Whereas the Speaker of the House Representatives and the Democratic Caucus of the House of Representatives have undertaken a multi-year campaign to delegitimize the duly elected President of the United States and overturn the results of the 2016 Presidential election, and in the course of this campaign have wasted taxpayer dollars and weaponized House resources, including committee and floor time, that could have otherwise been used to help the people of the United States;

Whereas the Speaker of the House of Representatives is politicizing the 25th Amendment and the health of the United States President during a global pandemic in order to influence the upcoming November elections;

Whereas the Speaker of the House of Representatives has failed to negotiate in good faith in regard to providing COVID-19 relief to the people of the United States;

Whereas the Speaker of the House of Representatives is politicizing the 25th Amendment and the health of the United States President in order to increase leverage on negotiations involving COVID-19 relief;

Whereas the Speaker of the House of Representatives is abusing the power of the House of Representatives, violating the intent of the 25th Amendment for political purposes, and misusing taxpayer dollars;

Whereas the Speaker of the House of Representatives is degrading the office she holds and conducting herself in a manner that does not reflect creditably on the House of Representatives; and

Whereas, if allowed to stand, this action by the Speaker of the House of Representatives would set a dangerous precedent for the constitutional system of Government in the United States: Now, therefore, be it

*Resolved*, That the Senate disapproves of the statements and actions of the Speaker of the House of Representatives and the Democratic Caucus of the House of Representatives for politicizing the 25th Amendment of the Constitution of the United States.
