Ms. Sloan has promoted innovation and efficiency through strategic initiatives such as document digitization, the proactive disclosure of records, and the use of modern case-processing technology. Ms. Sloan championed the Freedom of Information Act Immigration Records System, otherwise known as FIRST—the only government-used, end-to-end, automated, electronic FOIA system that allows users to submit and track FOIA requests and receive their documents digitally.

Madam Speaker, please join me in commemorating thirty-two years of public service from Ms. Terry Sloan. At the base of the Statue of Liberty, a poem written by Emma Lazarus welcomes people from all lands with the promise of the United States. "Give me your tired, your poor, / Your huddled masses yearning to breathe free, / The wretched refuse of your teeming shore," the poem reads. Thanks to the service of Ms. Terry Sloan, the millions of people who embraced those words as they made way to America will have their history preserved for future generations of scholars, authors, genealogists, and curious descendants.

DEPARTMENT OF STATE, FOREIGN  
OPERATIONS, AND RELATED  
PROGRAMS APPROPRIATIONS  
ACT, 2021

SPEECH OF

**HON. DON YOUNG**

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 23, 2020*

Mr. YOUNG. Mr. Speaker, I include in the RECORD the following exchange of correspondence between myself, House Appropriations Committee Interior, Environment, and Related Agencies Subcommittee Chair BETTY MCCOLLUM, and Ranking Member DAVID JOYCE.

CONGRESS OF THE UNITED STATES,  
HOUSE OF REPRESENTATIVES,  
Washington, DC, July 23, 2020.

Chair BETTY MCCOLLUM,  
Subcommittee on Interior, Environment, and Related Agencies, House Appropriations Committee, Washington, DC.

Ranking Member DAVE JOYCE,  
Subcommittee on Interior, Environment, and Related Agencies, House Appropriations Committee, Washington, DC.

DEAR CHAIR MCCOLLUM AND RANKING MEMBER JOYCE: I want to thank you for your work on the Fiscal Year 2021 Interior, Environment, and Related Agencies appropriations bill, particularly your inclusion of language that transitions the 105(l) Lease Program to an indefinite appropriation for such sums that are necessary. Funding the 105(l) Lease Program in this manner will uphold the federal government's trust responsibility to Alaska Natives and American Indians and support village clinics in Alaska that rely greatly on the program.

I write today about a provision in the bill that would limit the federal compensation for leases under the program to portions of tribal facilities that are "necessary for the operation of the Federal programs under the lease." Many tribal clinics and hospitals in Alaska provide health care services to non-Natives in addition to Native beneficiaries. This is a vital service because often the tribal clinic is the only health care provider in

a village, and most villages are not connected to the road system. By providing service to non-Natives, these clinics are improving the health outcomes for Natives both by preventing the spread of COVID-19 and other illnesses and by affording the clinics a broader financial base.

I am concerned that the limiting provision could potentially negatively impact the operation of 105(l) leases in my state. I also note that there is pending litigation regarding this topic.

Given our strong working relationship, I respectfully request your help in addressing this issue in final Fiscal Year 2021 appropriations legislation.

Sincerely,

DON YOUNG,  
Congressman for all Alaska.

JULY 23, 2020.

Hon. DON YOUNG,  
Washington, DC.

DEAR CONGRESSMAN YOUNG: Thank you for your letter regarding Tribal leases in Section 433 of the State, Foreign Operations, Agriculture, Rural Development, Interior, Environment, Military Construction, and Veterans Affairs Appropriations Act, 2021 (H.R. 7608). Like you, we remain steadfast in our commitment to supporting Tribes' right to enter into facility lease agreements pursuant to section 105(l) of the Indian Self-Determination and Education Assistance Act, as amended (P.L. 93-638). We appreciate you bringing this issue to our attention, and we would be happy to continue discussions with you on this provision as the bill moves through the process to enactment.

Sincerely,

BETTY MCCOLLUM,  
Chair, Subcommittee  
on Interior, Environment,  
and Related  
Agencies.

DAVID P. JOYCE,  
Ranking Member, Subcommittee on Interior, Environment, and Related Agencies.

HONORING LARRY HYDE

**HON. MIKE THOMPSON**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, July 27, 2020*

Mr. THOMPSON of California. Madam Speaker, I rise today to recognize the accomplishments of Larry Hyde, the 2020 Napa Valley Grower of the Year.

After attending the University of California at Berkeley for political science and the University of California at Davis for chemistry, Mr. Hyde began his career in the wine community as a vineyard crew supervisor at Ridge Vineyard. Over the next decade, he worked for several prestigious vineyards, including Gallo, Cuvaision, Stag's Leap, Robert Mondavi, and Joseph Phelps Vineyards. In 1979, he established Hyde Vineyards in Napa. Originally 72 acres, Hyde Vineyards has grown to nearly 200 acres and produces more than 15 vineyard designated wines.

Mr. Hyde's contributions to the wine community extends beyond the confines of his vineyard. His leadership within the industry is exemplary, having served as a director of the Napa County Farm Bureau, a founding director of the Carneros Quality Alliance, and a

board member of the Napa Valley Grap growers. He has also worked with the County of Napa to implement plans to eradicate invasive pests that threaten vineyards across the region.

Perhaps the best testament to Mr. Hyde's dedication to his fellow viticulturists is his extensive work with the University of California at Davis' Foundation Plant Services. For years, he has helped the FPS map plant material from historic California vineyards and gather plant material from his own vineyard to be classified. Because of his efforts, more than 45 different clones of grapes have been preserved by FPS, many of which would have been lost without him.

Madam Speaker, Mr. Hyde is a community member we should all strive to be. His passion for viticulture and dedication to his fellow viticulturalists makes him deserving of the title of Napa Valley Grower of the Year. It is therefore fitting and proper that we honor Larry Hyde here today.
