. Syl returned to the U.S. and presented Margaret with a ring and a marriage proposal as soon as he could. They were married on August 22, 1955.

To finish school and secure a bright future for his family, Syl moved with Margaret to South Bend, Indiana, where they had two children. However, having briefly stayed at a military base in Colorado after being discharged, Syl felt drawn to the state's breathtaking sites, fresh air, and freedom. So in 1958 the couple moved to Englewood, Colorado, where they continued to grow their family and build a beautiful life together. A true embodiment of the American Dream, Margaret and Syl bought their first home in 1959 and have lived there ever since.

Sixty-five years of marriage is a marvelous accomplishment that speaks volumes about their compassion and the tremendous foundation of respect, gratitude, and faith they share with one another. Stronger together, Margaret and Syl have found the more love they have for each other, the more they have to offer others. They have always been active in their church and community, and their children watched as they led their lives in service to the Lord and as shining examples of the American spirit.

Their lasting commitment not only to each other but also to their five children, 15 grandchildren, and 17 great-grandchildren is rooted in their devotion and faithfulness. Having dedicated themselves to teaching their children strong American values, like working hard and giving back to those in need, they have touched the lives of countless people in their community and across the country. I feel blessed to know such compassionate, tenacious, and whole-hearted people who make this nation and the world a better place with everything they do.

Madam Speaker, I would like to extend my sincerest congratulations to Aunt Margaret,

Uncle Syl, and their entire family. It is my hope that their love continues to grow stronger with each passing year.
