RECOGNIZING THE CAMELOT NEIGHBORHOOD WATCH PROGRAM ON ITS 40TH ANNIVERSARY

**HON. GERALD E. CONNOLLY**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 1, 2020*

Mr. CONNOLLY. Madam Speaker, I rise to recognize the Camelot Neighborhood Watch Program (CNWP) of Fairfax County, Virginia, and to congratulate it on the occasion of its 40th anniversary.

Neighborhood Watch Programs (NWP's) are one of the oldest and best-known crime prevention efforts in North America. In the late 1960s, an increase in crime heightened the need for a prevention initiative focused on residential areas and involving local citizens. The National Sheriffs' Association responded by creating the National Neighborhood Watch Program in 1972 to assist citizens and law enforcement. Since that time, the mission of NWPs has expanded to include helping neighborhoods focus on disaster preparedness and emergency response.

While there are thousands of Neighborhood Watch Programs in the country all of which deserve our recognition and appreciation, the Camelot Neighborhood Watch Program stands out as one of the best in the Nation. The CNWP is the oldest, continuously active Neighborhood Watch in the United States. In the 40 years since its inception, the CNWP has achieved great success, helping lower the general crime rate in its community.

In fact, the Fairfax County Mason District Police Department has recognized the CNWP as one of the most effective crime reduction units in the county and Camelot is one of the most crime-free communities in Fairfax County. The Virginia Crime Prevention Association has recognized the CNWP as the Best Neighborhood Watch in Virginia and it has also been commended by the General Assembly of the Commonwealth of Virginia.

Over the last four decades, more than 70 volunteers have contributed 27,000 hours conducting 20,500 patrols and logging 220,000 miles. This dedication is a tribute to the residents of Camelot and to the leadership exhibited by the program coordinators, past and present.

Northern Virginia, particularly Fairfax County, is known as one of the best places in the

nation in which to live, work and raise a family. One of the main reasons for this designation is the community spirit that is on display in every corner of our region and exemplified by the Camelot Neighborhood Watch Program.

Madam Speaker, I would like to thank the Camelot Neighborhood Watch Program for 40 years of dedicated service to its neighbors. Programs like the CNWP are vital in our efforts to combat crime. I call upon my colleagues to join me in applauding the CNWP's past accomplishments and in wishing the program continued success.

#### CONGRATULATING HOWARD SEPP

#### HON. EARL L. "BUDDY" CARTER

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 1, 2020*

Mr. CARTER of Georgia. Madam Speaker, I rise today to congratulate Mr. Howard Sepp of Georgia's First Congressional District who retired on July 1.

Howard was a long-time vice president and administrator of the Southeast Georgia Health System's Camden campus since 2003. He had overseen the Camden hospital for more than 17 years, during which he oversaw a \$30 million renovation and the addition of a wide array of medical services.

Thanks to Howard's efforts, the hospital grew remarkably, including adding cancer care services in 2012, the Camden Medical Plaza in 2013, and a new, state-of-the-art care center which recently opened. He also helped spearhead the Coastal Community Health affiliation with Baptist Health System, which led to significant cost savings and improved coordination through the Emergency Care Center.

In addition to being a leader for the hospital, he has also been an active civic leader. He has held positions with the Camden County Chamber of Commerce and Rotary Club of Camden County, and has helped with Leadership Camden. Howard also serves as chairman of the Camden Partnerships and is a board member for the Coastal Georgia council of the Boy Scouts of America.

Camden County is better because of Howard, and I can't thank him enough for his over 17 years of hard work to ensure people in
