Congress finds the following:

The role of our exchanges . . . in advancing U.S. national security and economic interests

enjoys broad bipartisan support from Congress and other stakeholders, and provides a strong return on investment."

(4) According to the Institute of International Education, in the 2015–2016 academic year, more than 56,000 United States students studied in other countries in the Western Hemisphere region while more than 84,000 non-United States students from the region studied in the United States, but only 5,000 of those United States students studied in Mexico and only 16,000 of those non-United States students were from Mexico.

SEC. 3. STATEMENT OF POLICY.

It is the policy of the United States—

GENERAL LEAVE

Mrs. LOWEY. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the House amendment to the Senate amendment to H.R. 133.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mrs. LOWEY. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am proud to present legislation that comprises all 12 fiscal year 2021 appropriations bills, a number of items agreed to on a bipartisan basis between authorizing committees, and a coronavirus relief package.

The 12 appropriations bills include a strong increase in nondefense discretionary funding, allowing Congress to make important investments for the people.

I am particularly proud that we have been able to fund better education for our students; more affordable housing; food security initiatives; safer communities, with funding to address America's gun violence epidemic; clean air and water; action on the climate crisis; and care for our veterans, with a special emphasis on suicide prevention and gender-specific care.

As chairwoman of the Subcommittee on State, Foreign Operations, and Related Programs, I am also proud that this legislation bolsters international security and stability. In particular, the Middle East Partnership for Peace fund will support people-to-people exchanges and economic partnerships between Israelis and Palestinians.

Turning to the coronavirus relief portion of the legislation, the bill provides \$892 billion to confront the pandemic.

While Republican intransigence means the legislation doesn't include the State and local relief that is desperately needed, the amounts it provides for education, public health, and transportation will greatly benefit our local communities.

Of particular importance to me, the \$4 billion for GAVI will help children
