

EXTENSIONS OF REMARKS

IN MEMORY OF ROSLYN (LYNNE)
HOTLZMAN NIERENBERG

HON. JAIME HERRERA BEUTLER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 24, 2020

Ms. HERRERA BEUTLER. Madam Speaker, Roslyn (Lynne) Holtzman Nierenberg died on August 25, 2020 after a long decline. She and her identical twin sister Sara (Sue) were born at home 2 months early on November 18, 1928. Dr. Richardson, who delivered them, visited daily for months until he was sure they would survive. Their father, Aaron Holtzman, came to America from Belarus in 1920. Their mother, Gertrude Lemonik Holtzman, was born on the lower East side. Her parents were from Ukraine. Lynne and Sue's parents initially had a general store in Norwood, NJ. They later had a men's shop in Bergenfield, NJ. Lynne and Sue went to the public schools in Bergenfield, NJ. They have two surviving younger sisters, Myra (Mikey) and Carol Ann (Candy), and one sister Cynthia, who died in infancy. Lynne and Sue graduated from New Jersey College for Women (NJC) at Rutgers University in New Brunswick, NJ in 1950. (NJC later became Douglass College.)

Lynne met Theodore (Ted) Nierenberg in the summer of 1947 when they were counselors at Lakeside Pines, a girls' sleep away camp. This was after he served as an officer in the Navy in the South Pacific in World War II. They married in 1950 after Lynne graduated from college. They lived in Queens, NY initially, while Lynne did editorial work and Ted worked in the insurance industry. They bought their first house in Teaneck, NJ shortly before their first child, David, was born in 1953. They moved to a second house in Teaneck in 1960 before their fourth child was born. Lynne spent many busy years raising four children, being a member of Temple Emeth, being an active member of many PTA's, and doing volunteer work at Englewood Hospital. She was a wonderful mother. She encouraged her children to read, study music, get involved in extracurricular activities, and do volunteer work.

Lynne had always wanted to be a nurse. In 1968, the first year that Englewood Hospital admitted older students, Lynne started nursing school. She graduated two years later, first in her class. Lynne initially worked as a psychiatric nurse in the inpatient psychiatric unit at Englewood Hospital. She then worked at an outpatient mental health center in Dumont, now called Vantage Mental Health Care. She then taught psychiatric nursing at Holy Name School of Nursing. While at Holy Name, she earned a masters degree in counseling. She then became the psychiatric nursing supervisor at Englewood Hospital. (The job also entailed doing psychiatric continuing education for the nursing staff and serving as a liaison when patients with psychiatric problems needed to be hospitalized on the medical or sur-

gical floors.) Lynne briefly worked in psychiatric medication research at Montefiore Hospital in the Bronx, NY. Lynne then worked at the outpatient mental health center at Miseracordia Hospital (now Our Lady of Mercy), in the Bronx, NY. She functioned there like a psychiatric nurse-practitioner. This was her most challenging and satisfying job because it pulled together all of her skills. She retired in 1993.

Lynne also did volunteer work. For about 13 years, she ran a support group through the American Cancer Society's Cancer Adjustment Program. She later ran the Survivors after Suicide support group for about 13 years at Vantage Mental Health Care. She also ran a support group for women who had premature babies.

She was the devoted mother of David Nierenberg (married to Patricia) of Camas, Washington; Susan Nierenberg (married to Peter Goldman) of Teaneck; Amy Knitzer (married to Jonathan Perlstein) of Montclair, NJ; and Ellen Nierenberg, currently living in Tromsø, Norway. She LOVED being a grandmother to: David and Patricia's children: Elodie, Jacob, and Albanie; Susan and Peter's daughter Emily; Amy and Jonathan's sons Dan and Zack; and Ellen and Jens' children: Johanne, Solveig, and Daniel.

Unfortunately, Lynne developed Alzheimer's Disease. After Ted had a stroke in 2009, Lynne and Ted moved in 2010 into Van Dyk Park Place, an assisted living facility in Hawthorne, NJ. Ted died in 2011.

Lynne is survived and missed by: her sisters Mikey and Candy, her children David, Susan, Amy, and Ellen, her 9 grandchildren, and 14 nieces and nephews.

HONORING THE LIFE OF PATRICK
BEAUREGARD

HON. JAMIE RASKIN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 24, 2020

Mr. RASKIN. Madam Speaker, I rise today to honor the extraordinary life of Patrick Beauregard, who passed away on September 6, 2020 at the age of 29 after battling stage IV young-onset colorectal cancer. Patrick will be remembered as a compassionate, loyal and thoughtful man, and I had the good fortune of spending time with him during his grueling battle against the disease.

Patrick was raised in Massachusetts and went to college in Rhode Island. Following his college graduation, he fulfilled his lifelong dream of serving in the military. He enlisted in the United States Marine Corps in April 2013 and served as an Intelligence Analyst until he was honorably discharged in July 2019. Throughout his service, Patrick received commendations for his exceptional leadership, initiative, loyalty and dedication to duty.

During his grueling 40 rounds of treatment—something his Marine training helped him endure—I had the honor of meeting with Patrick to discuss how Congress can contribute to the fight against colorectal cancer. He was passionate about advocating for greater research funds and generating national awareness about young-onset colorectal cancer. Although Patrick eventually lost his years long struggle with the disease, his advocacy work will continue to benefit and give hope to countless colorectal cancer patients and their families for years to come.

Throughout his 3-year battle, Patrick remained remarkably positive. Prior to his passing, Patrick was able to accomplish his final goal of meeting his son, Noah Patrick, born on July 10, 2020. Patrick is survived by his wife, Amanda, and by Noah. I ask my colleagues to join me in honoring the precious and irreplaceable life of Patrick Beauregard. He will be missed dearly.

IN RECOGNITION OF THE
CENTENNIAL OF PITNEY BOWES

HON. ROBERT J. WITTMAN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 24, 2020

Mr. WITTMAN. Madam Speaker, I rise today in recognition of the Centennial of Pitney Bowes. In 1920, Arthur Pitney and Walter Bowes put their ideas together to create a business, Pitney Bowes.

Arthur being the inventor and Walter being the promoter, together they created the Pitney Bowes Postage Meter and it was officially approved on September 1st by Congress to be used by the United States Postal Service. Twenty years later during World War II, a Pitney Bowes plant in Connecticut was almost entirely ran by women.

Following the war, nearly half of the men employed were World War II veterans. As the years passed, the company went on to further create inventions, boost productivity, drive precision, and decrease cost of mailing. Pitney Bowes is a living legacy of always innovating, adapting, and striving together to do better.

Since day one, they founded Pitney Bowes on innovation and powering commerce, seeking to do the right thing, the right way for customers, their people, and the world around us. Today, one hundred years later, they still abide by the same values that they began on. Technology is ever changing and evolving, it is remarkable to see the Pitney Bowes company flourish within this industry.

Therefore, Madam Speaker, I ask you to rise with me in celebration of the Centennial of Pitney Bowes. One hundred years is a monumental milestone. I want to thank Pitney Bowes for their dedication, commitment, and services to the people of Virginia's First District and to Americans across the nation.
