REMEMBERING TECHNICAL SERGEANT RALPH H. RAY

• Mrs. CAPITO. Mr. President, I rise to recognize Technical Sergeant Ralph H. Ray, who was a dedicated West Virginia serviceman in our U.S. Army Air Corps during World War II. T SGT Ralph H. Ray is being honored by the renaming of a bridge on U.S. Route 60 that spans the Greenbrier River in his native Greenbrier County, WV.

T SGT Ralph H. Ray graduated from Frankford High School at the age of 17 in 1940. He left his home in West Virginia to complete his enlisted physical for the U.S. Army Corps on January 7, 1943, and subsequently earned the rank of technical sergeant. He earned his airplane mechanic diploma at the Ford Factory in Michigan the spring of 1943 and then completed gunnery school in Laredo, TX.

During his service, T SGT Ralph H. Ray was assigned to a top-notch flight crew with whom he trained for 3 months. He and his crew traveled to Trinidad, Brazil, Africa, Morocco, and Wales before reaching the Tibenham Base in East England. While serving as a flight engineer during World War II, he and his crew flew 30 successful missions before returning to the United States and spending the last 10 months of his enlistment at the Air Transport Corps in Miami, FL. This dedicated and diverse military service is certainly worthy of admiration.

After his release from the U.S. Army Air Corps, T SGT Ralph H. Ray worked as an airplane mechanic for Bollinger Airport in Davis Creek, WV, and while there, he earned his civilian pilot's license. T SGT Ralph H. Ray began working as a chemical technician for Westvaco in South Charleston, WV, in 1948. He married his wife Mary Madeline Hudson on April 16, 1948, and established a beautiful and loving family with four daughters: Valerie Ann Lyons, Angela Sue Ray, Verna Ray-Breaux, and Anita Ray-Kirk.

T SGT Ralph H. Ray retired in 1984 and passed away on August 8, 2019. It is fitting that an enduring monument will be established to commemorate Technical Sergeant Ray and his contributions to our State and our country. As resolved by legislature of West Virginia, the locally known Caldwell Bridge, will henceforth be named the "U.S. Army Air Corps T SGT Ralph H. Ray Memorial Bridge." I hope it provokes thought and appreciation for all of our military heroes and may the bridge be an enduring reminder of the

life of dedicated serviceman, husband, father, and lifelong West Virginian.●

TRIBUTE TO FAITH BENCH

• Mr. RUBIO. Mr. President, today I honor Faith Bench, the Manatee County Teacher of the Year at Braden River Middle School in Bradenton, FL.

Faith has a special bond with her students who struggle with math. That is because she struggled with the subject when she was in school. She understands those who hate the subject at the beginning of the year and finds it deeply fulfilling to help grow each student's problem-solving skills by the time they leave her class with greater confidence and appreciation for the subject.

Faith's colleagues note that she works hard to make learning fun and engaging for her students each year. She is committed to tailoring her lesson plans to suit the individual needs of every student. In turn, Faith is inspired by her colleagues and believes that their work together is the key to an educator's best work.

Faith teaches mathematics to seventh grade students at Braden River Middle School. Teaching is her passion, and she wants to help her students accomplish their dreams.

I thank Faith for the good work she has done for her students over the years. I look forward to learning of her continued good work in the coming years.●
