POLICY JUSTIFICATION

United Kingdom—Follow-on Contractor Logistics Support (CLS) for C-17 Aircraft

The Government of the United Kingdom has requested to buy follow-on C-17 aircraft Contractor Logistical Support (CLS) to include aircraft component spare and repair parts; accessories; publications and technical documentation; software and software support; U.S. Government and contractor engineering, technical and logistical support services; and other related elements of logistical and program support. The total estimated program cost is \$401.3 million.

This proposed sale will support the foreign policy and national security objectives of the United States by improving the security of a key NATO Ally, which is an important force for political stability and economic progress in Europe.

This proposed sale will improve the United Kingdom's capability to meet current and future threats by ensuring the operational readiness of the Royal Air Force. Its C-17 aircraft fleet provides strategic airlift capabilities that directly support U.S. and coalition operations around the world. The United Kingdom will have no difficulty absorbing these services into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The prime contractor will be The Boeing Company of Chicago, IL. There are no known offset agreements proposed in connection with this potential sale.

Implementation of the proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to the United Kingdom.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

ADDITIONAL STATEMENTS

TRIBUTE TO LAURA NOWLIN

• Mr. DAINES. Mr. President, this week I have the honor of recognizing Laura Nowlin of Teton County for her compassion and dedication to her community.

Since 1986, Laura has devoted her time to working at the Teton County Food Pantry as both a volunteer and a member of the executive board. Over the course of her 33 years at the food pantry, she ensured families in the community had healthy and hearty groceries with no exceptions. Rain or shine, Laura was always there to help the people of Teton County get the nutrition they needed.

Recently named the board member emeritus of the pantry, Laura will be dearly missed by her colleagues. Her unwavering selflessness was an incredibly valuable asset to both the pantry and her community and will continue to be in her new capacity.

It is my distinct honor to recognize Laura for her tireless service to the

people of Teton County. Her kindness and charitable approach to work serves as an inspiration to all Montanans who serve our communities.●

TRIBUTE TO MISTY BRITT

• Mrs. HYDE-SMITH. Mr. President, I would like to recognize Misty Britt, an ICU nurse at Kings Daughters Medical Center in my hometown of Brookhaven, MS. During the pandemic, Misty has truly stepped up to be a leader in the hospital. She manages the nurses on her rotation, picks up extra shifts; reads, studies, and learns about the virus; and has helped streamline the workflow to make the environment in the hospital more manageable for health care workers and patients.

Misty cares for her patients with compassion and empathy. She holds their hand when they are afraid, assists with family FaceTime calls when family isn't allowed to visit, and forms close relationships with each patient by offering love and encouragement. No matter the circumstance, Misty is by her patient's side helping them fight every day for their lives. It is nurses like Misty who do the mundane and the heroic work with tender loving care and are able to provide patients more comfort during difficult times.

For nurses all over our Nation, it is overwhelming to witness what COVID is doing to their patients. The physical, emotional, and mental stress of their work continues to mount. Every day, they go to work knowing they may lose another patient and endure more emotional strain. I am grateful for the hard work and personal sacrifice Misty and other ICU nurses undertake. They have my admiration.●

TRIBUTE TO LARUE LAMBERT

• Mrs. HYDE-SMITH. Mr. President, I would like to recognize, Larue Lambert, who has worked for Kings Daughters Medical Center in Brookhaven, MS, for over 20 years. Mr. Lambert worked as an ICU nurse before moving into the house coordinator position, where he monitors admissions and discharges, staffing needs, patient census, responds to emergencies, and compiles detailed reports for the chief nurse.

During the COVID-19 pandemic, Mr. Lambert has picked up additional responsibilities to ensure the hospital is functioning smoothly on a daily basis. Personal protective equipment was a huge concern for all hospitals at the beginning of the pandemic. Mr. Lambert closely monitors the hospital's PPE inventory and would distribute it to units that were in need. Additionally, he picked up extra shifts when staffing levels were low. As a frontline healthcare worker, Mr. Lambert selflessly puts his life in danger each day to care for his fellow Mississippians.

Larue risks not only his personal health, but the health of his close friends and family each day while he assists in the fight against this pandemic. I commend Larue Lambert for
