

Terry took his heart for serving others outside of his work as a pharmacist, as well. He was an avid supporter of the Habersham YMCA where he volunteered as a lifeguard and was active in the Leadership Club.

One of his greatest passions was scuba diving, and he went to some of the most incredible diving locations.

I always loved hearing about his trips and discoveries.

Terry was a true Georgia Bulldog fan throughout the years, and I was glad to have him by my side to cheer on the Dawgs together.

He was also a member of the Georgia Pharmacy Association, and was a true leader in the pharmacy field.

His lovely wife, Susan, two amazing children, Alexander and Addison, are especially in my thoughts and prayers during this time as they grieve the loss of such a wonderful man.

#### IN MEMORY OF PAUL McEACHERN

### HON. CHRIS PAPPAS

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 21, 2020*

Mr. PAPPAS. Madam Speaker, I rise today to honor Paul McEachern, a Navy veteran, lawyer, and public servant who passed away this week at 82. A lifelong resident of Portsmouth, Paul will be remembered as a pillar of his community and a tireless fighter for social and economic justice.

Paul served in the Navy from 1956 to 1960 before returning home to attend college at the University of New Hampshire. He then attended law school and went on to practice law for over fifty years, litigating numerous pivotal public access cases. Paul was a founding member of the New Hampshire Young Democrats, an organization that has become instrumental in training and electing young, progressive Granite Staters. A dedicated public servant, Paul served as a five term New Hampshire State Representative, Portsmouth City Councilor, legal counselor to Governor Hugh Gallen, and a two-time Democratic gubernatorial nominee. As a leader, Paul never sacrificed his integrity and exemplified the best of what our public officials should strive to be.

Paul was engaged across the full spectrum of public life, serving as President of the New Hampshire Bar Association, Chair of the New Hampshire Bar Foundation, Chair of the Portsmouth Library Board of Trustees, Trustee of the Trust Funds of the City of Portsmouth, and member of the Board of Directors of the USS *Albacore* Museum. He demonstrated an outstanding commitment to his community and is remembered for his courage, conviction, and integrity.

On behalf of all my constituents in New Hampshire's First Congressional District, I share my gratitude for Paul's decades of devoted public service and offer my condolences to Paul's wife Shaun and their five children. May Paul McEachern's memory be a blessing.

#### CONGRATULATING TROY BLAND

### HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 21, 2020*

Mr. CARTER of Georgia. Madam Speaker, I rise today to recognize and congratulate Troy Bland with Bland Farms, LLC for being appointed to the USDA Fruit and Vegetable Industry Advisory Committee. He and 12 others join 12 other members who were re-appointed.

The Fruit and Vegetable Industry Advisory Committee advises the secretary of agriculture on issues that affect the industry.

Headquartered in Glennville, Georgia, Bland Farms is the largest grower, packer, and shipper of sweet onions in the United States. They represent roughly one quarter of the entire Vidalia sweet onion volume and have the largest controlled-environment storage capacity in the industry. Additionally, Bland Farms was the first company in the industry to market sweet onions year-round.

Troy grew up working the farm with both his father and grandfather and he knew from a very young age that his dream, like his father's, was to carry on the family business. He now serves as Chief Operating Officer, and works alongside his brother, Landis.

His hard work, dedication, and commitment has allowed the family business to thrive. Congratulations, again. I wish Troy the best in his new position.

#### HONORING THE LIFE OF WILLIAM HAROLD "SONNY" FLOWERS, JR.

### HON. JOE NEGUSE

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 21, 2020*

Mr. NEGUSE. Madam Speaker, last month, Colorado lost one of its most brilliant legal minds, a mentor treasured by generations of lawyers and Coloradans, Mr. William Harold "Sonny" Flowers, Jr.

Sonny was raised in Boulder, Colorado by his mother Ruth and father William Harold, Sr. Since his days as a university student in the 1960's, Sonny was a fierce, vocal advocate for social justice and racial equality. This was a commitment he kept throughout his life by traveling our state to recruit students of color, helping to establish CU Boulder's Black Alumni Association, and creating an endowed scholarship for students of color at both Colorado Law and the University of Denver.

Sonny is remembered not only for his intelligence and commitment to justice, but also his great kindness, radiant laughter, and the kinship he formed with those great many people he encouraged and guided throughout his lifetime. I count myself so lucky to have been among the countless individuals that Sonny supported, and can say with certainty that I would not be where I am today without both the great many paths he forged on my behalf and his caring, devoted mentorship.

Sonny's legacy will be felt by those throughout the Boulder community and the whole of Colorado. I share my deepest condolences with Sonny's wife Pam, his entire family, and all those whom he impacted throughout his lifetime.

Let us remember Sonny by one of the last messages he sent to a friend: "With enough voices, mountains may indeed be moved!"

Sonny certainly moved mountains for each of us, and it is in his honor that we continue to champion the justice and equality for which he dedicated so much.

#### REMEMBERING M.L. COFFER

### HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 21, 2020*

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor Martin L. "M.L." Coffey, who passed away on June 23 at the age of 83.

M.L. was a lifelong resident of Fleming who loved the Lord, his family, and farming with his whole heart. He was a faithful member of Mt. Olivet United Methodist Church, and held several positions. M.L. always served others with such kindness and sincerity everywhere he went.

He met his lovely wife, Beverly Black, in Clarkesville when he attended the North Georgia Trade and Vocational School in Clarkesville on a baseball and basketball scholarship. M.L. worked at Savannah Electric and Power Company for 15 years and retired from Coastal Utilities after 33 years of service.

He was the first President and charter member of the Liberty Coastal Lions Club, First Citizens Bank Board of Directors, Soil and Water Conservation Board, Resource Conservation and Development Board, and Liberty Hunting Club.

M.L. was also Chairman of the Liberty County Commissioners for 16 years and Secretary and Treasury of the Coastal EMC Board of Directors. He owned BevMar Logging and BevMar farms, as well.

He was a fearless leader and a cowboy at heart. He will be greatly missed, but his legacy will live on for countless years to come.

My thoughts and prayers are with his family and friends during this most difficult time.

#### RECOGNIZING DARNELL "DEEJAY" JOHNSON AS CONSTITUENT OF THE MONTH

### HON. MIKE LEVIN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 21, 2020*

Mr. LEVIN of California. Madam Speaker, it is my honor to recognize Darnell "DeeJay" Johnson, a community leader, racial justice activist and local high school football coach, as the Constituent of the Month for August. At a time when our country is reeling from racial injustice and seeking to address police brutality, Mr. Johnson and his team marched side by side to speak out against racial injustice.

This past June, DeeJay organized a Black Lives Matter protest for marchers to walk in support of the movement in North County San Diego. During the protest, marchers raised concerns to DeeJay of a young white male in military-style gear carrying a knife and acting uneasy while walking with the group. DeeJay carefully approached the young man, and after

a few minutes of defusing the situation, the 16-year-old handed over the knife from his pocket.

We are seeing millions of Americans all over the nation demanding accountability and comprehensive reform to a system that has allowed police brutality and injustice against people of color for generations. Amidst the united uprising across the country, peaceful protesters voices are being drowned out by those seeking to dismantle the movement with unrest and violence. DeeJay's mission is to not only inspire young people to get involved in change, but to emphasize using their voices and actions peacefully.

With these goals in mind, the scenario that occurred with the young man was a lesson for many involved. The defused scene created a learning opportunity to display how we can all work cohesively together, and most importantly, to work towards a better and more just future for all Americans.

I launched a Constituent of the Month program to recognize individuals who have gone above and beyond to make our region and our country a stronger place for everyone to live and thrive. As our nation and community works toward long overdue racial change and healing, voices like DeeJay's must be lifted and heard. I am honored to recognize Mr. Johnson as my Constituent of the Month, and I thank him for being a prominent role model in amplifying racial justice in our community during a critical time of change for America.

REMEMBERING AND HONORING  
EMMA MOREL ADLER

**HON. EARL L. "BUDDY" CARTER**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 21, 2020*

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor Emma Morel Adler, who passed away on July 12 at the age of 90.

Emma was a native Savannahian and attended the Pape School, where she established a firm foundation in the Arts and Humanities as well as developing many life-long friendships. She later attended Bryn Mawr College in Pennsylvania, where she received a BA in French in 1952.

After returning back to Savannah, Emma was a reporter at the Savannah Morning News. She married her beloved husband, Lee, who was also a native Savannahian, in 1953 and they had two children.

Lee and Emma were married for more than 50 years before Lee passed away in 2012. Emma loved her family with all of her heart, and was a faithful mother and wife. She also loved her city of Savannah, and was devoted to advocating for it and its preservation. Emma was a volunteer for numerous boards, including The Junior League of Savannah, the Savannah-Chatham County Board of Public Education, the Georgia Humanities Council, the National Federation of Humanities Council, Historic Savannah Foundation, the Telfair Museum, and the Ossabaw Island Foundation.

She was also a member of the Georgia Historical Society and The National Trust for Historic Preservation. Emma was a natural born leader, and she served as President of the Friends of Massie Committee, Savannah's oldest public school.

Her love for history, art, music, and her family made Savannah better. I am immensely grateful for all the work she did to preserve Savannah's beautiful history. She will be deeply missed.

IN RECOGNITION OF THE INTERNATIONAL ASSOCIATION OF DRILLING CONTRACTORS

**HON. HENRY CUELLAR**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 21, 2020*

Mr. CUELLAR. Madam Speaker, I rise today to commend the International Association of Drilling Contractors on its 80th anniversary as a trade association.

In 1940, the International Association of Drilling Contractors, commonly known as IADC, was formed to address the need for a collective voice advocating for the interests of the oil and natural gas contract drilling industry. Since then, IADC has been the world's leader in developing drilling safety protocol and standard operating procedures.

Over the past 80 years, IADC has been instrumental in shaping the upstream oil and gas industry. In 1947, IADC began sponsoring industry training for college students, and by 1962 had developed the Incidents Statistics Program (ISP), an industry-leading safety incident reporting program that is still in operation today. In 1968, IADC led the publication of the Accident Prevention Manual and standardized the color-coding of oilfield servicing equipment. In 1983, IADC held the first joint Society of Petroleum Engineers/IADC Drilling Technology Conference, which persists today as an annual event, and in 1994 introduced the RigPass program to help service companies assure their field personnel are properly grounded in the basics of rig operations and safety. IADC also introduced the industry's Competence Assurance Accreditation (CAA) program, circa 2004, which assures field personnel possess the necessary knowledge, skills and abilities required to function safely in the oilfield. These are just a few examples of the initiatives IADC has undertaken to make the oil field a safe and prosperous place to operate.

Today, IADC continues to exemplify the ideal model of leadership and remains committed to teaching the core values of safety, environmental stewardship, and continuous improvement of technology to generation after generation of America's energy workforce. Over the years, IADC has maintained 1,000 plus members worldwide, seventeen regional chapters, seven student chapters, and has accredited the training of nearly 2 million persons employed in the oil and gas industry, the vast majority of which have been hardworking Texans. Headquartered in Houston, IADC itself is part of Texas' vibrant energy sector. With nearly 300 members companies in-state, IADC plays a critical role in the production of Texas' 3.6 million barrels of oil per day.

Additionally, IADC's compendium of industry-leading reference media and periodical resources informs more than 1.5 million industry stakeholders each year and the global distribution of these materials has been crucial to informing national authorities charged with developing vital compliance initiatives for oil and gas industry activities worldwide.

I would like to extend my gratitude to the International Association of Drilling Contractors for eighty years of unwavering competence, professionalism, and commitment in support of the transformational drilling industry that sustains the energy intensive demands of our modern society.

Madam Speaker, again I recognize the 80th anniversary of the International Association of Drilling Contractors.

REMEMBERING AND HONORING  
BRUCE LAMBERT BROADRICK

**HON. EARL L. "BUDDY" CARTER**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 21, 2020*

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor Bruce Lambert Broadrick, who passed away on July 15 at the age of 68. Besides his years at the beloved University of Georgia, Bruce spent his entire life serving Dalton, Georgia.

He was a pharmacist and State Representative whose passion was making lives around him better. Bruce owned his late father's pharmacy, Frank's Pharmacy, for 35 years until the pharmacy's closing in 2009.

He took his leadership skills to new heights when he served as President of Georgia Pharmacy Association from 1995 to 1997. He also served as Vice-chair of the Whitfield County Board of Health.

I had the honor of working alongside him for a few years when he served as a Georgia State Representative. Although pharmacy was his core focus, he loved his family more than anything. He was affectionately known as "Papa Bruce" to his 7 grandchildren, and was a dedicated father and husband, as well.

As a pharmacist myself, I can attest to Bruce's heartfelt dedication to his work as a pharmacist. He truly cared about the profession, and served every patient with the best of his abilities. Bruce will be deeply missed. My thoughts and prayers go out to his friends, family, and patients during this most difficult time.

RECOGNIZING MELISSA DAVISON

**HON. LOIS FRANKEL**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Friday, August 21, 2020*

Ms. FRANKEL. Madam Speaker, I rise today to recognize Melissa Davison, a local hero from Florida's 21st Congressional District who has gone above and beyond as a healthcare worker both before and during the COVID-19 pandemic.

Melissa began her nursing career nearly 35 years ago at Humana Hospital, which would later become JFK Medical Center. After temporarily leaving to get her master's degree, Melissa came back to JFK in 2006 as their Infection Prevention Coordinator. Since being in this role, Melissa has overseen JFK's entire infection control programming through H1N1, Ebola, and now COVID-19. From March through May, Melissa worked for two months straight, including nights and weekends, making sure hospital policies and procedures followed the most up-to-date regulations per
