REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 3010

Mr. BERGMAN. Madam Speaker, I ask unanimous consent that my name be removed as a cosponsor of H.R. 3010.

The SPEAKER pro tempore (Ms. WILD). Is there objection to the request of the gentleman from Michigan?

There was no objection.

PROVIDE CITIES FINANCIAL SUPPORT

(Mr. CISNEROS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CISNEROS. Madam Speaker, I rise today in support of our local cities in the 39th Congressional District and across America. Our cities continue to combat the coronavirus and provide central services, but they are losing revenue fast.

Citizens in my district sent a letter urging support, and since the beginning of this pandemic, I have been advocat-

ing on their behalf. Without Congress stepping up, public safety will be on the chopping block.

While my Republican colleagues and the White House want to speak out against defunding the police, their lack of support for our towns and cities means they are not only defunding the police but also the fire department and other public safety services.

This last-minute Senate Republican COVID relief bill does just that and puts the safety of the American people at risk. It also ties school funding to reopening and puts big corporations over frontline workers.

I renew my call to all of my colleagues and to the White House to not put our cities in a situation where they have to lay off first responders and cut community programs.

Let's provide our cities with the financial support they need.

CHINESE ESPIONAGE IN ACADEMIA

(Mr. MURPHY of North Carolina asked and was given permission to address the House for 1 minute.)

Mr. MURPHY of North Carolina. Madam Speaker, whether we like it or not, every day the Communist Government of China seeks the downfall of our great Nation. Since 2000, there have been well over 100 documented cases of Chinese espionage in the United States.

Many of these have come from the infiltration of American academic institutions. This past year, even the chairman of the Department of Chemistry at Harvard University was charged with academic espionage.

This is a national crisis and why I introduced the INFLUENCE Act today.

Existing law requires institutions of higher learning to report any gift or contract from a foreign source valued at \$250,000 or more. That is simply too high a threshold. My bill lowers this threshold to \$50,000 so we can have a better idea of who is influencing American higher education.

We cannot be naive to the fact that China desires this Nation's downfall, and their infiltration of American higher education is a clear and present danger to this great Nation's security. I hope my colleagues will bolster our national security by supporting the INFLUENCE Act.

CHILDCARE

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, I rise for the thousands and millions of childcare workers—essential workers—and their families and the children in support of legislation that provides \$50 billion to reaffirm childcare essential workers and, as well, to provide relief to desperate parents.

COVID-19 has taken an enormous toll on our community. It has taken a toll

because people have not worn masks, there have not been stay-at-home orders, and Houston and Harris County are suffering. This legislation will be a lifeline.

In addition, I fight for and advocate for the moneys for our States and local communities. We cannot suffer a Republican bill. We must have \$600 for our unemployment extension or addition, and, as well, it is imperative that we have testing money. The way you stop COVID-19 is testing, testing, testing, social distancing, wearing a mask, and giving authority to local jurisdictions to be able to issue stay-at-home orders.

This is a pandemic and a crisis. When is the Nation going to stand up to an administration that refuses to understand that?

We in the Congress, this majority in the United States House of Representatives, will fight against eliminating \$600, not getting the money for our States and local governments, and not getting testing money.

RECOGNIZING CHRIS MARTIN IV

(Ms. WILD asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. WILD. Mr. Speaker, as he prepares to retire as CEO after four decades, I rise to recognize a constituent of mine, Chris Martin, for his leadership of Martin Guitars, an exceptional business in Nazareth, Pennsylvania, that has been a source of pride in my community for generations.

For almost 200 years, C.F. Martin & Company has produced acoustic guitars widely recognized as the finest in the world. The product of an unparalleled legacy of craftsmanship, Martin Guitars have been proudly used by legendary musicians across our country and the world: Bob Dylan and Eric Clapton, Paul McCartney and Joan Baez, Willie Nelson and Kurt Cobain, to name only a few.

I want to express my gratitude to Chris and the Martin Guitars team for their continued dedication to contributing to a made-in-the-USA economy based on excellence; for their commitment to maintaining and expanding music education in our classrooms; and for their determination to advance social, economic, environmental, and racial justice.

I congratulate Chris on all he has achieved. As he looks forward to a new chapter, I wish him the very best.

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO LEBANON—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 116-141)

The SPEAKER pro tempore (Mr. CISNEROS) laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:
