

HONORING THE 40TH ANNIVERSARY OF THE FOUNDING OF THE CHRONICLE

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Ms. STEFANIK. Madam Speaker, I rise today to honor the 40th anniversary of the founding of The Chronicle newspaper.

The Chronicle was established by Mark Frost in 1980 in Glens Falls, New York. Through hard work and determination, Mark turned an initial investment of \$1,700 into a successful and profitable newspaper. He remains the publisher and editor today, alongside staffers who have been with The Chronicle for decades. In that time, they have established a loyal base of readers and advertisers, becoming a cornerstone of the community.

The Chronicle has long hosted events to provide a forum for discussion and to bring Glens Falls residents together, especially through Autumn Leaves: The Chronicle Book Fair. The fair is an opportunity to highlight and connect local authors and publishers, and discover books of all genres. Annual events like this are important to strengthen and grow the fabric of our communities, and I know many who are looking forward to safely resuming them as soon as possible.

On behalf of New York's 21st District, I would like to thank Mark and the entire Chronicle staff for their contributions to the community and congratulate them on reaching this important milestone.

CONGRATULATING USS "TENNESSEE"

HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. CARTER of Georgia. Madam Speaker, I rise today to congratulate the USS *Tennessee*, which is based at Naval Submarine Base, Kings Bay in the First District of Georgia, for winning the 2020 Secretary of the Navy (SECNAV) Afloat Environmental Award.

The SECNAV environmental programs recognize Navy and Marine Corps ships, installations, and people for outstanding performance in promoting environmental stewardship.

These programs are important for achieving national defense strategy by taking a proactive role in enhancing mission effectiveness through the implementation of environmental programs.

Additionally, they have allowed for expanding mission requirements, protecting and improving the environment, avoiding and reducing future liabilities, and building trust with partner nations.

This is not the first time USS *Tennessee* has been honored for its success. In 2014, they won the SECNAV Award for Excellence in Submarine Safety, and they also won the Chief of Naval Operations Environmental Awards in submarine category in 2014, 2015, and 2016.

USS *Tennessee's* leadership and crew has demonstrated sustained commitment and success in environmental protection because of their emphasis on the importance of each Sailor's role in environmental conservation. I am thankful for the entire crew's commitment to both serving our country and protecting our environment.

RECOGNIZING THE LIFE OF PAMELA HALL

HON. TRENT KELLY

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 1, 2020

Mr. KELLY of Mississippi. Madam Speaker, I rise today to celebrate the life of Pamela Gayle Cooper Hall, who passed away on August 1 after a courageous eight-year battle with cancer.

Pamela's life began on December 9, 1951; however, some may say, her cancer diagnosis was truly the start of her journey. A devoted Christian and member of Salem Baptist Church, Pam viewed her diagnosis as an invitation—an invitation to share her journey and lead by example. She spent her years in treatment, encouraging others who were in similar circumstances, making friends throughout the country in the process. Her passion and devotion to Christ made her a confidante and leader to many, as she always saw the goodness in others.

Pam was also a leader in the professional world, as she had a reputation for diligence and thoroughness, earning her a business management position as well as the position of Director of Finance at JME, Inc. for 25 years. Outside of her professional life, Pam also taught children's Sunday School and treasured her women's Sunday School Class.

Pam's colleagues became her family, and her diagnosis allowed her to inspire so many others. Her life was one of service, grace, and love for her family and community, and she will be greatly missed by all whom she encountered.

Left to cherish her memory is her husband Larry Murrah Hall; daughter, Amy Hall Jones; son, Justin Lee Hall; her grandchildren, as well as many other friends and extended family members.
