

they were an iconic news team that the community trusted.

In addition to her role at KIFI with Jay, Karole mentored new journalists who were getting started in the industry. She also spent fourteen years as an adjunct instructor at Idaho State University. She has served as a member of the advisory board for the School of Journalism and Mass Media in the College of Letters, Arts and Social Sciences at the University of Idaho. She continues to reach out to students interested in television news, informing them of internship opportunities and job openings at her station and elsewhere.

Karole has served on several community boards and committees. As an active member of her community, Karole is committed to leaving this area better than she found it.

It has been my privilege to be interviewed by Karole throughout my political career. Even though we were friends she didn't hold back the tough questions. I have always appreciated her honesty and fairness.

Madam Speaker, Karole Honas has provided an immeasurable service to Eastern Idaho for the last thirty years. I want to thank her for that service and wish her well in a well-earned retirement.

IN APPRECIATION OF MAJOR ANDREW CROWE FOR HIS SERVICE TO THE UNITED STATES HOUSE OF REPRESENTATIVES

HON. MICHAEL WALTZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 15, 2020

Mr. WALTZ. Madam Speaker, today I recognize Major Andrew Joseph Crowe of the United States Army for his extraordinary dedication to duty and service to our Nation. Major Crowe recently transitioned from his assignment as an Army Congressional Liaison in the House of Representatives to attend Army Command and General Staff College with follow on assignment at Fort Belvoir.

MAJ Crowe, having grown up in a non-military family, joined the Reserve Officers Training Corps through Western Michigan University and commissioned as a 2nd Lieutenant in 2006. He has held numerous leadership positions in a variety of units, highlighted by combat service in Iraq and Afghanistan with the 25th Infantry Division and the 75th Ranger Regiment. During his time in Washington, MAJ Crowe attended The George Washington University earning his Masters Degree in Legislative Affairs and served as a Congressional Fellow for Congressman JOE WILSON of South Carolina.

In the winter of 2017, MAJ Crowe was selected to serve as a Congressional Liaison in the United States Army House Liaison Division. As the primary liaison between Members of the House of Representatives, their Staffs, Committees, and the Army, he provided insight and understanding of Army policies, actions, operations, and requirements. His firsthand knowledge of the military, its culture, and traditions has been a tremendous benefit to Congressional offices. His wit and humor kept everyone around him in good spirits and kept me on my toes. As a busy freshman office with great ambition, our legislative successes would not have been possible without him.

In 2019, I had traveled with MAJ Crowe to Normandy France for the 75th Anniversary of D-Day. It was a historically significant event in which MAJ Crowe planned and executed the largest overseas CODEL in history.

Madam Speaker, it has been a pleasure to work with MAJ Crowe during his time as an Army Congressional Liaison Officer in the House of Representatives. On behalf of a grateful Nation, it is my honor to recognize the selfless service and sacrifice of Major Andrew Crowe, his wife, Michelle, and their children, Charlie and Samantha. I wish them the very best as they continue their journey in the United States Army. They have dedicated their lives to the service of our Nation.

Rangers Lead The Way.

REMEMBERING JACK L. LOVEALL

HON. JOHN GARAMENDI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 15, 2020

Mr. GARAMENDI. Madam Speaker, I rise today to honor the memory of Jack L. Loveall. Affectionately known as "Captain Jack", he led a life best defined as that of a loving family man, mentor, humanitarian, and labor leader of over 60 years. Jack embodied the American dream and will be remembered as a legendary figure in the cause of justice and fairness for working people and their families.

Born on Leap Day, February 29, 1936, Jack earned his first job at the age of 13 when he was hired by Wrigley Markets in Detroit as a grocery clerk. In 1958 Jack became a Union Representative for Local 876, beginning his storied work as an advocate for the American worker. His dedication to that mission led his colleagues to repeatedly select him as their representative in the upper echelons of the International Union. As an international vice president of the United Food and Commercial Workers, he served working families throughout the United States, Canada, Asia, and Europe.

In 1984, Jack was elected president of UFCW 588-Northern California, where he continued his passionate and highly effective advocacy for the members of his Union, including those who work in supermarkets, drug stores, pharmacies, food processing plants, wineries, distilleries, medical offices, and more. Jack lived in the spirit of "Solidarity Works," which he established as the motto of his Union and continues as the motto of UFCW 8—Golden State, now led by his son, Jacques Loveall.

Captain Jack was married to his first mate, Patricia, whom he adored for 67 years. He

was the father of seven, a grandfather, a great-grandfather, and a beloved mentor and teacher to countless others. His memory and legacy will be kept alive by those who use his lessons and beliefs as guideposts to building better families, better communities, and a better world while always being kind to one another.

CELEBRATING MR. WILLIAM BOSHART'S 100TH BIRTHDAY

HON. MO BROOKS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 15, 2020

Mr. BROOKS of Alabama. Madam Speaker, I rise today to recognize Mr. William Harvey Boshart on the occasion of his 100th birthday.

Mr. Boshart was born in Marshall County, Alabama on September 24, 1920. As a child during the Great Depression, Harvey is thankful he was able to finish his 1933 academic year. The local school system lacked funding to keep schools open but Harvey's teacher, Dr. Collins, finished the school year without pay. Later, in 1934, Harvey worked to support his family at only 14 years old.

In 1941, Harvey married Nina Hodges, which he considers to be "the best thing that ever happened to him." As newlyweds, Mr. and Mrs. Boshart lived on a family member's farm in Woodville, Alabama. Then in 1944, Harvey received notice he was drafted to serve in World War II. Thankfully, Harvey was able to spend Christmas with his family, but in January of 1945, Mr. Boshart was officially sworn into the U.S. Navy and began training in California.

Harvey was first assigned to the USS *Menard* (APA-201), a Haskell-class attack transport, on which he sailed to Pearl Harbor to train for the invasion of Okinawa, Japan. After months of training and active evasion of Japanese submarine screens, on March 16, Seaman First Class Boshart and the crew reached the Leyte Gulf in the Philippines to begin the campaign to retake Okinawa.

Later in his career, Harvey was assigned to the second USS *San Jacinto* (CVLS-30), on which President George H.W. Bush served. Once the war and his service were over, Harvey came home to Nina, and in 1947, they bought a farm in Rainsville, Alabama. From 1951 to 1980, Harvey served in a different capacity on Redstone Arsenal. Today, Harvey still lives in the same home he and Nina purchased in 1955, where he takes great pride in cooking and tending to his garden.

Madam Speaker, the Tennessee valley is fortunate to have such an exemplary citizen for 100 years. Harvey Boshart's bright spirit and servants' heart are a blessing to us all.

I wish Harvey and his entire family the very best as they celebrate Harvey's centennial birthday.

HONORING THE LIFE OF DANIEL C. HOLLOWAY

HON. GRACE F. NAPOLITANO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 15, 2020

Mrs. NAPOLITANO. Madam Speaker, I rise with great sorrow to honor the life and long career of public service of City Council Member Daniel C. Holloway of La Puente, CA.

Dan was an outstanding leader for his community of La Puente, where he served in many capacities over the years. He was a local activist fighting to keep Workman High School open and was a writer of community news with his column in the Highlander Newspaper called, "The La Puente Lookout." Dan was on the planning commission, where he served as Chairman twice, and he had been on the City Council for the past 13 years receiving the highest vote total of any council member multiple times. He served as Mayor three times and Mayor Pro Tern four times. Dan was a staunch advocate for his city serving on many regional boards and commis-

sions, including the San Gabriel Valley Council of Governments and the National League of Cities.

Dan was a hero to our country having served in the Navy. He would later join the American Legion, and he designed the La Puente Veterans Memorial at La Puente City Hall.

Dan was a mentor to many and a great champion of our students. Most recently, Dan participated in the Life Experiences About Democracy (LEAD) program which teaches community and civic engagement by giving students real life experiences participating in government meetings, interacting with public officials, and working on volunteer projects in La Puente.

Dan was a great friend to me and so many who knew and respected him. I met Dan before he ran for office when he was a constituent advocating for improvements to our schools, healthcare system, and public services on behalf of his children, including his late daughter Kimberly, and all of our children. He was known for his kindness, honesty, and integrity, and that is why he was beloved by so many.

Madam Speaker, I extend my deepest sympathies to Dan's wife of over 50 years Hilda, his children Jennifer, Christopher, and Shannon, his family and friends, and his colleagues. The City of La Puente has lost one of its greatest leaders and champions. And we have all lost a great friend.
