''SEC. 202. REPORT AND GUIDANCE ON UNREGULATED CUSTODY TRANSFERS.

''(a) SENSE OF CONGRESS.—It is the sense of Congress that:

''(1) Some adopted children may be at risk of experiencing an unregulated custody transfer because the challenges associated with adoptions (including the child's mental health needs and the difficulties many families face in acquiring support services) may lead families to seek out unregulated custody transfers.

''(2) Some adopted children experience trauma, and the disruption and placement in another home by unregulated custody transfer creates additional trauma and instability for children.

''(3) Children who experience an unregulated custody transfer may be placed with families who have not completed required child welfare or criminal background checks or clearances.

''(4) Social services agencies and courts are often unaware of the placement of children through unregulated custody transfer and therefore do not conduct assessments on the child's safety and well-being in such placements.

''(5) Such lack of placement oversight places a child at risk for future abuse and increases the chance that the child may experience—

''(A) abuse or neglect;

''(B) contact with unsafe adults or youth; and

''(C) exposure to unsafe or isolated environments.

''(6) The caregivers with whom a child is placed through unregulated custody transfer often have no legal responsibility with respect to such child, placing the child at risk for additional unregulated custody transfers.

''(7) Such caregivers also may not have complete records with respect to such child, including the child's birth, medical, or immigration records.

''(8) A child adopted through intercountry adoption may be at risk of not acquiring United States citizenship if an unregulated custody transfer occurs before the adoptive parents complete all necessary steps to finalize the adoption of such child.

''(9) Engaging in, or offering to engage in, unregulated custody transfer places children at risk of harm.

''(b) REPORT TO CONGRESS.—

''(1) IN GENERAL.—Not later than 1 year after the date of the enactment of this section, the Secretary of Health and Human Services shall provide to the Committee on Education and Labor of the House of Representatives, the Committee on Ways and Means of the House of Representatives, the Committee on Finance of the Senate, and the Committee on Health, Education, Labor and Pensions of the Senate a report on unregulated custody transfers of children, including of adopted children.

''(A) the causes, methods, and characteristics of unregulated custody transfers, including the use of social media and the internet;

''(B) the effects of unregulated custody transfers on children, including the lack of assessment of a child's safety and well-being by social services agencies and courts due to such unregulated custody transfer;

''(C) the prevalence of unregulated custody transfers within each State and across all States; and

''(D) recommended policies for preventing, identifying, and responding to unregulated custody transfers, including of adopted children, that include—

''(i) amendments to Federal and State law to address unregulated custody transfers;

SEC. 102. COMPOSITE PLANS.

(a) AMENDMENT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974.—

(1) IN GENERAL.—Title I of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1001 et seq.) is amended by adding at the end the following:

''PART 8—COMPOSITE PLANS AND LEGACY PLANS

''SEC. 801. COMPOSITE PLAN DEFINED.

''(a) IN GENERAL.—For purposes of this Act, the term 'composite plan' means a pension plan—

''(1) which is a multiemployer plan that is neither a defined benefit plan nor a defined contribution plan;

''(2) the terms of which provide that the plan is a composite plan for purposes of this title with respect to which not more than one multiemployer defined benefit plan is treated as a legacy plan within the meaning of section 805, unless there is more than one legacy plan following a merger of composite plans under section 806;

''(3) which provides systematically for the payment of benefits—

''(A) objectively calculated pursuant to a formula enumerated in the plan document with respect to plan participants after retirement, for life; and

''(B) in the form of life annuities, except for benefits which under section 203(e) may be immediately distributed without the consent of the participant;

''(4) for which the plan contributions for the first plan year are at least 120 percent of the normal cost for the plan year;

''(5) which requires—

''(A) an annual valuation of the liability of the plan as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year;

''(B) an annual actuarial determination of the plan's current funded ratio and projected funded ratio under section 802(a);

''(C) corrective action through a realignment program pursuant to section 803 whenever the plan's projected funded ratio is below 120 percent for the plan year; and

''(D) an annual notification to each participant describing the participant's benefits under the plan and explaining that such benefits may be subject to reduction under a realignment program pursuant to section 803 based on the plan's funded status in future plan years; and

''(6) the board of trustees of which includes at least one retiree or beneficiary in pay status during each plan year following the first plan year in which at least 5 percent of the participants in the plan are retirees or beneficiaries in pay status.

''(b) TRANSITION FROM A MULTIEMPLOYER DEFINED BENEFIT PLAN.—

''(1) IN GENERAL.—The plan sponsor of a defined benefit plan that is a multiemployer plan may, subject to paragraph (2), amend the plan to incorporate the features of a composite plan as a component of the multiemployer plan separate from the defined benefit plan component, except in the case of a defined benefit plan for which the plan actuary has certified under section 305(b)(3) that the plan is or will be in critical status for the plan year in which such amendment would become effective or for any of the succeeding 5 plan years.

''(2) REQUIREMENTS.—Any amendment pursuant to paragraph (1) to incorporate the features of a composite plan as a component of a multiemployer plan shall—

''(A) apply with respect to all collective bargaining agreements providing for contributions to the multiemployer plan on or after the effective date of the amendment;

''(B) apply with respect to all participants in the multiemployer plan for whom contributions are made to the multiemployer plan on or after the effective date of the amendment;

''(C) specify that the effective date of the amendment is—

''(i) the first day of a specified plan year following the date of the adoption of the amendment, except that the plan sponsor may alternatively provide for a separate effective date with respect to each collective bargaining agreement under which contributions to the multiemployer plan are required, which shall occur on the first day of the first plan year beginning after the termination, or if earlier, the re-opening, of each such agreement, or such earlier date as the parties to the agreement and the plan sponsor of the multiemployer plan shall agree to; and

''(ii) not later than the first day of the fifth plan year beginning on or after the date of the adoption of the amendment;

''(D) specify that, as of the amendment's effective date, no further benefits shall accrue under the defined benefit component of the multiemployer plan; and

''(E) specify that, as of the amendment's effective date, the plan sponsor of the multiemployer plan shall be the plan sponsor of both the composite plan component and the defined benefit plan component of the plan.

''(3) SPECIAL RULES.—If a multiemployer plan is amended pursuant to paragraph (1)—

''(A) the requirements of this title and title IV shall be applied to the composite plan component and the defined benefit plan component of the multiemployer plan as if each such component were maintained as a separate plan; and

''(B) the assets of the composite plan component and the defined benefit plan component of the plan shall be held in a single trust forming part of the plan under which the trust instrument expressly provides—

''(i) for separate accounts (and appropriate records) to be maintained to reflect the interest which each of the plan components has in the trust, including separate accounting for additions to the trust for the benefit of each plan component, disbursements made from each plan component's account in the trust, investment experience of the trust allocable to that account, and administrative expenses (whether direct expenses or shared expenses allocated proportionally), and permits, but does not require, the pooling of some or all of the assets of the two plan components for investment purposes; and

''(ii) that the assets of each of the two plan components shall be held, invested, reinvested, managed, administered and distributed for the exclusive benefit of the participants and beneficiaries of each such plan component, and in no event shall the assets of one of the plan components be available to pay benefits due under the other plan component.

''(4) NOT A TERMINATION EVENT.—Notwithstanding section 4041A, an amendment pursuant to paragraph (1) to incorporate the features of a composite plan as a component of a multiemployer plan does not constitute termination of the multiemployer plan.

''(5) NOTICE TO THE SECRETARY.—

''(A) NOTICE.—The plan sponsor of a composite plan shall provide notice to the Secretary of the intent to establish the composite plan (or, in the case of a composite plan incorporated as a component of a multiemployer plan as described in paragraph (1), the intent to amend the multiemployer plan to incorporate such composite plan) at least 30 days prior to the effective date of such establishment or amendment.

''(B) CERTIFICATION.—In the case of a composite plan incorporated as a component of a multiemployer plan as described in paragraph (1), such notice shall include a certification by the plan actuary under section 305(b)(3) that the effective date of the amendment occurs in a plan year for which the multiemployer plan is not in critical status for that plan year and any of the succeeding 5 plan years.

''(6) REFERENCES TO COMPOSITE PLAN COMPONENT.—As used in this part, the term 'composite plan' includes a composite plan component added to a defined benefit plan pursuant to paragraph (1).

''(7) RULE OF CONSTRUCTION.—Paragraph (2)(A) shall not be construed as preventing the plan sponsor of a multiemployer plan from adopting an amendment pursuant to paragraph (1) because some collective bargaining agreements are amended to cease any covered employer's obligation to contribute to the multiemployer plan before or after the plan amendment is effective. Paragraph (2)(B) shall not be construed as preventing the plan sponsor of a multiemployer plan from adopting an amendment pursuant to paragraph (1) because some participants cease to have contributions made to the multiemployer plan on their behalf before or after the plan amendment is effective.

''(c) COORDINATION WITH FUNDING RULES.—Except as otherwise provided in this title, sections 302, 304, and 305 shall not apply to a composite plan.

''(d) TREATMENT OF A COMPOSITE PLAN.—For purposes of this Act (other than sections 302 and 4245), a composite plan shall be treated as if it were a defined benefit plan unless a different treatment is provided for under applicable law.

''SEC. 802. FUNDED RATIOS; ACTUARIAL ASSUMPTIONS.

''(a) CERTIFICATION OF FUNDED RATIOS.—

''(1) IN GENERAL.—Not later than the one-hundred twentieth day of each plan year of a composite plan, the plan actuary of the composite plan shall certify to the Secretary, the Secretary of the Treasury, and the plan sponsor the plan's current funded ratio and projected funded ratio for the plan year.

''(2) DETERMINATION OF CURRENT FUNDED RATIO AND PROJECTED FUNDED RATIO.—For purposes of this section:

''(A) CURRENT FUNDED RATIO.—The current funded ratio is the ratio (expressed as a percentage) of—

''(i) the value of the plan's assets as of the first day of the plan year; to

''(ii) the plan actuary's best estimate of the present value of the plan liabilities as of the first day of the plan year.

''(B) PROJECTED FUNDED RATIO.—The projected funded ratio is the current funded ratio projected to the first day of the fifteenth plan year following the plan year for which the determination is being made.

''(3) CONSIDERATION OF CONTRIBUTION RATE INCREASES.—For purposes of projections under this subsection, the plan sponsor may anticipate contribution rate increases beyond the term of the current collective bargaining agreement and any agreed-to supplements, up to a maximum of 2.5 percent per year, compounded annually, unless it would be unreasonable under the circumstances to assume that contributions would increase by that amount.

''(b) ACTUARIAL ASSUMPTIONS AND METHODS.—For purposes of this part:

''(1) IN GENERAL.—All costs, liabilities, rates of interest and other factors under the plan shall be determined for a plan year on the basis of actuarial assumptions and methods—

''(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations);

''(B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan; and

''(C) with respect to which any change from the actuarial assumptions and methods used in the previous plan year shall be certified by the plan actuary and the actuarial rationale for such change provided in the annual report required by section 103.

''(2) FAIR MARKET VALUE OF ASSETS.—The value of the plan's assets shall be taken into account on the basis of their fair market value.

''(3) DETERMINATION OF NORMAL COST AND PLAN LIABILITIES.—A plan's normal cost and liabilities shall be based on the most recent actuarial valuation required under section 801(a)(5)(A) and the unit credit funding method.

''(4) TIME WHEN CERTAIN CONTRIBUTIONS DEEMED MADE.—Any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this paragraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary of the Treasury.

''(5) ADDITIONAL ACTUARIAL ASSUMPTIONS.—Except where otherwise provided in this part, the provisions of section 305(b)(3)(B) shall apply to any determination or projection under this part.

''SEC. 803. REALIGNMENT PROGRAM.

''(a) REALIGNMENT PROGRAM.—

''(1) ADOPTION.—In any case in which the plan actuary certifies under section 802(a) that the plan's projected funded ratio is below 120 percent for the plan year, the plan sponsor shall adopt a realignment program under paragraph (2) not later than 210 days after the due date of the certification required under such section 802(a). The plan sponsor shall adopt an updated realignment program for each succeeding plan year for which a certification described in the preceding sentence is made.

''(2) CONTENT OF REALIGNMENT PROGRAM.—

''(A) IN GENERAL.—A realignment program adopted under this paragraph is a written program which consists of all reasonable measures, including options or a range of options to be undertaken by the plan sponsor or proposed to the bargaining parties, formulated, based on reasonably anticipated experience and reasonable actuarial assumptions, to enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year.

''(B) INITIAL PROGRAM ELEMENTS.—Reasonable measures under a realignment program described in subparagraph (A) may include any of the following:

''(i) Proposed contribution increases.

''(ii) A reduction in the rate of future benefit accruals, so long as the resulting rate is not less than 1 percent of the contributions on which benefits are based as of the start of the plan year (or the equivalent standard accrual rate as described in section 305(e)(6)).

''(iii) A modification or elimination of adjustable benefits of participants that are not in pay status before the date of the notice required under subsection (b)(1).

''(iv) Any other lawfully available measures not specifically described in this subparagraph or subparagraph (C) or (D) that the plan sponsor determines are reasonable.

''(C) ADDITIONAL PROGRAM ELEMENTS.—If the plan sponsor has determined that all reasonable measures available under subparagraph (B) will not enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year, such reasonable measures may also include—

''(i) a reduction of accrued benefits that are not in pay status by the date of the notice required under subsection (b)(1); or

''(ii) a reduction of any benefits of participants that are in pay status before the date of the notice required under subsection (b)(1) other than core benefits as defined in paragraph (4).

''(D) ADDITIONAL REDUCTIONS.—In the case of a composite plan for which the plan sponsor has determined that all reasonable measures available under subparagraphs (B) and (C) will not enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year, such reasonable measures may also include—

''(i) a further reduction in the rate of future benefit accruals without regard to the limitation applicable under subparagraph (B)(ii); or

''(ii) a reduction of core benefits;

provided that such reductions shall be equitably distributed across the participant and beneficiary population, taking into account factors, with respect to participants and beneficiaries and their benefits, that may include one or more of the factors listed in subclauses (I) through (X) of section 305(e)(9)(D)(vi), to the extent necessary to enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year, or at the election of the plan sponsor, a projected funded ratio of at least 100 percent for the following plan year and a current funded ratio of at least 90 percent.

''(3) ADJUSTABLE BENEFIT DEFINED.—For purposes of this part, the term 'adjustable benefit' means—

''(A) benefits, rights, and features under the plan, including post-retirement death benefits, 60-month guarantees, disability benefits not yet in pay status, and similar benefits;

''(B) any early retirement benefit or retirement-type subsidy (within the meaning of section 204(g)(2)(A)) and any benefit payment option (other than the qualified joint and survivor annuity); and

''(C) benefit increases that were adopted (or, if later, took effect) less than 60 months before the first day such realignment program took effect.

''(4) CORE BENEFIT DEFINED.—For purposes of this part, the term 'core benefit' means a participant's accrued benefit payable in the normal form of an annuity commencing at normal retirement age, determined without regard to—

''(A) any early retirement benefits, retirement-type subsidies, or other benefits, rights, or features that may be associated with that benefit; and

''(B) any cost-of-living adjustments or benefit increases effective after the date of retirement.

''(5) COORDINATION WITH CONTRIBUTION INCREASES.—

''(A) IN GENERAL.—A realignment program may provide that some or all of the benefit modifications described in the program will only take effect if the bargaining parties fail to agree to specified levels of increases in contributions to the plan, effective as of specified dates.

''(B) INDEPENDENT BENEFIT MODIFICATIONS.—If a realignment program adopts any changes to the benefit formula that are independent of potential contribution increases, such changes shall take effect not later than 180 days after the first day of the first plan year that begins following the adoption of the realignment program.

''(C) CONDITIONAL BENEFIT MODIFICATIONS.—If a realignment program adopts any changes to the benefit formula that take effect only if the bargaining parties fail to agree to contribution increases, such changes shall take effect not later than the first day of the first plan year beginning after the third anniversary of the date of adoption of the realignment program.

''(D) REVOCATION OF CERTAIN BENEFIT MODIFICATIONS.—Benefit modifications described in subparagraph (C) may be revoked, in whole or in part, and retroactively or prospectively, when contributions to the plan are increased, as specified in the realignment program, including any amendments thereto. The preceding sentence shall not apply unless the contribution increases are to be effective not later than the fifth anniversary of the first day of the first plan year that begins after the adoption of the realignment program.

''(b) NOTICE.—

''(1) IN GENERAL.—In any case in which it is certified under section 802(a) that the projected funded ratio is less than 120 percent, the plan sponsor shall, not later than 30 days after the date of the certification, provide notification of the current and projected funded ratios to the participants and beneficiaries, the bargaining parties, and the Secretary. Such notice shall include—

''(A) an explanation that contribution rate increases or benefit reductions may be necessary;

''(B) a description of the types of benefits that might be reduced; and

''(C) an estimate of the contribution increases and benefit reductions that may be necessary to achieve a projected funded ratio of 120 percent.

''(2) NOTICE OF BENEFIT MODIFICATIONS.—

''(A) IN GENERAL.—No modifications may be made that reduce the rate of future benefit accrual or that reduce core benefits or adjustable benefits unless notice of such reduction has been given at least 180 days before the general effective date of such reduction for all participants and beneficiaries to—

''(i) plan participants and beneficiaries;

''(ii) each employer who has an obligation to contribute to the composite plan; and

''(iii) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such employers.

''(B) CONTENT OF NOTICE.—The notice under subparagraph (A) shall contain—

''(i) sufficient information to enable participants and beneficiaries to understand the effect of any reduction on their benefits, including an illustration of any affected benefit or subsidy, on an annual or monthly basis that a participant or beneficiary would otherwise have been eligible for as of the general effective date described in subparagraph (A); and

''(ii) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance, where appropriate.

''(C) FORM AND MANNER.—Any notice under subparagraph (A)—

''(i) shall be provided in a form and manner prescribed in regulations of the Secretary of Labor;

''(ii) shall be written in a manner so as to be understood by the average plan participant.

''(3) MODEL NOTICES.—The Secretary shall—

''(A) prescribe model notices that the plan sponsor of a composite plan may use to satisfy the notice requirements under this subsection; and

''(B) by regulation enumerate any details related to the elements listed in paragraph (1) that any notice under this subsection must include.

''(4) DELIVERY METHOD.—Any notice under this part shall be provided in writing and

may also be provided in electronic form to the extent that the form is reasonably accessible to persons to whom the notice is provided.

"SEC. 804. LIMITATION ON INCREASING BENEFITS.

''(a) LEVEL OF CURRENT FUNDED RATIOS.—Except as provided in subsections (c), (d), and (e), no plan amendment increasing benefits or establishing new benefits under a composite plan may be adopted for a plan year unless—

''(1) the plan's current funded ratio is at least 110 percent (without regard to the benefit increase or new benefits);

''(2) taking the benefit increase or new benefits into account, the current funded ratio is at least 100 percent and the projected funded ratio for the current plan year is at least 120 percent;

''(3) in any case in which, after taking the benefit increase or new benefits into account, the current funded ratio is less than 140 percent and the projected funded ratio is less than 140 percent, the benefit increase or new benefits are projected by the plan actuary to increase the present value of the plan's liabilities for the plan year by not more than 3 percent; and

''(4) expected contributions for the current plan year are at least 120 percent of normal cost for the plan year, determined using the unit credit funding method and treating the benefit increase or new benefits as in effect for the entire plan year.

''(b) ADDITIONAL REQUIREMENTS WHERE CORE BENEFITS REDUCED.—If a plan has been amended to reduce core benefits pursuant to a realignment program under section 803(a)(2)(D), such plan may not be subsequently amended to increase core benefits unless the amendment—

''(1) increases the level of future benefit payments only; and

''(2) provides for an equitable distribution of benefit increases across the participant and beneficiary population, taking into account the extent to which the benefits of participants were previously reduced pursuant to such realignment program.

''(c) EXCEPTION TO COMPLY WITH APPLICABLE LAW.—Subsection (a) shall not apply in connection with a plan amendment if the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986 or to comply with other applicable law.

''(d) EXCEPTION WHERE MAXIMUM DEDUCTIBLE LIMIT APPLIES.—Subsection (a) shall not apply in connection with a plan amendment if and to the extent that contributions to the composite plan would not be deductible for the plan year under section 404(a)(1)(E) of the Internal Revenue Code of 1986 if the plan amendment is not adopted.

''(e) EXCEPTION FOR CERTAIN BENEFIT MODIFICATIONS.—Subsection (a) shall not apply in connection with a plan amendment under section 803(a)(5)(C), regarding conditional benefit modifications.

''(f) TREATMENT OF PLAN AMENDMENTS.—For purposes of this section—

''(1) if two or more plan amendments increasing benefits or establishing new benefits are adopted in a plan year, such amendments shall be treated as a single amendment adopted on the last day of the plan year;

''(2) all benefit increases and new benefits adopted in a single amendment are treated as a single benefit increase, irrespective of whether the increases and new benefits take effect in more than one plan year; and

''(3) increases in contributions or decreases in plan liabilities which are scheduled to take effect in future plan years may be taken into account in connection with a plan amendment if they have been agreed to in writing or otherwise formalized by the date the plan amendment is adopted.

"SEC. 805. COMPOSITE PLAN RESTRICTIONS TO PRESERVE LEGACY PLAN FUNDING.

''(a) TREATMENT AS A LEGACY PLAN.—

''(1) IN GENERAL.—For purposes of this part and parts 2 and 3, a defined benefit plan shall be treated as a legacy plan with respect to the composite plan under which the employees who were eligible to accrue a benefit under the defined benefit plan become eligible to accrue a benefit under such composite plan.

''(2) COMPONENT PLANS.—In any case in which a defined benefit plan is amended to add a composite plan component pursuant to section 801(b), paragraph (1) shall be applied by substituting 'defined benefit component' for 'defined benefit plan' and 'composite plan component' for 'composite plan'.

''(3) ELIGIBLE TO ACCRUE A BENEFIT.—For purposes of paragraph (1), an employee is considered eligible to accrue a benefit under a composite plan as of the first day in which the employee completes an hour of service under a collective bargaining agreement that provides for contributions to and accruals under the composite plan in lieu of accruals under the legacy plan.

''(4) COLLECTIVE BARGAINING AGREEMENT.—As used in this part, the term 'collective bargaining agreement' includes any agreement under which an employer has an obligation to contribute to a plan.

''(5) OTHER TERMS.—Any term used in this part which is not defined in this part and which is also used in section 305 shall have the same meaning provided such term in such section.

''(b) RESTRICTIONS ON ACCEPTANCE BY COMPOSITE PLAN OF AGREEMENTS AND CONTRIBUTIONS.—

''(1) IN GENERAL.—The plan sponsor of a composite plan shall not accept or recognize a collective bargaining agreement (or any modification to such agreement), and no contributions may be accepted and no benefits may be accrued or otherwise earned under the agreement—

''(A) in any case in which the plan actuary of any defined benefit plan that would be treated as a legacy plan with respect to such composite plan has certified under section 305(b)(3) that such defined benefit plan is or will be in critical status for the plan year in which such agreement would take effect or for any of the succeeding 5 plan years; and

''(B) unless the agreement requires each employer who is a party to such agreement, including employers whose employees are not participants in the legacy plan, to provide contributions to the legacy plan with respect to such composite plan in a manner that satisfies the transition contribution requirements of subsection (d).

''(2) NOTICE.—Not later than 30 days after a determination by a plan sponsor of a composite plan that an agreement fails to satisfy the requirements described in paragraph (1), the plan sponsor shall provide notification of such failure and the reasons for such determination—

''(A) to the parties to the agreement;

''(B) to active participants of the composite plan who have ceased to accrue or otherwise earn benefits with respect to service with an employer pursuant to paragraph (1); and

''(C) to the Secretary, the Secretary of the Treasury, and the Pension Benefit Guaranty Corporation.

''(3) LIMITATION ON RETROACTIVE EFFECT.—This subsection shall not apply to benefits accrued before the date on which notice is provided under paragraph (2).

''(c) RESTRICTION ON ACCRUAL OF BENEFITS UNDER A COMPOSITE PLAN.—

''(1) IN GENERAL.—In any case in which an employer, under a collective bargaining agreement entered into after the date of enactment of the Giving Retirement Options to Workers Act of 2020, ceases to have an obligation to contribute to a multiemployer defined benefit plan, no employees employed by the employer may accrue or otherwise earn benefits under any composite plan, with respect to service with that employer, for a 60-month period beginning on the date on which the employer entered into such collective bargaining agreement.

''(2) NOTICE OF CESSATION OF OBLIGATION.—Within 30 days of determining that an employer has ceased to have an obligation to contribute to a legacy plan with respect to employees employed by an employer that is or will be contributing to a composite plan with respect to service of such employees, the plan sponsor of the legacy plan shall notify the plan sponsor of the composite plan of that cessation.

''(3) NOTICE OF CESSATION OF ACCRUALS.—Not later than 30 days after determining that an employer has ceased to have an obligation to contribute to a legacy plan, the plan sponsor of the composite plan shall notify the bargaining parties, the active participants affected by the cessation of accruals, the Secretary, the Secretary of the Treasury, and the Pension Benefit Guaranty Corporation of the cessation of accruals, the period during which such cessation is in effect, and the reasons therefor.

''(4) LIMITATION ON RETROACTIVE EFFECT.—This subsection shall not apply to benefits accrued before the date on which notice is provided under paragraph (3).

''(d) TRANSITION CONTRIBUTION REQUIREMENTS.—

''(1) IN GENERAL.—A collective bargaining agreement satisfies the transition contribution requirements of this subsection if the agreement—

''(A) authorizes payment of contributions to a legacy plan at a rate or rates equal to or greater than the transition contribution rate established by the legacy plan under paragraph (2); and

''(B) does not provide for—

''(i) a suspension of contributions to the legacy plan with respect to any period of service; or

''(ii) any new direct or indirect exclusion of younger or newly hired employees of the employer from being taken into account in determining contributions owed to the legacy plan.

''(2) TRANSITION CONTRIBUTION RATE.—

''(A) IN GENERAL.—The transition contribution rate for a plan year is the contribution rate that, as certified by the actuary of the legacy plan in accordance with the principles in section 305(b)(3)(B), is reasonably expected to be adequate—

''(i) to fund the normal cost for the plan year;

''(ii) to amortize the plan's unfunded liabilities in level annual installments over 25 years, beginning with the plan year in which the transition contribution rate is first established; and

''(iii) to amortize any subsequent changes in the legacy plan's unfunded liability due to experience gains or losses (including investment gains or losses, gains or losses due to contributions greater or less than the contributions made under the prior transition contribution rate, and other actuarial gains or losses), changes in actuarial assumptions, changes to the legacy plan's benefits, or changes in funding method over a period of 15 plan years beginning with the plan year in which such change in unfunded liability is incurred.

The transition contribution rate for any plan year may not be less than the transition contribution rate for the plan year in which such rate is first established.

''(B) MULTIPLE RATES.—If different rates of contribution are payable to the legacy plan by different employers or for different classes of employees, the certification shall specify a transition contribution rate for each such employer.

''(C) RATE APPLICABLE TO EMPLOYER.—

''(i) IN GENERAL.—Except as provided by clause (ii), the transition contribution rate applicable to an employer for a plan year is the rate in effect for the plan year of the legacy plan that commences on or after 180 days before the earlier of—

''(I) the effective date of the collective bargaining agreement pursuant to which the employer contributes to the legacy plan; or

''(II) 5 years after the last plan year for which the transition contribution rate applicable to the employer was established or updated.

''(ii) EXCEPTION.—The transition contribution rate applicable to an employer for the first plan year beginning on or after the commencement of the employer's obligation to contribute to the composite plan is the rate in effect for the plan year of the legacy plan that commences on or after 180 days before such first plan year.

''(D) EFFECT OF LEGACY PLAN FINANCIAL CIRCUMSTANCES.—If the plan actuary of the legacy plan has certified under section 305 that the plan is in endangered or critical status for a plan year, the transition contribution rate for the following plan year is the rate determined with respect to the employer under the legacy plan's funding improvement or rehabilitation plan under section 305, if greater than the rate otherwise determined, but in no event greater than 75 percent of the sum of the contribution rates applicable to the legacy plan and the composite plan for the plan year.

''(E) OTHER ACTUARIAL ASSUMPTIONS AND METHODS.—Except as provided in subparagraph (A), the determination of the transition contribution rate for a plan year shall be based on actuarial assumptions and methods consistent with the minimum funding determinations made under section 304 (or, if applicable, section 305) with respect to the legacy plan for the plan year.

''(F) ADJUSTMENTS IN RATE.—The plan sponsor of a legacy plan from time to time may adjust the transition contribution rate or rates applicable to an employer under this paragraph by increasing some rates and decreasing others if the actuary certifies that such adjusted rates in combination will produce projected contribution income for the plan year beginning on or after the date of certification that is not less than would be produced by the transition contribution rates in effect at the time of the certification.

''(G) NOTICE OF TRANSITION CONTRIBUTION RATE.—The plan sponsor of a legacy plan shall provide notice to the parties to collective bargaining agreements pursuant to which contributions are made to the legacy plan of changes to the transition contribution rate requirements at least 30 days before the beginning of the plan year for which the rate is effective.

''(H) NOTICE TO COMPOSITE PLAN SPONSOR.—Not later than 30 days after a determination by the plan sponsor of a legacy plan that a collective bargaining agreement provides for a rate of contributions that is below the transition contribution rate applicable to one or more employers that are parties to the collective bargaining agreement, the plan sponsor of the legacy plan shall notify the plan sponsor of any composite plan under which employees of such employer would otherwise be eligible to accrue a benefit.

''(3) CORRECTION PROCEDURES.—Pursuant to standards prescribed by the Secretary, the plan sponsor of a composite plan shall adopt rules and procedures that give the parties to the collective bargaining agreement notice of the failure of such agreement to satisfy the transition contribution requirements of this subsection, and a reasonable opportunity to correct such failure, not to exceed 180 days from the date of notice given under subsection (b)(2).

''(4) SUPPLEMENTAL CONTRIBUTIONS.—A collective bargaining agreement may provide for supplemental contributions to the legacy plan for a plan year in excess of the transition contribution rate determined under paragraph (2), regardless of whether the legacy plan is in endangered or critical status for such plan year.

''(e) NONAPPLICATION OF COMPOSITE PLAN RESTRICTIONS.—

''(1) IN GENERAL.—The provisions of subsections (a), (b), and (c) shall not apply with respect to a collective bargaining agreement, to the extent the agreement, or a predecessor agreement, provides or provided for contributions to a defined benefit plan that is a legacy plan, as of the first day of the first plan year following a plan year for which the plan actuary certifies that the plan is fully funded, has been fully funded for at least three out of the immediately preceding 5 plan years, and is projected to remain fully funded for at least the following 4 plan years.

''(2) DETERMINATION OF FULLY FUNDED.—A plan is fully funded for purposes of paragraph (1) if, as of the valuation date of the plan for a plan year, the value of the plan's assets equals or exceeds the present value of the plan's liabilities, determined in accordance with the rules prescribed by the Pension Benefit Guaranty Corporation under sections 4219(c)(1)(D) and 4281 for multiemployer plans terminating by mass withdrawal, as in effect for the date of the determination, except the plan's reasonable assumption regarding the starting date of benefits may be used.

''(3) OTHER APPLICABLE RULES.—Except as provided in paragraph (2), actuarial determinations and projections under this section shall be based on the rules in section 305(b)(3) and section 802(b).

''SEC. 806. MERGERS AND ASSET TRANSFERS OF COMPOSITE PLANS.

''(a) IN GENERAL.—Assets and liabilities of a composite plan may only be merged with, or transferred to, another plan if—

''(1) the other plan is a composite plan;

''(2) the plan or plans resulting from the merger or transfer is a composite plan;

''(3) no participant's accrued benefit or adjustable benefit is lower immediately after the transaction than it was immediately before the transaction; and

''(4) the value of the assets transferred in the case of a transfer reasonably reflects the value of the amounts contributed with respect to the participants whose benefits are being transferred, adjusted for allocable distributions, investment gains and losses, and administrative expenses.

''(b) LEGACY PLAN.—

''(1) IN GENERAL.—After a merger or transfer involving a composite plan, the legacy plan with respect to an employer that is obligated to contribute to the resulting composite plan is the legacy plan that applied to that employer immediately before the merger or transfer.

''(2) MULTIPLE LEGACY PLANS.—If an employer is obligated to contribute to more than one legacy plan with respect to employees eligible to accrue benefits under more than one composite plan and there is a merger or transfer of such legacy plans, the transition contribution rate applicable to the legacy plan resulting from the merger or transfer with respect to that employer shall be determined in accordance with the provisions of section 805(d)(2)(B).''.

(2) PENALTIES.—

(A) CIVIL ENFORCEMENT OF FAILURE TO COMPLY WITH REALIGNMENT PROGRAM.—Section 502(a) of such Act (29 U.S.C. 1132(a)) is amended—

(i) in paragraph (10), by striking ''or'' at the end;

(ii) in paragraph (11), by striking the period at the end and inserting ''; or''; and

(iii) by adding at the end the following:

''(12) in the case of a composite plan required to adopt a realignment program under section 803, if the plan sponsor—

''(A) has not adopted a realignment program under that section by the deadline established in such section; or

''(B) fails to update or comply with the terms of the realignment program in accordance with the requirements of such section, by the Secretary, by an employer that has an obligation to contribute with respect to the composite plan, or by an employee organization that represents active participants in the composite plan, for an order compelling the plan sponsor to adopt a realignment program, or to update or comply with the terms of the realignment program, in accordance with the requirements of such section and the realignment program.''.

(B) CIVIL PENALTIES.—Section 502(c) of such Act (29 U.S.C. 1132(c)) is amended—

(i) by moving paragraphs (8), (10), and (12) each 2 ems to the left;

(ii) by redesignating paragraphs (9) through (12) as paragraphs (12) through (15), respectively; and

(iii) by inserting after paragraph (8) the following:

''(9) The Secretary may assess against any plan sponsor of a composite plan a civil penalty of not more than $1,100 per day for each violation by such sponsor—

''(A) of the requirement under section 802(a) on the plan actuary to certify the plan's current or projected funded ratio by the date specified in such subsection; or

''(B) of the requirement under section 803 to adopt a realignment program by the deadline established in that section and to comply with its terms.

''(10)(A) The Secretary may assess against any plan sponsor of a composite plan a civil penalty of not more than $100 per day for each violation by such sponsor of the requirement under section 803(b) to provide notice as described in such section, except that no penalty may be assessed in any case in which the plan sponsor exercised reasonable diligence to meet the requirements of such section and—

''(i) the plan sponsor did not know that the violation existed; or

''(ii) the plan sponsor provided such notice during the 30-day period beginning on the first date on which the plan sponsor knew, or in exercising reasonable due diligence should have known, that such violation existed.

''(B) In any case in which the plan sponsor exercised reasonable diligence to meet the requirements of section 803(b)—

''(i) the total penalty assessed under this paragraph against such sponsor for a plan year may not exceed $500,000; and

''(ii) the Secretary may waive part or all of such penalty to the extent that the payment of such penalty would be excessive or otherwise inequitable relative to the violation involved.

''(11) The Secretary may assess against any plan sponsor of a composite plan a civil penalty of not more than $100 per day for each

violation by such sponsor of the notice requirements under sections 801(b)(5) and 805(b)(2).''.

(3) CONFORMING AMENDMENT.—The table of contents in section 1 of such Act (29 U.S.C. 1001 note) is amended by inserting after the item relating to section 734 the following:

''PART 8—COMPOSITE PLANS AND LEGACY PLANS

''Sec. 806. Mergers and asset transfers of composite plans.''.

(b) AMENDMENT TO THE INTERNAL REVENUE CODE OF 1986.—

(1) IN GENERAL.—Part III of subchapter D of chapter 1 of the Internal Revenue Code of 1986 is amended by adding at the end the following:

''Subpart C—Composite Plans and Legacy Plans

''Sec. 437. Composite plan defined.
''Sec. 438. Funded ratios; actuarial assumptions.
''Sec. 439. Realignment program.
''Sec. 440. Limitation on increasing benefits.
''Sec. 440A. Composite plan restrictions to preserve legacy plan funding.
''Sec. 440B. Mergers and asset transfers of composite plans.

''SEC. 437. COMPOSITE PLAN DEFINED.

''(a) IN GENERAL.—For purposes of this title, the term 'composite plan' means a pension plan—

''(1) which is a multiemployer plan that is neither a defined benefit plan nor a defined contribution plan,

''(2) the terms of which provide that the plan is a composite plan for purposes of this title with respect to which not more than one multiemployer defined benefit plan is treated as a legacy plan within the meaning of section 440A, unless there is more than one legacy plan following a merger of composite plans under section 440B,

''(3) which provides systematically for the payment of benefits—

''(A) objectively calculated pursuant to a formula enumerated in the plan document with respect to plan participants after retirement, for life, and

''(B) in the form of life annuities, except for benefits which under section 411(a)(11) may be immediately distributed without the consent of the participant,

''(4) for which the plan contributions for the first plan year are at least 120 percent of the normal cost for the plan year,

''(5) which requires—

''(A) an annual valuation of the liability of the plan as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year,

''(B) an annual actuarial determination of the plan's current funded ratio and projected funded ratio under section 438(a),

''(C) corrective action through a realignment program pursuant to section 439 whenever the plan's projected funded ratio is below 120 percent for the plan year, and

''(D) an annual notification to each participant describing the participant's benefits under the plan and explaining that such benefits may be subject to reduction under a realignment program pursuant to section 439 based on the plan's funded status in future plan years, and

''(6) the board of trustees of which includes at least one retiree or beneficiary in pay status during each plan year following the first plan year in which at least 5 percent of the participants in the plan are retirees or beneficiaries in pay status.

''(b) TRANSITION FROM A MULTIEMPLOYER DEFINED BENEFIT PLAN.—

''(1) IN GENERAL.—The plan sponsor of a defined benefit plan that is a multiemployer plan may, subject to paragraph (2), amend the plan to incorporate the features of a composite plan as a component of the multiemployer plan separate from the defined benefit plan component, except in the case of a defined benefit plan for which the plan actuary has certified under section 432(b)(3) that the plan is or will be in critical status for the plan year in which such amendment would become effective or for any of the succeeding 5 plan years.

''(2) REQUIREMENTS.—Any amendment pursuant to paragraph (1) to incorporate the features of a composite plan as a component of a multiemployer plan shall—

''(A) apply with respect to all collective bargaining agreements providing for contributions to the multiemployer plan on or after the effective date of the amendment,

''(B) apply with respect to all participants in the multiemployer plan for whom contributions are made to the multiemployer plan on or after the effective date of the amendment,

''(C) specify that the effective date of the amendment is—

''(i) the first day of a specified plan year following the date of the adoption of the amendment, except that the plan sponsor may alternatively provide for a separate effective date with respect to each collective bargaining agreement under which contributions to the multiemployer plan are required, which shall occur on the first day of the first plan year beginning after the termination, or if earlier, the re-opening, of each such agreement, or such earlier date as the parties to the agreement and the plan sponsor of the multiemployer plan shall agree to, and

''(ii) not later than the first day of the fifth plan year beginning on or after the date of the adoption of the amendment,

''(D) specify that, as of the amendment's effective date, no further benefits shall accrue under the defined benefit component of the multiemployer plan, and

''(E) specify that, as of the amendment's effective date, the plan sponsor of the multiemployer plan shall be the plan sponsor of both the composite plan component and the defined benefit plan component of the plan.

''(3) SPECIAL RULES.—If a multiemployer plan is amended pursuant to paragraph (1)—

''(A) the requirements of this title shall be applied to the composite plan component and the defined benefit plan component of the multiemployer plan as if each such component were maintained as a separate plan, and

''(B) the assets of the composite plan component and the defined benefit plan component of the plan shall be held in a single trust forming part of the plan under which the trust instrument expressly provides—

''(i) for separate accounts (and appropriate records) to be maintained to reflect the interest which each of the plan components has in the trust, including separate accounting for additions to the trust for the benefit of each plan component, disbursements made from each plan component's account in the trust, investment experience of the trust allocable to that account, and administrative expenses (whether direct expenses or shared expenses allocated proportionally), and permits, but does not require, the pooling of some or all of the assets of the two plan components for investment purposes, and

''(ii) that the assets of each of the two plan components shall be held, invested, reinvested, managed, administered and distributed for the exclusive benefit of the participants and beneficiaries of each such plan component, and in no event shall the assets of one of the plan components be available to pay benefits due under the other plan component.

''(4) NOT A TERMINATION EVENT.—Notwithstanding section 4041A of the Employee Retirement Income Security Act of 1974, an amendment pursuant to paragraph (1) to incorporate the features of a composite plan as a component of a multiemployer plan does not constitute termination of the multiemployer plan.

''(5) NOTICE TO THE SECRETARY.—

''(A) NOTICE.—The plan sponsor of a composite plan shall provide notice to the Secretary of the intent to establish the composite plan (or, in the case of a composite plan incorporated as a component of a multiemployer plan as described in paragraph (1), the intent to amend the multiemployer plan to incorporate such composite plan) at least 30 days prior to the effective date of such establishment or amendment.

''(B) CERTIFICATION.—In the case of a composite plan incorporated as a component of a multiemployer plan as described in paragraph (1), such notice shall include a certification by the plan actuary under section 432(b)(3) that the effective date of the amendment occurs in a plan year for which the multiemployer plan is not in critical status for that plan year and any of the succeeding 5 plan years.

''(6) REFERENCES TO COMPOSITE PLAN COMPONENT.—As used in this subpart, the term 'composite plan' includes a composite plan component added to a defined benefit plan pursuant to paragraph (1).

''(7) RULE OF CONSTRUCTION.—Paragraph (2)(A) shall not be construed as preventing the plan sponsor of a multiemployer plan from adopting an amendment pursuant to paragraph (1) because some collective bargaining agreements are amended to cease any covered employer's obligation to contribute to the multiemployer plan before or after the plan amendment is effective. Paragraph (2)(B) shall not be construed as preventing the plan sponsor of a multiemployer plan from adopting an amendment pursuant to paragraph (1) because some participants cease to have contributions made to the multiemployer plan on their behalf before or after the plan amendment is effective.

''(c) COORDINATION WITH FUNDING RULES.—Except as otherwise provided in this title, sections 412, 431, and 432 shall not apply to a composite plan.

''(d) TREATMENT OF A COMPOSITE PLAN.—For purposes of this title (other than sections 412 and 418E), a composite plan shall be treated as if it were a defined benefit plan unless a different treatment is provided for under applicable law.

''SEC. 438. FUNDED RATIOS; ACTUARIAL ASSUMPTIONS.

''(a) CERTIFICATION OF FUNDED RATIOS.—

''(1) IN GENERAL.—Not later than the one-hundred twentieth day of each plan year of a composite plan, the plan actuary of the composite plan shall certify to the Secretary, the Secretary of Labor, and the plan sponsor the plan's current funded ratio and projected funded ratio for the plan year.

''(2) DETERMINATION OF CURRENT FUNDED RATIO AND PROJECTED FUNDED RATIO.—For purposes of this section—

''(A) CURRENT FUNDED RATIO.—The current funded ratio is the ratio (expressed as a percentage) of—

''(i) the value of the plan's assets as of the first day of the plan year, to

''(ii) the plan actuary's best estimate of the present value of the plan liabilities as of the first day of the plan year.

''(B) PROJECTED FUNDED RATIO.—The projected funded ratio is the current funded ratio projected to the first day of the fifteenth plan year following the plan year for which the determination is being made.

''(3) CONSIDERATION OF CONTRIBUTION RATE INCREASES.—For purposes of projections under this subsection, the plan sponsor may anticipate contribution rate increases beyond the term of the current collective bargaining agreement and any agreed-to supplements, up to a maximum of 2.5 percent per year, compounded annually, unless it would be unreasonable under the circumstances to assume that contributions would increase by that amount.

''(b) ACTUARIAL ASSUMPTIONS AND METHODS.—For purposes of this part—

''(1) IN GENERAL.—All costs, liabilities, rates of interest, and other factors under the plan shall be determined for a plan year on the basis of actuarial assumptions and methods—

''(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations),

''(B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan, and

''(C) with respect to which any change from the actuarial assumptions and methods used in the previous plan year shall be certified by the plan actuary and the actuarial rationale for such change provided in the annual report required by section 6058.

''(2) FAIR MARKET VALUE OF ASSETS.—The value of the plan's assets shall be taken into account on the basis of their fair market value.

''(3) DETERMINATION OF NORMAL COST AND PLAN LIABILITIES.—A plan's normal cost and liabilities shall be based on the most recent actuarial valuation required under section 437(a)(5)(A) and the unit credit funding method.

''(4) TIME WHEN CERTAIN CONTRIBUTIONS DEEMED MADE.—Any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this paragraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary.

''(5) ADDITIONAL ACTUARIAL ASSUMPTIONS.—Except where otherwise provided in this subpart, the provisions of section 432(b)(3)(B) shall apply to any determination or projection under this subpart.

''SEC. 439. REALIGNMENT PROGRAM.

''(a) REALIGNMENT PROGRAM.—

''(1) ADOPTION.—In any case in which the plan actuary certifies under section 438(a) that the plan's projected funded ratio is below 120 percent for the plan year, the plan sponsor shall adopt a realignment program under paragraph (2) not later than 210 days after the due date of the certification required under section 438(a). The plan sponsor shall adopt an updated realignment program for each succeeding plan year for which a certification described in the preceding sentence is made.

''(2) CONTENT OF REALIGNMENT PROGRAM.—

''(A) IN GENERAL.—A realignment program adopted under this paragraph is a written program which consists of all reasonable measures, including options or a range of options to be undertaken by the plan sponsor or proposed to the bargaining parties, formulated, based on reasonably anticipated experience and reasonable actuarial assumptions, to enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year.

''(B) INITIAL PROGRAM ELEMENTS.—Reasonable measures under a realignment program described in subparagraph (A) may include any of the following:

''(i) Proposed contribution increases.

''(ii) A reduction in the rate of future benefit accruals, so long as the resulting rate shall not be less than 1 percent of the contributions on which benefits are based as of the start of the plan year (or the equivalent standard accrual rate as described in section 432(e)(6)).

''(iii) A modification or elimination of adjustable benefits of participants that are not in pay status before the date of the notice required under subsection (b)(1).

''(iv) Any other legally available measures not specifically described in this subparagraph or subparagraph (C) or (D) that the plan sponsor determines are reasonable.

''(C) ADDITIONAL PROGRAM ELEMENTS.—If the plan sponsor has determined that all reasonable measures available under subparagraph (B) will not enable the plan to achieve a projected funded ratio of at least 120 percent the following plan year, such reasonable measures may also include—

''(i) a reduction of accrued benefits that are not in pay status by the date of the notice required under subsection (b)(1), or

''(ii) a reduction of any benefits of participants that are in pay status before the date of the notice required under subsection (b)(1) other than core benefits as defined in paragraph (4).

''(D) ADDITIONAL REDUCTIONS.—In the case of a composite plan for which the plan sponsor has determined that all reasonable measures available under subparagraphs (B) and (C) will not enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year, such reasonable measures may also include—

''(i) a further reduction in the rate of future benefit accruals without regard to the limitation applicable under subparagraph (B)(ii), or

''(ii) a reduction of core benefits,

provided that such reductions shall be equitably distributed across the participant and beneficiary population, taking into account factors, with respect to participants and beneficiaries and their benefits, that may include one or more of the factors listed in subclauses (I) through (X) of section 432(e)(9)(D)(vi), to the extent necessary to enable the plan to achieve a projected funded ratio of at least 120 percent for the following plan year, or at the election of the plan sponsor, a projected funded ratio of at least 100 percent for the following plan year and a current funded ratio of at least 90 percent.

''(3) ADJUSTABLE BENEFIT DEFINED.—For purposes of this subpart, the term 'adjustable benefit' means—

''(A) benefits, rights, and features under the plan, including post-retirement death benefits, 60-month guarantees, disability benefits not yet in pay status, and similar benefits,

''(B) any early retirement benefit or retirement-type subsidy (within the meaning of section 411(d)(6)(B)(i)) and any benefit payment option (other than the qualified joint and survivor annuity), and

''(C) benefit increases that were adopted (or, if later, took effect) less than 60 months before the first day such realignment program took effect.

''(4) CORE BENEFIT DEFINED.—For purposes of this subpart, the term 'core benefit' means a participant's accrued benefit payable in the normal form of an annuity commencing at normal retirement age, determined without regard to—

''(A) any early retirement benefits, retirement-type subsidies, or other benefits, rights, or features that may be associated with that benefit, and

''(B) any cost-of-living adjustments or benefit increases effective after the date of retirement.

''(5) COORDINATION WITH CONTRIBUTION INCREASES.—

''(A) IN GENERAL.—A realignment program may provide that some or all of the benefit modifications described in the program will only take effect if the bargaining parties fail to agree to specified levels of increases in contributions to the plan, effective as of specified dates.

''(B) INDEPENDENT BENEFIT MODIFICATIONS.—If a realignment program adopts any changes to the benefit formula that are independent of potential contribution increases, such changes shall take effect not later than 180 days following the first day of the first plan year that begins following the adoption of the realignment program.

''(C) CONDITIONAL BENEFIT MODIFICATIONS.—If a realignment program adopts any changes to the benefit formula that take effect only if the bargaining parties fail to agree to contribution increases, such changes shall take effect not later than the first day of the first plan year beginning after the third anniversary of the date of adoption of the realignment program.

''(D) REVOCATION OF CERTAIN BENEFIT MODIFICATIONS.—Benefit modifications described in paragraph (3) may be revoked, in whole or in part, and retroactively or prospectively, when contributions to the plan are increased, as specified in the realignment program, including any amendments thereto. The preceding sentence shall not apply unless the contribution increases are to be effective not later than the fifth anniversary of the first day of the first plan year that begins after the adoption of the realignment program.

''(b) NOTICE.—

''(1) IN GENERAL.—In any case in which it is certified under section 438(a) that the projected funded ratio is less than 120 percent, the plan sponsor shall, not later than 30 days after the date of the certification, provide notification of the current and projected funded ratios to the participants and beneficiaries, the bargaining parties, and the Secretary. Such notice shall include—

''(A) an explanation that contribution rate increases or benefit reductions may be necessary,

''(B) a description of the types of benefits that might be reduced, and

''(C) an estimate of the contribution increases and benefit reductions that may be necessary to achieve a projected funded ratio of 120 percent.

''(2) NOTICE OF BENEFIT MODIFICATIONS.—

''(A) IN GENERAL.—No modifications may be made that reduce the rate of future benefit accrual or that reduce core benefits or adjustable benefits unless notice of such reduction has been given at least 180 days before the general effective date of such reduction for all participants and beneficiaries to—

''(i) plan participants and beneficiaries,

''(ii) each employer who has an obligation to contribute to the composite plan, and

''(iii) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such employers.

''(B) CONTENT OF NOTICE.—The notice under subparagraph (A) shall contain—

''(i) sufficient information to enable participants and beneficiaries to understand the effect of any reduction on their benefits, including an illustration of any affected benefit or subsidy, on an annual or monthly basis that a participant or beneficiary would otherwise have been eligible for as of the general effective date described in subparagraph (A), and

''(ii) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance, where appropriate.

''(C) FORM AND MANNER.—Any notice under subparagraph (A)—

''(i) shall be provided in a form and manner prescribed in regulations of the Secretary of Labor,

''(ii) shall be written in a manner so as to be understood by the average plan participant.

''(3) MODEL NOTICES.—The Secretary shall—

''(A) prescribe model notices that the plan sponsor of a composite plan may use to satisfy the notice requirements under this subsection, and

''(B) by regulation enumerate any details related to the elements listed in paragraph (1) that any notice under this subsection must include.

''(4) DELIVERY METHOD.—Any notice under this part shall be provided in writing and may also be provided in electronic form to the extent that the form is reasonably accessible to persons to whom the notice is provided.

''SEC. 440. LIMITATION ON INCREASING BENEFITS.

''(a) LEVEL OF CURRENT FUNDED RATIOS.—Except as provided in subsections (c), (d), and (e), no plan amendment increasing benefits or establishing new benefits under a composite plan may be adopted for a plan year unless—

''(1) the plan's current funded ratio is at least 110 percent (without regard to the benefit increase or new benefits),

''(2) taking the benefit increase or new benefits into account, the current funded ratio is at least 100 percent and the projected funded ratio for the current plan year is at least 120 percent,

''(3) in any case in which, after taking the benefit increase or new benefits into account, the current funded ratio is less than 140 percent or the projected funded ratio is less than 140 percent, the benefit increase or new benefits are projected by the plan actuary to increase the present value of the plan's liabilities for the plan year by not more than 3 percent, and

''(4) expected contributions for the current plan year are at least 120 percent of normal cost for the plan year, determined using the unit credit funding method and treating the benefit increase or new benefits as in effect for the entire plan year.

''(b) ADDITIONAL REQUIREMENTS WHERE CORE BENEFITS REDUCED.—If a plan has been amended to reduce core benefits pursuant to a realignment program under section 439(a)(2)(D), such plan may not be subsequently amended to increase core benefits unless the amendment—

''(1) increases the level of future benefit payments only, and

''(2) provides for an equitable distribution of benefit increases across the participant and beneficiary population, taking into account the extent to which the benefits of participants were previously reduced pursuant to such realignment program.

''(c) EXCEPTION TO COMPLY WITH APPLICABLE LAW.—Subsection (a) shall not apply in connection with a plan amendment if the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 or to comply with other applicable law.

''(d) EXCEPTION WHERE MAXIMUM DEDUCTIBLE LIMIT APPLIES.—Subsection (a) shall not apply in connection with a plan amendment if and to the extent that contributions to the composite plan would not be deductible for the plan year under section 404(a)(1)(E) if the plan amendment is not adopted. The Secretary of the Treasury shall issue regulations to implement this paragraph.

''(e) EXCEPTION FOR CERTAIN BENEFIT MODIFICATIONS.—Subsection (a) shall not apply in connection with a plan amendment under section 439(a)(5)(C), regarding conditional benefit modifications.

''(f) TREATMENT OF PLAN AMENDMENTS.—For purposes of this section—

''(1) if two or more plan amendments increasing benefits or establishing new benefits are adopted in a plan year, such amendments shall be treated as a single amendment adopted on the last day of the plan year,

''(2) all benefit increases and new benefits adopted in a single amendment are treated as a single benefit increase, irrespective of whether the increases and new benefits take effect in more than one plan year, and

''(3) increases in contributions or decreases in plan liabilities which are scheduled to take effect in future plan years may be taken into account in connection with a plan amendment if they have been agreed to in writing or otherwise formalized by the date the plan amendment is adopted.

''SEC. 440A. COMPOSITE PLAN RESTRICTIONS TO PRESERVE LEGACY PLAN FUNDING.

''(a) TREATMENT AS A LEGACY PLAN.—

''(1) IN GENERAL.—For purposes of this subchapter, a defined benefit plan shall be treated as a legacy plan with respect to the composite plan under which the employees who were eligible to accrue a benefit under the defined benefit plan become eligible to accrue a benefit under such composite plan.

''(2) COMPONENT PLANS.—In any case in which a defined benefit plan is amended to add a composite plan component pursuant to section 437(b), paragraph (1) shall be applied by substituting 'defined benefit component' for 'defined benefit plan' and 'composite plan component' for 'composite plan'.

''(3) ELIGIBLE TO ACCRUE A BENEFIT.—For purposes of paragraph (1), an employee is considered eligible to accrue a benefit under a composite plan as of the first day in which the employee completes an hour of service under a collective bargaining agreement that provides for contributions to and accruals under the composite plan in lieu of accruals under the legacy plan.

''(4) COLLECTIVE BARGAINING AGREEMENT.—As used in this subpart, the term 'collective bargaining agreement' includes any agreement under which an employer has an obligation to contribute to a plan.

''(5) OTHER TERMS.—Any term used in this subpart which is not defined in this part and which is also used in section 432 shall have the same meaning provided such term in such section.

''(b) RESTRICTIONS ON ACCEPTANCE BY COMPOSITE PLAN OF AGREEMENTS AND CONTRIBUTIONS.—

''(1) IN GENERAL.—The plan sponsor of a composite plan shall not accept or recognize a collective bargaining agreement (or any modification to such agreement), and no contributions may be accepted and no benefits may be accrued or otherwise earned under the agreement—

''(A) in any case in which the plan actuary of any defined benefit plan that would be treated as a legacy plan with respect to such composite plan has certified under section 432(b)(3) that such defined benefit plan is or will be in critical status for the plan year in which such agreement would take effect or for any of the succeeding 5 plan years, and

''(B) unless the agreement requires each employer who is a party to such agreement, including employers whose employees are not participants in the legacy plan, to provide contributions to the legacy plan with respect to such composite plan in a manner that satisfies the transition contribution requirements of subsection (d).

''(2) NOTICE.—Not later than 30 days after a determination by a plan sponsor of a composite plan that an agreement fails to satisfy the requirements described in paragraph (1), the plan sponsor shall provide notification of such failure and the reasons for such determination to—

''(A) the parties to the agreement,

''(B) active participants of the composite plan who have ceased to accrue or otherwise earn benefits with respect to service with an employer pursuant to paragraph (1), and

''(C) the Secretary of Labor, the Secretary of the Treasury, and the Pension Benefit Guaranty Corporation.

''(3) LIMITATION ON RETROACTIVE EFFECT.—This subsection shall not apply to benefits accrued before the date on which notice is provided under paragraph (2).

''(c) RESTRICTION ON ACCRUAL OF BENEFITS UNDER A COMPOSITE PLAN.—

''(1) IN GENERAL.—In any case in which an employer, under a collective bargaining agreement entered into after the date of enactment of the Giving Retirement Options to Workers Act of 2020, ceases to have an obligation to contribute to a multiemployer defined benefit plan, no employees employed by the employer may accrue or otherwise earn benefits under any composite plan, with respect to service with that employer, for a 60-month period beginning on the date on which the employer entered into such collective bargaining agreement.

''(2) NOTICE OF CESSATION OF OBLIGATION.—Within 30 days of determining that an employer has ceased to have an obligation to contribute to a legacy plan with respect to employees employed by an employer that is or will be contributing to a composite plan with respect to service of such employees, the plan sponsor of the legacy plan shall notify the plan sponsor of the composite plan of that cessation.

''(3) NOTICE OF CESSATION OF ACCRUALS.—Not later than 30 days after determining that an employer has ceased to have an obligation to contribute to a legacy plan, the plan sponsor of the composite plan shall notify the bargaining parties, the active participants affected by the cessation of accruals, the Secretary, the Secretary of Labor, and the Pension Benefit Guaranty Corporation of the cessation of accruals, the period during which such cessation is in effect, and the reasons therefor.

''(4) LIMITATION ON RETROACTIVE EFFECT.—This subsection shall not apply to benefits accrued before the date on which notice is provided under paragraph (3).

''(d) TRANSITION CONTRIBUTION REQUIREMENTS.—

''(1) IN GENERAL.—A collective bargaining agreement satisfies the transition contribution requirements of this subsection if the agreement—

''(A) authorizes for payment of contributions to a legacy plan at a rate or rates equal to or greater than the transition contribution rate established under paragraph (2), and

''(B) does not provide for—

''(i) a suspension of contributions to the legacy plan with respect to any period of service, or

''(ii) any new direct or indirect exclusion of younger or newly hired employees of the employer from being taken into account in determining contributions owed to the legacy plan.

''(2) TRANSITION CONTRIBUTION RATE.—

''(A) IN GENERAL.—The transition contribution rate for a plan year is the contribution rate that, as certified by the actuary of the legacy plan in accordance with the principles

in section 432(b)(3)(B), is reasonably expected to be adequate—

''(i) to fund the normal cost for the plan year,

''(ii) to amortize the plan's unfunded liabilities in level annual installments over 25 years, beginning with the plan year in which the transition contribution rate is first established, and

''(iii) to amortize any subsequent changes in the legacy plan's unfunded liability due to experience gains or losses (including investment gains or losses, gains or losses due to contributions greater or less than the contributions made under the prior transition contribution rate, and other actuarial gains or losses), changes in actuarial assumptions, changes to the legacy plan's benefits, or changes in funding method over a period of 15 plan years beginning with the plan year in which such change in unfunded liability is incurred.

The transition contribution rate for any plan year may not be less than the transition contribution rate for the plan year in which such rate is first established.

''(B) MULTIPLE RATES.—If different rates of contribution are payable to the legacy plan by different employers or for different classes of employees, the certification shall specify a transition contribution rate for each such employer.

''(C) RATE APPLICABLE TO EMPLOYER.—

''(F) ADJUSTMENTS IN RATE.—The plan sponsor of a legacy plan from time to time may adjust the transition contribution rate or rates applicable to an employer under this paragraph by increasing some rates and decreasing others if the actuary certifies that such adjusted rates in combination will produce projected contribution income for the plan year beginning on or after the date of certification that is not less than would be produced by the transition contribution rates in effect at the time of the certification.

''(G) NOTICE OF TRANSITION CONTRIBUTION RATE.—The plan sponsor of a legacy plan shall provide notice to the parties to collective bargaining agreements pursuant to which contributions are made to the legacy plan of changes to the transition contribution rate requirements at least 30 days before the beginning of the plan year for which the rate is effective.

''(3) CORRECTION PROCEDURES.—Pursuant to standards prescribed by the Secretary of Labor, the plan sponsor of a composite plan shall adopt rules and procedures that give the parties to the collective bargaining agreement notice of the failure of such agreement to satisfy the transition contribution requirements of this subsection, and a reasonable opportunity to correct such failure, not to exceed 180 days from the date of notice given under subsection (b)(2).

''(4) SUPPLEMENTAL CONTRIBUTIONS.—A collective bargaining agreement may provide for supplemental contributions to the legacy plan for a plan year in excess of the transition contribution rate determined under paragraph (2), regardless of whether the legacy plan is in endangered or critical status for such plan year.

''(e) NONAPPLICATION OF COMPOSITE PLAN RESTRICTIONS.—

''(1) IN GENERAL.—The provisions of subsections (a), (b), and (c) shall not apply with respect to a collective bargaining agreement, to the extent the agreement, or a predecessor agreement, provides or provided for contributions to a defined benefit plan that is a legacy plan, as of the first day of the first plan year following a plan year for which the plan actuary certifies that the plan is fully funded, has been fully funded for at least three out of the immediately preceding 5 plan years, and is projected to remain fully funded for at least the following 4 plan years.

''(2) DETERMINATION OF FULLY FUNDED.—A plan is fully funded for purposes of paragraph (1) if, as of the valuation date of the plan for a plan year, the value of the plan's assets equals or exceeds the present value of the plan's liabilities, determined in accordance with the rules prescribed by the Pension Benefit Guaranty Corporation under sections 4219(c)(1)(D) and 4281 of Employee Retirement Income and Security Act for multiemployer plans terminating by mass withdrawal, as in effect for the date of the determination, except the plan's reasonable assumption regarding the starting date of benefits may be used.

TITLE VI—COVID–19 COMPASSION AND MARTHA WRIGHT PRISON PHONE JUSTICE

SEC. 601. FINDINGS.

Congress finds the following:

(1) Prison, jails, and other confinement facilities in the United States have unique telecommunications needs due to safety and security concerns.

(2) Unjust and unreasonable charges for telephone and advanced communications services in confinement facilities negatively

impact the safety and security of communities in the United States by damaging relationships between incarcerated persons and their support systems, thereby exacerbating recidivism.

(3) The COVID–19 pandemic has greatly intensified these concerns. Jails and prisons have become epicenters for the spread of the virus, with incarcerated persons concentrated in small, confined spaces and often without access to adequate health care. At Cook County jail alone, hundreds of incarcerated persons and jail staff have tested positive for the virus since its outbreak.

(4) To prevent the spread of the virus, many jails and prisons across the country suspended public visitation, leaving confinement facility communications services as the only way that incarcerated persons can stay in touch with their families.

(5) All people in the United States, including anyone who pays for confinement facility communications services, should have access to communications services at charges that are just and reasonable.

(6) Unemployment has risen sharply as a result of the COVID–19 pandemic, straining the incomes of millions of Americans and making it even more difficult for families of incarcerated persons to pay the high costs of confinement facility communications services.

(7) Certain markets for confinement facility communications services are distorted due to reverse competition, in which the financial interests of the entity making the buying decision (the confinement facility) are aligned with the seller (the provider of confinement facility communications services) and not the consumer (the incarcerated person or a member of his or her family). This reverse competition occurs because site commission payments to the confinement facility from the provider of confinement facility communications services are the chief criterion many facilities use to select their provider of confinement facility communications services.

(8) Charges for confinement facility communications services that have been shown to be unjust and unreasonable are often a result of site commission payments that far exceed the costs incurred by the confinement facility in accommodating these services.

(9) Unjust and unreasonable charges have been assessed for both audio and video services and for both intrastate and interstate communications from confinement facilities.

(10) Though Congress enacted emergency legislation to allow free communications in Federal prisons during the pandemic, it does not cover communications to or from anyone incarcerated in State and local prisons or jails.

(11) Mrs. Martha Wright-Reed led a campaign for just communications rates for incarcerated people for over a decade.

(12) Mrs. Wright-Reed was the lead plaintiff in Wright v. Corrections Corporation of America, CA No. 00–293 (GK) (D.D.C. 2001).

(13) That case ultimately led to the Wright Petition at the Federal Communications Commission, CC Docket No. 96–128 (November 3, 2003).

(14) As a grandmother, Mrs. Wright-Reed was forced to choose between purchasing medication and communicating with her incarcerated grandson.

(15) Mrs. Wright-Reed passed away on January 18, 2015, before fully realizing her dream of just communications rates for all people.

SEC. 602. REQUIREMENTS FOR CONFINEMENT FACILITY COMMUNICATIONS SERVICES, DURING THE COVID–19 PANDEMIC AND OTHER TIMES.

''(a) CONGRESSIONAL FINDINGS.—The Congress finds that—

''(1) according to the 2018 American Community Survey, 36 percent of households in the United States—more than 43 million households—are renters;

''(2) in 2019 alone, renters in the United States paid $512 billion in rent;

''(3) according to the Joint Center for Housing Studies of Harvard University, 20.8 million renters in the United States spent more than 30 percent of their incomes on

''(4) according to data from the Department of Labor, more than 30 million people have filed for unemployment since the COVID–19 pandemic began;

''(5) the impacts of the spread of COVID–19, which is now considered a global pandemic, are expected to negatively impact the incomes of potentially millions of renter households, making it difficult for them to pay their rent on time; and

''(6) evictions in the current environment would increase homelessness and housing instability which would be counterproductive towards the public health goals of keeping individuals in their homes to the greatest extent possible.

''(b) MORATORIUM.—During the period beginning on the date of the enactment of this Act and ending 12 months after such date of enactment, the lessor of a covered dwelling located in such State may not—

''(1) make, or cause to be made, any filing with the court of jurisdiction to initiate a legal action to recover possession of the covered dwelling from the tenant for nonpayment of rent or other fees or charges; or

''(c) DEFINITIONS.—For purposes of this section, the following definitions shall apply:

''(1) COVERED DWELLING.—The term 'covered dwelling' means a dwelling that is occupied by a tenant—

''(A) pursuant to a residential lease; or

''(B) without a lease or with a lease terminable at will under State law.

''(2) DWELLING.—The term 'dwelling' has the meaning given such term in section 802 of the Fair Housing Act (42 U.S.C. 3602) and includes houses and dwellings described in section 803(b) of such Act (42 U.S.C. 3603(b)).

''(d) NOTICE TO VACATE AFTER MORATORIUM EXPIRATION DATE.—After the expiration of the period described in subsection (b), the lessor of a covered dwelling may not require the tenant to vacate the covered dwelling by reason of nonpayment of rent or other fees or charges before the expiration of the 30-day period that begins upon the provision by the lessor to the tenant, after the expiration of the period described in subsection (b), of a notice to vacate the covered dwelling.''.

''(iii) the request of a successor-in-interest of the borrower, oral or written, submitted to the servicer affirming the difficulty of the heir in satisfying the reverse mortgage loan due, directly or indirectly, to the COVID–19 emergency.

''(D) CURTAILMENT OF DEBENTURE INTEREST.—Where any covered mortgage loan that is also a federally insured reverse mortgage loan is in default during the covered period and subject to a prior event which provides for curtailment of debenture interest in connection with a claim for insurance benefits, the curtailment of debenture interest shall be suspended during any forbearance period provided herein.''.

''(B) MINIMUM FORBEARANCE AMOUNTS.—For purposes of granting a forbearance under this paragraph, a servicer may grant an initial forbearance with a term of not less than 90 days, provided that it is automatically extended for an additional 90 days unless the servicer confirms the borrower does not want to renew the forbearance or that the borrower is no longer experiencing a financial hardship that prevents the borrower from making timely mortgage payments due, directly or indirectly, to the COVID–19 emergency.

''(C) RIGHT TO SHORTEN FORBEARANCE.—

''(i) IN GENERAL.—At the request of a borrower, any period of forbearance described under this paragraph may be shortened.

''(i) offer the borrower a loss mitigation option, without the charging of any fees or penalties other than interest, such that the principal and interest payment of the borrower remains the same as it was prior to the forbearance, subject to any adjustment of the index pursuant to the terms of an adjustable rate mortgage, and that—

''(B) upon receipt of a complete application or if, despite the exercise by the servicer of reasonable diligence, the loss mitigation application remains incomplete 60 days after the notice in paragraph (2)(A) is sent—

''(4) EFFECT ON FUTURE REQUESTS FOR LOSS MITIGATION REVIEW FOR BORROWERS WITH COVERED MORTGAGE LOANS THAT ARE NOT FEDERALLY INSURED REVERSE MORTGAGE LOANS.—An application, offer, or evaluation for loss mitigation under this section for a covered mortgage loan that is not a federally insured reverse mortgage loan shall not be the basis for the denial of an application of a borrower as duplicative or for a reduction in the appeal rights of the borrower under Regulation X in part 1024 of title 12, Code of Federal Regulations, in regard to any loss mitigation application submitted after the servicer has complied with the requirements of paragraphs (2) and (3),

''(5) SAFE HARBOR.—For any covered mortgage loan that is not a federally insured reverse mortgage loan, any loss mitigation option authorized by the Federal National Mortgage Association, the Federal Home Loan Corporation, or the Federal Housing Administration shall be deemed to comply with the requirements of paragraph (2)(A) if the loss mitigation option—

''(A) defers the payment of total arrearages, including any escrow advances, to the end of the existing term of the loan, without the charging or collection of any additional interest on the deferred amounts; or

''(B) extends the term of the mortgage loan, and capitalizes, defers, or forgives all escrow advances and other arrearages, without the charging of any fees or penalties beyond interest on any amount capitalized into the loan principal.

''(6) HOME RETENTION OPTIONS FOR CERTAIN REVERSE MORTGAGE LOANS.—

''(A) IN GENERAL.—For a covered mortgage loan that is also a federally insured reverse mortgage loan, the conduct of a servicer shall be deemed to comply with this section, provided that if the loan is eligible to be called due and payable due to a property charge default, the mortgagee shall, as a precondition to sending a due and payable request to the Secretary or initiating or continuing a foreclosure process—

''(i) make a good faith effort to communicate with the borrower regarding available home retention options to cure the property charge default, including encouraging the borrower to apply for home retention options; and

''(ii) consider the borrower for all available home retention options as allowed by the Secretary.

SEC. 702. FINDINGS; SENSE OF CONGRESS.

(a) FINDINGS.—The Congress finds the following:

(1) The Coronavirus 2019 (COVID–19) pandemic and the resulting recession have led to more than 4.8 million cases and at least 157,000 deaths in the United States as of August 6, 2020; a 7.6 percent increase in the unemployment rate from February to June, or approximately 12 million more persons who have lost their job; and an estimated 36 percent of renters and 4.1 million homeowners who are struggling to pay their rent and mortgages.

(2) According to the Centers for Disease Control, ''long-standing systemic health and social inequities have put some members of racial and ethnic minority groups at increased risk of getting COVID–19 or experiencing severe illness''.

(3) Minority-owned businesses are also facing more difficult economic circumstances than others as a result of the COVID–19 pandemic. In April 2020, the Federal Reserve Bank of New York reported that minority- and women-owned businesses were not only more likely to show signs of limited financial health, but also twice as likely to be classified as ''at risk'' or ''distressed'' than their non-minority counterparts.

(4) During the Coronavirus 2019 (COVID–19) pandemic, community development financial

institutions (CDFIs) and minority depository institutions (MDIs) have delivered needed capital and relief to underserved communities, many of which have borne a disproportionate impact of the COVID–19 pandemic. Through August 8, 2020, CDFIs and MDIs have provided more than $16.4 billion in Paycheck Protection Program (PPP) loans to small businesses with a smaller median loan size of about $74,000 compared to the overall program median loan size of $101,000.

(5) In addition to establishing relief funds and services for local businesses and individuals experiencing loss of income, CDFIs and MDIs have provided mortgage forbearances, loan deferments, and modifications to help address the needs of their borrowers. CDFIs and MDIs are reaching underserved communities and minority-owned businesses at a critical time.

(6) The Community Development Financial Institutions Fund (CDFI Fund) is an agency of the U.S. Department of the Treasury and was established by the Riegle Community Development and Regulatory Improvement Act of 1994. The mission of the CDFI Fund is ''to expand economic opportunity for underserved people and communities by supporting the growth and capacity of a national network of community development lenders, investors, and financial service providers''. As of September 15, 2020, there were 1,137 certified CDFIs in all 50 States, District of Columbia, Guam, and Puerto Rico.

(7) Following the 2008 financial crisis and the disproportionate impact the Great Recession had on minority communities, the number of MDI banks fell more than 30 percent over the following decade, to 143 as of the second quarter of 2020. Meanwhile, MDI credit unions have seen similar declines, with more than one-third of such institutions disappearing since 2013.

(b) SENSE OF CONGRESS.—The following is the sense of the Congress:

(1) The Department of the Treasury, Board of Governors of the Federal Reserve System, Small Business Administration (SBA), Office of the Comptroller of the Currency, Federal Deposit Insurance Corporation, National Credit Union Administration, and other Federal agencies should take steps to support, engage with, and utilize minority depository institutions and community development financial institutions in the near term, especially as they carry out programs to respond to the COVID–19 pandemic, and the long term.

(2) The Board of Governors of the Federal Reserve System should, consistent with its mandates, work to increase lending by minority depository institutions and community development financial institutions to underserved communities, and when appropriate, should work with the Department of the Treasury to increase lending by minority depository institutions and community development financial institutions to underserved communities.

(3) The Department of the Treasury and prudential regulators should establish a strategic plan identifying concrete steps that they can take to support existing minority depository institutions, as well as the formation of new minority depository institutions consistent with the goals established in the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA) to preserve and promote minority depository institutions.

(4) Congress should increase funding and make other enhancements, including those provided by this legislation, to enhance the effectiveness of the CDFI Fund, especially reforms to support minority-owned and minority led CDFIs in times of crisis and beyond.

(5) Congress should conduct robust and ongoing oversight of the Department of the Treasury, CDFI Fund, Federal prudential regulators, SBA, and other Federal agencies to ensure they fulfill their obligations under the law as well as implement this title and other laws in a manner that supports and fully utilizes minority depository institutions and community development financial intuitions, as appropriate.

(6) The investments made by the Secretary of the Treasury under this title and the amendments made by this title should be designed to maximize the benefit to low- and moderate-income and minority communities and contemplate losses to capital of the Treasury.

SEC. 703. PURPOSE.

The purpose of this title is to—

SEC. 707. ENSURING DIVERSITY IN COMMUNITY BANKING.

(a) SENSE OF CONGRESS ON FUNDING THE LOAN-LOSS RESERVE FUND FOR SMALL DOLLAR LOANS.—The sense of Congress is the following:

(1) The Community Development Financial Institutions Fund (the ''CDFI Fund'') is an agency of the Department of the Treasury, and was established by the Riegle Community Development and Regulatory Improvement Act of 1994. The mission of the CDFI Fund is ''to expand economic opportunity for underserved people and communities by supporting the growth and capacity of a national network of community development lenders, investors, and financial service providers''. A community development financial institution (a ''CDFI'') is a specialized financial institution serving low-income communities and a Community Development Entity (a ''CDE'') is a domestic corporation or partnership that is an intermediary vehicle for the provision of loans, investments, or financial counseling in low-income communities. The CDFI Fund certifies CDFIs and CDEs. Becoming a certified CDFI or CDE allows organizations to participate in various CDFI Fund programs as follows:

(A) The Bank Enterprise Award Program, which provides FDIC-insured depository institutions awards for a demonstrated increase in lending and investments in distressed communities and CDFIs.

(B) The CDFI Program, which provides Financial and Technical Assistance awards to CDFIs to reinvest in the CDFI, and to build the capacity of the CDFI, including financing product development and loan loss reserves.

(C) The Native American CDFI Assistance Program, which provides CDFIs and sponsoring entities Financial and Technical Assistance awards to increase lending and grow the number of CDFIs owned by Native Americans to help build capacity of such CDFIs.

(D) The New Market Tax Credit Program, which provides tax credits for making equity investments in CDEs that stimulate capital investments in low-income communities.

(E) The Capital Magnet Fund, which provides awards to CDFIs and nonprofit affordable housing organizations to finance affordable housing solutions and related economic development activities.

(F) The Bond Guarantee Program, a source of long-term, patient capital for CDFIs to expand lending and investment capacity for community and economic development purposes.

(2) The Department of the Treasury is authorized to create multi-year grant programs designed to encourage low-to-moderate income individuals to establish accounts at federally insured banks, and to improve low-to-moderate income individuals' access to such accounts on reasonable terms.

(3) Under this authority, grants to participants in CDFI Fund programs may be used for loan-loss reserves and to establish small-dollar loan programs by subsidizing related losses. These grants also allow for the providing recipients with the financial counseling and education necessary to conduct transactions and manage their accounts. These loans provide low-cost alternatives to payday loans and other nontraditional forms of financing that often impose excessive interest rates and fees on borrowers, and lead millions of Americans to fall into debt traps. Small-dollar loans can only be made pursuant to terms, conditions, and practices that are reasonable for the individual consumer obtaining the loan.

(4) Program participation is restricted to eligible institutions, which are limited to organizations listed in section 501(c)(3) of the Internal Revenue Code and exempt from tax under 501(a) of such Code, federally insured depository institutions, community development financial institutions and State, local, or Tribal government entities.

(5) Since its founding, the CDFI Fund has awarded over $3,300,000,000 to CDFIs and CDEs, allocated $54,000,000,000 in tax credits, and $1,510,000,000 in bond guarantees. According to the CDFI Fund, some programs attract as much as $10 in private capital for every $1 invested by the CDFI Fund. The Administration and the Congress should prioritize appropriation of funds for the loan loss reserve fund and technical assistance programs administered by the Community Development Financial Institution Fund.

(b) DEFINITIONS.—In this section:

(1) COMMUNITY DEVELOPMENT FINANCIAL INSTITUTION.—The term ''community development financial institution'' has the meaning given under section 103 of the Riegle Community Development and Regulatory Improvement Act of 1994 (12 U.S.C. 4702).

(4) LIMITATION ON ADDITIONAL DATA REQUIREMENTS.—The Federal banking agencies may only impose additional data collection requirements on a depository institution under this subsection if such data is—

(4) MEETINGS.—

(A) IN GENERAL.—Each Minority Depositories Advisory Committee shall meet not less frequently than twice each year.

(B) NOTICE AND INVITATIONS.—Each Minority Depositories Advisory Committee shall—

(i) notify the Committee on Financial Services of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate in advance of each meeting of the Minority Depositories Advisory Committee; and

This title (other than section 205), and the amendments made by this title, shall cease to be effective on December 31, 2024.

TITLE III—SECURING AMERICA FROM EPIDEMICS ACT

SEC. 301. FINDINGS.

Congress finds the following:

(1) Due to increasing population and population density, human mobility, and ecological change, emerging infectious diseases pose a real and growing threat to global health security.

(2) While vaccines can be the most effective tools to protect against infectious disease, the absence of vaccines for a new or emerging infectious disease with epidemic potential is a major health security threat globally, posing catastrophic potential human and economic costs.

(3) The 1918 influenza pandemic infected 500,000,000 people, or about one-third of the world's population at the time, and killed 50,000,000 people—more than died in the First World War.

(4) The economic cost of an outbreak can be devastating. The estimated global cost today, should an outbreak of the scale of the 1918 influenza pandemic strike, is 5 percent of global gross domestic product.

(5) Even regional outbreaks can have enormous human costs and substantially disrupt the global economy and cripple regional economies. The 2014 Ebola outbreak in West Africa killed more than 11,000 and cost $2,800,000,000 in losses in the affected countries alone.

(6) The ongoing novel coronavirus outbreak reflects the pressing need for quick and effective vaccine and countermeasure development.

(7) While the need for vaccines to address emerging epidemic threats is acute, markets to drive the necessary development of vaccines to address them—a complex and expensive undertaking—are very often critically absent. Also absent are mechanisms to ensure access to those vaccines by those who need them when they need them.

(8) To address this global vulnerability and the deficit of political commitment, institutional capacity, and funding, in 2017, several countries and private partners launched the Coalition for Epidemic Preparedness Innovations (CEPI). CEPI's mission is to stimulate, finance, and coordinate development of vaccines for high-priority, epidemic-potential threats in cases where traditional markets do not exist or cannot create sufficient demand.

(9) Through funding of partnerships, CEPI seeks to bring priority vaccines candidates through the end of phase II clinical trials, as well as support vaccine platforms that can be rapidly deployed against emerging pathogens.

(10) CEPI has funded multiple partners to develop vaccine candidates against the novel coronavirus, responding to this urgent, global requirement.

(11) Support for and participation in CEPI is an important part of the United States own health security and biodefense and is in the national interest, complementing the work of many Federal agencies and providing significant value through global partnership and burden-sharing.

SEC. 302. AUTHORIZATION FOR UNITED STATES PARTICIPATION.

(2) The manner and extent to which the United States shall participate in the governance of the Coalition.

(A) the Global Health Security Strategy required by section 7058(c)(3) of division K of the Consolidated Appropriations Act, 2018 (Public Law 115–141);

(B) the applicable revision of the National Biodefense Strategy required by section 1086 of the National Defense Authorization Act for Fiscal Year 2017 (6 U.S.C. 104); and

(C) any other relevant decision-making process for policy, planning, and spending in global health security, biodefense, or vaccine and medical countermeasures research and development.

TITLE II—PRISONS AND JAILS

SEC. 201. SHORT TITLE.

This title may be cited as the ''Pandemic Justice Response Act''.

SEC. 202. EMERGENCY COMMUNITY SUPERVISION ACT.

(a) FINDINGS.—Congress finds the following:

(1) As of the date of introduction of this Act, the novel coronavirus has spread to all 50 States, the District of Columbia, and at least 4 territories.

(2) As of September 27, 2020, more than 7,119,400 people in the United States had been infected with the coronavirus and at least 204,400 had died.

(3) Although the United States has less than 5 percent of the world's population, the United States holds approximately 21 percent of the world's prisoners and leads the world in the number of individuals incarcerated, with nearly 2,200,000 people incarcerated in State and Federal prisons and local jails.

(4) Studies have shown that individuals age out of crime starting around 25 years of age, and released individuals over the age of 50 have a very low recidivism rate.

(5) According to public health experts, incarcerated individuals are particularly vulnerable to being gravely impacted by the novel corona virus pandemic because—

(A) they have higher rates of underlying health issues than members of the general public, including higher rates of respiratory disease, heart disease, diabetes, obesity, HIV/AIDS, substance abuse, hepatitis, and other conditions that suppress immune response; and

(B) the close conditions and lack of access to hygiene products in prisons make these institutions unusually susceptible to viral pandemics.

(6) The spread of communicable disease in the United States generally constitutes a serious, heightened threat to the safety of incarcerated individuals, and there is a serious threat to the general public that prisons may become incubators of community spread of communicable viral disease.

(b) DEFINITIONS.—In this section:

(1) COVERED HEALTH CONDITION.—The term ''covered health condition'' with respect to an individual, means the individual—

(A) is pregnant;

(B) has chronic lung disease or asthma;

(C) has congestive heart failure or coronary artery disease;

(D) has diabetes;

(E) has a neurological condition that weakens the ability to cough or breathe;

(F) has HIV;

(G) has sickle cell anemia;

(H) has cancer; or

(I) has a weakened immune system.

(2) COVERED INDIVIDUAL.—The term ''covered individual''—

(A) means an individual who—

(i) is a juvenile (as defined in section 5031 of title 18, United States Code);

(ii) is 50 years of age or older;

(iii) has a covered health condition; or

(iv) is within 12 months of release from incarceration; and

(B) includes an individual described in subparagraph (A) who is serving a term of imprisonment for an offense committed before November 1, 1987, or who is serving a term of imprisonment in the custody of the Bureau of Prisons for a sentence imposed pursuant to a conviction for a criminal offense under the laws of the District of Columbia.

(3) NATIONAL EMERGENCY RELATING TO A COMMUNICABLE DISEASE.—The term ''national emergency relating to a communicable disease'' means—

(A) an emergency involving Federal primary responsibility determined to exist by the President under the section 501(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5191(b)) with respect to a communicable disease; or

(B) a national emergency declared by the President under the National Emergencies Act (50 U.S.C. 1601 et seq.) with respect to a communicable disease.

(c) PLACEMENT OF CERTAIN INDIVIDUALS IN COMMUNITY SUPERVISION.—

(1) AUTHORITY.—Except as provided in paragraph (2), beginning on the date on which a national emergency relating to a communicable disease is declared and ending on the date that is 60 days after such national emergency expires or is terminated—

(A) notwithstanding any other provision of law, the Director of the Bureau of Prisons shall place in community supervision all covered individuals who are in the custody of the Bureau of Prisons; and

(B) the district court of the United States for each judicial district shall place in community supervision all covered individuals who are in the custody and care of the United States Marshals Service.

(2) EXCEPTIONS.—

(A) BUREAU OF PRISONS.—In carrying out paragraph (1)(A), the Director—

(i) may not place in community supervision any individual determined, by clear and convincing evidence, taking into account the individual's offense of conviction, to be likely to pose a specific and substantial risk of causing bodily injury to or using violent force against the person of another;

(ii) shall place in the file of each individual described in clause (i) documentation of such determination, including the evidence used to make the determination; and

(iii) not later than 180 days after the date on which the national emergency relating to a communicable disease expires, shall provide a report to Congress documenting—

(I) the demographic data (including race, gender, age, offense of conviction, and criminal history level) of the individuals denied placement in community supervision under clause (i); and

(II) the justification for the denials described in subclause (I).

(B) DISTRICT COURTS.—In carrying out paragraph (1)(B), each district court of the United States—

(i) shall conduct an immediate and expedited review of the detention orders of all covered individuals in the custody and care of the United States Marshals Service, which may be conducted sua sponte and ex parte, without—

(I) appearance by the defendant or any party; or

(II) requiring a petition, motion, or other similar document to be filed;

(ii) may not place in community supervision any individual if the court determines, after a hearing and the attorney for the Government shows by clear and convincing evidence based on individualized facts, that detention is necessary because the individual's release will pose a specific and substantial risk that the individual will cause bodily injury or use violent force against the person of another and that no conditions of release will reasonably mitigate that risk;

(iii) in carrying out clauses (i) and (ii), may—

(I) rely on evidence presented in prior court proceedings; and

(II) if the court determines it necessary, request additional information from the parties to make the determination.

(3) LIMITATION ON COMMUNITY SUPERVISION PLACEMENT.—In placing covered individuals into community supervision under this section, the Director of the Bureau of Prisons and the district court of the United States for each judicial district shall take into account and prioritize placements that enable adequate social distancing, which include home confinement or other forms of low in-person-contact supervised release.

(d) LIMITATION ON PRE-TRIAL DETENTION.—

(1) NO BOND CONDITIONS ON RELEASE.—Notwithstanding section 3142 of title 18, United States Code, beginning on the date on which a national emergency relating to a communicable disease is declared and ending on the date that is 60 days after such national emergency expires or is terminated, in imposing conditions of release, the judicial officer may not require payment of cash bail, proof of ability to pay an unsecured bond, execution of a bail bond, a solvent surety to cosign a secured or unsecured bond, or posting of real property.

(2) LIMITATION.—

(A) IN GENERAL.—Beginning on the date on which a national emergency relating to a communicable disease is declared and ending on the date that is 60 days after such national emergency expires or is terminated, at any initial appearance hearing, detention hearing, hearing on a motion for pretrial release, or any other hearing where the attorney for the Government is seeking the detention or continued detention of any individual, the judicial officer shall order the pretrial release of the individual on personal recognizance or on a condition or combination of conditions under section 3142(c) of title 18, United States Code, unless the attorney for the Government shows by clear and convincing evidence based on individualized facts that detention is necessary because the individual's release will pose a specific and substantial risk that the individual will cause bodily injury or use violent force against the person of another and that no conditions of release will reasonably mitigate that risk.

(B) REQUIRED CONSIDERATION OF CERTAIN FACTORS.—If the judicial officer finds that the attorney for the Government has made the requisite showing under subparagraph (A), the judicial officer shall take into consideration, in determining whether detention is necessary—

(i) whether the individual's age or medical condition renders them especially vulnerable; and

(ii) whether detention will compromise the individual's access to adequate medical treatment, access to medications, or ability to privately consult with counsel and meaningfully prepare a defense.

(C) JUVENILES.—

(i) IN GENERAL.—Beginning on the date on which a national emergency relating to a communicable disease is declared and ending on the date that is 60 days after such national emergency expires or is terminated, notwithstanding sections 5031 through 5035 of title 18, United States Code, and except as provided under clause (ii), in the case of a juvenile alleged to have committed an act of juvenile delinquency, the judicial officer shall release the juvenile to their parent, guardian, custodian, or other responsible party (including the director of a shelter-care facility) upon their promise to bring such juvenile before the appropriate court when requested by the judicial officer.

(ii) EXCEPTION.—A juvenile alleged to have committed an act of juvenile delinquency may be detained pending trial only if, at a hearing at which the juvenile is represented by counsel, the attorney for the Government shows by clear and convincing evidence based on individualized facts that detention is necessary because the juvenile's release will pose a specific and substantial risk that the juvenile will use violent force against a reasonably identifiable person and that no conditions of release will reasonably mitigate that risk, except that in no case may a judicial officer order the detention of a juvenile if it will compromise the juvenile's access to adequate medical treatment, access to medications, or ability to privately consult with counsel and meaningfully prepare a defense.

(iii) LEAST RESTRICTIVE DETENTION.—In the case that the judicial officer orders the detention of a juvenile under clause (ii), the judicial officer shall order the detention of the juvenile in the least restrictive and safest environment possible, taking the national emergency relating to a communicable disease into consideration.

(iv) CONTENTS OF DETENTION ORDER.—In the case that the judicial officer orders the detention of a juvenile under clause (ii), the judicial officer shall issue a written detention order that includes—

(I) findings of fact;

(II) the reasons for the detention;

(III) a description of the risk identified under clause (ii);

(IV) an explanation of why no conditions will reasonably mitigate the risk identified under clause (ii);

(V) a statement that detention will not compromise the juvenile's access to adequate medical treatment, access to medications, or ability to privately consult with counsel and meaningfully prepare a defense; and

(VI) a statement establishing that the detention environment is the least restrictive and safest possible in accordance with the requirement under clause (iii).

(e) LIMITATION ON SUPERVISED RELEASE.—Beginning on the date on which a national emergency relating to a communicable disease is declared and ending on the date that is 60 days after such national emergency expires, the Office of Probation and Pretrial Services of the Administrative Office of the United States Courts shall take measures to prevent the spread of the communicable disease among individuals under supervision by—

(1) suspending the requirement that individuals determined to be a lower risk of reoffending, or any other individuals determined to be appropriate by the supervising probation officer, report in person to their probation or parole officer;

(2) identifying individuals who have successfully completed not less than 18 months of supervision and transferring such individuals to administrative supervision or petitioning the court to terminate supervision, as appropriate; and

(3) suspending the request for detention and imprisonment as a sanction for violations of probation, supervised release, or parole.

(f) PROHIBITION.—No individual who is granted placement in community supervision, termination of supervision, placement on administrative supervision, or pretrial release shall be re-incarcerated, placed on supervision or active supervision, or ordered detained pre-trial only as a result of the expiration of the national emergency relating to a communicable disease.

(g) PROHIBITION ON TECHNICAL VIOLATIONS AND CERTAIN MANDATORY REVOCATIONS OF PROBATION OR SUPERVISED RELEASE.—

(1) RESENTENCING IN CASES OF PROBATION AND SUPERVISED RELEASE.—

(A) IN GENERAL.—Beginning on the date on which a national emergency relating to a communicable disease is declared and ending on the date that is 60 days after such national emergency expires, and notwithstanding section 3582(b) of title 18, United States Code, a court shall order the resentencing of a defendant who is serving a term of imprisonment resulting from a revocation of probation, or supervised release for a Grade C violation for conduct under section 7B1.1(c)(3)(B) of the United States Sentencing Guidelines, upon motion of the defendant.

(B) RESENTENCING.—The court shall order the resentencing of a defendant described in subparagraph (A) as follows:

(i) In the case of a revoked sentence of probation, the court shall resentence the defendant to probation, the duration of which shall be equal to the period of time remaining on the term of probation originally imposed at the time the defendant was most recently placed in custody, unless the court determines that decreasing the length of the term of probation is in the interest of justice.

(ii) In the case of a revoked term of supervised release, the court shall continue the defendant on supervised release, the duration of which shall be equal to the period of time the defendant had remaining on supervised release when the defendant was most recently placed in custody, unless the court determines that decreasing the term of supervised release is in the interest of justice.

(2) RESENTENCING IN CASES OF PAROLE.—

(A) IN GENERAL.—Beginning on the date on which a national emergency relating to a communicable disease is declared and ending on the date that is 60 days after such national emergency expires, the court shall order the resentencing of a defendant who is serving a term of imprisonment resulting from a technical violation of the defendant's parole.

(B) RESENTENCING.—The court shall resentence the defendant to parole, the duration of which shall be equal to the period of time remaining on the defendant's term of parole at the time the defendant was most recently placed in custody, unless the court determines that decreasing the length of the term of parole is in the interest of justice.

(3) HEARING.—The court may grant, but not deny, a motion without a hearing under this section.

(4) NO MANDATORY REVOCATION.—

(A) IN GENERAL.—Beginning on the date on which a national emergency relating to a communicable disease is declared and ending on the date that is 60 days after such national emergency expires, a court is not required to revoke a defendant's probation or supervised release under sections 3565(b) and 3583(g) of title 18, United States Code, based on a finding that the defendant refused to comply with drug treatment.

(B) DISSEMINATION OF POLICY CHANGE.—Not later than 10 days after the date of enactment of this title, the Judicial Conference of the United States shall issue and disseminate to all district courts of the United States a temporary policy change suspending mandatory revocation of probation or supervised release for refusal to comply with drug testing.

Any motion for relief filed in accordance with this paragraph before the expiration or termination of the covered emergency period shall not disqualify such motion based solely on such expiration or termination.

(b) COURT AUTHORITY TO AUTHORIZE TEMPORARY RELEASE OF PERSONS AWAITING DESIGNATION OR TRANSPORTATION TO A BUREAU OF PRISONS FACILITY.—Notwithstanding sections 3582 and 3621 of title 18, United States Code, during the covered emergency period, the court, upon motion of an individual (including individuals adjudicated delinquent under the Federal Juvenile Delinquency Act) awaiting designation or transportation to a Bureau of Prisons or other facility for service of sentence or official detention, or on the court's own motion, may, taking into account the individual's offense of conviction or adjudication, order the temporary release of the individual, for a limited period ending not later than the expiration or termination of the COVID–19 emergency, if such release is for the purpose of avoiding or mitigating the risks associated with imprisonment during the covered emergency period, either generally with respect to the individual's place of imprisonment or specifically with respect to the individual.

(c) HEARING REQUIREMENT.—The court may grant, but not deny, a motion without a hearing under this section. Any motion under this section shall be determined promptly.

(d) EFFECTIVE REPRESENTATION DURING NATIONAL EMERGENCY.—

(1) ACCESS TO COURT.—During the covered emergency period, any procedural requirement under section 3582(c)(1)(A) of title 18, United States Code, that would delay a defendant from directly petitioning the court shall not apply, and the defendant may petition the court directly for relief.

(2) APPOINTMENT OF COUNSEL.—The court shall appoint counsel for indigent defendants or prisoners, at no cost to the defendant or prisoner, as early as possible to effectuate the purposes of this section and the purposes of section 3582(c)(1)(A) of title 18, United States Code.

(B) INDIVIDUALS IN THE CUSTODY OF THE U.S. MARSHALS SERVICE.—In order to expedite proceedings under this section, in the case of an individual who is in the custody or care of the U.S. Marshals Service, the Director of the U.S. Marshals Service shall facilitate the

If the court determines the prisoner is reasonably likely to prevail, the court may order such appropriate relief, limited in time and scope, as may be necessary to prevent or remedy the significant risk of harm or provide access to counsel.

''(2) RETALIATION PROHIBITED.—Section 6 shall apply in the case of retaliation against a prisoner who files an administrative claim or lawsuit during the covered emergency period or attempts to so file.

In the case that the Attorney General creates a program or system in accordance with this subsection, the Attorney General shall, upon implementing such system, discontinue using any program or system that exists on the date of enactment of this title through which an incarcerated person sends or receives a privileged electronic communication, except that any program or system that exists on such date may continue to be used for any other electronic communication.

''(b) PRETRIAL CITATION AND RELEASE.—

''(1) FINDINGS.—Congress finds as follows:

''(A) With the dramatic growth in pretrial detention resulting in county and city correctional facilities regularly exceeding capacity, such correctional facilities may serve to rapidly increase the spread of COVID–19, as facilities that hold large numbers of individuals in congregant living situations may promote the spread of COVID–19.

''(B) While individuals arrested and processed at local correctional facilities may only be held for hours or days, exposure to large number of individuals in holding cells and courtrooms promotes the spread of COVID–19.

''(C) Pretrial detainees and individuals in correctional facilities are then later released into the community having being exposed to COVID–19.

TITLE IV—JABARA-HEYER NO HATE ACT

SEC. 401. SHORT TITLE.

This title may be cited as the ''Jabara-Heyer National Opposition to Hate, Assault, and Threats to Equality Act of 2020'' or the ''Jabara-Heyer NO HATE Act''.

SEC. 402. FINDINGS.

Congress finds the following:

(1) The incidence of violence known as hate crimes or crimes motivated by bias poses a serious national problem.

(2) According to data obtained by the Federal Bureau of Investigation, the incidence of such violence increased in 2017, the most recent year for which data is available.

(3) In 1990, Congress enacted the Hate Crime Statistics Act (Public Law 101–275; 28 U.S.C. 534 note) to provide the Federal Government, law enforcement agencies, and the public with data regarding the incidence of hate crime. The Hate Crimes Statistics Act and the Matthew Shepard and James Byrd, Jr. Hate Crimes Prevention Act (division E of Public Law 111–84; 123 Stat. 2835) have enabled Federal authorities to understand and, where appropriate, investigate and prosecute hate crimes.

(4) A more complete understanding of the national problem posed by hate crime is in the public interest and supports the Federal interest in eradicating bias-motivated violence referenced in section 249(b)(1)(C) of title 18, United States Code.

(5) However, a complete understanding of the national problem posed by hate crimes is hindered by incomplete data from Federal, State, and local jurisdictions through the Uniform Crime Reports program authorized under section 534 of title 28, United States Code, and administered by the Federal Bureau of Investigation.

(6) Multiple factors contribute to the provision of inaccurate and incomplete data regarding the incidence of hate crime through the Uniform Crime Reports program. A significant contributing factor is the quality and quantity of training that State and local law enforcement agencies receive on the identification and reporting of suspected bias-motivated crimes.

(7) The problem of crimes motivated by bias is sufficiently serious, widespread, and interstate in nature as to warrant Federal financial assistance to States and local jurisdictions.

(8) Federal financial assistance with regard to certain violent crimes motivated by bias enables Federal, State, and local authorities to work together as partners in the investigation and prosecution of such crimes.

(B) by adding at the end the following:

''(6) In the case of an emergency posing a significant risk to the health of humans, the Secretary of the Interior may designate a species by interim final rule. At the time of publication of the regulation in the Federal Register, the Secretary shall publish therein detailed reasons why such regulation is necessary, and in the case that such regulation applies to a native species, the Secretary shall give actual notice of such regulation to the State agency in each State in which such species is believed to occur. Any regulation promulgated under the authority of this paragraph shall cease to have force and effect at the close of the 365-day period following the date of publication unless, during such 365-day period, the rulemaking procedures which would apply to such regulation without regard to this paragraph are complied with. If at any time after issuing an emergency regulation the Secretary determines, on the basis of the best appropriate data available to the Secretary, that substantial evidence does not exist to warrant such regulation, the Secretary shall withdraw it.

''(7) Not more than 90 days after receiving a petition of an interested person under section 553(e) of title 5, United States Code, to determine that a species is injurious under this section, the Secretary of the Interior shall determine whether such petition has scientific merit. If the Secretary determines a petition has scientific merit, such Secretary shall make a determination regarding such petition not more than 12 months after the date such Secretary received such petition.''; and

(2) by amending subsection (b) to read as follows:

''(b) Any person who knowingly imports, ships, or transports any species in violation of subsection (a) of this section and who reasonably should have known that the species at issue in such violation is a species listed in subsection (a) of this section, or in any regulation issued pursuant thereto, shall be fined under this title or imprisoned not more than six months, or both.''.

By Mr. REED (for himself and Mr. WHITEHOUSE):

S. 4804. A bill to amend the Magnuson-Stevens Fishery Conservation and Management Act to add Rhode Island to the Mid-Atlantic Fishery Management Council, and for other purposes; to the Committee on Commerce, Science, and Transportation.

Mr. REED. Mr. President, today I am introducing the Rhode Island Fishermen's Fairness Act of 2020 along with my colleague Senator WHITEHOUSE. This legislation seeks to address a longstanding inequity in our Nation's fisheries management system which denies Rhode Islanders a voice in the governance of many stocks that local fishermen catch and rely upon for their livelihoods.

The Magnuson-Stevens Act granted Rhode Island voting membership on the New England Fishery Management Council (NEFMC), as NEFMC-managed stocks represent a significant percentage of landings and revenue for the State. However, Rhode Island has an even larger stake in Mid-Atlantic fisheries. Yet, it does not have voting representation on the Mid-Atlantic Fishery Management Council (MAFMC), which currently consists of representatives from New York, New Jersey, Delaware, Pennsylvania, Maryland, Virginia, and North Carolina.

According to data provided by the National Oceanic and Atmospheric Administration (NOAA), between 2014 and 2108, Rhode Island accounted for approximately a quarter of the commercial landings by value from stocks under the MAFMC's sole jurisdiction, and its commercial landings were greater than the total landings of all of the states currently represented on the MAFMC with the exception of New Jersey.

As the rest of the Nation learned during the Democratic National Convention, the Rhode Island State appetizer is calamari. That is squid. And while squid is our number one landed species, Rhode Island doesn't have a formal say in the management of this stock.

This legislation offers a simple solution with sound precedent. North Carolina was added to the MAFMC through an amendment to the Sustainable Fisheries Act in 1996. Like Rhode Island, a significant portion of North Carolina's landed fish species were managed by the MAFMC, yet the State had no vote on the council. Similarly, the Rhode Island Fishermen's Fairness Act would create two seats on the MAFMC for Rhode Island: one seat appointed by the Secretary of Commerce based on recommendations from the Governor of Rhode Island, and a second seat filled by Rhode Island's principal State official with marine fishery management responsibility. To accommodate these new members, the MAFMC would increase in size from 21 to 23 voting members. In short, Rhode Island would be guaranteed the same minimum representation as every other State on the MAFMC.

With mounting economic, ecological, and regulatory challenges, it is more important than ever that Rhode Island fishermen have a voice in the management of the fisheries they depend on.

I urge our colleagues to join us in supporting this commonsense legislation.
