

among enlisted personnel (19 percent in 2015) than among the commissioned officers (9 percent).

Jackson Lee Amendment 179 implements a recommendation made by the Cyberspace Solarium Commission to require the Secretary of Homeland Security to develop a strategy to implement Domain-based Message Authentication, Reporting, and Conformance (DMARC) standard across U.S.-based email providers to increase the security of email.

I thank my Colleagues Congressmen LANDEVIN, GALLAGHER, KATKO, and JOYCE for joining this bipartisan amendment to the FY 2021 NDAA.

The security of email has grown in importance as it has become in many ways the primary way that businesses, consumers, government communicate.

Jackson Lee Amendment 183 provides authorization for a \$10 million increase in funding for increased collaboration with NIH to combat Triple Negative Breast Cancer.

As a Member of Congress, a mother, a sister and a spouse, and a breast cancer survivor, I feel a special responsibility to do all I can to ensure every American can win in the fight against all types of breast cancer, especially triple negative breast cancer (TNBC).

About 10 to 20 percent of breast cancers test negative for both hormone receptors and HER2 in the lab, which means they are triple-negative.

Studies have shown that triple-negative breast cancer is more likely to spread beyond the breast and more likely to recur (come back) after treatment.

These risks appear to be greatest in the first few years after treatment.

Jackson Lee Amendment 181 provides authorization for \$2.5 million increase in funding to combat post-traumatic stress disorder (PTSD).

According to the NIH, an estimated 3.6 percent of U.S. adults had PTSD in the past year.

PTSD was first brought to public attention in relation to war veterans, but it can result from a variety of traumatic incidents, such as torture, being kidnapped or held captive, bombings, or natural disasters such as floods or earthquakes.

This amendment will help ensure that “no soldier is left behind” by addressing the urgent need for more outreach toward hard to reach veterans suffering from PTSD, especially those who are homeless or reside in underserved urban and rural areas of our country.

I urge my colleagues to support all of these Jackson Lee Amendments.

CONGRATULATING COLE COUNTY MISSOURI ON THE COMMEMORATION OF ITS BICENTENNIAL

HON. BLAINE LUETKEMEYER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 18, 2020

Mr. LUETKEMEYER. Madam Speaker, I rise today to congratulate Cole County, Missouri, on the commemoration of its Bicentennial.

Located in the heart of Missouri, Cole County was founded in 1820 and named after the fearless pioneer Captain Stephan Cole. Starting with a small community of nearly 1,028 people, Cole County now has a population of around 80,000. This growth is combined with a rich history that outlines the story of the heartland of Missouri.

Shortly after President Monroe signed the Missouri Compromise on March 6, 1820 inducting Missouri into the Union the first Missouri Constitution was written. Alexander McNair was elected Governor, Thomas Hart Benton and David Barton were elected as U.S. Senators and the first Missouri General Assembly comprised of 14 state senators and 43 state representatives was formed. On November 16, 1820 Cole County was established and five years later Jefferson City was founded. In 1826 Jefferson City officially became the capital of Missouri and has been home to the state legislature and governor ever since.

Moving forward in history, throughout the 1840s and into the 1890s Cole County saw massive population growth lead by an influx of German immigration to America. Many came seeking religious freedom, independence and fertile land. From their many tightly bound communities began to grow and develop, many centering around their respective churches.

This year, Cole County will celebrate by placing a special commemorative monument at the trailhead of Katy trail as well as several other smaller events to commemorate this historic event. In these unprecedented times, it is important now more than ever to come together and celebrate our shared history and roots in this great nation.

Madam Speaker, please join me in congratulating Cole County on their 200th Anniversary. May their rich history continue to be the foundation for an undoubtedly bright future.

CONGRATULATING BOONE MEADOW ELEMENTARY A BLUE RIBBON SCHOOL

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 18, 2020

Mrs. BROOKS of Indiana. Madam Speaker, I rise today to congratulate an outstanding

school in my district that is being honored as a National Blue Ribbon School. It is a pleasure to congratulate Boone Meadow Elementary in Zionsville, Indiana, in celebration of this special occasion.

The National Blue Ribbon designation, given by the United States Department of Education, is awarded to both public and private schools across our great nation. Started by President Reagan and given annually since 1982, the award celebrates great American schools that achieve very high learning standards or are making significant improvements in the academic achievements of their students. In my district and across the country, the award recognizes the great educators, students, and parents who have worked very hard to ensure our children reach their full potential and achieve academic success.

For all these reasons and many more, I am very proud that Boone Meadow Elementary is receiving this prestigious designation. It is a wonderful acknowledgement of the school's commitment to providing young Hoosiers with an exceptional education. While hundreds of schools nationwide were nominated, only 367 schools were designated as 2020 National Blue Ribbon Schools. Of the 367 schools, Boone Meadow was one of only eight Indiana schools to receive recognition, making this recognition all the more impressive.

Boone Meadow is a school that is not only committed to its students, but is committed to the teachers, staff and parents of their community. They are committed to creating an environment that allows students to grow into the leaders of tomorrow. I want to personally congratulate principal Tom Hundley for leading this school to this well-deserved honor.

As an advocate for education and youth, I recognize how important it is for our nation's future to encourage and raise a new generation of Americans who have the skills and knowledge to succeed both in and out of the classroom. Students like those at Boone Meadow give me hope that we will accomplish this vital mission. Their outstanding work is an inspiration to students, educators, and parents across the nation. Once again, congratulations to Boone Meadow Elementary School. I am very proud of them.
