PRAYER

The Chaplain, the Reverend Patrick J. Conroy, offered the following prayer:

Lord God, Father of us all, we thank You for giving us another day. As the Nation enters into the Labor Day weekend, we give You thanks for those whose labor has been in the addressing of the coronavirus plague. Bless and keep safe those who are on the front line of caring for the sick. Bless and inspire those who seek treatments and cure. Lord have mercy.

Keep all Americans safe this weekend. May we all do our part to be mindful of our neighbors. May we be kind and respectful to all whom we encounter. Give us the vision to see in them the presence of Your spirit. Lord have mercy.

And bless the Members of the people’s House. Keep them safe and healthy, and empower them to seek and find the paths to addressing our Nation’s most pressing needs.

May all that is done be for Your greater honor and glory.

Amen.

In Honor of Terrill Haigler

HON. BRENDAN F. BOYLE
OF PENNSYLVANIA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 4, 2020

Mr. BRENDAN F. BOYLE of Pennsylvania. Madam Speaker, it is my honor to recognize Terrill Haigler, an essential worker in Philadelphia, before the United States House of Representatives. He has stepped up during the COVID–19 pandemic to not only perform his duties as a sanitation worker with high achievement, he has also been an advocate for his fellow frontline employees.

With atypically high demand for waste removal throughout this public health emergency, our sanitation workers have faced an unprecedented increase in their workload while simultaneously confronting the heightened risk of contracting coronavirus. They keep the City of Philadelphia safe and clean, putting their health on the line to serve their neighbors. Terrill Haigler has rejuvenated the sanitation department through his selfless actions that represent the very best of our community and the nation.

As trash began to pile up from strained resources at the sanitation department, morale among employees was low. A lack of sufficient personal protective equipment (PPE) made matters even worse. After gauging the needs of his coworkers, Mr. Haigler took it upon himself to uplift those around him.

He organized a comprehensive campaign through social media platforms to encapsulate the public, highlighting the accomplishments of his fellow trash collectors, encouraging public support and kindness for his colleagues, and accentuating the PPE shortfalls for essential workers. He then customized a shirt featuring a sanitation worker and his “@YourFavTrashman” account handle to continue to raise awareness and funds for the cause.

All told, Mr. Haigler raised over $30,000 for PPE to keep his fellow sanitation workers safe and united a community around the essential workers who continue to serve through harsh conditions. I am grateful for his efforts and his activism. Our essential workers are our local heroes; beyond our utmost gratitude and appreciation, they deserve just compensation and hazard pay.

Terrill Haigler embodies a commitment to public good. His efforts will remain a model for the patriotism and generosity that has kept America going through these difficult times. He has shown the nation what Philadelphia is made of.

Madam Speaker, I ask my colleagues to join me in extending our sincerest appreciation to Terrill Haigler for his extraordinary work on behalf of our community.

Ruthie has shown what can be done through hard work, dedication, and a desire to serve others. Ruthie is a Vickery native and graduate of Warren Central High School. After graduation, she started working as an armed security officer at the Army Corp of Engineers. Ruthie knew this job was a segue to the career she dreamed about as a 9-year-old girl.

She joined the Yazoo Police Department and later enrolled at the state police academy where she graduated with the Basic class of 263 officers. She is also a part of the Domestic Violence Taskforce. McCoy is a mother of three who look at her as their “hero.”

OF ARIZONA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 4, 2020

Mr. STANTON. Madam Speaker, I rise to recognize Valle del Sol for 50 years of excellence in serving Arizona through its world-class healthcare services and programs. Since 1970, Valle del Sol has touched the lives of thousands of Arizonans, inspired transformational change, and provided meaningful support to families in our communities across the Valley. Its incredible work is a model in the greater Phoenix area and will continue to help many live healthier lives.

Ever since its inaugural year, Valle del Sol has invested in quality and affordable healthcare services for people of all backgrounds, especially our Hispanic and Latino neighbors. They have helped lead the way in treating those struggling with substance abuse and brought behavioral health to the forefront of our community by establishing the first Latino centered methadone treatment program in the Phoenix area.

Valle del Sol has built bridges for five decades and continues to spotlight the best and brightest in our community. Above and beyond healthcare and human services, its team has enriched the social, cultural, and economic fabric of Arizona. Its Hispanic Leadership Institute has brought together an extraordinary, diverse network of leaders who will continue to make our state a better place to work and live. Over the past few decades, the program has produced leaders who have carried out positive change in healthcare, government, business, and the non-profit sector—all of who lead with a stronger understanding of their commitment to the people they serve.

I thank Valle del Sol and its community partners, and everyone involved in this grassroots movement to make it the gold standard for healthcare and human services in the southwest. Congratulations on 50 years of serving our children and families in Arizona. I am confident their passion and service will continue to leave a lasting impression for the next 50 years and beyond.

HON. RASHIDA TLAIB
OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES
Friday, September 4, 2020

Ms. TLAIB. Madam Speaker, I rise today to honor the memory of the late former Michigan State Representative Alma G. Stallworth, who passed away in August 2020. Alma Stallworth was born in Little Rock, Arkansas, and eventually made her home in Detroit, Michigan, where she attended Wayne State University. She went on to pursue public office, serving her first term as State Representative from 1971 until 1974 and again, serving from 1983 until 1996. As a legislator, Alma Stallworth broke ground in her work in the civil rights movement, as well as crafting policy solutions to improve the quality of life for Michigan’s children and working families. Her example blazed the trail for countless women of color to pursue careers in public service.

In 1985, Alma Stallworth founded the Black Caucus Foundation of Michigan, a non-profit organization dedicated to improving the lives of African-American communities across Michigan. Ms. Stallworth created the Black Caucus Foundation of Michigan’s Legislative Internship Program to allow African-Americans interested in public policy careers to gain invaluable experience while also earning college credit. Her work with the Black Caucus Foundation has created a critical link for policy, communities, and businesses. Alma Stallworth was a true paragon of public service. Please join me in honoring her legacy.

Tribute to Kathleen Baushke—California’s 24th Congressional Women of the Year

HON. SALUD O. CARBAJAL
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 4, 2020

Mr. CARBAJAL. Madam Speaker, each year, through the Women of the Year Award,
my office extends special recognition to
women on the Central Coast who have made
a difference in our community. I would like to
recognize one outstanding Women of the Year
Award recipient, Kathleen Baushke from Santa
Barbara, California.

Kathleen has had an immeasurable impact on
our community through her work address-
ing our community’s ongoing problem with
family homelessness. She is the longtime Ex-
cutive Director of Transition House, a multi-
faceted shelter, housing, and education non-
profit based in Santa Barbara. Under her lead-
ership, Transition House assists today more than
400 people every year. Approximately 70 per-
cent of the families who work through Transi-
tion House’s multi-stage programs move into
permanent housing; a success rate of which
few similar agencies can boast.

Beyond her work within Transition House,
Kathleen has consistently reached outside the
agency to provide logistical support, program
advising, and financial expertise to other orga-
izations assisting those experiencing home-
lessness. For example, Kathleen helped cre-
ate the Landlord Liaison Program, within Tran-
sition House, that works with local landlords
to house mainly homeless veterans and children.

Kathleen has served on the boards of other
related nonprofits in Santa Barbara, including
the St. Francis Foundation and Second Story, as
well as on the advisory board of Storyteller
Children’s Center. She is also a founding
member of the advocacy group National Coal-
ition for Homelessness Solutions. She appears
regularly in the media, at political events, and at
community informational gatherings to ad-
vocate for compassionate, thoughtful, positive
help for families and children experiencing cri-
sis. As many as half of the homeless people
in America are families with children, and
Kathleen has brought immense relief to this
vulnerable population, leading her agency, its
amazing staff, and hundreds of community
volunteers toward ongoing solutions.

She is a worthy candidate for this honor and
a role model for community leaders of all
kinds. I am honored to recognize Kathleen for
her continued commitment to improving our
community and the residents of Santa Barbara
County. I ask my colleagues to join me today in
honoring an exceptional woman of California’s
24th Congressional District, Kathleen Baushke, for her incredible service to her community.

tired effort and countless hours working with

with a revitalized purpose for the health-based
advocacy community. Under Bruce’s leader-
ship he grew the chapter to nearly 1,000

most critical public health issues of our time
including nuclear proliferation, climate change,

state of Washington is lucky to have had such
a thoughtful voice working for the greater
good.

Madam Speaker, I thank Dr. Amundson for

Beyond SEMCOG, Lomako has also been president of the Metropolitan Affair Coalition (MAC), a nonprofit public/private partnership dedicated to enhancing the economic vitality and quality of life in Southeast Michigan.

Kathleen Lomako has held several other leadership positions and is known throughout the community as a passionate leader who embodies the true meaning of honor, and the unimaginable sacrifice of a generation of Americans.

Following the surrender of Japanese forces on August 15, 1945, President Harry Truman proclaimed, “This is a victory of more than arms alone. This is a victory over tyranny.” The dark years of fighting had finally come to an end, through the bravery and sacrifice of a generation of Americans.

As we stand here seventy-five years later, their legacy reminds us of God’s grace, the true meaning of honor, and the unimaginable blessing bestowed on each and every one of us to live in the United States of America.

Today, I honor some of the bravest warriors on the face of the earth—heroes who were willing to venture into unknown territories to meet an uncertain fate, who weathered unimaginable circumstances.

When their nation called, men and women left their families, spouses, and children to go to a foreign place stricken with war and savagery, all because they knew the United States of America was the last great hope on earth. Those who served not only saved our nation and our world from tyranny, but they changed the course of history forever.

As the news of the war ending spread around the world, we can only imagine the joy and emotions that spread like fire through country sides and city squares across America. Millions of people took to the streets, many of which were covered with billboards of confetti, and citizens crowded into churches to
thank God for this victory and for the beginning of a new era of peace.

Yet, seventy-five years later, we are still reminded of the true cost of that peace. Our current generation has also witnessed the sacrifice of American lives in the name of freedom. While our nation always attempts to protect American lives through any diplomatic tools available, human history reveals the sad reality that sometimes the liberty of all must be defended by a brave few. As Winston Churchill is often attributed as stating, “We sleep soundly in our beds because rough men stand ready in the night to visit violence on those who would do us harm.”

As a society, we must remember and educate our children to ensure that future generations never forget the heroes that saved our world from tyranny and destruction. Americans gather on V-J day to do just that: celebrate the greatest generation—those who came back home and those who laid down their lives on the field of battle.

With the utmost humility, I recognize and honor those who served in the Second World War throughout the Pacific Theater and beyond. It is the greatest honor to live in a country with such valiant men and women, much less to represent so many of them in Congress.

Victory over Japan Day is a necessary reminder of not only the enormous sacrifice and triumph of American warriors over tyrannical empires, but ultimately, it exhibits the capacity of the American spirit to overcome all obstacles in order to complete the task at hand. I pray that we, as Americans, face today’s tests and trials with the same resolve, unity, and honor as those brave patriots who shed their blood from the beaches of Normandy to the islands of Okinawa. May we, too, find victory in our day.

HONORING RUBY MONTGOMERY

HON. BENNIE G. THOMPSON
OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES
Friday, September 4, 2020

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor Ruby Montgomery.

“Mama Ruby has faith” . . . her faith enabled the love she has shared with others—others who have grown now share her faith and believe her acts of kindness to be precious gifts—gifts that touch people’s hearts and are rooted right here in the Mississippi Delta.

In fact, Ruby Montgomery, described by her children as, “a dedicated child of God”, is a woman who shapes the lives of others and continues to dedicate her life to serve her children and neighbors while being led by the Holy Spirit.

As we learned, it is Ruby’s faith, her confident belief and trust in The Lord, which has kept her going all these years. In addition, her testimony reveals that even from a very young age, Ruby was taught to practice kindness and humility, two ideals her parents, the late Rev. Rollie Lee and teacher Daisy Bell Lee of Lambert, Mississippi, taught her well.

Ruby, the wife of the late TSGT William Henry Montgomery of Marks, Mississippi, who with her became proud parents of Deborah A. Simpson, Rhonda L. Montgomery, and Roderrick L. Montgomery. The pair also managed to care for their granddaughter, Tashunda Montgomery-Vaughn, great granddaughter, Ja’Brea Joiner; and four other grandchildren: Lacambrise, Ahbreme, Andre, and Desiree.

But did the couple stop there? Of course not. They also committed to raise five foster children: Linda, Sheila, Patricia, Pamela, and Stephanie. And as a result, she inherited several more grandchildren: Markus, Kim, Melanie, Teon, Nekevenonia, Herbert Jr., Altrevia, and Corderio. Onward, she inherited several more children: Joel, Anthony, Stephanie Reeder, Yolanda, Yameka, Lorraine, April, and their children. Now that is a big family and makes this author wonder just how Mama Ruby had time for anything else.

Questions come to mind: How does the first teacher teach in an integrated school system in Quitman County, raise dozens of kids, and go to work helping other children learn all day? Where did her energy and money come from when times were hard? Ruby credits The Lord.

People whose lives have been touched by Mama Ruby know that she is a person who can be trusted. She is seen by so many as an inspiration to those around her and a living example of how faith can impact the lives of those she has helped. Ruby is the person people come to with their problems, the one who comforts those in need, and the mother who cares for the sick in the body or in the spirit.

By making time to mentor countless of children in the community of Marks over the years, she unknowingly stepped into the permanent role of “Mama Ruby” for generation after generation, gaining the respect of the community and the trust of its members.

For example, as a teacher in the Quitman County public school system for over 40 years, retiring in 1993, Ruby gained the trust of her students, many of whom she opened the doors of her home to and also offered rides to church on Sunday. Many of these students grew up and had their own children, who were also taught by Ruby—allowing her to impact one generation after another.

However, the teaching did not stop in the classroom. In fact, at church, Ruby was also a teacher who shared the Bible with young minds. She serves as both a Sunday school and Bible study teacher. Even after teaching for over forty years, she does not tire of spending her energy toward young children’s education. Education, as we all know, is not limited to just the classroom.

Ruby likes to educate teenagers as well. She and her husband always helped out the youth in the community who wished to work by hiring them to help around the store and teaching them the value of a dollar.

You would think with all of this teaching going on there would not be room for much else in Mama Ruby’s life, but Ruby gives her time freely to community activities and outreach ministries. Ruby is currently serving as an active, committed, and dedicated member of Les-Grandes Soeurs Social Club of Lambert, Marks, and Crenshaw, Mississippi, as well as in Memphis, TN. Here she serves on the planning committee in Marks, MS. The purpose of Les-Grandes Soeurs Social Club is to serve as big sisters in time of need, to provide recreational, social, and cultural activities for the community, and provide educational support through scholarship. Mama Ruby is a board member of Trinity Community Center and the Quitman County Development Organization of Marks, MS. She also served as chairman for the 2019 Annual September Song Festival. These experiences are not all that make Ruby an amazing person. Ruby believes this path was chosen for her, not by her. By following this path, Ruby has excelled at every stage in her life. Mama Ruby “got faith” . . . faith found because of God’s love for her is the love she has shared with others.

Madam Speaker, I ask my colleagues to join me in recognizing Ruby Montgomery for her dedication to serving her community and this great state.
