#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. FEINSTEIN:

S. 4556. A bill to authorize the Secretary of Health and Human Services, acting through the Director of the Indian Health Service, to acquire private land to facilitate access to the Desert Sage Youth Wellness Center in Hemet, California, and for other purposes; to the Committee on Indian Affairs.

Mrs. FEINSTEIN. Mr. President, today I am pleased to introduce a bill to facilitate better access to the Desert Sage Youth Wellness Center.

The Desert Sage Youth Wellness Center, located in Hemet, CA, is a health center run by the Indian Health Service. It is the only currently operating center in the State of California that provides culturally-sensitive substance use disorder treatment to indigenous youth.

The Desert Sage Youth Wellness Center serves an important role to the regional Native American community. The facility not only provides healthcare but also academic support, family therapy, and an individualized treatment plan to support the healing and long-term recovery of youth enrolled at the center.

Despite the center's important work, the Desert Sage Youth Wellness Center is only accessible by a dirt road. Lack of a paved road limits access to the center during California's extreme wet and dry seasons. The dirt road frequently cracks or floods during these times and creates significant challenges to those receiving healthcare.

Private landowners are supportive of selling their land to allow the Indian Health Service to pave an access road, but the agency does not currently have the authority to do so. It is appropriate we provide for safe and dignified access to the center, and I am pleased to introduce legislation that will solve this problem.

The bill would authorize the Director of the Indian Health Service to purchase land from willing sellers and construct a paved road to improve access to the Desert Sage Youth Wellness Center. After construction, Riverside County would own and maintain the road.

This effort includes widespread, bipartisan support. An identical, bipartisan bill introduced by Representative RAUL RUIZ passed the House of Representatives as part of a larger package just last month. Representative RUIZ's bill is cosponsored by Representatives KEN CALVERT, PETE AGUILAR, PAUL COOK, DOUG LAMALFA, NANNETTE DIAZ BARRAGÁN, TONY CÁRDENAS, and JOSH HARDER. This legislation also has the support of local stakeholders, including Riverside County, and organizations like the California Rural Indian Health Board.

The bill will provide safe access to the Desert Sage Youth Wellness Center, ensuring indigenous youth can receive healthcare in a supportive and culturally-sensitive environment. American Indian and Alaskan Native youth report 14.9 percent rate of substance dependence or abuse, furthering underscoring the need to guarantee the accessibility to facilities like the Desert Sage Wellness Center.

I look forward to working with my colleagues to pass this legislation.
