## GRANTS AND CONTRACT AWARDS

### Current Grant Awards

#### **Flint Kids Bake: A Healthy Baking Program Just for Kids**

Flint H2O Saxe-Custack, A (PI) 10/1/2019–9/30/2020

The goal of this project is to continue implementation of Flint Kids Cook at the farmers' market and Mott Children Health Center as well as develop, implement, and evaluate a four-week baking program exclusively for children who have graduated from Flint Kids Cook.

Award Total: \$115,877

Role: Co-Investigator

#### **Pediatric Public Health Initiative Early Literacy Programming**

PNC Foundation Hanna-Attisha, M (PI) 8/1/2019–5/1/2020

This award will support two Flint Kids Read programs: Reach Out and Read and Flint Kids Read. The long-term objective of this work is to increase kindergarten readiness and third grade reading scores.

Award Total: \$25,000

Role: Principal Investigator

#### **Economic Analysis of Lead Service Line Replacement: A Michigan Case Study**

C.S. Mott Foundation Hanna-Attisha, M (PI) 7/1/2019–6/30/2020

The goal of this project is to quantify the economic benefit of lead service line replacement specific to Michigan. This study will look at the economic benefit such as improved health, economic productivity, earnings, life expectancy, etc of the 20-year pipe replacement work.

Award Total: \$89,000

Role: Principal Investigator

#### **Universal Strengths-Based Parenting Support in Pediatric Health Care for Families with Very Young Children Following the Flint Water Crisis**

NIH/NICHD Mendelsohn, A (PI) 3/1/2019–2/28/2024  
1R01HD096909-01A1

The goal of this project is to determine how universal parenting support may help prevent adverse outcomes for young children in the aftermath of a disaster, like the Flint Water Crisis, in an already at-risk community like Flint.

Award Total: \$2,073,653

Role: Co-Investigator, Subaward

#### **Core Support for the MSU/Hurley Pediatric Public Health Initiative**

Community Foundation of Greater Flint, Bruno Mars Hanna-Attisha, M (PI) 9/1/2018–8/31/2021  
Flint Water Crisis Fund

This award will support the Pediatric Public Health Initiative goals to conduct research on physical, behavioral, developmental impact of lead exposure, develop lead mitigation recommendations and interventions, conduct advocacy, education and outreach efforts, and establish a health registry.

Award Total: \$300,000

Role: Principal Investigator

**Neurodevelopmental Screening and Assessment of Flint Children**

State of Michigan  
NUEZEH001370

Hanna-Attisha, M (PI)

8/1/2018–7/31/2021

This award will support the neurodevelopmental screening of school – age Flint Children and referral to the Neurodevelopmental Center of Excellence for further assessment when warranted.

Award Total: \$1,001,203

Role: Principal Investigator

**Innovative Nutrition Practices in Pediatric Health Care: Assessment of Fruit and Vegetable Prescriptions for Children and Families in Need**

Michigan Health Endowment Fund  
R-1710-141906

Custack (PI)

5/16/2018–5/15/2020

This study will expand and evaluation a nutrition prescription program and cooking class for children.

Award Total: \$500,000

Role: Co – Investigator

**Addressing and Preventing Lead Exposure Through Healthy Start**

Health Resources & Services Administration  
1 U62MC31100-01-00

Hanna-Attisha, M (PI)

4/1/2018 – 5/31/2022

The objectives of the Healthy Start Lead Expansion Grant are to: (1) identify children and pregnant women exposed to lead during the Flint water crisis and assess their receipt of recommended services; (2) assure access to and enrollment in appropriate services; (3) for children with elevated blood lead levels, assure developmental assessments, early intervention services and enabling services; (4) connect families to appropriate wrap – around services; (5) engage families and community partner organizations in identifying and addressing systems improvement opportunities.

Award Total: \$3,612,377

Role: Principal Investigator, Subaward

**Flint Lead Exposure Registry**

Centers for Disease Control and Prevention  
1 NUE2EH001370-01-00

Hanna-Attisha, M (PI)

8/1/2017 – 7/31/2021

The Flint Registry will document the effects on residents affected by the lead – tainted tap water, evaluate the effectiveness of health, educational, environmental and community services on improving the health of participants, and link residents to supportive programs and resources.

Award Total: \$14,400,000

Role: Principal Investigator

**The Combined Impacts of High Sociodemographic Risk and Lead Exposure on Cognitive and Socioemotional Development: Opportunities for Intervention**

Robert Wood Johnson Foundation  
74192

Hanna-Attisha, M (PI)

12/15/2016 – 12/14/2019

The primary, long – term goals of this research collaboration are to 1) develop a multi – tiered screening and intervention program for all high – risk children in Flint, and 2) evaluate the effectiveness of early childhood interventions at ameliorating the impact of lead exposure and high sociodemographic risk on socioemotional and cognitive development.

Award Total: \$750,000

Role: Principal Investigator

**Pending Grant Awards**

**Flint Kids Report Card**

Bishop Trust Hanna-Attisha, M (PI) 10/1/2016 – 9/30/2018

The goal of this project is to create a report card that will objectively show how Flint kids are doing and what else we need to do to help them thrive. The report card will be a platform for advocacy for additional programming support and resources for Flint kids. It will be a transparent mechanism to share the outcomes of Flint kids.

Award Total: \$50,000

Role: Principal Investigator

**Evaluation of the 2017 NBPA Flint Farmers' Market Voucher Program**

National Basketball Players Association Foundation Custack (PI) 9/7/2017 – 8/31/2018

The goal of this project is to evaluate the distribution and redemption of the Flint Farmers' Market Voucher Program.

Award Total: \$5,000

Role: Co-Investigator

**Prenatal Exposures and Child Health Outcomes: A Statewide Study**

NIH/OD Paneth (PI) 9/21/2016 – 8/31/2018  
1 UG3 ODO23285-01

The goal of this multisite project is to determine the impact of environmental exposures during the most sensitive period of child development.

Award Total: \$1,307,702

Role: Co – Investigator

**Innovative Nutrition Practices in Health Care: Effectiveness and Family Perceptions of an Experiential Nutrition Intervention for Pediatric Patients**

Shape of Future Things to Come, Inc. Custack (PI) 5/1/2017 – 4/30/2018

The goal of this study is to create and evaluate a pilot cooking class for children.

Award Total: \$51,000

Role: Co-Principal Investigator

**Rapid Response to Contaminants in Flint Drinking Water: Formation of Disinfection By – Products in the Distribution System**

NIH/NIEHS McElmurry (PI) 4/1/2016 – 3/31/2018  
1R21 ES027199-01

The goal of this project is to provide ongoing assessment of the Flint drinking water and to provide effective and creative risk communication.

Award Total: \$5,000

Role: Co-Investigator

**Core Support for the MSU/Hurley Pediatric Public Health Initiative**

Ford Foundation Hanna-Attisha, M (PI) 9/1/2016 – 10/31/2017  
0165 – 0983

This award with support the Pediatric Public Health Initiative goals to conduct research on physical, behavioral, developmental impact of lead exposure, develop lead mitigations recommendations and interventions, conduct advocacy, education and outreach efforts, and establish a health registry.

Award Total: \$100,000

Role: Principal Investigator

**Nutrition Programming**

Links Foundation Hanna-Attisha, M (PI) 10/22/2016 – 10/31/2017  
This award will support nutrition programming in the Hurley Children's Clinic.  
Award Total: \$15,000  
Role: Principal Investigator

**Flint Water Crisis – Pediatric Education & Research Fund**

Metabolic Studio/Annenberg Foundation Hanna-Attisha, M (PI) 9/1/2016 – 8/31/2017  
16 – 404  
This award will support the Pediatric Public Health Initiative infrastructure and programming.  
Award Total: \$125,000  
Role: Principal Investigator

**Nutrition Programming**

Focus for Health Foundation Hanna-Attisha, M (PI) 3/14/2016 – 3/31/2017  
This award will support fruit and vegetable prescriptions and education by a dietitian in the Hurley Children's Clinic.  
Award Total: \$10,000  
Role: Principal Investigator

**Positive Parenting Principles for Pediatricians and Early Childhood Providers: A Paired Systems – Level Approach to Promoting Resilience**

American Academy of Pediatrics/Doris Duke Charitable Foundation Hanna-Attisha, M (PI) 7/15/2015 – 1/14/2017  
The goal of this project is to develop, implement, evaluate, and disseminate a positive parenting curriculum for both pediatric trainees and early childhood teachers.  
Award Total: \$35,000  
Role: Principal Investigator

**Nutrition Backpack Program**

National Basketball Players Association Foundation Hanna-Attisha, M (PI) 5/24/2016 – 9/30/2016  
The goal of this program was to provide and evaluate a Farmers' Market incentive program for youth.  
Award Total: \$44,000  
Role: Principal Investigator

**Take One Apple Twice a Day: Integrating Nutrition Services for At – Risk Children Health Innovation Grant**

Michigan Department of Health and Human Services Hanna-Attisha, M (PI) 11/1/2015 – 9/30/2016  
The goal of this study is to creatively integrate nutrition access and education with pediatric primary care for an at – risk, nutritionally – deprived inner – city population.  
Award Total: \$32,241  
Role: Principal Investigator

**Nutrition Programming**

FirstMerit Foundation Hanna-Attisha, M (PI) 11/30/2015 – 9/20/2016  
The goal of this award is to improve nutritional status of children at Hurley Children's Clinic.  
Award Total: \$2,500  
Role: Principal Investigator

**Smoke Free Ride Community Access to Child Health (CATCH) Resident Grant**

American Academy of Pediatrics Kissieh (PI) 5/1/2013 – 4/30/2014

The goal was to reduce asthma disparities by a community education and intervention program regarding smoking in cars with infants.

Award Total: \$3,000

Role: Principal Advisor

**Give It A Shot: Improving Immunization Access for Children Living in Shelters Community Access to Child Health (CATCH) Resident Grant**

American Academy of Pediatrics Mahajan (PI) 5/1/2012 – 4/30/2013

The goal was to improve immunization status of homeless children through community – based education and social work support.

Award Total: \$3,000

Role: Faculty Advisor

**Gifts**

**Nutrition programming**

Private Donor Hanna-Attisha, M (PI) 3/21/2017 – 3/20/2021

The goal of this award is to improve nutritional status of children at Hurley Children's Clinic.

Award Total: \$100,000

Role: Principal Investigator

**Evaluation of the 2017 Flint Farmers' Market Voucher Program**

Flint NOW Custack (PI) 6/7/2017

The goal of this project is to evaluate the distribution and redemption of the Flint Farmers' Market Voucher Program.

Award Total: \$5,000

Role: Co-Investigator

**Prescriptions for Healthy Fruits and Veggies**

Pfizer Foundation Hanna-Attisha, M (PI) 10/1/2016

This award will support fruit and vegetable prescriptions and education by a dietitian in the Hurley Children's Clinic/Michigan State University.

Award Total: \$60,000

Role: Principal Investigator

**Project 6 Initiative**

Medtronic Foundation Hanna-Attisha, M (PI) 5/16/2016

The award will support mitigating interventions based at Hurley Children's Center/Michigan State University.

Award Total: \$50,000

Role: Principal Investigator
