SERVICE OF WILLIAM JOHN
BETTERS

HON. THEODORE E. DEUTCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. DEUTCH. Madam Speaker, today I rise to honor the late William John Betters for his distinguished service to our country and his community.

Born on December 1, 1924, William is a World War II veteran, having served in the U.S. Air Force from 1942–1945. Like many of his fellow Americans at the time, William was proud to enlist at the young age of 17. During his service he was awarded the World War II Victory Medal, the American Campaign Medal, the European African Middle Eastern Campaign Medal and the Purple Heart.

After returning from serving his country, William created a business as self-employed plumber and contractor, building housing in his hometown. He also devoted his life to family, marrying Eleanor Kurkoski in 1946, having 3 children, 3 grandchildren, and two great-grandchildren. One of his granddaughters has followed in his footsteps and is serving our country as a member of the Pennsylvania National Guard.

Madam Speaker, I ask my colleagues to join me in recognizing the life and service of William John Betters.

CONGRATULATING BECKY SHEA

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to honor Ms. Becky Shea, who recently retired from the Effingham County Chamber of Commerce.

Ms. Shea worked with the Chamber for over 7 years and served as the Office Manager and Membership Director.

Although she was set to retire from the chamber last year, she decided to stay to help with the transition to the newest Chamber leader, who is now Andrew Cripps. Thanks to Becky's efforts to maintain the productivity and organization of the office as a whole, the Chamber was able to adapt to the leadership change and address the challenges from COVID-19 effectively.

Throughout Ms. Shea's service to the Effingham Chamber of Commerce, she delivered exceptional results for all who worked with her. Becky approached every day with a can-do attitude and always went above and beyond to help make Effingham live up to its full potential.

Her dedicated leadership set a positive example for all, and she will be greatly missed by the Effingham Chamber of Commerce.

HONORING KEN THOMAS

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Ms. NORTON. Madam Speaker, I rise to recognize the outstanding achievements of Ken Thomas, a career Legislative Attorney with the American Law Division of the Congressional Research Service (CRS), who retired from CRS on August 28, 2020, after 36 years of distinguished government service. In his 33 years with CRS, Ken became the leading expert on constitutional law, and he made invaluable contributions to the work of Congress with his substantive knowledge in various legal areas. He advised Congress on statehood and other political status changes for the District of Columbia and Puerto Rico, federalism, individual and civil rights, criminal law and procedure, the federal judiciary and education law.

Over the years, House and Senate committees called on Ken to testify at hearings and share with them his expertise and non-partisan analysis of important issues. Last year, for example, the House Committee on Oversight and Reform invited Ken to testify at a hearing on the Washington, D.C. Admission Act (H.R. 51). During the course of this high-profile and contentious hearing, Ken answered numerous questions from Members about the constitutionality of granting statehood to the District of Columbia, key to passage of H.R. 51 by the House in June.

My staff and I, in particular, relied on Ken for his analysis of legal issues involving the uniquely complicated relationship between the federal government and the District of Columbia, ranging from constitutional law to the District of Columbia Home Rule Act to appropriations law. Ken always provided prompt, well-reasoned and well-researched legal analysis.

The following is a recommendation for one of the 28 CRS awards that Ken received:

During his tenure in the American Law Division, Ken Thomas demonstrated a level of energy and dedication to the mission of serving Congress that has been extraordinary. He has willingly and without hesitation undertaken challenging and difficult assignments from the Congress. He has been a prolific writer and has provided comprehensive and in-depth legal research and analysis in a number of legal areas He is always available for and capable of tackling new issues, especially those that pose complex constitutional questions. He regularly demonstrates a high degree of intellectual curiosity, a trait that inspires him to "go the extra mile" for his congressional clients.

During his career with CRS, Ken prepared over 200 written products for Congress, many of which have been cited in the CONGRESSIONAL RECORD, committee reports and congressional hearings. Academic law reviews and national publications, such as The Washington Post, The Wall Street Journal and The National Journal, have also cited his work. Ken has also delivered many keynote Con-

tinuing Legal Education lectures sponsored by CRS to positive reviews.

From 1996 through 2013, Ken was one of the key contributors to the Senate document "The Constitution of the United States of America: Analysis and Interpretation" (Constitution Annotated), serving as the Editor-in-Chief of the 2012 Centennial version of that volume, and he was the prime architect of the Constitution Annotated website. A public version of that website, constitution.congress.gov, was launched on Constitution Day 2019, and in the last 10 months, has had over 500,000 visits and one million page views.

Ken received a B.A. in philosophy from Colby College in 1980 and a J.D. from The George Washington University in 1983. He worked at the U.S. Department of Education and as a clerk to Judge Bruce Mencer of the D.C. Superior Court before joining CRS. Ken has provided exemplary service to Congress throughout his distinguished career at CRS. I believe that all in Congress who have benefited from his expertise and counsel join me in wishing him the very best in the years to come.

REMEMBERING RONNIE KOLE

HON. JOE WILSON

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. WILSON of South Carolina. Madam Speaker, I would like to take the time to remember Ronnie Kole for his contribution to the musical community and his charitable work. I include in the RECORD the following article "Ronnie Kole, renowned New Orleans pianist who performed for 6 presidents and a pope, dead at 89" by Dominic Massa on August 28th from the The New Orleans Advocate:

Ronnie Kole, the renowned New Orleans pianist who performed for six presidents, a pope and audiences around the world, died Thursday. He was 89.

Kole, a consummate entertainer known for his boundless energy, had been in declining health but stopped performing only recently, according to his son. Kole's wife of 36 years, Gardner, died this past January.

Kole's career spanned nearly 70 years and took him to Carnegie Hall, concert venues and music clubs across the United States, Europe and Asia. He recorded dozens of albums and was a frequent performer in New Orleans, where he settled in the 1960s before moving to Slidell some 30 years ago.

Kole—who was tall, lanky, goateed and always immaculately dressed—entertained six U.S. presidents during his career. In 1987, he performed "Amazing Grace" for Pope John Paul II during the Holy Father's visit to New Orleans. Kole performed at the outdoor Mass celebrated by the pope near the UNO Lakefront Arena. Accompanied by a symphony orchestra and a 350-voice choir, Kole called the performance "the way I've always envisioned doing 'Amazing Grace,'" mixing the hymn with bits of "Jesus Christ Superstar" and the "Hallelujah Chorus."

The song was a hallmark of most every Ronnie Kole concert. His set lists showcased a diverse range of musical genres from modern and traditional jazz to show tunes, clas-

sical music and everything in between. A typical show might feature "Rhapsody in Blue," "Somewhere Over the Rainbow," "What a Wonderful World," selections from Mozart or Beethoven, "Ave Maria" and a souped-up version of "When the Saints Go Marching In," just to name a few. In between songs at his concerts, he would frequently entertain his audience with jokes, anecdotes, self-deprecating asides and musical history lessons.

"My feeling is, anything your mind can think of, you can put down on a piano," he said in a 2004 Times-Picayune profile. "To me, a piano is an orchestra. It's a very imaginative instrument that you can do most anything on, which I try to do. I try not to have limitations. I have a lot of fun with it. I love to entertain."

According to Times-Picayune music writer Keith Spera, Kole was renowned for his showstopping, all-request Broadway medley, which concluded with him playing the main melodic theme with his left hand and a succession of requested melodies with his right—simultaneously.

Kole was a founder of French Quarter Festival, performing at the first event in 1984 and every festival since. He was scheduled to perform at this year's French Quarter Fest, as well as at the New Orleans Jazz and Heritage Festival, both of which were canceled because of the coronavirus pandemic. Kole had performed at nearly every New Orleans Jazz and Heritage Festival since its inception in 1970 and played at the modern event's precursor, the 1968 New Orleans Jazz Festival.

Born Ronald Kuhn, Kole was a native of Chicago. He suffered from a heart condition as a child, which limited his outdoor activities. "When I was feeling good, I wanted to go outside and play ball, but when I was sick I was sometimes laid up for a month and a half, two months in bed," he said in a 2012 WWNO-FM interview. "My aunt played piano by ear and she had a big old upright piano. She showed me how to play 'Chopsticks' . . . and my mother and father said, 'Maybe we should get him a piano. That would keep him from wanting to go outside to play baseball.'"

Kole recalled first tickling the ivories around the age of 13 and considered himself largely self-taught. He went on the road in the Midwest to perform when he was just 16.

Kole first came to New Orleans in 1957 to audition as part of a jazz trio. He didn't get the job but he fell in love with the city.

While back in Chicago, he crossed paths with New Orleans music great Al Hirt. Although Kole had already toured the country and made somewhat of a name for himself as a young jazzman, he was uncertain of his career path. Hirt, a nationally known jazz trumpeter, encouraged Kole's career and gave it a major jump start by asking him to bring his ensemble to New Orleans in 1964 to serve as the house band for Hirt's Bourbon Street club.

"I guess I owe everything to Al for bringing me down," Kole said in 1987. "And also for kicking me in the fanny a year or so prior to that, when I had totally given up and decided to play solo in a restaurant piano bar thing."

Kole worked at Hirt's club for several years before opening his own club, Kole's Korner, where he performed for six years.

"Man, I'm treated like a hometown boy here," Kole said of the city in a 1967 Times-Picayune profile. "The people are wonderful—even the club operators on Bourbon Street—there's none of the cutthroat competition here that I've found elsewhere. To us, New Orleans is the ideal place."

Before coming to New Orleans, Kole, who performed solo but also with a trio or septet, frequently played Las Vegas and on national

television, with appearances on “The Tonight Show with Johnny Carson,” “The Mike Douglas Show” and “The Merv Griffin Show.”

A dedicated civic booster, Kole served as president and chairman of the Sugar Bowl, chairman of the Louisiana Tourist Commission and president of the World Trade Center. He was also one of the investors in the New Orleans Buccaneers, the short-lived 1960s team affiliated with the American Basketball Association, which later merged with the NBA.

Kole was also known for his philanthropy. For nearly 30 years, the Jazz on the Bayou fundraiser, held at the Koles’ home on the banks of Bayou Liberty in Slidell, raised almost \$2 million for local charities. Beneficiaries included Easter Seals Louisiana, STARC, Safe Harbor, the Tammany Trace Foundation and other local charities. For many years, Kole also hosted the annual Easter Seals telethon on local television.

He was a gourmet and wine connoisseur whose personal cellar once contained more than 3,000 bottles of vintage wines. His love for French wines and vineyards began with his 1984 honeymoon in France, where he and his wife Gardner would return every summer.

Kole wrote several songs based on the vineyards and wines of France. He compiled them into a series of CDs, called “Music of the Vines.” The work earned him the honor of Chevalier of Arts and Letters, the highest award presented by the French government for achievement in the arts. “Music opens the door to anything in the world,” he once said, “and wine does, too.”

A life-size statue of Kole, donning a tuxedo and holding a glass of wine, is included in the New Orleans Musical Legends Park on Bourbon Street, alongside fellow icons Pete Fountain, Fats Domino, Chris Owens, Irma Thomas, Allen Toussaint, Louis Prima and Hirt.

Last year, the City of Slidell officially named its Heritage Park Amphitheater Stage “The Ronnie and Gardner Kole Stage” in recognition of the couple’s cultural contributions to the city.

Kole was inducted into the Louisiana Music Hall of Fame in 2012.

In addition to the loss of his second wife, Gardner Morrow Schneider Kole, the musician also lost a son, James F. Kuhn. His first wife, Violet Shafer Kole, is also deceased.

Survivors include five children, Sandra Kole Bernos, of Poplarville, Mississippi; Rhonda Kole Glassmeyer, of Slidell; Ronnie Kole Jr., of Lafayette; Bobbi Kole Ballero, of New Orleans; and James V. Kuhn, of Decatur, Illinois; three stepchildren, Pete Schneider, Chris Schneider and Doree Schneider Donovan, all of Slidell; as well as 12 grandchildren and 13 great-grandchildren.

RECOGNIZING THE LIFE OF PAMELA HALL

HON. TRENT KELLY

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. KELLY of Mississippi. Madam Speaker, I rise today to celebrate the life of Pamela Gayle Cooper Hall, who passed away on August 1 after a courageous eight-year battle with cancer.

Pamela's life began on December 9, 1951; however, some may say, her cancer diagnosis was truly the start of her journey. A devoted Christian and member of Salem Baptist Church, Pam viewed her diagnosis as an invitation—an invitation to share her journey and lead by example. She spent her years in treatment, encouraging others who were in similar circumstances, making friends throughout the country in the process. Her passion and devotion to Christ made her a confidante and leader to many, as she always saw the goodness in others.

Pam was also a leader in the professional world, as she had a reputation for diligence and thoroughness, earning her a business management position as well as the position of Director of Finance at JME, Inc. for 25 years. Outside of her professional life, Pam also taught children's Sunday School and treasured her women's Sunday School Class.

Pam's colleagues became her family, and her diagnosis allowed her to inspire so many others. Her life was one of service, grace, and love for her family and community, and she will be greatly missed by all whom she encountered.

Left to cherish her memory is her husband Larry Murrah Hall; daughter, Amy Hall Jones; son, Justin Lee Hall; her grandchildren, as well as many other friends and extended family members.

IN HONOR OF THE MEMORY OF HAROLD LETINSKI

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mrs. DINGELL. Madam Speaker, I rise today to celebrate the life of Harold Letinski. Mr. Letinski will forever be remembered for his unwavering dedication to the Downriver community, and he will be deeply missed.

Over the course of 101 years, Harold Letinski watched the United States transform and witnessed the great challenges, hardships, and victories our nation endured. A Downriver native, Mr. Letinski grew up in the Delray neighborhood of Detroit. As a child in the Great Depression, he rose at 5 a.m. each morning to deliver papers and knocked coal off train cars to ensure families in his neighborhood could stay warm. After graduating from Southwestern High School in Detroit, Mr. Letinski dutifully served his country with the Coast Guard during World War II.

After the war, Harold Letinski returned to Michigan and committed himself to bettering his local community. Throughout his 20s, Mr. Letinski lived in Dearborn with his parents, but later moved to Allen Park after marrying his wife, Josephine, and started a family. He became the patriarch of two children, seven grandchildren, thirteen great-grandchildren, and one great-great-grandchild. He worked for over three decades at the Ford Rouge Plant in the hot strip mill and was a founding member of the Father Saylor Knights of Columbus in Allen Park. He was a generous volunteer, and encouraged all to live a life of faith, kindness, and compassion. Among his friends and community, Mr. Letinski was known as a devoted family man who was gentle, kind, and loving. He rarely was upset, and always had a kind word to offer to others. Mr. Letinski's passing is a loss to our entire community, but his warm legacy will forever endure. He and his generation's contribution to progress will always be remembered, and his strength, faith, and perseverance through turbulent times provides a lasting example of what can be achieved when we all work together.

Madam Speaker, I ask my colleagues to join me in honoring the life and legacy of Harold Letinski. We will forever remember his remarkable life, work, and community impact. May he rest in eternal peace.

HONORING ROYCE CARTER

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to honor my dear friend, Royce E.

Carter. Throughout his adult life, Royce has been a dedicated leader in his community. He has been a passionate and devoted Pierce County resident and played an instrumental role in the implementation of a roundabout that was recently approved by the Pierce County Board of Commissioners.

This roundabout is part of a realignment of County Farm Road to make way for the new Pierce County High School, and Royce was responsible for the oversight of the project from start to finish.

Because of his immense dedication not just to this project, but every project he has spearheaded in his community, the Pierce County Board of Commissioners named the roundabout the Royce E. Carter Roundabout.

This dedication is a simple "thank you" for his leadership and for everything Royce has done to make Pierce County a better place. He has always approached every project and challenge with a can-do attitude, and he is kind to everyone he meets.

I am thankful to know Royce, and I know he will continue to be an asset for Pierce County.

RECOGNIZING MOUNT ZION BAPTIST CHURCH FOR THEIR SANCTUARY'S 10TH ANNIVERSARY

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CONNOLLY. Madam Speaker, I rise to recognize Mount Zion Baptist Church on the occasion of the 10th anniversary of its sanctuary.

Mount Zion moved into their new building in March of 2010 and have called this sanctuary their home ever since. The church was originally organized in Stafford, Virginia in 1876 shortly after the end of the Civil War by Reverend Charles Gibson. In 1918 the church moved to Prince William County to better accommodate its growing membership. In 1922, Mount Zion built their first Prince William County sanctuary in Triangle, Virginia, creating a spiritual home for people in and around the county.

Since being founded in Prince William County, Mount Zion has played a fundamental role in building the community. Under the leadership of their Pastor, Reverend Dr. Alfred Jones, Jr. the Church has embodied its of "Living By Faith." Since his installation, Rev. Dr. Jones has served an instrumental role in the growth of membership to over 2000 members and the development of five fundamental ministries: Evangelism, Inspired Arts, Christian Education, Discipleship Building and Family Life Principles. From these ministries, 37 subordinate ministries were established reaching into the lives of those beyond the church walls to provide financial support, clothing assistance, and food assistance to the global community. Because of this continued growth and expansion of its mission throughout the community, Mount Zion opened a new sanctuary in 2010. The positive impacts on our region have continued to flourish this past decade through this new sanctuary. We in Prince William are lucky to have Mount Zion in our community.

Madam Speaker, I ask my colleagues to join me in commending Mount Zion Baptist Church

for its efforts to better the Northern Virginia region and in congratulating them on the occasion of this anniversary. It is a privilege to work alongside this great congregation in the community, and I wish them continued success through faith, family, and service.

Mr. Heltzel was the recipient of many honors throughout his life, but I have no doubt his greatest was being the husband to Heidi and the father and grandfather to his children and grandchildren. My deepest sympathies go out to Bob's family and to all whose lives he touched.

INTRODUCTION OF THE CONGRESS
LEADS BY EXAMPLE ACT OF 2020

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Ms. NORTON. Madam Speaker, today, I introduce the Congress Leads by Example Act of 2020, which would subject Congress and the rest of the legislative branch to many of the workplace laws that protect employees in the private sector and the executive branch. Congress should abide by the laws it imposes on the American people and businesses. In 1995, Congress passed the Congressional Accountability Act of 1995 (CAA), which applied 13 civil rights, labor and workplace safety and health laws to Congress and legislative branch entities. In 2018, after reports of sexual harassment in Congress and in light of the #MeToo movement, Congress passed the Congressional Accountability Act of 1995 Reform Act (Reform Act), which changed the name of the Office of Compliance to the Office of Congressional Workplace Rights (OCWR), revised the process to resolve workplace claims and extended CAA protections to unpaid staff, interns and fellows. It also made Members of Congress personally liable for their own violations of harassment and retaliation laws. However, more remains to be done.

The CAA and the Reform Act were important first steps in making the legislative branch accountable for its employment practices, but they did not finish the job. As noted, the CAA did bring the legislative branch under 13 major civil rights, labor and workplace safety and health laws but it omitted important substantive and administrative protections. In its latest Section 102(b) biennial report to Congress, the OCWR identified additional provisions of federal workplace laws and standards that should be applicable to the legislative branch. OCWR's recommendations include providing whistleblowers with protection from retaliation by making the Whistleblower Protection Act of 1989 applicable to the legislative branch. My bill takes into account the OCWR report, and seeks both to apply the standard of fairness to employees in the legislative branch that Congress requires for other employees and to provide a safer work environment for Congress, Capitol Hill employees and visitors by bringing the legislative branch in line with the legal requirements of private sector employers and the executive branch.

My bill provides general whistleblower protections and anti-retaliation measures and makes additional Occupational Safety and Health Act (OSHA) retaliation provisions applicable to the legislative branch. My bill also provides subpoena authority to OCWR to conduct inspections and investigations into OSHA violations.

This bill also furthers the CAA's mission to prevent discrimination in legislative branch offices by prohibiting the legislative branch from making adverse employment decisions on the basis of an employee's wage garnishment or involvement in bankruptcy proceedings pursuant to the Consumer Credit Protection Act and Chapter 11 of the bankruptcy code.

Finally, this bill bolsters the CAA's record-keeping requirements. It extends the obligation to maintain accurate records of safety information and employee injuries, as otherwise re-

quired by OSHA, as well as employee records necessary to administer anti-discrimination laws in the legislative branch.

By passing this bill, Congress would help restore the public trust in this institution by redoubling our efforts to exercise leadership by example. I urge bipartisan support for this important measure.

REMEMBERING AND HONORING
VENUS HOLMES

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to remember and honor the life of Venus Holmes, who went to be with the Lord at the age of 82.

To know Venus was to love her. She was a beloved resident of Brunswick and Darien, and she was a woman of faith and character. She was also a champion for civil rights and was a member of the NAACP for over 53 years. Her life was marked by a long list of accomplishments and awards—she was truly a remarkable woman.

Venus served as the 3rd Vice President of the Georgia State NAACP Conference, and served as Secretary of the Georgia State Conference NAACP for nine years. In addition to her leadership titles, she received numerous accolades, including the Rudy Hurly Plaque Award for "Outstanding Service," as well as the Thomas B. Murphy "Lifetime Achievement Award."

Venus was also chosen as "Woman of the Year" for the NAACP twice, served 14 years on the Brunswick School Board, and served as Vice Chair on the Brunswick School Board, as well. She was also a devoted member to her church, Mt. Calvary Baptist Church, where she was a musician for 39 years.

Although Venus is no longer here on earth with us, her legacy will remain for years to come. My thoughts and prayers are with her family and friends during this most difficult time.

RECOGNIZING COACH GERRY
PANNONI AND THE 6A STATE
CHAMPIONSHIP SOUTH COUNTY
FOOTBALL TEAM

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CONNOLLY. Madam Speaker, I rise to recognize Coach Gerry Pannoni and to congratulate him and the South County High School football team, the Stallions, on their 6A State Championship.

The South County football team was undefeated during their 2019 State Championship run. This was the first time in school history the Stallions won a state title. Their 15–0 record demonstrates the team's dedication and hard work. The Stallions were led by head coach, Gerry Pannoni, who has been head coach at South County High School since 2011.

Coach Pannoni has been committed to the sport of football for several decades, both as

a player and a coach. After playing at Frostburg State, Coach Pannoni became an assistant Varsity Football Coach there in 1979. He then went on to build an extensive and successful career in numerous positions. He was a head football coach in Fairfax County and the surrounding area for more than 20 years before accepting the position of head coach at South County in 2011.

Coach Pannoni has received numerous awards and honors throughout his many accomplished seasons. In his eight years at South County Coach Pannoni and the South County Stallions won the District Championship 6 times and he was named District coach of the year all 6 of those years. The Stallions won the Regional Championship 2 times under Coach Pannoni and he was named Region Coach of the year both years. Coach Pannoni was the first inductee into the South County High School Football Ring of Honor, which has been named after him. He was named Northern Virginia Football Hall of Fame Coach of the Year three times, in 2011, 2016, and most recently in 2019. During his tenure at South County, Coach Pannoni and the Varsity Football team have never had a losing record. Coach Pannoni has displayed strong leadership, professionalism, and dedication throughout his time at South County, and has been a true role model for all of the students on his team. I congratulate Coach Pannoni and the Stallion football program on winning the VHSL 6A State Championship. Although Coach Pannoni has relocated to another state, I wish him and the Stallions continued success.

Madam Speaker, I ask that my colleagues please join me in honoring Coach Pannoni and the South County Stallions in recognition of their undefeated 6A State Championship season.

CELEBRATING FREEDOM

HON. LEE M. ZELDIN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. ZELDIN. Madam Speaker, today, I rise to recognize composer Richard Fuchs of Coram, New York, and his 1983 composition entitled "Gettysburg." His music, set to the awe-inspiring address given by President Abraham Lincoln in 1863, has given new, melodious life to those brilliant two hundred and forty words, reminding modern audiences of the sacred and revolutionary ideals our country strives to embody.

Just as Baltimore shopkeeper Thomas Carr first put Francis Scott-Key's poem, "The Defense of Fort McHenry", to music in 1814, creating "The Star Spangled Banner", Mr. Fuchs found a similar way to preserve the Gettysburg Address. Ever since he first saw the speech engraved on the side of the Lincoln Memorial at 9 years old, he wanted to honor its eternal message in song.

After years of tinkering with melody and meter, Mr. Fuchs finally published "Gettysburg" in 1983, just in time for the 120th anniversary celebration of the Gettysburg Address. Thirty four years after his first visit to the Lincoln Memorial, Mr. Fuchs performed his creation on the monument's steps during this celebration, playing piano alongside his

daughter and their hometown Centereach High School Choir.

Since that first performance, Mr. Fuchs composition has been sung by choirs across the nation, from Tucson, Arizona to the Smithsonian. Over nearly four decades, through his music, Mr. Fuchs has helped preserve President Lincoln's vision for America for an entirely new generation, trying every day to live up to the principles of freedom, happiness, and equality our country's founders spoke of.

In 2013, Mr. Fuchs' composition was performed with one hundred and fifty chorus members at the very place President Lincoln first delivered the Gettysburg Address. Each member of the chorus represented each year since the historic event.

Like President Lincoln's address, Mr. Fuchs' composition is yet another stark reminder of our constant, unfinished work as Americans to ensure liberty and justice for all.

HONORING ALANA SMITH SHEPHERD

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to honor Alana Smith Shepherd, who recently celebrated her 90th birthday. She has lived a life of service, and has devoted her life to healing and helping others.

Alana and her family co-founded the world-renowned Shepherd Center in Atlanta in 1975. Over the years, the Shepherd Center has grown from a six-bed unit to a remarkable 152 bed rehabilitation hospital.

The hospital specializes in medical treatment, research, and rehabilitation for people with spinal cord injuries, brain injuries, and other neurological conditions. Thanks to Alana and her family's efforts, they have helped countless individuals get the lifesaving care they need.

In addition to her work with Shepherd Center, Alana has advocated for accessibility to Atlanta's MARTA bus system and the Hartsfield-Jackson Atlanta International Airport, which is now one of the country's most accessible airports.

Alana was named one of the most influential people in Atlanta by the Atlanta Business Chronicle in 2014, among many other awards. She has also been a civic leader in her community, including serving as former vice president and current member of the Rotary Club of Atlanta, and the secretary of the Board of Directors for the Atlanta Paralympic Games.

In 1989, Alana was the first woman elected to be a member of the Buckhead Coalition, and in 2003, the first woman elected as chairman of the Coalition.

I am thankful for the impact she has made on the state of Georgia, and I am blessed to know her.

Mr. KELLY of Mississippi. Madam Speaker, I rise today to celebrate the life of Deputy Dylan Pickle, who passed away on Sunday, July 26, while conducting a safety checkpoint.

Dylan was born on July 2, 1996, in Amory, Mississippi. At four years old, Dylan knew he wanted to wear a badge. After graduating from Amory High School, Dylan began to make that badge a reality. He pursued a degree in Criminal Justice at Itawamba Community College and joined the Army at only 17.

AMARI PRESIDENT

HON. JOE CUNNINGHAM

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CUNNINGHAM. Madam Speaker, I rise today to honor the life of Amari President.

Amari was only sixteen years young when he passed, but his wisdom was already far beyond his years. Despite being too young to vote, he knew the importance of his civic duty to hold public officials accountable and to be involved in his local community. That involvement brought Amari into my life when he attended one of my very first town halls and left me a question. In my subsequent conversations with Amari, it was clear his leadership and vibrancy were going to take him to big and wonderful places in life.

Anyone who was lucky enough to know Amari knew his dreams were big, but achievable for someone as bright and determined as him. You just knew Amari would find a way to achieve every single one of them, especially living up to his name and becoming a U.S. President one day. Amari had my vote. Beyond his ambition, his family knew Amari as compassionate, empathetic, and driven to serve others. Amari wanted to spread kindness and joy wherever he went. He went the extra mile to be a beacon of light and knew how to brighten your day by sharing his warmth through a big grin.

His sixteen years have left an indelible imprint on the Lowcountry and his legacy will be found in every heart Amari touched, including mine. I mourn this tragic loss with his family, classmates, and the massive community that was blessed to know Amari and his greatness.

RECOGNIZING THE CAMELOT NEIGHBORHOOD WATCH PROGRAM ON ITS 40TH ANNIVERSARY

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CONNOLLY. Madam Speaker, I rise to recognize the Camelot Neighborhood Watch Program (CNWP) of Fairfax County, Virginia, and to congratulate it on the occasion of its 40th anniversary.

Neighborhood Watch Programs (NWP's) are one of the oldest and best-known crime prevention efforts in North America. In the late 1960s, an increase in crime heightened the need for a prevention initiative focused on residential areas and involving local citizens. The National Sheriffs' Association responded by creating the National Neighborhood Watch Program in 1972 to assist citizens and law enforcement. Since that time, the mission of NWPs has expanded to include helping neighborhoods focus on disaster preparedness and emergency response.

While there are thousands of Neighborhood Watch Programs in the country all of which deserve our recognition and appreciation, the Camelot Neighborhood Watch Program stands out as one of the best in the Nation. The CNWP is the oldest, continuously active Neighborhood Watch in the United States. In the 40 years since its inception, the CNWP has achieved great success, helping lower the general crime rate in its community.

In fact, the Fairfax County Mason District Police Department has recognized the CNWP as one of the most effective crime reduction units in the county and Camelot is one of the most crime-free communities in Fairfax County. The Virginia Crime Prevention Association has recognized the CNWP as the Best Neighborhood Watch in Virginia and it has also been commended by the General Assembly of the Commonwealth of Virginia.

Over the last four decades, more than 70 volunteers have contributed 27,000 hours conducting 20,500 patrols and logging 220,000 miles. This dedication is a tribute to the residents of Camelot and to the leadership exhibited by the program coordinators, past and present.

Northern Virginia, particularly Fairfax County, is known as one of the best places in the

nation in which to live, work and raise a family. One of the main reasons for this designation is the community spirit that is on display in every corner of our region and exemplified by the Camelot Neighborhood Watch Program.

Madam Speaker, I would like to thank the Camelot Neighborhood Watch Program for 40 years of dedicated service to its neighbors. Programs like the CNWP are vital in our efforts to combat crime. I call upon my colleagues to join me in applauding the CNWP's past accomplishments and in wishing the program continued success.

CONGRATULATING HOWARD SEPP

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to congratulate Mr. Howard Sepp of Georgia's First Congressional District who retired on July 1.

Howard was a long-time vice president and administrator of the Southeast Georgia Health System's Camden campus since 2003. He had overseen the Camden hospital for more than 17 years, during which he oversaw a \$30 million renovation and the addition of a wide array of medical services.

Thanks to Howard's efforts, the hospital grew remarkably, including adding cancer care services in 2012, the Camden Medical Plaza in 2013, and a new, state-of-the-art care center which recently opened. He also helped spearhead the Coastal Community Health affiliation with Baptist Health System, which led to significant cost savings and improved coordination through the Emergency Care Center.

In addition to being a leader for the hospital, he has also been an active civic leader. He has held positions with the Camden County Chamber of Commerce and Rotary Club of Camden County, and has helped with Leadership Camden. Howard also serves as chairman of the Camden Partnerships and is a board member for the Coastal Georgia council of the Boy Scouts of America.

Camden County is better because of Howard, and I can't thank him enough for his over 17 years of hard work to ensure people in

Camden receive the hospital care they need. Congratulations, again.

RECOGNIZING THE 2020 VFW POST
7327 AMERICANISM AWARDS RE-
CIPIENTS

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CONNOLLY. Madam Speaker, I rise to recognize the Veterans of Foreign Wars Post 7327 in Springfield, Virginia and the winners of its 2020 Americanism Awards.

The Veterans of Foreign Wars (VFW) traces its beginnings to 1899 when veterans of the Spanish American War established local organizations to bring awareness to their service and to advocate for veteran's retirement benefits and improved medical care. Annually, the nearly 2 million members of the VFW and its Auxiliaries contribute more than 8.6 million hours of volunteerism in the community, including participation in Make A Difference Day and National Volunteer Week.

With approximately 600 Comrades and 150 Ladies Auxiliary members, the Springfield

VFW Post 7327 stands out for the depth of its commitment to our community. Often called "The Friendliest VFW Post in Virginia," Post 7327 has one of the most aggressive ADOPT-A-UNIT programs in the entire VFW organization to support our service members stationed overseas. VFW Post 7327 visits the VA hospital at least quarterly, bringing along goodie bags for our Wounded Warriors. Each Thanksgiving and Christmas, VFW Post 7327 adopts military families in need through the USO and provides them with meal baskets for each holiday, gifts for children, commissary cards for the parents, and a Christmas party where the children can meet Santa and receive a gift-filled stocking. The Ladies Auxiliary members collect, sort, and distribute more than 2,000 pieces of clothing each month to various charitable organizations.

VFW Post 7327 is a strong supporter of local youth organizations including the Boys Scouts, Girl Scouts, and Little League Baseball that contribute greatly to the education and well-being of our children.

Each year, VFW Post 7327 bestows awards to local students who have submitted outstanding essays on a specific theme and to local teachers and public safety officers in rec-

ognition of their extraordinary actions and dedication to the community.

I am honored to include in the RECORD the names of this year's award recipients.
