IN RECOGNITION OF CHARLES AMBLER’S RETIREMENT

HON. VERONICA ESCOBAR
OF TEXAS
IN THE HOUSE OF REPRESENTATIVES
Monday, September 14, 2020

Ms. ESCOBAR. Madam Speaker, I rise today to recognize Dr. Charles Ambler on the occasion of his retirement from the University of Texas at El Paso (UTEP). UTEP bids good- bye to one of its most notable contributors to the institution’s transformation from a regional university to a leader in U.S. higher education. Dr. Ambler’s strategies and teaching skills included technology-based learning and contacting students who stopped attending class to invite them back. As a result, comple- tion rates in his section and average scores on standardized tests were higher than in other sections of the same class.

Dr. Ambler’s influence on education, grants, and studentship has gone far beyond UTEP. He has held several prestigious fellowships, served as President of the African Studies As- sociation, and most recently served as Dean in Residence of the Council of Graduate schools.

Dr. Ambler and his wife Gloria, who recently retired herself after many years of service as a teacher and counselor in the El Paso In- dependent School District, are vital members of the El Paso community.

UTEP is a better place due in no small part to Dr. Ambler’s 35 years of service.
