PURPOSE AND SUMMARY

On June 5, 2019, Rep. Juan Vargas introduced H.R. 3154, the “Homeownership for DREAMers Act,” a bill which clarifies that recipients of Deferred Action for Childhood Arrivals (DACA) cannot

be deemed ineligible for mortgage loans backed by Federal Housing Administration (FHA), Fannie, Freddie, or the U.S. Department of Agriculture (USDA) solely on the basis of their status as DACA recipients.

BACKGROUND AND NEED FOR LEGISLATION

On December 14, 2018, it was reported that the Trump Administration had begun to deny FHA loans to DACA recipients.¹ The initial media report from BuzzFeed included interviews with employees of lenders who had been successfully originating FHA loans for DACA recipients for years with FHA approval, but under direction from the Trump Administration, had started receiving denials. Representatives of the Department of Housing and Urban Development denied making any formal change to its policies.

Fannie Mae has since clarified that DACA recipients are and will continue to be eligible for loans that they back.² Freddie Mac and USDA do not appear to have clarified their policies in this respect.

The following organizations support this bill: the Asian Pacific American Community Development (National CAPACD), the Asian Real Estate Association of America, the Center for Responsible Lending (CRL), The Leadership Conference on Civil and Human Rights, the Mortgage Bankers Association (MBA), the NAACP, the National Association of Hispanic Real Estate Professionals (NAHREP), the National Fair Housing Alliance (NFHA), UnidosUS, and United We Dream.

SECTION-BY-SECTION ANALYSIS

Section 1. Short title

This section states that the title of the bill is the “Homeownership for Dreamers Act.”

Section 2. DACA recipient eligibility

This section amends Sections 203, 501, 302, and 305 of the National Housing Act (12 U.S.C. 1709) by inserting language that defines “DACA recipient” and by also clarifying that FHA, USDA Rural Housing Service, Fannie Mae, and Freddie Mac may not limit a borrower’s eligibility based on their status as a DACA recipient.

STATEMENT OF PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause (3)(c) of rule XIII of the Rules of the House of Representatives, the goals of H.R. 3154 are to clarify that borrowers are not denied lending opportunities by FHA, USDA, Fannie Mae, or Freddie Mac based on their status as DACA recipients.

NEW BUDGET AUTHORITY AND CBO COST ESTIMATE

Pursuant to clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, and pursuant to clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has received the following estimate for H.R. 3154 from the Director of the Congressional Budget Office:

H.R. 3154 would clarify that noncitizens in deferred action status under the Deferred Action for Childhood Arrivals (DACA) program are eligible to obtain federally guaranteed mortgages for single-family homes. Most federal mortgage guarantees are offered by the Federal Housing Administration (FHA), and two government-sponsored enterprises (GSEs)—Fannie Mae and Freddie Mac. FHA guidelines are not explicit about the eligibility of those with DACA status for its mortgage guarantee program, but FHA requires mortgage lenders to determine the likelihood that a noncitizen's work authorization will be renewed when evaluating the risk of issuing a mortgage that will be guaranteed by FHA.

The Administration has proposed to terminate the DACA program that currently provides lawful presence and work authorization to nearly 700,000 inadmissible or deportable aliens. That policy proposal is currently subject to a nationwide injunction but CBO's baseline incorporates the assumption that the Administration's proposed policy will be implemented by October 1, 2021. If that occurs, deferred-action status under DACA will be revoked, including the authorization of those noncitizens to work legally in the United States.

CBO estimates that enacting H.R. 3154 could have an insignificant effect on spending subject to appropriation over the 2019–2024 period. Although more borrowers might seek an FHA guaranteed mortgage under the bill, those applicants would continue to face the financial risk of the pending termination of DACA and their right to work legally in the United States. CBO estimates that enacting H.R. 3154 would not change how lenders evaluate that risk when determining whether to issue mortgages to those with DACA status. Thus, CBO expects that enacting H.R. 3154 would not lead to a significant increase in the number or value of federal mortgage guarantees.

Under current law, the GSEs treat certain noncitizens as eligible to obtain mortgage guarantees. Using information from the GSEs, and their regulator, the Federal Housing Finance Administration, CBO estimates that implementing the bill would not affect mort-

gage guarantees issued by the GSEs because DACA recipients already are explicitly eligible for mortgages under those programs.

The CBO staff contact for this estimate is Aurora Swanson. The estimate was reviewed by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

COMMITTEE COST ESTIMATE

Clause 3(d)(1) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison of the costs that would be incurred in carrying out H.R. 3154. However, clause 3(d)(2)(B) of that rule provides that this requirement does not apply when the committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the *Congressional Budget Act*.

UNFUNDED MANDATE STATEMENT

Pursuant to Section 423 of the *Congressional Budget and Impoundment Control Act* (as amended by Section 101(a)(2) of the *Unfunded Mandates Reform Act*, Pub. L. 104–4), the Committee adopts as its own the estimate of federal mandates regarding H.R. 3154, as amended, prepared by the Director of the Congressional Budget Office.

ADVISORY COMMITTEE

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

APPLICATION OF LAW TO THE LEGISLATIVE BRANCH

Pursuant to section 102(b)(3) of the *Congressional Accountability Act*, Pub. L. No. 104–1, H.R. 3154, as amended, does not apply to terms and conditions of employment or to access to public services or accommodations within the legislative branch.

EARMARK STATEMENT

In accordance with clause 9 of rule XXI of the Rules of the House of Representatives H.R. 3154 does not contain any congressional earmarks, limited tax benefits, or limited tariff benefits as described in clauses 9(e), 9(f), and 9(g) of rule XXI.

DUPLICATION OF FEDERAL PROGRAMS

Pursuant to clause 3(c)(5) of rule XIII of the Rules of the House of Representatives, the Committee states that no provision of H.R. 3154 establishes or reauthorizes a program of the Federal Government known to be duplicative of another federal program, a program that was included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139, or a program related to a program identified in the most recent Catalog of Federal Domestic Assistance.

CHANGES TO EXISTING LAW

In compliance with clause 3(e) of rule XIII of the Rules of the House of Representatives, changes in existing law made by the bill, H.R. 3154, as reported, are shown as follows:

TITLE II—MORTGAGE INSURANCE

* * * * *

INSURANCE OF MORTGAGES

SEC. 203. (a) The Secretary is authorized, upon application by the mortgagee, to insure as hereinafter provided any mortgage offered to him which is eligible for insurance as hereinafter provided, and, upon such terms as the Secretary may prescribe, to make commitments for the insuring of such mortgages prior to the date of their execution or disbursement thereon.

(b) To be eligible for insurance under this section a mortgage shall comply with the following:

(1) Have been made to, and be held by, a mortgagee approved by the Secretary as responsible and able to service the mortgage properly.

(2) Involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in an amount—

(A) not to exceed the lesser of—

(i) in the case of a 1-family residence, 115 percent of the median 1-family house price in the area, as determined by the Secretary; and in the case of a 2-, 3-, or 4-family residence, the percentage of such median price that bears the same ratio to such median price as the dollar amount limitation determined under the sixth sentence of section 305(a)(2) of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2)) for a 2-, 3-, or 4-family residence, respectively, bears to the dollar amount limitation determined under such section for a 1-family residence; or

(ii) 150 percent of the dollar amount limitation determined under the sixth sentence of such section 305(a)(2) for a residence of applicable size;

except that the dollar amount limitation in effect under this subparagraph for any size residence for any area may not be less than the greater of: (I) the dollar amount limitation in effect under this section for the area on October 21, 1998; or (II) 65 percent of the dollar amount limitation

determined under the sixth sentence of such section 305(a)(2) for a residence of the applicable size; and

(B) not to exceed 100 percent of the appraised value of the property.

For purposes of the preceding sentence, the term “area” means a metropolitan statistical area as established by the Office of Management and Budget; and the median 1-family house price for an area shall be equal to the median 1-family house price of the county within the area that has the highest such median price.

Notwithstanding any other provision of this paragraph, the amount which may be insured under this section may be increased by up to 20 percent if such increase is necessary to account for the increased cost of the residence due to the installation of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 2(a) of this Act) therein.

Notwithstanding any other provision of this paragraph, the Secretary may not insure, or enter into a commitment to insure, a mortgage under this section that is executed by a first-time homebuyer and that involves a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve) in excess of 97 percent of the appraised value of the property unless the mortgagor has completed a program of counseling with respect to the responsibilities and financial management involved in homeownership that is approved by the Secretary; except that the Secretary may, in the discretion of the Secretary, waive the applicability of this requirement.

(3) Have a maturity satisfactory to the Secretary, but not to exceed, in any event, thirty-five years (or thirty years if such mortgage is not approved for insurance prior to construction) from the date of the beginning of amortization of the mortgage.

(4) Contain complete amortization provisions satisfactory to the Secretary requiring periodic payments by the mortgagor not in excess of his reasonable ability to pay as determined by the Secretary.

(5) Bear interest at such rate as may be agreed upon by the mortgagor and the mortgagee.

(6) Provide, in a manner satisfactory to the Secretary, for the application of the mortgagor’s periodic payments (exclusive of the amount allocated to interest and to the premium charge which is required for mortgage insurance as hereinafter provided) to amortization of the principal of the mortgage.

(7) Contain such terms and provisions with respect to insurance, repairs, alterations, payment of taxes, default reserves, delinquency charges, foreclosure proceedings, anticipation of maturity, additional and secondary liens, and other matters as the Secretary may in his discretion prescribe.

(9) CASH INVESTMENT REQUIREMENT.—

(A) IN GENERAL.—A mortgage insured under this section shall be executed by a mortgagor who shall have paid, in cash or its equivalent, on account of the property an amount equal to not less than 3.5 percent of the appraised

value of the property or such larger amount as the Secretary may determine.

(B) FAMILY MEMBERS.—For purposes of this paragraph, the Secretary shall consider as cash or its equivalent any amounts borrowed from a family member (as such term is defined in section 201), subject only to the requirements that, in any case in which the repayment of such borrowed amounts is secured by a lien against the property, that—

(i) such lien shall be subordinate to the mortgage; and

(ii) the sum of the principal obligation of the mortgage and the obligation secured by such lien may not exceed 100 percent of the appraised value of the property plus any initial service charges, appraisal, inspection, and other fees in connection with the mortgage.

(C) PROHIBITED SOURCES.—In no case shall the funds required by subparagraph (A) consist, in whole or in part, of funds provided by any of the following parties before, during, or after closing of the property sale:

(i) The seller or any other person or entity that financially benefits from the transaction.

(ii) Any third party or entity that is reimbursed, directly or indirectly, by any of the parties described in clause (i).

This subparagraph shall apply only to mortgages for which the mortgagee has issued credit approval for the borrower on or after October 1, 2008.

(c)(1) The Secretary is authorized to fix premium charge for the insurance of mortgages under the separate sections of this title but in the case of any mortgage such charge shall be not less than an amount equivalent to one-fourth of 1 per centum per annum nor more than an amount equivalent to 1 per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments: *Provided*, That premium charges fixed for insurance (1) under section 245, 247, 251, 252, or 253, or any other financing mechanism providing alternative methods for repayment of a mortgage that is determined by the Secretary to involve additional risk, or (2) under subsection (n) are not required to be the same as the premium charges for mortgages insured under the other provisions of this section, but in no case shall premium charges under subsection (n) exceed 1 per centum per annum: *Provided*, That any reduced premium charge so fixed and computed may, in the discretion of the Secretary, also be made applicable in such manner as the Secretary shall prescribe to each insured mortgage outstanding under the section or sections involved at the time the reduced premium charge is fixed. Such premium charges shall be payable by the mortgagee, either in cash, or in debentures issued by the Secretary under this title at par plus accrued interest, in such manner as may be prescribed by the Secretary: *Provided*, That debentures presented in payment of premium charges shall represent obligations of the particular insurance fund or account to which such premium charges are to be credited: *Provided further*, That the Secretary may require the payment of one or more such premium charges at the time the mortgage is insured, at such discount rate

as he may prescribe not in excess of the interest rate specified in the mortgage. If the Secretary finds upon the presentation of a mortgage for insurance and the tender of the initial premium charge or charges so required that the mortgage complies with the provisions of this section, such mortgage may be accepted for insurance by endorsement or otherwise as the Secretary may prescribe; but no mortgage shall be accepted for insurance under this section unless the Secretary finds that the project with respect to which the mortgage is executed is economically sound. In the event that the principal obligation of any mortgage accepted for insurance under this title is paid in full prior to the maturity date, the Secretary is further authorized in his discretion to require the payment by the mortgagee of an adjusted premium charge in such amount as the Secretary determines to be equitable, but not in excess of the aggregate amount of the premium charges that the mortgagee would otherwise have been required to pay if the mortgage had continued to be insured until such maturity date; and in the event that the principal obligation is paid in full as herein set forth, the Secretary is authorized to refund to the mortgagee for the account of the mortgagor all, or such portion as he shall determine to be equitable, of the current unearned premium charges theretofore paid: *Provided*, That with respect to mortgages (1) for which the Secretary requires, at the time the mortgage is insured, the payment of a single premium charge to cover the total premium obligation for the insurance of the mortgage, and (2) on which the principal obligation is paid before the number of years on which the premium with respect to a particular mortgage was based, or the property is sold subject to the mortgage or is sold and the mortgage is assumed prior to such time, the Secretary shall provide for refunds, where appropriate, of a portion of the premium paid and shall provide for appropriate allocation of the premium cost among the mortgagors over the term of the mortgage, in accordance with procedures established by the Secretary which take into account sound financial and actuarial considerations.

(2) Notwithstanding any other provision of this section, each mortgage secured by a 1- to 4-family dwelling that is an obligation of the Mutual Mortgage Insurance Fund shall be subject to the following requirements:

(A) The Secretary shall establish and collect, at the time of insurance, a single premium payment in an amount not exceeding 3 percent of the amount of the original insured principal obligation of the mortgage. In the case of a mortgage for which the mortgagor is a first-time homebuyer who completes a program of counseling with respect to the responsibilities and financial management involved in homeownership that is approved by the Secretary, the premium payment under this subparagraph shall not exceed 2.75 percent of the amount of the original insured principal obligation of the mortgage. Upon payment in full of the principal obligation of a mortgage prior to the maturity date of the mortgage, the Secretary shall refund all of the unearned premium charges paid on the mortgage pursuant to this subparagraph, provided that the mortgagor refinances the unpaid principal obligation under title II of this Act.

(B) In addition to the premium under subparagraph (A), the Secretary may establish and collect annual premium payments in an amount not exceeding 1.5 percent of the remaining insured principal balance (excluding the portion of the remaining balance attributable to the premium collected under subparagraph (A) and without taking into account delinquent payments or prepayments) for the following periods:

(i) For any mortgage involving an original principal obligation (excluding any premium collected under subparagraph (A)) that is less than 90 percent of the appraised value of the property (as of the date the mortgage is accepted for insurance), for the first 11 years of the mortgage term.

(ii) For any mortgage involving an original principal obligation (excluding any premium collected under subparagraph (A)) that is greater than or equal to 90 percent of such value, for the first 30 years of the mortgage term; except that notwithstanding the matter preceding clause (i), for any mortgage involving an original principal obligation (excluding any premium collected under subparagraph (A)) that is greater than 95 percent of such value, the annual premium collected during the 30-year period under this clause may be in an amount not exceeding 1.55 percent of the remaining insured principal balance (excluding the portion of the remaining balance attributable to the premium collected under subparagraph (A) and without taking into account delinquent payments or prepayments).

(C)(i) In addition to the premiums under subparagraphs (A) and (B), the Secretary shall establish and collect annual premium payments for any mortgage for which the Secretary collects an annual premium payment under subparagraph (B), in an amount described in clause (ii).

(ii)(I) Subject to subclause (II), with respect to a mortgage, the amount described in this clause is 10 basis points of the remaining insured principal balance (excluding the portion of the remaining balance attributable to the premium collected under subparagraph (A) and without taking into account delinquent payments or prepayments).

(II) During the 2-year period beginning on the date of enactment of this subparagraph, the Secretary shall increase the number of basis points of the annual premium payment collected under this subparagraph incrementally, as determined appropriate by the Secretary, until the number of basis points of the annual premium payment collected under this subparagraph is equal to the number described in subclause (I).

(d)(1) Except as provided in paragraph (2) of this subsection, notwithstanding provision of this title governing maximum mortgage amounts for insuring a mortgage secured by a one- to four-family dwelling, the maximum amount of the mortgage determined under any such provision may be increased by the amount of the mortgage insurance premium paid at the time the mortgage is insured.

(2) The maximum amount of a mortgage determined under subsection (b)(2)(B) of this section may not be increased as provided in paragraph (1).

(e) Any contract of insurance heretofore or hereafter executed by the Secretary under this title shall be conclusive evidence of the eligibility of the loan or mortgage for insurance, and the validity of any contract of insurance so executed shall be incontestable in the hands of an approved financial institution or approved mortgagee from the date of the execution of such contract, except for fraud or misrepresentation on the part of such approved financial institution or approved mortgagee.

(f) DISCLOSURE OF OTHER MORTGAGE PRODUCTS.—

(1) IN GENERAL.—In conjunction with any loan insured under this section, an original lender shall provide to each prospective borrower a disclosure notice that provides a 1-page analysis of mortgage products offered by that lender and for which the borrower would qualify.

(2) NOTICE.—The notice required under paragraph (1) shall include—

(A) a generic analysis comparing the note rate (and associated interest payments), insurance premiums, and other costs and fees that would be due over the life of the loan for a loan insured by the Secretary under subsection (b) with the note rates, insurance premiums (if applicable), and other costs and fees that would be expected to be due if the mortgagor obtained instead other mortgage products offered by the lender and for which the borrower would qualify with a similar loan-to-value ratio in connection with a conventional mortgage (as that term is used in section 305(a)(2) of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2)) or section 302(b)(2) of the Federal National Mortgage Association Charter Act (12 U.S.C. 1717(b)(2)), as applicable), assuming prevailing interest rates; and

(B) a statement regarding when the requirement of the mortgagor to pay the mortgage insurance premiums for a mortgage insured under this section would terminate, or a statement that the requirement shall terminate only if the mortgage is refinanced, paid off, or otherwise terminated.

(g)(1) The Secretary may insure a mortgage under this title that is secured by a 1- to 4-family dwelling, or approve a substitute mortgagor with respect to any such mortgage, only if the mortgagor is to occupy the dwelling as his or her principal residence or as a secondary residence, as determined by the Secretary. In making this determination with respect to the occupancy of secondary residences, the Secretary may not insure mortgages with respect to such residences unless the Secretary determines that it is necessary to avoid undue hardship to the mortgagor. In no event may a secondary residence under this subsection include a vacation home, as determined by the Secretary.

(2) The occupancy requirement established in paragraph (1) shall not apply to any mortgagor (or co-mortgagor, as appropriate) that is—

(A) a public entity, as provided in section 214 or 247, or any other State or local government or an agency thereof;

(B) a private nonprofit or public entity, as provided in section 221(h) or 235(j), or other private nonprofit organization that is exempt from taxation under section 501(c)(3) of the Internal

Revenue Code of 1986 and intends to sell or lease the mortgage property to low or moderate-income persons, as determined by the Secretary;

(C) an Indian tribe, as provided in section 248;

(D) a serviceperson who is unable to meet such requirement because of his or her duty assignment, as provided in section 216 or subsection (b)(4) or (f) of section 222;

(E) a mortgagor or co-mortgagor under subsection (k); or

(F) a mortgagor that, pursuant to section 223(a)(7), is refinancing an existing mortgage insured under this Act for not more than the outstanding balance of the existing mortgage, if the amount of the monthly payment due under the refinancing mortgage is less than the amount due under the existing mortgage for the month in which the refinancing mortgage is executed.

(3) For purposes of this subsection, the term “substitute mortgagor” means a person who, upon the release by a mortgagee of a previous mortgagor from personal liability on the mortgage note, assumes such liability and agrees to pay the mortgage debt.

(h) Notwithstanding any other provision of this section, the Secretary is authorized to insure any mortgage which involves a principal obligation not in excess of the applicable maximum dollar limit under subsection (b) and not in excess of 100 per centum of the appraised value of a property upon which there is located a dwelling designed principally for a single-family residence, where the mortgagor establishes (to the satisfaction of the Secretary) that his home which he occupied as an owner or as a tenant was destroyed or damaged to such an extent that reconstruction is required as a result of a flood, fire, hurricane, earthquake, storm, or other catastrophe, which the President, pursuant to Robert T. Stafford Disaster Relief and Emergency Assistance Act, has determined to be a major disaster. In any case in which the single family residence to be insured under this subsection is within a jurisdiction in which the President has declared a major disaster to have occurred, the Secretary is authorized, for a temporary period not to exceed 18 months from the date of such Presidential declaration, to enter into agreements to insure a mortgage which involves a principal obligation of up to 100 percent of the dollar limitation determined under section 305(a)(2) of the Federal Home Loan Mortgage Corporation Act for single family residence, and not in excess of 100 percent of the appraised value.

(i) *DACA RECIPIENT ELIGIBILITY.*—

(1) *IN GENERAL.*—*The Secretary may not—*

(A) prescribe terms that limit the eligibility of a single family mortgage for insurance under this title because of the status of the mortgagor as a DACA recipient; or

(B) issue any limited denial of participation in the program for such insurance because of the status of the mortgagor as a DACA recipient.

(2) *DACA RECIPIENT DEFINED.*—*For the purposes of this subsection, the term “DACA recipient” means an alien who, at any time before, on, or after the date of the enactment of this subsection, is or was in deferred action status pursuant to the Deferred Action for Childhood Arrivals (‘DACA’) Program an-*

nounced by the Secretary of Homeland Security on June 15, 2012.

(3) EXEMPTION.—

(A) DENIAL FOR FAILURE TO SATISFY VALID ELIGIBILITY REQUIREMENTS.—Nothing in this title prohibits the denial of insurance based on failure to satisfy valid eligibility requirements.

(B) INVALID ELIGIBILITY REQUIREMENTS.—Valid eligibility requirements do not include criteria that were adopted with the purpose of denying eligibility for insurance because of race, color, religion, sex, familial status, national origin, disability, or the status of a mortgagor as a DACA recipient.

[(i)]

(j) Loans secured by mortgages insured under this section shall not be taken into account in determining the amount of real estate loans which a national bank may make in relation to its capital and surplus or its time and savings deposits.

(k)(1) The Secretary may, in order to assist in the rehabilitation of one- to four-family structures used primarily for residential purposes, insure and make commitments to insure rehabilitation loans (including advances made during rehabilitation) made by financial institutions. Such commitments to insure and such insurance shall be made upon such terms and conditions which the Secretary may prescribe and which are consistent with the provisions of subsections (b), (c), (e), (i) and (j) of this section, except as modified by the provisions of this subsection.

(2) For the purpose of this subsection—

(A) the term “rehabilitation loan” means a loan, advance of credit, or purchase of an obligation representing a loan or advance of credit, made for the purpose of financing—

(i) the rehabilitation of an existing one- to four-unit structure which will be used primarily for residential purposes;

(ii) the rehabilitation of such a structure and the refinancing of the outstanding indebtedness on such structure and the real property on which the structure is located; or

(iii) the rehabilitation of such a structure and the purchase of the structure and the real property on which it is located; and

(B) the term “rehabilitation” means the improvement (including improvements designed to meet cost-effective energy conservation standards prescribed by the Secretary) or repair of a structure, or facilities in connection with a structure, and may include the provision of such sanitary or other facilities as are required by applicable codes, a community development plan, or a statewide property insurance plan to be provided by the owner or tenant of the project. The term “rehabilitation” may also include measures to evaluate and reduce lead-based paint hazards, as such terms are defined in section 1004 of the Residential Lead-Based Paint Hazard Reduction Act of 1992.

(3) To be eligible for insurance under this subsection, a rehabilitation loan shall—

(A) involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Sec-

retary shall approve) in an amount which does not exceed, when added to any outstanding indebtedness of the borrower which is secured by the structure and the property on which it is located, the amount specified in subsection (b)(2); except that, in determining the amount of the principal obligation for purposes of this subsection, the Secretary shall establish as the appraised value of the property an amount not to exceed the sum of the estimated cost of rehabilitation and the Secretary's estimate of the value of the property before rehabilitation;

(B) bear interest at such rate as may be agreed upon by the borrower and the financial institution;

(C) be an acceptable risk, as determined by the Secretary; and

(D) comply with such other terms, conditions, and restrictions as the Secretary may prescribe.

(4) Any rehabilitation loan insured under this subsection may be refinanced and extended in accordance with such terms and conditions as the Secretary may prescribe, but in no event for an additional amount or term which exceeds the maximum provided for in this subsection.

(5) All funds received and all disbursements made pursuant to the authority established by this subsection shall be credited or charged as appropriate, to the Mutual Mortgage Insurance Fund, and insurance benefits shall be paid in cash out of such Fund or in debentures executed in the name of such Fund. Insurance benefits paid with respect to loans secured by a first mortgage and insured under this subsection shall be paid in accordance with section 204. Insurance benefits paid with respect to loans secured by a mortgage other than a first mortgage and insured under this subsection shall be paid in accordance with paragraphs (6) and (7) of section 220(h), except that reference to "this subsection" in such paragraphs shall be construed as referring to this subsection.

(6) The Secretary is authorized, for a temporary period not to exceed 18 months from the date on which the President has declared a major disaster to have occurred, to enter into agreements to insure a rehabilitation loan under this subsection which involves a principal obligation of up to 100 percent of the dollar limitation determined under section 305(a)(2) of the Federal Home Loan Mortgage Corporation Act for a residence of the applicable size, if such loan is secured by a structure and property that are within a jurisdiction in which the President has declared such disaster, pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act, and if such loan otherwise conforms to the loan-to-value ratio and other requirements of this subsection.

(n)(1) The Secretary is authorized to insure under this section any mortgage meeting the requirements of subsection (b) of this section, except as modified by this subsection. To be eligible, the mortgage shall involve a dwelling unit in a cooperative housing project which is covered by a blanket mortgage insured under this Act or the construction of which was completed more than a year prior to the application for the mortgage insurance. The mortgage amount as determined under the other provisions of subsection (b) of this section shall be reduced by an amount equal to the portion of the unpaid balance of the blanket mortgage covering the project

which is attributable (as of the date the mortgage is accepted for insurance) to such unit.

(2) For the purpose of this subsection—

(A) The terms “home mortgage” and “mortgage” include a first or subordinate mortgage or lien given (in accordance with the laws of the State where the property is located and accompanied by such security and other undertakings as may be required under regulations of the Secretary) to secure a loan made to finance the purchase of stock or membership in a cooperative ownership housing corporation the permanent occupancy of the dwelling units of which is restricted to members of such corporation, where the purchase of such stock or membership will entitle the purchaser to the permanent occupancy of one of such units.

(B) The terms “appraised value of the property”, “value of the property”, and “value” include the appraised value of a dwelling unit in a cooperative housing project of the type described in subparagraph (A) where the purchase of the stock or membership involved will entitle the purchaser to the permanent occupancy of that unit; and the term “property” includes a dwelling unit in such a cooperative project.

(C) The terms “mortgagor” includes a person or persons giving a first or subordinate mortgage or lien (of the type described in subparagraph (A)) to secure a loan to finance the purchase of stock or membership in a cooperative housing corporation.

(r) The Secretary shall take appropriate actions to reduce losses under the single-family mortgage insurance programs carried out under this title. Such actions shall include—

(1) an annual review by the Secretary of the rate of early serious defaults and claims, in accordance with section 533;

(2) requiring that at least one person acquiring ownership of a one- to four-family residential property encumbered by a mortgage insured under this title be determined to be credit-worthy under standards prescribed by the Secretary, whether or not such person assumes personal liability under the mortgage (except that acquisitions by devise or descent shall not be subject to this requirement);

(3) in any case where personal liability under a mortgage is assumed, requiring that the original mortgagor be advised of the procedures by which he or she may be released from liability; and

(4) providing counseling, either directly or through third parties, to delinquent mortgagors whose mortgages are insured under this section 203 (12 U.S.C. 1709), using the Fund to pay for such counseling.

In any case where the homeowner does not request a release from liability, the purchaser and the homeowner shall have joint and several liability for any default for a period of 5 years following the date of the assumption. After the close of such 5-year period, only the purchaser shall be liable for any default on the mortgage unless the mortgage is in default at the time of the expiration of the 5-year period.

(t)(1) Each mortgagee (or servicer) with respect to a mortgage under this section shall provide each mortgagor of such mortgagee

(or servicer) written notice, not less than annually, containing a statement of the amount outstanding for prepayment of the principal amount of the mortgage and describing any requirements the mortgagor must fulfill to prevent the accrual of any interest on such principal amount after the date of any prepayment. This paragraph shall apply to any insured mortgage outstanding on or after the expiration of the 90-day period beginning on the date of effectiveness of final regulations implementing this paragraph.

(2) Each mortgagee (or servicer) with respect to a mortgage under this section shall, at or before closing with respect to any such mortgage, provide the mortgagor with written notice (in such form as the Secretary shall prescribe, by regulation, before the expiration of the 90-day period beginning upon the date of the enactment of the Cranston-Gonzalez National Affordable Housing Act) describing any requirements the mortgagor must fulfill upon prepayment of the principal amount of the mortgage to prevent the accrual of any interest on the principal amount after the date of such prepayment. This paragraph shall apply to any mortgage executed after the expiration of the period under paragraph (1).

(u)(1) No mortgagee may make or hold mortgages insured under this section if the customary lending practices of the mortgagee, as determined by the Secretary pursuant to section 539, provide for a variation in mortgage charge rates that exceeds 2 percent for insured mortgages made by the mortgagee on dwellings located within an area. The Secretary shall ensure that any permissible variations in the mortgage charge rates of any mortgagee are based only on actual variations in fees or costs to the mortgagee to make the loan.

(2) For purposes of this subsection—

(A) the term “area” means a metropolitan statistical area as established by the Office of Management and Budget;

(B) the term “mortgage charges” includes the interest rate, discount points, loan origination fee, and any other amount charged to a mortgagor with respect to an insured mortgage; and

(C) the term “mortgage charge rate” means the amount of mortgage charges for an insured mortgage expressed as a percentage of the initial principal amount of the mortgage.

(v) The insurance of a mortgage under this section in connection with the assistance provided under section 8(y) of the United States Housing Act of 1937 shall be the obligation of the Mutual Mortgage Insurance Fund.

(w) ANNUAL REPORT.—The Secretary of Housing and Urban Development shall submit to the Congress an annual report on the single family mortgage insurance program under this section. Each report shall set forth—

(1) an analysis of the income groups served by the single family insurance program, including—

(A) the percentage of borrowers whose incomes do not exceed 100 percent of the median income for the area;

(B) the percentage of borrowers whose incomes do not exceed 80 percent of the median income for the area; and

(C) the percentage of borrowers whose incomes do not exceed 60 percent of the median income for the area;

(2) an analysis of the percentage of minority borrowers annually assisted by the program; the percentage of central city borrowers assisted and the percentage of rural borrowers assisted by the program;

(3) the extent to which the Secretary in carrying out the program has employed methods to ensure that needs of low and moderate income families, underserved areas, and historically disadvantaged groups are served by the program; and

(4) the current impediments to having the program serve low and moderate income borrowers; borrowers from central city areas; borrowers from rural areas; and minority borrowers.

(x) MANAGEMENT DEFICIENCIES REPORT.—

(1) IN GENERAL.—Not later than 60 days after the date of the enactment of this subsection, and annually thereafter, the Secretary shall submit to Congress a report on the plan of the Secretary to address each material weakness, reportable condition, and noncompliance with an applicable law or regulation (as defined by the Director of the Office of Management and Budget) identified in the most recent audited financial statement of the Federal Housing Administration submitted under section 3515 of title 31, United States Code.

(2) CONTENTS OF ANNUAL REPORT.—Each report submitted under paragraph (1) shall include—

(A) an estimate of the resources, including staff, information systems, and contract assistance, required to address each material weakness, reportable condition, and noncompliance with an applicable law or regulation described in paragraph (1), and the costs associated with those resources;

(B) an estimated timetable for addressing each material weakness, reportable condition, and noncompliance with an applicable law or regulation described in paragraph (1); and

(C) the progress of the Secretary in implementing the plan of the Secretary included in the report submitted under paragraph (1) for the preceding year, except that this subparagraph does not apply to the initial report submitted under paragraph (1).

(y) REQUIREMENTS FOR MORTGAGES FOR CONDOMINIUMS.—

(1) PROJECT RECERTIFICATION REQUIREMENTS.—Notwithstanding any other law, regulation, or guideline of the Secretary, including chapter 2.4 of the Condominium Project Approval and Processing Guide of the FHA, the Secretary shall streamline the project certification requirements that are applicable to the insurance under this section for mortgages for condominium projects so that recertifications are substantially less burdensome than certifications. The Secretary shall consider lengthening the time between certifications for approved properties, and allowing updating of information rather than resubmission.

(2) COMMERCIAL SPACE REQUIREMENTS.—Notwithstanding any other law, regulation, or guideline of the Secretary, including chapter 2.1.3 of the Condominium Project Approval and Processing Guide of the FHA, in providing for exceptions to the requirement for the insurance of a mortgage on a condominium

property under this section regarding the percentage of the floor space of a condominium property that may be used for nonresidential or commercial purposes, the Secretary shall provide that—

(A) any request for such an exception and the determination of the disposition of such request may be made, at the option of the requester, under the direct endorsement lender review and approval process or under the HUD review and approval process through the applicable field office of the Department; and

(B) in determining whether to allow such an exception for a condominium property, factors relating to the economy for the locality in which such project is located or specific to project, including the total number of family units in the project, shall be considered.

Not later than the expiration of the 90-day period beginning on the date of the enactment of this paragraph, the Secretary shall issue regulations to implement this paragraph, which shall include any standards, training requirements, and remedies and penalties that the Secretary considers appropriate.

(3) TRANSFER FEES.—Notwithstanding any other law, regulation, or guideline of the Secretary, including chapter 1.8.8 of the Condominium Project Approval and Processing Guide of the FHA and section 203.41 of the Secretary's regulations (24 CFR 203.41), existing standards of the Federal Housing Finance Agency relating to encumbrances under private transfer fee covenants shall apply to the insurance of mortgages by the Secretary under this section to the same extent and in the same manner that such standards apply to the purchasing, investing in, and otherwise dealing in mortgages by the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation. If the provisions of part 1228 of the Director of the Federal Housing Finance Agency's regulations (12 CFR part 1228) are amended or otherwise changed after the date of the enactment of this paragraph, the Secretary of Housing and Urban Development shall adopt any such amendments or changes for purposes of this paragraph, unless the Secretary causes to be published in the Federal Register a notice explaining why the Secretary will disregard such amendments or changes within 90 days after the effective date of such amendments or changes.

(4) OWNER-OCCUPANCY REQUIREMENT.—

(A) ESTABLISHMENT OF PERCENTAGE REQUIREMENT.—Not later than the expiration of the 90-day period beginning on the date of the enactment of this paragraph, the Secretary shall, by rule, notice, or mortgagee letter, issue guidance regarding the percentage of units that must be occupied by the owners as a principal residence or a secondary residence (as such terms are defined by the Secretary), or must have been sold to owners who intend to meet such occupancy requirements, including justifications for the percentage requirements, in order for a condominium project to be acceptable to the Secretary for insurance under this section of a mortgage within such condominium property.

(B) FAILURE TO ACT.—If the Secretary fails to issue the guidance required under subparagraph (A) before the expiration of the 90-day period specified in such clause, the following provisions shall apply:

(i) 35 PERCENT REQUIREMENT.—In order for a condominium project to be acceptable to the Secretary for insurance under this section, at least 35 percent of all family units (including units not covered by FHA-insured mortgages) must be occupied by the owners as a principal residence or a secondary residence (as such terms are defined by the Secretary), or must have been sold to owners who intend to meet such occupancy requirement.

(ii) OTHER CONSIDERATIONS.—The Secretary may increase the percentage applicable pursuant to clause (i) to a condominium project on a project-by-project or regional basis, and in determining such percentage for a project shall consider factors relating to the economy for the locality in which such project is located or specific to project, including the total number of family units in the project.

TITLE III—NATIONAL MORTGAGE ASSOCIATIONS

* * * * *

CREATION OF ASSOCIATION

SEC. 302. (a)(1) There is hereby created a body corporate to be known as the “Federal National Mortgage Association” which shall be in the Department of Housing and Urban Development. The Association shall have succession until dissolved by Act of Congress. It shall maintain its principal office in the District of Columbia and shall be deemed, for purposes of venue in civil actions, to be a resident thereof. Agencies or offices may be established by the Association in such other place or places as it may deem necessary or appropriate in the conduct of its business.

(2) On September 1, 1968, the body corporate described in the foregoing paragraph shall cease to exist in that form and is hereby partitioned into two separate and distinct bodies corporate, each of which shall have continuity and corporate succession as a separated portion of the previously existing body corporate, as follows:

(A) One of such separated portions shall be a body corporate without capital stock to be known as the Government National Mortgage Association (hereinafter referred to as the “Association”), which shall be in the Department of Housing and Urban Development and which shall retain the assets and liabilities acquired and incurred under sections 305 and 306 prior to such date, including any and all liabilities incurred pursuant to section 302(c). The Association shall have succession until dissolved by Act of Congress. It shall maintain its principal office in the District of Columbia or the metropolitan area thereof and shall be deemed, for purposes of jurisdiction and venue in civil actions, to be a District of Columbia corporation. Agencies or offices may be established by the Associa-

tion in such other place or places as it may deem necessary or appropriate in the conduct of its business.

(B) The other such separated portion shall be a body corporate to be known as Federal National Mortgage Association (hereinafter referred to as the "corporation"), which shall retain the assets and liabilities acquired and incurred under sections 303 and 304 prior to such date. The corporation shall have succession until dissolved by Act of Congress. It shall maintain its principal office in the District of Columbia or the metropolitan area thereof and shall be deemed, for purposes of jurisdiction and venue in civil actions to be a District of Columbia corporation.

(3) The partition transaction effected pursuant to the foregoing paragraph constitutes a reorganization within the meaning of section 368(a)(1)(E) of the Internal Revenue Code of 1954; and for the purposes of such Code, no gain or loss is recognized by the previously existing body corporate's by reason of the partition, and the basis and holding period of the assets of the corporation immediately following such partition are the same as the basis and holding period of such assets immediately prior to such partition.

(b)(1) For the purposes set forth in section 301 and subject to the limitations and restrictions of this title, each of the bodies corporate named in subsection (a)(2) is authorized, pursuant to commitments or otherwise, to purchase, service, sell, or otherwise deal in any mortgages which are insured under the National Housing Act or title V of the Housing Act of 1949, or which are insured or guaranteed under the Servicemen's Readjustment Act of 1944 or chapter 37 of title 38, United States Code; and to purchase, service, sell, or otherwise deal in any loans made or guaranteed under part B of title VI of the Public Health Service Act; and the corporation is authorized to lend on the security of any such mortgages and to purchase, sell, or otherwise deal in any securities guaranteed by the Association under section 306(g): *Provided*, That (1) the Association may not purchase any mortgage at a price exceeding 100 per centum of the unpaid principal amount thereof at the time of purchase, with adjustments for interest and any comparable items; (2) the Association may not purchase any mortgage, except a mortgage insured under title V of the Housing Act of 1949, if it offered by, or covers property held by a State, territorial, or municipal instrumentality; and (3) the Association may not purchase any mortgage under section 305, except a mortgage insured under section 220 or title VIII or section 203(k) or under title X with respect to a new community approved under section 1004 thereof, or insured under section 213 and covering property located in an urban renewal area, or a mortgage covering property located in Alaska, Guam, or Hawaii, if the original principal obligation thereof exceeds or exceeded \$55,000 in the case of property upon which is located a dwelling designed principally for a one-family residence; or \$60,000 in the case of a two- or three-family residence, or \$68,750 in the case of a four-family residence; or in the case of a property containing more than four dwelling units, \$38,000 per dwelling unit (or such higher amount not in excess of \$45,000 per dwelling unit as the Secretary may by regulation specify in any geographical area where the Secretary finds that cost levels so require) for that part of the property (attributable to dwelling use). Notwithstanding the provisions of clause (3) of the preceding sentence, the Associa-

tion may purchase a mortgage under section 305 with an original principal obligation which exceeds the otherwise applicable maximum amount per dwelling unit if the mortgage is insured under section 207(c)(3), 213(b)(2), 220(d)(3)(B)(iii), 221(d)(3)(ii), 221(d)(4)(ii), 231(c)(2), 234(e)(3), or 236. For the purposes of this title, the term “mortgages” and “home mortgages” shall be inclusive of any mortgages or other loans insured under any of the provisions of the National Housing Act or title V of the Housing Act of 1949.

(2) For the purposes set forth in section 301(a), the corporation is authorized, pursuant to commitments or otherwise, to purchase, service, sell, lend on the security of, or otherwise deal in mortgages which are not insured or guaranteed as provided in paragraph (1) (such mortgages referred to hereinafter as “conventional mortgages”). No such purchase of a conventional mortgage secured by a property comprising one- to four-family dwelling units shall be made if the outstanding principal balance of the mortgage at the time of purchase exceeds 80 per centum of the value of the property securing the mortgage, unless (A) the seller retains a participation of not less than 10 per centum in the mortgage; (B) for such period and under such circumstances as the corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the corporation in the event that the mortgage is in default; or (C) that portion of the unpaid principal balance of the mortgage which is in excess of such 80 per centum is guaranteed or insured by a qualified insurer as determined by the corporation. The corporation shall not issue a commitment to purchase a conventional mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (A) of such sentence. The corporation may purchase a conventional mortgage which was originated more than one year prior to the purchase date only if the seller is the Federal Deposit Insurance Corporation, the Resolution Trust Corporation, the National Credit Union Administration, or any other seller currently engaged in mortgage lending or investing activities. For the purpose of this section, the term “conventional mortgages” shall include a mortgage, lien, or other security interest on the stock or membership certificate issued to a tenant-stockholder or resident-member of a cooperative housing corporation, as defined in section 216 of the Internal Revenue Code of 1954, and on the proprietary lease, occupancy agreement, or right of tenancy in the dwelling unit of the tenant-stockholder or resident-member in such cooperative housing corporation. The corporation shall establish limitations governing the maximum original principal obligation of conventional mortgages that are purchased by it; in any case in which the corporation purchases a participation interest in such a mortgage, the limitation shall be calculated with respect to the total original principal obligation of the mortgage and not merely with respect to the interest purchased by the corporation. Such limitations shall not exceed \$417,000 for a mortgage secured by a single-family residence, \$533,850 for a mortgage secured by a 2-family residence, \$645,300 for a mortgage secured by a 3-family residence, and \$801,950 for a mortgage secured by a 4-family residence, except that such maximum limitations shall be adjusted effective January

1 of each year beginning after the effective date of the Federal Housing Finance Regulatory Reform Act of 2008, subject to the limitations in this paragraph. Each adjustment shall be made by adding to each such amount (as it may have been previously adjusted) a percentage thereof equal to the percentage increase, during the most recent 12-month or 4-quarter period ending before the time of determining such annual adjustment, in the housing price index maintained by the Director of the Federal Housing Finance Agency (pursuant to section 1322 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (12 U.S.C. 4541)). If the change in such house price index during the most recent 12-month or 4-quarter period ending before the time of determining such annual adjustment is a decrease, then no adjustment shall be made for the next year, and the next adjustment shall take into account prior declines in the house price index, so that any adjustment shall reflect the net change in the house price index since the last adjustment. Declines in the house price index shall be accumulated and then reduce increases until subsequent increases exceed prior declines. The foregoing limitations may be increased by not to exceed 50 per centum with respect to properties located in Alaska, Guam, Hawaii, and the Virgin Islands. Such foregoing limitations shall also be increased, with respect to properties of a particular size located in any area for which 115 percent of the median house price for such size residence exceeds the foregoing limitation for such size residence, to the lesser of 150 percent of such limitation for such size residence or the amount that is equal to 115 percent of the median house price in such area for such size residence.

(3) The corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in loans or advances of credit for the purchase and installation of home improvements, including energy conserving improvements or solar energy systems described in the last paragraph of section 2(a) of the National Housing Act and residential energy conservation measures as described in section 210(11) of the National Energy Conservation Policy Act and financed by a public utility in accordance with the requirements of title II of such Act. To be eligible for purchase, any such loan or advance of credit (other than a loan or advance made with respect to energy conserving improvements or solar energy systems or residential energy conservation measures) not insured under title I of the National Housing Act shall be secured by a lien against the property to be improved.

(4) The corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in loans or advances of credit secured by mortgages or other liens against manufactured homes.

(5)(A) The corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in (i) conventional mortgages that are secured by a subordinate lien against a one-to-four-family residence that is the principal residence of the mortgagor; and (ii) conventional mortgages that are secured by a subordinate lien against a property comprising five or more family dwelling units. If the corporation, pursuant to paragraphs (1) through (4), shall have purchased, serviced, sold, or otherwise dealt with any other outstanding mortgage secured by the same residence, the aggregate original amount of such other mortgage and the mortgage authorized to be purchased, serviced, sold, or otherwise dealt with

under this paragraph shall not exceed the applicable limitation determined under paragraph (2).

(B) The corporation shall establish limitations governing the maximum original principal obligation of conventional mortgages described in subparagraph (A). In any case in which the corporation purchases a participation interest in such a mortgage, the limitation shall be calculated with respect to the total original principal obligation of such mortgage described in subparagraph (A) and not merely with respect to the interest purchased by the corporation. Such limitations shall not exceed (i) with respect to mortgages described in subparagraph (A)(i), 50 per centum of the single-family residence mortgage limitation determined under paragraph (2); and (ii) with respect to mortgages described in subparagraph (A)(ii), the applicable limitation determined under paragraph (2).

(C) No subordinate mortgage against a one- to four-family residence shall be purchased by the corporation if the total outstanding indebtedness secured by the property as a result of such mortgage exceeds 80 per centum of the value of such property unless (i) that portion of such total outstanding indebtedness that exceeds such 80 per centum is guaranteed or insured by a qualified insurer as determined by the corporation; (ii) the seller retains a participation of not less than 10 per centum in the mortgage; or (iii) for such period and under such circumstances as the corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the corporation in the event that the mortgage is in default. The corporation shall not issue a commitment to purchase a subordinate mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (ii) of such sentence.

(6) The corporation may not implement any new program (as such term is defined in section 1303 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992) before obtaining the approval of the Secretary under section 1322 of such Act.

(7)(A) DEFINITIONS.—In this paragraph—

(i) the term “credit score” means a numerical value or a categorization created by a third party derived from a statistical tool or modeling system used by a person who makes or arranges a loan to predict the likelihood of certain credit behaviors, including default; and

(ii) the term “residential mortgage” has the meaning given the term in section 302 of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1451).

(B) USE OF CREDIT SCORES.—The corporation shall condition purchase of a residential mortgage by the corporation under this subsection on the provision of a credit score for the borrower only if—

(i) the credit score is derived from any credit scoring model that has been validated and approved by the corporation under this paragraph; and

(ii) the corporation provides for the use of the credit score by all of the automated underwriting systems of the corporation and any other procedures and systems used by the corporation to purchase residential mortgages that use a credit score.

(C) VALIDATION AND APPROVAL PROCESS.—The corporation shall establish a validation and approval process for the use of credit

score models, under which the corporation may not validate and approve a credit score model unless the credit score model—

- (i) satisfies minimum requirements of integrity, reliability, and accuracy;
- (ii) has a historical record of measuring and predicting default rates and other credit behaviors;
- (iii) is consistent with the safe and sound operation of the corporation;
- (iv) complies with any standards and criteria established by the Director of the Federal Housing Finance Agency under section 1328(1) of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992; and
- (v) satisfies any other requirements, as determined by the corporation.

(D) REPLACEMENT OF CREDIT SCORE MODEL.—If the corporation has validated and approved 1 or more credit score models under subparagraph (C) and the corporation validates and approves an additional credit score model, the corporation may determine that—

- (i) the additional credit score model has replaced the credit score model or credit score models previously validated and approved; and
- (ii) the credit score model or credit score models previously validated and approved shall no longer be considered validated and approved for the purposes of subparagraph (B).

(E) PUBLIC DISCLOSURE.—Upon establishing the validation and approval process required under subparagraph (C), the corporation shall make publicly available a description of the validation and approval process.

(F) APPLICATION.—Not later than 30 days after the effective date of this paragraph, the corporation shall solicit applications from developers of credit scoring models for the validation and approval of those models under the process required under subparagraph (C).

(G) TIMEFRAME FOR DETERMINATION; NOTICE.—

(i) IN GENERAL.—The corporation shall make a determination with respect to any application submitted under subparagraph (F), and provide notice of that determination to the applicant, before a date established by the corporation that is not later than 180 days after the date on which an application is submitted to the corporation.

(ii) EXTENSIONS.—The Director of the Federal Housing Finance Agency may authorize not more than 2 extensions of the date established under clause (i), each of which shall not exceed 30 days, upon a written request and a showing of good cause by the corporation.

(iii) STATUS NOTICE.—The corporation shall provide notice to an applicant regarding the status of an application submitted under subparagraph (F) not later than 60 days after the date on which the application was submitted to the corporation.

(iv) REASONS FOR DISAPPROVAL.—If an application submitted under subparagraph (F) is disapproved, the corporation shall provide to the applicant the reasons for the disapproval not later than 30 days after a determination is made under this subparagraph.

(H) **AUTHORITY OF DIRECTOR.**—If the corporation elects to use a credit score model under this paragraph, the Director of the Federal Housing Finance Agency shall require the corporation to periodically review the validation and approval process required under subparagraph (C) as the Director determines necessary to ensure that the process remains appropriate and adequate and complies with any standards and criteria established pursuant to section 1328(1) of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992.

(I) **EXTENSION.**—If, as of the effective date of this paragraph, a credit score model has not been approved under subparagraph (C), the corporation may use a credit score model that was in use before the effective date of this paragraph, if necessary to prevent substantial market disruptions, until the earlier of—

(i) the date on which a credit score model is validated and approved under subparagraph (C); or

(ii) the date that is 2 years after the effective date of this paragraph.

(8) **DACA RECIPIENT ELIGIBILITY.**—

(A) **IN GENERAL.**—*The corporation may not condition purchase of a single-family residence mortgage by the corporation under this subsection on the status of the borrower as a DACA recipient.*

(B) **DACA RECIPIENT DEFINED.**—*For the purposes of this paragraph, the term “DACA recipient” means an alien who, at any time before, on, or after the date of the enactment of this paragraph, is or was in deferred action status pursuant to the Deferred Action for Childhood Arrivals (“DACA”) Program announced by the Secretary of Homeland Security on June 15, 2012.*

(c)(1) Notwithstanding any other provision of this Act or of any other law, the Association is authorized under section 306 to create, accept, execute, and otherwise administer in all respects such trusts, receiverships, conservatorships, liquidating or other agencies, or other fiduciary and representative undertakings and activities, hereinafter in this subsection called “trusts”, as might be appropriate for financing purposes; and in relation thereto the Association may acquire, hold and manage, dispose of, and otherwise deal in any mortgages or other types of obligations in which any department or agency of the United States listed in paragraph (2) of this subsection may have a financial interest. The Association may join in any such undertakings and activities notwithstanding that it is also serving in a fiduciary or representative capacity; and is authorized to guarantee any participations or other instruments, whether evidence of property rights or debt, issued for such financing purposes. Participations or other instruments issued by the Association pursuant to this subsection shall to the same extent as securities which are direct obligations of or obligations guaranteed as to principal or interest by the United States be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission. The amounts of any mortgages and other obligations acquired by the Association under section 306, pursuant to this subsection, shall not be included in the total amounts set forth in section 306(c).

(2) Subject to the limitations provided in paragraph (4) of this subsection, one or more trusts may be established as provided in this subsection by each of the following departments or agencies:

(A) The Farmers Home Administration of the Department of Agriculture, but only with respect to operating loans, direct farm ownership loans, direct housing loans, and direct soil and water loans. Such trusts may not be established with respect to loans for housing for the elderly under sections 502 and 515(a) of the Housing Act of 1949, nor with respect to loans for nonfarm recreational development.

(B) The Department of Education, but only with respect to loans made by the Secretary of Education for construction of academic facilities, and loans to help finance student loan programs.

(C) The Department of Housing and Urban Development.

(D) The Department of Veterans Affairs.

(E) The Export-Import Bank.

(F) The Small Business Administration.

The head of each such department or agency, hereinafter in this subsection called the "trustor", is authorized to set aside a part or all of any obligations held by the trustor and subject them to a trust or trusts and, incident thereto, shall guarantee to the trustee timely payment thereof. The trust instrument may provide for the issuance and sale of beneficial interests or participations, by the trustee, in such obligations or in the right to receive interest and principal collections therefrom; and may provide for the substitution or withdrawal of such obligations, or for the substitution of cash for obligations. The trust or trusts shall be exempt from all taxation. The trust instrument may also contain other appropriate provisions in keeping with the purposes of this subsection. The Association shall be named and shall act as trustee of any such trusts and, for the purposes thereof, the title to such obligations shall be deemed to have passed to the Association in trust. The trust instrument shall provide that custody, control, and administration of the obligations shall remain in the trustor subjecting the obligations to the trust, subject to transfer to the trustee in event of default or probable default, as determined by the trustee, in the payment of principal and interest of the beneficial interests or participations. Collections from obligations subject to the trusts shall be dealt with as provided in the instrument creating the trust. The trust instrument shall provide that the trustee will promptly pay to the trustor the full net proceeds of any sale of beneficial interests or participations to the extent they are based upon such obligations or collections. Such proceeds shall be dealt with as otherwise provided by law for sales or repayment of such obligations. The effect of both past and future sales of any issue of beneficial interests or participations shall be the same, to the extent of the principal of such issue, as the direct sale with recourse of the obligations subject to the trust. Any trustor creating a trust or trusts hereunder is authorized to purchase, through the facilities of the trustee, outstanding beneficial interests or participations to the extent of the amount of the trustor's responsibility to the trustee on beneficial interests or participations outstanding, and to pay the trustor's proper share of the costs and expenses incurred by the Association as trustee pursuant to the trust instrument.

(3) When any trustor guarantees to the trustee the timely payment of obligations the trustor subjects to a trust pursuant to this subsection, and it becomes necessary for such trustor to meet his responsibilities under such guaranty, the trustor is authorized to fulfill such guaranty.

(4) Beneficial interests or participations shall not be issued for the account of any trustor in an aggregate principal amount greater than is authorized with respect to such trustor in an appropriation Act. Any such authorization shall remain available only for the fiscal year for which it is granted and for the succeeding fiscal year.

(5) The Association, as trustee, is authorized to issue and sell beneficial interests or participations under this subsection, notwithstanding that there may be insufficiency in aggregate receipts from obligations subject to the related trust to provide for the payment by the trustee (on a timely basis out of current receipts or otherwise) of all interest or principal on such interests or participations (after provision for all costs and expenses incurred by the trustee, fairly prorated among trustors). There are authorized to be appropriated without fiscal year limitation such sums as may be necessary to enable any trustor to pay the trustee such insufficiency as the trustee may require on account of outstanding beneficial interests or participations authorized to be issued pursuant to paragraph (4) of this subsection. Such trustor shall make timely payments to the trustee from such appropriations, subject to and in accord with the trust instrument. In the event that the insufficiency required by the trustee is on account of principal maturities of outstanding beneficial interests or participations authorized to be issued pursuant to paragraph (4) of this subsection, or pursuant hereto, the trustee is authorized to elect to issue additional beneficial interests or participations for refinancing purposes in lieu of requiring any trustor or trustors to make payments to the trustee from appropriated funds or other sources. Each such issue of beneficial interests or participations shall be in an amount determined by the trustee but not in excess of the aggregate amount which the trustee would otherwise require the trustor or trustors to pay from appropriated funds or other sources, and may be issued without regard to the provisions of paragraph (4) of this subsection. All refinancing issues of beneficial interests or participations shall be deemed to have been issued pursuant to the authority contained in the appropriation Act or Acts under which the beneficial interests or participations were originally issued.

HOUSING ACT OF 1949

TITLE V—FARM HOUSING

FINANCIAL ASSISTANCE BY THE SECRETARY OF AGRICULTURE

SEC. 501. (a) The Secretary of Agriculture (hereinafter referred to as the "Secretary") is authorized, subject to the terms and conditions of this title, to extend financial assistance, through the Farm-

ers Home Administration, (1) to owners of farms in the United States and in the Commonwealth of Puerto Rico, the Virgin Islands, the territories and possessions of the United States, and the Trust Territory of the Pacific Islands, to enable them to construct, improve, alter, repair, or replace dwellings and other farm buildings on their farms, and to purchase buildings and land constituting a minimum adequate site, in order to provide them, their tenants, lessees, sharecroppers, and laborers with decent, safe and sanitary living conditions and adequate farm buildings as specified in this title, and (2) to owners of other real estate in rural areas for the construction, improvement, alteration, or repair of dwellings, related facilities, and farm buildings, and to rural residents, including persons who reside in reservations or villages of Indian tribes, for such purposes and for the purchase of buildings and the purchase of land constituting a minimum adequate site, in order to enable them to provide dwellings and related facilities for their own use and buildings adequate for their farming operations, and (3) to elderly or handicapped persons or families who are or will be the owners of land in rural areas for the construction, improvement, alteration, or repair of dwellings and related facilities, the purchase of dwellings and related facilities and the purchase of land constituting a minimum adequate site, in order to provide them with adequate dwellings and related facilities for their own use and (4) to an owner described in clause (1), (2), or (3) for refinancing indebtedness which—

(A) was incurred for an eligible purpose described in such clause, and

(B)(i) if not refinanced, is likely to result (because of circumstances beyond the control of the applicant) at an early date in the loss of the applicant's necessary dwelling or essential farm service buildings, or

(ii) if combined (in the case of a dwelling that the Secretary finds not to be decent, safe, and sanitary) with a loan for improvement, rehabilitation, or repairs and not refinanced, is likely to result in the applicant's continuing to be deprived of a decent, safe, and sanitary dwelling.

(5) DEFINITIONS.—For purposes of this title, the terms “repair”, “repairs”, “rehabilitate”, and “rehabilitation” include measures to evaluate and reduce lead-based paint hazards, as such terms are defined in section 1004 of the Residential Lead-Based Paint Hazard Reduction Act of 1992.

(b)(1) For the purpose of this title, the term “farm” shall mean a parcel or parcels of land operated as a single unit which is used for the production of one or more agricultural commodities and which customarily produces or is capable of producing such commodities for sale and for home use of a gross annual value of not less than the equivalent of gross annual value of \$400 in 1944, as determined by the Secretary. The Secretary shall promptly determine whether any parcel or parcels of land constitute a farm for the purposes of this title whenever requested to do so by any interested Federal, State, or local public agency, and his determination shall be conclusive.

(2) For the purposes of this title, the terms “owner” and “mortgage” shall be deemed to include, respectively, the lessee and other

security interest in, any leasehold interest which the Secretary determines has an unexpired term (A) in the case of a loan, for a period sufficiently beyond the repayment period of the loan to provide adequate security and a reasonable probability of accomplishing the objectives for which the loan is made, and (B) in the case of a grant for a period sufficient to accomplish the objectives for which the grant is made.

(3) For the purposes of this title, the term “elderly or handicapped persons or families” means families which consist of two or more persons, the head of which (of his or her spouse) is at least sixty-two years of age or is handicapped. Such term also means a single person who is at least sixty-two years of age or is handicapped. A person shall be considered handicapped if such person is determined, pursuant to regulations issued by the Secretary, to have an impairment which (A) is expected to be of long-continued and indefinite duration, (B) substantially impedes his ability to live independently, and (C) is of such a nature of such ability could be improved by more suitable housing conditions, or if such person has a developmental disability as defined in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000. The Secretary shall prescribe such regulations as may be necessary to prevent abuses in determining, under the definitions contained in this paragraph, eligibility of families and persons for admission to and occupancy of housing constructed with assistance under this title. Notwithstanding the preceding provisions of this paragraph, such term also includes two or more elderly (sixty-two years of age or over) or handicapped persons living together, one or more such persons living with another person who is determined (under regulations prescribed by the Secretary) to be essential to the care or well-being of such persons, and the surviving member or members of any family described in the first sentence of this paragraph who were living, in a unit assisted under this title, with the deceased member of the family at the time of his or her death.

(4) For the purpose of this title, the terms “low income families or persons” and “very low-income families or persons” means those families and persons whose incomes do not exceed the respective levels established for lower income families and very low-income families under the United States Housing Act of 1937. Notwithstanding the preceding sentence, the maximum income levels established for purposes of this title for such families and persons in the Virgin Islands shall not be less than the highest such levels established for purposes of this title for such families and persons in American Samoa, Guam, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands. The temporary absence of a child from the home due to placement in foster care should not be considered in considering family composition and family size.

(5)(A) For the purpose of this title, the terms “income” and “adjusted income” have the meanings given by sections 3(b)(4) and 3(b)(5), respectively, of the United States Housing Act of 1937.

(B) For purposes of this title, the term “income” does not include dividends received from the Alaska Permanent Fund by a person who was under the age of 18 years when that person qualified for the dividend.

(6) For the purposes of this title, the term “Indian tribe” means any Indian tribe, band, group, and nation, including Alaska Indi-

ans, Aleuts, and Eskimos, and any Alaskan Native Village, of the United States, which is considered an eligible recipient under the Indian Self-Determination and Education Assistance Act (Public Law 93-638) or was considered an eligible recipient under chapter 67 of title 31, United States Code, prior to the repeal of such chapter.

(7) For the purpose of this title, the term "rural resident" shall include a family or a person who is a renter of a dwelling unit in a rural area.

(8) For the purposes of this title, the term "adequate dwelling" means a decent, safe, and sanitary dwelling unit.

(c) In order to be eligible for the assistance authorized by paragraph (a), the applicant must show (1) that he is the owner of a farm which is without a decent, safe, and sanitary dwelling for himself and his family and necessary resident farm labor, or for the family of the operating tenant, lessee, or sharecropper or without other farm buildings adequate for the type of farming in which he engages or desires to engage or that he is the owner of other real estate in a rural area or a rural resident without an adequate dwelling or related facilities for his own use or buildings adequate for his farming operations, or that the applicant is an elderly or handicapped person or family in a rural area without an adequate dwelling or related facility for its own use or that he is the owner of a farm or other real estate in a rural area who needs refinancing of indebtedness described in clause (4) of subsection (a); (2) that he is without sufficient resources to provide the necessary housing and buildings on his own account; and (3) that he is unable to secure the credit necessary for such housing and buildings from other sources upon terms and conditions which he could reasonably be expected to fulfill. If an applicant is a State or local public agency or Indian tribe—

(A) the provisions of clause (3) shall not apply to its application; and

(B) the applicant shall be eligible to participate in any program under this title if the persons or families to be served by the applicant with the assistance being sought would be eligible to participate in such program.

(d) As used in this title (except in sections 503 and 504(b)), the terms "farm," "farm dwelling," and "farm housing" shall include dwellings or other essential buildings of eligible applicants.

(e) The Secretary shall establish procedures under which borrowers under this title are required to make periodic payments for the purpose of taxes, insurance, and other necessary expenses as the Secretary may deem appropriate. Notwithstanding any other provision of law, such payments shall not be considered public funds. The Secretary shall direct the disbursement of the funds at the appropriate time or times for the purposes for which the funds were escrowed. The Secretary shall pay the same rate of interest on escrowed funds as is required to be paid on escrowed funds held by other lenders in any State where State law requires payment of interest on escrowed funds, subject to appropriations to the extent that additional budget authority is necessary to carry out this sentence. If the prepayments made by the borrower are not sufficient to pay the amount due, advances may be made by the Sec-

retary to pay the costs in full, which advances shall be charged to the account of the borrower, bear interest, and be payable in a timely fashion as determined by the Secretary. The Secretary shall notify a borrower in writing when loan payments are delinquent.

(f) With respect to any limitation on the amount of any loan which may be made, insured, or guaranteed under this title for the purchase of a dwelling unit, the Secretary may increase such amount by up to 20 percent if such increase is necessary to account for the increased cost of the dwelling unit due to the installation of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 2(a) of the National Housing Act) therein.

(g) The programs authorized by this title shall be carried out, consistent with program goals and objectives so that the involuntary displacement of families and businesses is avoided.

(h) The Secretary may not restrict the availability of assistance under this title for any alien for whom assistance may not be restricted under section 214 of the Housing and Community Development Act of 1980.

(i) For the purposes of this title, the term “development cost” shall include the packaging of loan and grant applications and actions related thereto by public and private nonprofit organizations tax exempt under the Internal Revenue Code of 1986.

(j) PROGRAM TRANSFERS.—Notwithstanding any other provision of law, the Secretary shall not transfer any program authorized by this title to the Rural Development Administration.

(k) *DACA RECIPIENT ELIGIBILITY.*—

(1) *IN GENERAL.*—*The Secretary may not prescribe terms that limit eligibility for a single family mortgage made, insured, or guaranteed under this title because of the status of the mortgagor as a DACA recipient.*

(2) *DACA RECIPIENT DEFINED.*—*For the purposes of this paragraph, the term “DACA recipient” means an alien who, at any time before, on, or after the date of the enactment of this paragraph, is or was in deferred action status pursuant to the Deferred Action for Childhood Arrivals (‘DACA’) Program announced by the Secretary of Homeland Security on June 15, 2012.*

FEDERAL HOME LOAN MORTGAGE CORPORATION ACT

* * * * *

TITLE III—FEDERAL HOME LOAN MORTGAGE CORPORATION

* * * * *

MORTGAGE OPERATIONS

SEC. 305. (a)(1) The Corporation is authorized to purchase, and make commitments to purchase, residential mortgages. The Corporation may hold and deal with, and sell or otherwise dispose of, pursuant to commitments or otherwise, any such mortgage or interest therein. The operations of the Corporation under this section

shall be confined so far as practicable to residential mortgages which are deemed by the Corporation to be of such quality, type, and class as to meet generally the purchase standards imposed by private institutional mortgage investors. The Corporation may establish requirements, and impose charges or fees, which may be regarded as elements of pricing, for different classes of sellers or servicers, and for such purposes the Corporation is authorized to classify sellers or services according to type, size, location, assets, or, without limitation on the generality of the foregoing, on such other basis or bases of differentiation as the Corporation may consider necessary or appropriate to effectuate the purposes or provisions of this Act. The Corporation may specify requirements concerning among other things, (A) minimum net worth; (B) supervisory mechanisms; (C) warranty compensation mechanisms; (D) prior approval of facilities; (E) prior origination and servicing experience with respect to different types of mortgages; (F) capital contributions and substitutes; (G) mortgage purchase volume limits; and (H) reduction of mortgage purchases during periods of borrowing. With respect to any particular type of seller, the Corporation shall not be required to make available programs involving prior approval of mortgages, optional delivery of mortgages, and purchase of other than conventional mortgages to an extent greater than the Corporation elects to make such programs available to other types of eligible sellers. Any requirements specified by the Corporation pursuant to the preceding three sentences must bear a rational relationship to the purposes or provisions of this Act, but will not be considered discriminatory solely on the grounds of differential effects on types of eligible sellers. Insofar as is practicable, the Corporation shall make reasonable efforts to encourage participation in its programs by each type of eligible seller. Nothing in this section authorizes the Corporation to impose any charge or fee upon any mortgagee approved by the Secretary of Housing and Urban Development for participation in any mortgage insurance program under the National Housing Act solely because of such status.

(2) No conventional mortgages secured by a property comprising one- to four-family dwelling units shall be purchased under this section if the outstanding principal balance of the mortgage at the time of purchase exceeds 80 per centum of the value of the property securing the mortgage, unless (A) the seller retains a participation of not less than 10 per centum in the mortgage; (B) for such period and under such circumstances as the Corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the Corporation in the event that the mortgage is in default; or (C) that portion of the unpaid principal balance of the mortgage which is in excess of such 80 per centum is guaranteed or insured by a qualified insurer as determined by the Corporation. The Corporation shall not issue a commitment to purchase a conventional mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (A) of such sentence. The Corporation may purchase a conventional mortgage which was originated more than one year prior to the purchase date only if the seller is the Federal Deposit Insurance Corporation, the Resolution Trust Corporation, the National Credit

Union Administration, or any other seller currently engaged in mortgage lending or investing activities. With respect to any transaction in which a seller contemporaneously sells mortgages originated more than one year old prior to the date of sale to the Corporation and receives in payment for such mortgages securities representing undivided interests only in those mortgages, the Corporation shall not impose any fee or charge upon an eligible seller which is not a member of a Federal Home Loan Bank which differs from that imposed upon an eligible seller which is such a member. The Corporation shall establish limitations governing the maximum original principal obligation of conventional mortgages that are purchased by it; in any case in which the Corporation purchases a participation interest in such a mortgage, the limitation shall be calculated with respect to the total original principal obligation of the mortgage and not merely with respect to the interest purchased by the Corporation. Such limitations shall not exceed \$417,000 for a mortgage secured by a single-family residence, \$533,850 for a mortgage secured by a 2-family residence, \$645,300 for a mortgage secured by a 3-family residence, and \$801,950 for a mortgage secured by a 4-family residence, except that such maximum limitations shall be adjusted effective January 1 of each year beginning after the effective date of the Federal Housing Finance Regulatory Reform Act of 2008, subject to the limitations in this paragraph. Each adjustment shall be made by adding to each such amount (as it may have been previously adjusted) a percentage thereof equal to the percentage increase, during the most recent 12-month or 4-quarter period ending before the time of determining such annual adjustment, in the housing price index maintained by the Director of the Federal Housing Finance Agency (pursuant to section 1322 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (12 U.S.C. 4541)). If the change in such house price index during the most recent 12-month or 4-quarter period ending before the time of determining such annual adjustment is a decrease, then no adjustment shall be made for the next year, and the next adjustment shall take into account prior declines in the house price index, so that any adjustment shall reflect the net change in the house price index since the last adjustment. Declines in the house price index shall be accumulated and then reduce increases until subsequent increases exceed prior declines. The foregoing limitations may be increased by not to exceed 50 per centum with respect to properties located in Alaska, Guam, Hawaii, and the Virgin Islands. Such foregoing limitations shall also be increased, with respect to properties of a particular size located in any area for which 115 percent of the median house price for such size residence exceeds the foregoing limitation for such size residence, to the lesser of 150 percent of such limitation for such size residence or the amount that is equal to 115 percent of the median house price in such area for such size residence.

(3) The sale or other disposition by the Corporation of a mortgage under this section may be with or without recourse, and shall be upon such terms and conditions relating to resale, repurchase, guaranty, substitution, replacement, or otherwise as the Corporation may prescribe.

(4)(A) The Corporation is authorized to purchase, service, sell, lend on the security of, and otherwise deal in (i) residential mort-

gages that are secured by a subordinate lien against a one- to four-family residence that is the principal residence of the mortgagor; and (ii) residential mortgages that are secured by a subordinate lien against a property comprising five or more family dwelling units. If the Corporation shall have purchased, serviced, sold, or otherwise dealt with any other outstanding mortgage, secured by the same residence, the aggregate original amount of such other mortgages and the mortgage authorized to be purchased, serviced, sold, or otherwise dealt with under this paragraph shall not exceed the applicable limitation determined under paragraph (2).

(B) The Corporation shall establish limitations governing the maximum original principal obligation of such mortgages. In any case in which the Corporation purchases a participation interest in such a mortgage, the limitation shall be calculated with respect to the total original principal obligation of such mortgage secured by a subordinate lien and not merely with respect to the interest purchased by the Corporation. Such limitations shall not exceed (i) with respect to mortgages described in subparagraph (A)(i), 50 per centum of the single-family residence mortgage limitation determined under paragraph (2); and (ii) with respect to mortgages described in subparagraph (A)(ii), the applicable limitation determined under paragraph (2).

(C) No subordinate mortgage against a one- to four-family residence shall be purchased by the Corporation if the total outstanding indebtedness secured by the property as a result of such mortgage exceeds 80 per centum of the value of such property unless (i) that portion of such total outstanding indebtedness that exceeds such 80 per centum is guaranteed or insured by a qualified insurer as determined by the Corporation; (ii) the seller retains a participation of not less than 10 per centum in the mortgage; or (iii) for such period and under such circumstances as the Corporation may require, the seller agrees to repurchase or replace the mortgage upon demand of the Corporation in the event that the mortgage is in default. The Corporation shall not issue a commitment to purchase a subordinate mortgage prior to the date the mortgage is originated, if such mortgage is eligible for purchase under the preceding sentence only by reason of compliance with the requirements of clause (iii) of such sentence.

(5) The Corporation is authorized to lend on the security of, and to make commitments to lend on the security of, any mortgage that the Corporation is authorized to purchase under this section. The volume of the Corporation's lending activities and the establishment of its loan ratios, interest rates, maturities, and charges or fees in its secondary market operations under this paragraph, shall be determined by the Corporation from time to time; and such determinations shall be consistent with the objectives that the lending activities shall be conducted on such terms as will reasonably prevent excessive use of the Corporation's facilities, and that the operations of the Corporation under this paragraph shall be within its income derived from such operations and that such operations shall be fully self-supporting. The corporation shall not be permitted to use its lending authority under this paragraph (A) to advance funds to a mortgage seller on an interim basis, using mortgage loans as collateral, pending the sale of the mortgages in the secondary market; or (B) to originate mortgage loans. Notwith-

standing any Federal, State, or other law to the contrary, the Corporation is hereby empowered, in connection with any loan under this paragraph, whether before or after any default, to provide by contract with the borrower for the settlement or extinguishment, upon default, of any redemption, equitable, legal, or other right, title, or interest of the borrower in any mortgage or mortgages that constitute the security for the loan; and with respect to any such loan, in the event of default and pursuant otherwise to the terms of the contract, the mortgages that constitute such security shall become the absolute property of the Corporation.

(6) *DACA RECIPIENT ELIGIBILITY.*—

(A) *IN GENERAL.*—*The Corporation may not condition purchase of a single-family residence mortgage by the corporation under this subsection on the status of the borrower as a DACA recipient.*

(B) *DACA RECIPIENT DEFINED.*—*For the purposes of this subsection, the term “DACA recipient” means an alien who, at any time before, on, or after the date of the enactment of this subsection, is or was in deferred action status pursuant to the Deferred Action for Childhood Arrivals (“DACA”) Program announced by the Secretary of Homeland Security on June 15, 2012.*

MINORITY VIEWS

H.R. 3154, the *Homeownership for Dreamers Act*, would prohibit the Federal Housing Administration (FHA), as well as other government mortgage-financing entities, from limiting eligibility on the basis of Deferred Action for Childhood Arrivals (DACA) status, if a potential borrower meets all other eligibility requirements.

Contrary to some unsubstantiated reports, FHA currently has no rule, policy, or guidance in place that singles out those with DACA status for different or discriminatory treatment. FHA's mortgage eligibility requirements are outlined in its FHA's Single Family Housing Policy Handbook. The Handbook's provisions regarding legal residency status, which were written first in 2003 and then later affirmed in 2014 by the Obama Administration, state that FHA mortgage eligibility is based upon an individual's lawful residency, not on their status as a DACA recipient. No changes have been made to the FHA handbook since 2014.

Furthermore, the FHA Handbook states that "U.S. citizenship is not required for Mortgage eligibility" however "Non-U.S. citizens without lawful residency in the U.S. are not eligible for FHA-insured Mortgages." In establishing DACA on June 15, 2012, then-Secretary of Homeland Security Janet Napolitano made clear that DACA is an exercise of "prosecutorial discretion" and "confers no substantive right, immigration status, or pathway to citizenship." This means that any individual who is not a lawful resident, with or without DACA status, is ineligible for FHA mortgage insurance, a policy carried forward from the previous two administrations. Additionally, by nature of their temporary legal status, DACA recipients also fail to meet FHA's requisite future income verification standard. DACA status provides for a two-year deferral only, meaning a DACA recipient might be ordered to leave the country thereafter. The FHA Handbook also requires applicants to have three years of expected income to qualify.

DACA status and how the courts should adjudicate the individual circumstances of DACA recipients are issues that fall outside the scope of the Financial Services Committee's jurisdiction. Committee Republicans believe that it is impractical to deal with issues surrounding an individual's immigration status in a piecemeal approach. Therefore, any changes to the parameters or continuation of DACA should be carried out by the committees of jurisdiction based on comprehensive approach to the underlying problem, and not individual efforts based on unsubstantiated reports like H.R. 3154.
