

Trinity attracts tourists and locals alike and has developed a reputation for its quality food, service, and views of Lake Pend Oreille. In addition to serving quality southern cuisine, the restaurant also provides dozens of local jobs and enhances the cultural richness of Northern Idaho through their day-to-day service and steady participation in community events.

In recent months, Trinity at City Beach has done their part to reduce the spread of COVID-19, offering carryout and dine-in eating to the Sandpoint community while safely maintaining CDC social distancing and face covering guidelines. Additionally, Dick and his team have raised money and collected food to be donated to non-profit organizations and healthcare centers in the Sandpoint area to help ease the burden on frontline workers.

Congratulations to Justin Dick and all of the employees of Trinity at City Beach on being selected as the Idaho Small Business of the Month for September 2020. You make our great State proud, and I look forward to your continued growth and success.●

## PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-234. A resolution adopted by the Senate of the State of New Jersey expressing opposition to the Department of Housing and Urban Development's proposed changes to the Affirmatively Furthering Fair Housing Rule adopted in 2015; to the Committee on Banking, Housing, and Urban Affairs.

### SENATE RESOLUTION NO. 76

Whereas, In 2015, the United States Department of Housing and Urban Development ("HUD") adopted an Affirmatively Furthering Fair Housing ("AFFH") rule that established a new framework for HUD funding

recipients to meet their longstanding legal obligation under the federal Fair Housing Act to reduce barriers to fair housing and equal opportunity; and

Whereas, The AFFH rule was promulgated in response to the recommendations of the United States Government Accountability Office and affected stakeholders centered on the need for HUD to bolster its fair housing planning obligations by providing greater clarity and support to HUD funding recipients and facilitating local decision-making on fair housing priorities and goals; and

Whereas, The AFFH rule achieves these ends by providing clearer standards for meeting fair housing obligations, greater transparency, increased access to data concerning fair housing conditions and access to opportunity, and new mapping and customizable assessment tools, as well as by encouraging collaboration between jurisdictions and community input and participation; and

Whereas, The AFFH rule ultimately serves to help HUD funding recipients take meaningful actions to overcome historic patterns of segregation, promote fair housing choice, and foster inclusive communities that are free from discrimination; and

Whereas, On August 9, 2018, HUD issued an advance notice of a proposed rulemaking that would undo much of the AFFH rule for the stated reasons that the rule impeded the development and rehabilitation of affordable housing and provided inadequate autonomy to HUD funding recipients; and

Whereas, The AFFH rule has not been in effect long enough to adequately assess its effect on the development and rehabilitation of affordable housing, the rule does not in fact dictate how communities should meet their fair housing obligations, and the rule has produced concrete improvements in fair housing, such as the commitment of Chester County, Pennsylvania to reduce the number of Section 8 recipients living in high-poverty census tracts by five percentage points; and

Whereas, It is altogether fitting, proper, and in the public interest, for this House to express opposition to HUD's proposed rulemaking that would upend the AFFH rule and exacerbate housing inequities in both this State and across the United States; now, therefore, be it

*Resolved, by the Senate of the State of New Jersey:*

1. This House expresses its opposition to and disapproval of the United States Department of Housing and Urban Development's proposed rulemaking revising its Affirmatively Furthering Fair Housing rule adopted in 2015.

2. Copies of this resolution, as filed with the Secretary of State, shall be transmitted by the Secretary of the Senate to the President and Vice President of the United States, the United States Secretary of Housing and Urban Development, and each member of Congress elected from this State.

POM-235. A resolution adopted by the General Assembly of the State of New Jersey urging the United States Congress and the President of the United States to eliminate funding disparities among land-grant institutions of higher education; to the Committee on Health, Education, Labor, and Pensions.

### ASSEMBLY RESOLUTION NO. 125

Whereas, Historically Black Colleges and Universities (HBCUs) have been providing a crucial means for the educational and economic advancement of African-Americans for more than a century; and

Whereas, By serving the African-American community, HBCUs serve all Americans by preparing gifted young men and women to achieve their dreams and succeed in their life goals; and

Whereas, Today, there are more than 100 HBCUs in the United States, all of which embody many of our most deeply cherished values such as equality, diversity, opportunity, and hard work; and

Whereas, HBCUs have their roots in the federal Morrill Act of 1862, which required that each state have at least one land-grant institution. Historically, most of these institutions have been predominantly white. Since African-Americans were barred from many of these land-grant institutions, a second Morrill Act was adopted in 1890 requiring states to show that race was not a factor in the admission criteria of land-grant institutions or else they would lose federal funding; and

Whereas, Instead of unifying the institutions, some states opted to create separate land-grant colleges for African-Americans, which allowed those states to keep segregated colleges and at the same time not lose federal funding; and

Whereas, 1890 land-grant institutions—HBCUs—have largely received less funding per student when compared to their 1862 land-grant counterparts, in some instances receiving only half the funding given to other institutions; and

Whereas, It should be a public policy goal of the federal government to enact laws aimed at eliminating the existing funding inequity between HBCUs and 1862 land-grant institutions; and

Whereas, By increasing funding to HBCUs, the federal government would be providing vital support to these institutions as they continue their endeavor to improve the quality of life of African-Americans by providing them with high quality education; and

Whereas, It is important, therefore, that Congress and the President of the United States enact legislation which eliminates the existing funding inequities between HBCUs and 1862 land-grant institutions in order to have equal education opportunity through equal funding for all land-grant institutions; Now, therefore, be it

*Resolved by the General Assembly of the State of New Jersey:*

1. The General Assembly of the State of New Jersey respectfully urges Congress and the President of the United States to enact legislation aimed at eliminating the existing funding inequity between Historically Black Colleges and Universities, which are the 1890 land-grant institutions of higher education, and the 1862 land-grant institutions of higher education.

2. Copies of this resolution, as filed with the Secretary of State, shall be transmitted by the Clerk of the General Assembly to the President and Vice-President of the United States, the Majority and Minority Leaders of the United States Senate, the Speaker and Minority Leader of the United States House of Representatives, and to every member of New Jersey's Congressional delegation.

POM-236. A resolution adopted by the Senate of the State of Michigan urging the United States Congress to explore further avenues of relief for businesses affected by the COVID-19 pandemic; to the Committee on Banking, Housing, and Urban Affairs.

### SENATE RESOLUTION NO. 130

Whereas, The COVID-19 Pandemic has dramatically affected Michigan and the United States. The first cases in Michigan were reported on March 10, 2020, and since these initial reports more than 56,000 cases have been confirmed and more than 5,000 Michiganders have lost their lives to the novel coronavirus. Nationally, there have been more than 1.7 million cases and 100,000 deaths; and

Whereas, Mitigating the spread of the virus has required extraordinary public health
