#### TRIBUTE TO COMMANDER EDWARD H. MURRAY

Mr. SHELBY. Mr. President, I rise today to recognize the service of Commander Edward H. Murray of the U.S. Navy on the occasion of his retirement after 20 years of Active Duty. I would like to briefly share with my colleagues some of the highlights of his fine career.

For the past 20 years, Commander Murray excelled in leading Navy Sailors as an E-2C naval flight officer. He served sea tours with VAW-116, deploying on the USS *Constellation* and USS *Abraham Lincoln* in support of coalition forces in Iraq and operations in the Western Pacific. He also deployed to the Western Pacific with VTC-12 on-board the USS *Bonhomme Richard*, providing airspace and diplomatic coordination. Ashore, Commander Murray's assignments included a special selection as aide-de-camp to the four-star commander of the U.S. Naval Forces in Naples, Italy, during operations in

Kosovo and Libya. He also served my colleague, Senator TIM Kaine of Virginia, as a legislative fellow and then continued his service in the Navy Office of Legislative Affairs as deputy director of the Senate Liaison Office.

I have gotten to know Commander Murray over the past 2 years through his assignment to the Navy's Appropriations Matters Office. As a representative of the Chief of Naval Operations and Secretary of the Navy, he provided valuable support to Members of the Senate and House Appropriations Committees regarding the Navy's budgetary needs. His efforts to provide timely and transparent information to the committees contributed to the enactment of the Defense Appropriations Acts for fiscal years 2019 and 2020. Commander Murray also provided superior support to me and many of my colleagues as we traveled across Europe and Asia conducting oversight of critical national security assets abroad.

As Commander Murray departs the Pentagon, I want to take this opportunity to congratulate him on his retirement; to thank him, his wife Amanda, and his family for their years of service; and to wish him the very best going forward.

#### REMEMBERING FIREMAN 2ND CLASS ALBERT RENNER

Mr. CRAMER. Mr. President, today, as he is buried in the North Dakota Veterans Cemetery just outside of his hometown of Mandan, ND, I honor the life and patriotism of Navy Fireman 2nd Class Albert Renner. Like so many young men of this "greatest generation," he answered the call to defend his country during World War II. On December 7, 1941, at the age of 24, he made the ultimate sacrifice along with 2,402 other soldiers and sailors during the Japanese attack on Pearl Harbor. He was serving on the USS *West Virginia*, which sank after being hit by at least seven torpedoes and two bombs.

Last year, aided by a positive DNA sent by his surviving siblings several decades ago, Albert Renner's remains were finally positively identified. On Tuesday, his body arrived at the Minneapolis airport. A full military escort motorcade carrying his casket traveled the 400 miles home to Mandan. Many citizens, including veterans and fire and police men and women, stopped along the highway to solemnly pay their respects as the motorcade passed by.

Attending today's funeral service and burial are members of his family who have traveled from across the Nation to pay their respects to this beloved member of their family. Even though many of them never met him, together they are mourning the lost blessings of Albert not being a part of their family for the past 79 years.

Albert could have had a rewarding life on the family farm or in some other profession. He could have had a wife and family and home of his own.

His burial service today is a poignant reminder of how the sacrifice of heroes defending our Nation have an impact far into the future on those who knew and loved them—and those who never will.

Navy Fireman 2nd Class Albert Renner died so Americans could live in peace and prosperity. He is now back in his home State, lying in eternal rest with other North Dakota heroes. I thank the many patriots who are committed to identifying the remains of all unknown American service members and bringing them home.

To the family of Navy Fireman 2nd Class Albert Renner, I join citizens across our State and Nation in sending our sincere condolences. It is heroes like Albert who have kept our communities, State, Nation, and world safe. His life made a difference in the lives of all of us. We are forever grateful.

##### ZOEY'S CONGENITAL CATARACT AWARENESS DAY

• Mr. PAUL. Mr. President, a special little girl named Zoey is celebrating her first birthday on September 28, 2020. In recognition of this day, Spencer County Judge Executive John Riley is declaring it as Zoey's Congenital Cataract Awareness Day. It is the hope of her parents that every primary care clinician in Spencer County, the Commonwealth of Kentucky, and beyond, is aware of this rare cause of blindness that can be surgically treated when diagnosed early enough. As an ophthalmologist, I have had the privilege of participating in these surgeries and know how life-changing early intervention can be. Fortunately for Zoey, after three surgeries, she has a very promising prognosis. I am honored to help make Zoey's birthday wish come true by sharing her story and thereby raising awareness for the early detection and treatment of congenital cataracts.●
